Dear Brownsville ISD students and staff,

In light of these latest developments, Brownsville ISD has decided to close its schools after Spring Break two additional weeks as a precautionary measure.

In an effort to continue to serve our students and community, our district is offering the following services:

Campus and District Administration

Campus and district administrators, along with a skeleton crew, will be available on each campus and the administration building from 8:00 a.m. – 2:00 p.m., Monday thru Friday. If you have questions, please call the respective campus administrator. Business Office staff will carry business matters such as payments and staff payroll.

Food Services

BISD operations staff will be working to make sure that every child who depends on the district's free lunch program will continue to receive their meals. We have strategically identified the following twelve locations where breakfast and lunch can be **picked up** from 11:30 am – 1:00 p.m. When picking up a meal, **the child(ren) must be in the vehicle.**

Transportation Services

In some cases, the Child Nutrition Dept. will prepare food in a centralized location. Bus drivers will deliver meals to all the campuses listed above.

Custodial Employees

Custodial staff will continue to clean and disinfect district facilities.

Police and Security Services

BISD will continue to provide security services throughout the district.

If there are any changes we will pass the information along to you. Please continue to follow preventive measures at home. Thank you for your patience and support.
