# Comprehensive Needs Assessment

## Demographics

### Demographics Summary

#### CNA Procedures for Demographics:

The SBDM committee will meet once every six weeks to review the CIP goals and to amend appropriate to campus needs.

**Data Sources Reviewed:** The following sources provided valuable data for Demographics in regards to the identification of needs:

#### Enrollment Reports

1. Attendance Reports
2. Ethnicity
3. Mobility/Stability
4. Teacher-Student Ratios
5. Completion, Dropout rates, Failure Rates
6. Course / Class Assignments
7. Pre-AP/ AP Placement Enrollment
8. ESL/XL Enrollment
9. Teacher Attendance
10. Student Attendance Rates
11. Discipline
12. Benchmark Data
13. Campus parent participation records
14. SAT/ACT scores
15. Fitness Gram Data

The student population at Faulk Middle School is approximately 1,122 students and serves students in grades sixth through eighth. According to the PEIMS Data Review of our campus profile, the student population includes: Hispanic (99.5%), White (0.5%), African American (0.3%), Economically Disadvantaged (99.0%), Limited English Proficient (30.0%), and At-Risk (67.2%) students. The mobility rate for the campus is 18.8%. Additionally, the retention rate was 1.8% for all and at-risk students. The Attendance Rate was 97.0% for all students and 96.5% for at-risk students. Moreover, the Dropout Rate was 0.2% for all students and 0.7% for at-risk students.

## **Demographics Strengths**

**Findings/Analysis Results:** The following strengths have been identified after the SBDM Committee analyzed all findings.

- Met Attendance Goals
- Number of students in the Pre-Ap / GT/STEM course
- The school utilizes school messenger to communicate with parents immediately on upcoming and important issues.
- Teachers work on failure lists to have open communication with students and parents on their child's progress.
- Students are provided with opportunities to take part in multiple extracurricular activities such as: athletics, fine arts and clubs.

## **Demographics Needs**

Summary of Needs: After thorough review of multiple data sources, the SBDM Committee assessed program effectiveness and determined that through the collaboration of various campus resources and community entities the following demographics areas of improvement would be addressed:

1. Maintain attendance rates and meet the district goals of 97% attendance by increasing parental involvement, calling students home and making home visits when they are absent. 4.1.1
2. Provide support for At-Risk population by increasing the number of students who exit the bilingual program by providing after-school tutorial and having the bilingual lab open in the mornings to help increase language development. 3.1.1
3. Increase support for students that are retained by providing after-school tutorials, enrichment courses and SSI remedial support. 1.1.4
4. Reduce the Failure Rates per semester and school year. 1.1.23

To best support campus efforts and meet the identified needs at the District and Campus level; activities, resources, and implementation time lines related to demographics are set forth in all sections of the 2017-2018 Campus Improvement Plan.

To best support campus efforts and meet identified needs at the District and Campus level; activities, resources, and implementation timelines related to School Context and Organization are set forth in all sections of the 2017-2018 Campus Improvement Plan

### **Problem Statements Identifying Technology Needs**

**Problem Statement 1:** Not all teachers seamlessly integrate interactive technology into the lesson cycle to improve the delivery of student-centered instruction. **Root Cause:** Faulk Middle School does not have enough equipment to have an interactive set of technology in each teacher's classroom that will advance student achievement.

# Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

## Improvement Planning Data

- District goals
- Campus goals
- Current and/or prior year(s) campus and/or district improvement plans
- Campus and/or district planning and decision making committee(s) meeting data
- State and federal planning requirements

## Accountability Data

- Texas Academic Performance Report (TAPR) data
- Performance Index Framework Data: Index 1 - Student Achievement
- Performance Index Framework Data: Index 2 - Student Progress
- Performance Index Framework Data: Index 3 - Closing Performance Gaps
- Performance Index Framework Data: Index 4 - Postsecondary Readiness
- System Safeguards and Texas Accountability Intervention System (TAIS) data
- Critical Success Factor(s) data
- Accountability Distinction Designations
- Federal Report Card Data
- PBMAS data
- Community and student engagement rating data
- Annual Measurable Achievement Objectives (AMAO) data

## Student Data: Assessments

- State and federally required assessment information (e.g. curriculum, eligibility, format, standards, accommodations, TEA information)
- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR End-of-Course current and longitudinal results, including all versions
- Progress of prior year STAAR failures
- STAAR Released Test Questions
- STAAR ELL Progress Measure data
- Texas English Language Proficiency Assessment System (TELPAS) results
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Texas Success Initiative (TSI) data for postsecondary/college-ready graduates data
- Advanced Placement (AP) and/or International Baccalaureate (IB) assessment data
- Student Success Initiative (SSI) data for Grades 5 and 8
- SSI: Istation Indicators of Progress (ISIP) accelerated reading assessment data for Grades 3-5 (TEA approved statewide license)

- SSI: Think Through Math assessment data for Grades 3-8 and Algebra I (TEA approved statewide license)
- Local diagnostic reading assessment data
- Local diagnostic math assessment data
- Local benchmark or common assessments data
- Student failure and/or retention rates
- Running Records results
- Observation Survey results

### **Student Data: Student Groups**

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Number of students assigned to each special program, including analysis of academic achievement, race, ethnicity, gender, etc.
- Economically Disadvantaged / Non-economically disadvantaged performance and participation data
- Male / Female performance and participation data
- Special education population, including performance, discipline, attendance, and mobility
- Migrant population, including performance, discipline, attendance, and mobility
- At-Risk population, including performance, discipline, attendance, and mobility
- ELL or LEP data, including academic achievement, support and accommodation needs, race, ethnicity, gender, etc.
- Career and Technical Education (CTE) data, including academic achievement, program growth, race, ethnicity, gender, etc.
- Section 504 data
- Homeless data
- Gifted and talented data
- Dyslexia Data
- Response to Intervention (RtI) student achievement data

### **Student Data: Behavior and Other Indicators**

- Annual dropout rate data
- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Student surveys and/or other feedback

### **Employee Data**

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Highly qualified staff data
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data

- Evaluation(s) of professional development implementation and impact
- PDAS and/or T-TESS

### **Parent/Community Data**

- Parent surveys and/or other feedback
- Parent Involvement Rate
- Community surveys and/or other feedback

### **Support Systems and Other Data**

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Communications data
- Capacity and resources data
- Budgets/entitlements and expenditures data
- Study of best practices
- Action research results
- Other additional data

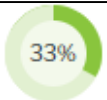

# Goals

**Goal 1: BISD students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens. (Board Goal 1)**

**Performance Objective 1:** A minimum of 90% of students will achieve a Approaches Level Performance on STAAR/EOC ELA, Reading, and Math Assessments. A minimum of 25% of students will achieve at Master Level Performance in Reading and Math. A minimum of 75% of students will achieve a Approaches Performance on STAAR Science and History Assessments. A minimum of 25% of students will achieve a Masters Level Performance in Science and History.

**Evaluation Data Source(s) 1:** S: STAAR Scores F: Department/Team Meetings, Benchmarks, Six Weeks Exam, Student Progress Reports

## Schoolwide Program Plan

**Federal requirements for campus planning mandate that schools develop a school wide program plan that includes all of the ten required components. The following ten components of a school wide program are embedded within the campus improvement plan and its activities.**

Faulk Middle School uses its Title I, State Compensatory and other funds to upgrade the entire instructional program by implementing school-wide programs as authorized under the provisions of Public Law 107-110, Section 1114.

## Ten Schoolwide Components

### 1: Comprehensive Needs Assessment

The Site-Based Decision-Making (SBDM) Committee conducted a comprehensive needs assessment (CNA) yearly to determine the strengths and needs of students, staff, parental & community involvement, and facilities before deciding how to use available local, state, and federal budget allocations. Based on the CNA, the committee decided to concentrate on improving the passing rate of all students and student groups including Migrant, Bilingual, At-Risk, Dyslexia, GT, Title I, and Special Education on state assessments. The goal is to have 90 percent of all students and all student groups passing all parts of state mandated assessments for the **2017-2018** and to increase the advanced performance level in all content areas. In addition, TELPAS will be monitored effectively to ensure higher levels of advanced high attainability.

### 2: Schoolwide Reform Strategies

To accomplish these objectives, the staff will use the budgeted funds to implement school-wide reform strategies that provide opportunities for all children to meet the State's proficient and advanced levels of academic performance, use effective methods and instructional strategies that are established on scientifically based research that (1) strengthen the core academic program; (2) increase the amount and quality of learning time, including the funding of an after-school tutorial/ summer school/ enrichment program, for students who are At-Risk and in need of continuity in their instructional program to be successful in the succeeding school year; (3) include strategies for meeting the educational needs of historically underserved populations; (4) include strategies to address the needs of all children in school, particularly the needs of low-achieving students, At-Risk, or not meeting the State student academic achievement standards; (5) address how the school will determine if such needs have been met; and (6) are consistent with and are designed to implement the State and local improvements plans. 1.1.3, 1.1.14, 1.1.15, 1.1.16, 3.1.1, 3.1.11, 6.1.6

### 3: Instruction by highly qualified professional teachers

Highly-qualified teachers will carry out the instructional program. Only teachers who are certified and who have met state testing requirements to teach the

subjects/grade levels to which they are assigned will be hired by the school. In emergency situations, the school will consider teachers who have alternative certification. In addition to appropriate certification, teachers will be sought who are experienced and have been successful in previous assignments. 1.1.1, 1.1.2, 1.1.3, 1.1.4, 1.1.5

#### **4: High-quality and ongoing professional development for teachers, principals, and paraprofessionals and, if appropriate, student services personnel, parents, and other staff**

The school will provide access to high-quality ongoing professional development 1.11, 2.5, 3.5 throughout the school year for all staff including teachers, principals, and paraprofessionals 1.16, 11.11. Professional development activities will be geared to individual teachers' specialties, along with any other identified needs as determined through the staff, student and parent needs assessment surveys, administration classroom observations and evaluations, and/or district identified needs. Professional development will be conducted both at the school and the education service center as well as district conferences and workshops, which will be intensive and sustained. Professional development will include STAARS training, SIOP, Living with Science, Developing Metacognitive Skills, ELPs, MSTAR Academies, Technology Training, expecting higher levels of performance for the GT/Pre-AP population and differentiation for the special programs.

#### **5: Strategies to attract highly qualified teachers**

Strategies to attract high-quality teachers to high needs schools 7.27, for selection of teachers from the District's and Region I's efforts to recruit teachers, paying stipends for attainment of a Master's Degree, and paying stipends for math, science and social studies, bilingual stipends and paid health insurance.

#### **6: Strategies to increase parental involvement**

Title I, Part A Funds will be used to partially finance strategies to increase parental involvement 11.11, 11.12 at the school including the parent workroom and to purchase special materials used in the parent volunteer program. Parent education will be provided to parents by the campus parent liaison as well as the District's Parental involvement Center. Parent training on how to help their students be successful at home, learning English, discipline management and parenting skills will be provided to those parents who want to better meet the rigors of parenting.

An orientation for 5<sup>th</sup> grade students and their parents 11.10 will be held annually in the spring to assist with the transition into middle school and for 8<sup>th</sup> grade students and their parents to assist with the transition into high school. 1.18

#### **7: Plans for assisting preschool children in the transition from early childhood programs to elementary school programs**

An orientation for 5<sup>th</sup> grade students and their parents 11.10 will be held annually in the spring to assist with the transition into middle school and for 8<sup>th</sup> grade students and their parents to assist with the transition into high school. 1.18

**8: Measures to include teachers in the decisions regarding the use of academic assessments in order to improve the achievement of individual students and the overall instructional program**

Teachers will be included in decisions regarding the use and selection of academic assessments 1.1, 2.1, 3.1 to measure student performance. Teachers will use data obtained from state assessments as well as other instruments, including but not limited to the SELP, TELPAS, and benchmark tests, to implement new instructional strategies, modify existing strategies and/or discontinue existing strategies to better address student needs as determined by use of these instruments.

**9: Activities to ensure effective timely assistance for students who experience difficulty mastering the proficient or advanced levels of academic achievement standards**

Students experiencing difficulty in mastering the TEKS will be provided effective, timely additional assistance. 7.1 All teachers will closely monitor all students' performance based on daily exercises and periodic tests. Students not mastering the objectives will be provided additional assistance in the after school tutorial program and/or enrichment courses based on his/her individual needs. Saturday Academies will also be available for students needing extra reinforcement.

**10: Coordination and integration of federal, state and local services and programs**

The school will coordinate and integrate federal, state, and local programs and services to maximize the effectiveness of these resources. Several of the strategies being implemented are jointly funded with Special Services and Title I Funds, e.g., after school tutorial programs. Professional Development activities are also paid for from Title I, Parts A and C, and Local Funds. Title I Funds along with State Compensatory, Bilingual and local funds are used to purchase supplemental instructional materials, media, and library resources used to improve and enhance the overall instructional program.

Faulk Middle School will provide the state mandated State Compensatory Education program through funded initiatives including afterschool tutorials starting the fourth week of school. Tutorials will be offered at least three times a week and on Saturdays as needed.
