

Brownsville Independent School District
Gonzalez Elementary
2017-2018 Campus Improvement Plan

Mission Statement

Brownsville Independent School District, rich in cultural heritage, will produce well-educated graduates who can pursue higher educational opportunities and who will become responsible citizens in a changing global society by utilizing all resources to provide equitable opportunities for students.

Vision

The mission of Gonzalez Elementary is to assist and guide all of its students in their efforts to develop essential academic skills to strengthen their learning and coping skills for a successful future, so that they may have the ability to think independently and to communicate effectively. Our school must provide instruction at its highest level of quality and must have equity in the educational opportunities and resources for all its students. Our motto is *“Where We Succeed Together”*.

Value Statement

Our school must provide instruction at its highest level of quality and must have equity in the educational opportunities and resources for all its students. Our motto is *“Where We Succeed Together”*.

Goals	21
Goal 1: BISD students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens	21
Goal 2: The students in the public education system will demonstrate exemplary performance in the TEKS based fine arts programs, co-curricular, athletic programs, and extra-curricular activities.	34
Goal 3: Through enhanced dropout efforts, all students will remain in school until they obtain a high school diploma and/or pursue a post-secondary education.	36
Goal 4: By improving attendance, students will be encouraged and challenged to meet their full educational potential.	42
Goal 5: School campuses will maintain a safe and disciplined environment conducive to student learning.	53
Goal 6: The Board of Trustees, in collaboration with District Staff, Administration, Parents, and Community will provide required support and resources for the attainment of educational excellence and equity. Parents will be full partners with educators in the education of their children.	59
Goal 7: Migrant students will be challenged and encouraged to meet state content standards and assessments that are necessary to graduate on time and enroll in post secondary education while receiving additional supplemental support in order to overcome the obstacles encountered due to their migrant lifestyle.	63
Goal 8: Our vision for technology is to have all district stakeholders involved in the teaching and learning process seamlessly integrate technology to make informed decisions and advance student achievement and technology literacy to encourage and support creative, innovative, lifelong learning.	70
Goal 9: The Board of Trustees, in collaboration with District Staff, Administration, Parents, and Community will ensure equity in availability of appropriate, well maintained, energy efficient facilities for a safe and orderly learning environment for all students. (Board Goal 2) DEIC added 12-6-201	76
Goal 10: The District will ensure effective and efficient use of all available funds to assist in implementing a balanced budget, which includes improved compensation for teachers. (Board Goal 3) [DEIC added 12-6-2017]	77

Goal 11: All BISD programs and campuses will work closely and collaboratively with the BISD Public Information Office to expand public relations/marketing campaigns to further expand student enrollment/recruitment/ and retention efforts. (Board Goal 4) [DEIC added 12-6-2017] . . . 79

Demographics

Demographics Summary

Gonzalez Elementary presently serves approximately 840 students in grades PreK3 to 5th through a variety of specialized programs designed to meet the needs of its diverse student population. According to the 2015-2016 TAPR report of our campus profile, 100% of the student population is Hispanic and 90.5% are identified as Economically Disadvantaged. Many of our students are first generation Mexican immigrants, 48.6% are classified as English Language Learners and a majority are English/Spanish bilingual.

The mobility rate for the campus is 13.6%. A total of 605 students are identified as at-risk with the highest number of at-risk students being identified under the LEP indicator. Additionally, the retention rate is as follows: All students .037%, At-Risk students .038%. The Attendance rates for the 2015-2016 school year is 97% for all students and 96.9% for at-risk students.

3rd-5th Grade All Students 2016 STAAR Summary:

Reading 89%, Math 90%, Writing 87%, Science 93%

3rd-5th All Students 2017 STAAR Summary:

Reading 84%, Math 91%, Writing 83%, Science 93%

Performance variation between all student groups:

Data from TEA 2016 System Safeguards- Performance and Participation Data Table

Reading: At Risk (82%), Economic Disadvantage (88%), Hispanic(88%), White (-%), Female (91 %), Male (87%), Gifted and Talented (88.41%), Migrant (73%), Special Education (59%), ELL (85%)

Writing: At Risk (77%), Economic Disadvantage (86%), Hispanic (86%), White (-%), Female (86%), Male (88%), Gifted and Talented (80.78%), Migrant (*), Special Education (45%), ELL (84 %)

Math: At Risk (86%), Economic Disadvantage (90 %), Hispanic (89%), White (-%), Female (91%), Male (90%), Gifted and Talented (93.31%), Migrant (*), Special Education(62%), ELL (86%)

Science: At Risk (87 %), Economic Disadvantage (92%), Hispanic (92%), White (- %), Female (91%), Male (95%), Gifted and Talented

(100%), Migrant (*), Special Education(73 %), ELL (88%)

The trends identified when all students performance was compared with all student groups indicate that our tested areas in Reading decreased from a 88% to an 84%, Math increased from an 89% to 91%, Writing decreased from an 86% to 83%, and Science increased from a 92% to an 93%.

Demographics Strengths

The strengths noted are :

- Availability of State Compensatory funds for At-Risk students (3.1)
- Reports readily available through TangoTrends, Tango Central, and Eduphoria
- Strong collaboration between teachers, administration, and home visitor
- Strong collaboration with Curriculum and Instruction Specialists and support system
- Low teacher turnover

Demographic Needs:

The campus will work on increasing the attendance rate by having teachers monitor weekly attendance and provide student recognition for their perfect attendance. The campus will increase attendance rates through student motivational activities and incentives. (Action Step: 4.2.1, 4.2.3, 4.2.4, 4.2.5, 4.2.6). Daily monitoring logs are turned in to the office and phone logs are documented. The classes with perfect attendance receive recognition (class paper trophies) and incentives for the class.

The campus will need to maintain the school rating and increase the number of "Masters" in all tested areas by implementing state adapted materials/textbook/instructional resources/student planners, and continuous monitoring student progress. (Action Steps: 1.1.5, 1.1.7, 1.1.8). Monitoring of student progress needs to be continued through data walls and teacher monitoring logs.

Teachers will receive training through curriculum specialists and administration, as well as through vertical alignment on how to better increase Reading assessment scores in all subgroups (Action Steps: 1.1, 1.2, 1.9, 1.11, 1.12).

The demographic additional needs include:

Improving Attendance Rates to a 97% by the end of May 2018.

Improving STAAR performance rates, increasing performance rates, increasing LEP, At-Risk, and Economically Disadvantaged, and Special Ed scores by monitoring and assessing students with campus and district assessments.

Increasing our STAAR "Masters" in all tested areas by10% in each tested area.

Student Achievement

Student Achievement Summary

As per the Performance Index Summary from TEA, Gonzalez Elementary received an Accountability Rating of Met Standard on the 2016 School year along with three distinction designations. Gonzalez Elementary also earned a distinction for being in the Top 25 percent Student Progress, Top 25 Percent: Closing Performance Gaps and Postsecondary Readiness.

Student Achievement Strengths

Overall scores in the 2016 STAAR Performance include: Reading 89%, Math 90%, Writing 87%, and Science 93%. Students were proficient and had adequate weekly usage of the software purchased by the district which attributed to their success. This success is also attributed to tutorials, extended day, and Saturday tutorials.

Student Achievement Needs:

Increase "Masters" in Math, Reading, Writing, and Science through campus monitoring, mid and end of the six weeks checkpoints district benchmarks, etc. (Action Step: 1.1.7, 1.1.8)

Increase the % of LEP and Special Education STAAR Scores by 5% in all the content areas by providing small group instruction, tutorials, Saturday tutorials, and extended day programs.(1.1.5, 1.1.15)

Increase the Writing and Science STAAR scores to a 90% and 94%, respectively, by implementing Write for Success program and science software with fidelity. (Action Step:)

Implement the use of writing journals in all the content areas to improve the reading and writing proficiency for all students (Pk-5th grade). (Action Step: 1.3)

Implement the submission of writing samples to the principal for review and for showcasing, as well as to the Dean of Instruction every 3 wks.

Increase TELPAS scores to 60% mastery in order to maintain Recognized status or reach Exemplary status through vocabulary development, professional development, and campus wide trainings with Bilingual Specialists (Action Step: 1.1.1, 1.1.2 , 1.1.12)

Increase 5th Grade Science scores to 90% through campus science academies, use of software, and campus student monitoring (Action Step: 1.1.13)

Teachers will be allotted funds to purchase supplemental instructional materials through district approved vendors in order to improve class instruction and supplement the reading curriculum. (Action Step: 1.1.7, 1.1.8)

Grade level lead teachers & administration will be provided with one ink cartridge annually for the grade level printers in order to provide teachers with pertinent information. (Action Step: 1.1.8)

Teachers will be granted the opportunity for professional growth by attending in district and out of town district trainings in the areas of Reading, Writing, Math, Science, and Technology. (Action Step 1.1.6, 1.1.8)

Problem Statements Identifying Student Achievement Needs

Problem Statement 1: Increase the percentage of Special Ed STAAR scores in reading. **Root Cause:** The need to increase the time allotted for small group instruction to strategically implement research-based interventions.

School Culture and Climate

School Culture and Climate Summary

Our Parent Center, staffed by volunteers along with a full time aide, complements our instructional program by constructing teaching aides and materials. Our parents have a monthly calendar disseminated filled with a vast variety of activities including sewing classes, arts and crafts classes, and weekly parent meetings with presenters from main office as well as campus personnel. The parents and staff are well informed of state assessment changes and updates and literacy initiatives. Parents work well with the home visitor and parent liaison to assist in campus events and feel welcomed by the staff and administrators. Our campus has a full time music teacher and an art teacher. All students participate in the music and art program. To promote technology a group of 4th and 5th grade students participated in the Coding Club, STEM, UIL, Spelling Bee, and Destination Imagination.

School Culture and Climate Strengths

School Culture and Climate Strengths

- Feedback from teachers and parents
- Parent Conferences with teachers and administration
- Parent Liaison/Home visitor encourage parental involvement through meetings (6.10).
- Active participation in health and fitness, Fitness Gram, Annual Fun Meet and CATCH Committee
- Active participation in extra-curricular activities.

School Culture and Climate Needs

Parental involvement will be maintained or increased by 2.33% through parent flyers/invites to weekly meetings (Action Step 6.1)

Surveys need to be conducted at the beginning of school year to better assess the campus needs and provide appropriate trainings to all stakeholders (Action Steps 6.5, 6.10).

Need to provide additional resources to our At- Risk and PFS and Migrant students in addition to extended day services and tutorial. (Action Steps: 7.2, 7.3, 7.10, 3.1)

All migrant students will receive grade appropriate school supplies and/or clothing / hygiene products in order to provide them with the necessary tools to complete their classroom and homework assignments; thus extending them the same opportunities for meeting the academic challenges of all students. Clothing will be jackets, pants, shoes, t-shirts, socks, underwear. (Action Steps: 7.10) Students will receive additional instructional resources and to improve their reading Fluency and comprehension skills.

Staff Quality, Recruitment, and Retention

Staff Quality, Recruitment, and Retention Summary

Gonzalez's certified faculty is comprised as follows: 41 classroom teachers – Pre-Kinder to fifth, 4 special education teachers, 1 Dyslexia teacher, 3 physical education teachers, two counselors, a Dean of Instruction, one nurse (**GOAL 6, ACTION STEP 2.12**), one librarian, two Assistant Principals and the Principal. Support certified staff consists of a speech therapist, a speech therapist assistant, a Diagnostician, an itinerant special education counselor, a physical therapist, an occupational therapist and APE teacher as well as a Special Ed. supervisor. Our paraprofessional classified staff is comprised of 23 employees filling various roles (GOAL 3, ACTION STEP 6).

All Gonzalez teachers have attained their 30 G/T core hours of training. Faculty and staff constantly receive training in areas such as test taking strategies, new techniques for teaching reading and writing, and methods for improving our Bilingual Program.

Staff Quality, Recruitment, and Retention Strengths

- Teacher Certification; highly qualified teachers
- Staff Mobility; small % turnover on teachers
- Teacher-Student Ratios 22:1
- All of our teachers are G.T. certified
- Grade level meetings and professional development training with Dean and principal consistently held weekly

Staff Quality, recruitment, and Retention Needs

All of our teachers are highly qualified & will need to attend G.T. ongoing trainings, SIOP trainings, and math, reading, science and vertical alignment trainings to continue growing professionally. (ACTION STEP: 1.1, 1.9, 1.20)

There needs to be a correlation between the teacher's evaluation rating and his/her student's academic performance; staff development should better prepare teachers with student performance

We need to provide teacher incentives/stipends for trainings attended. (Action Step: 3.9, 3.10)

The campus has a need to provide funding for full time Prekinder3 and Prekinder4 certified FTE's and instructional assistants in order to better prepare our students reach academic success. (Action Step: 3.8, 3.6)

Curriculum, Instruction, and Assessment

Curriculum, Instruction, and Assessment Summary

The curriculum at Gonzalez Elementary parallels the state's mandates and is aligned to the state's TEKS. Students are placed in instructional settings that meet their individual needs: regular, bilingual, G/T classes or a specialized Special Education class. Additional instructional programs designed to supplement the curriculum are as follows: Dyslexia Lab, Resource Lab, and a Content Mastery Lab, along with three computer labs. Curriculum support is further personalized by the Dean of Instruction.

The campus used the Site Based Decision Making committee as well as administration support and input to analyze relevant Curriculum, Instruction and assessment data and to set annual goals. Teachers are provided with instructional resources and professional development opportunities in order to better prepare students for state assessments (Action Steps 1.5, 1.7, 1.8). In addition, Gonzalez Elementary is working to become a technology rich campus. In doing so, we have identified many needs which include preparing our students to meet new, rigorous curriculum standards.

Curriculum, Instruction, and Assessment Strengths

- Core Areas share a common scope and sequence
- Teachers are familiar with the navigating the district curriculum website and are able to plan utilizing the district frameworks and scope and sequence
- Teachers use technology extensively in the classroom.
- Tablets are provided for all 5th grade classes.
- Ipads (one COW) was provided for Pk-2nd grade to share along with attending computer classes once weekly
- PreK3 and PreK classes are provided with Hatch Computers to enhance student learning.
- Supplemental resources are available to our teachers to improve small group instruction
- Provided all 3rd-5th grade teachers with Ipads in order to meet the STAAR rigor and improve instruction, while helping our At Risk students be more successful.

Curriculum, Instruction, and Assessment Needs

Increase technology knowledge with teachers and students

Improve questioning strategies to increase critical thinking

Increase collaboration among teachers in instructional strategies through vertical and horizontal trainings (Action Step 1.9, 3.9)

Provide more professional development on differentiated instruction, RTI strategies, and interventions in order to help our At Risk students be more successful. (Action Step: 1.5, 3.9)

Increase Knowledge of Curriculum components and TEKS

Purchase more Supplemental instructional resources for the teachers to improve small group instruction and Tier II interventions (Action Step 1.5)

Provide more professional development for ELAR/Writing Strategies as well as Math trainings in order to help our At-Risk students be more successful in their state assessments. Trainings such as Empowering Writers, RGVTM will be utilized for prof. growth. (Action Steps: 1.1, 1.6, 1.11, 1.15, 3.9) Increase in use of cooperative learning strategies through district trainings as well as sending teachers to perform classroom observations in classrooms implementing the strategies successfully.

Increase Science trainings for the teachers through monthly staff dev. and campus trainings with Science Specialist in order to better prepare students for Science Fair, Brainsville, and the Science STAAR assesment. (Action Steps: 1.13, 1.14, 1.15)

Increase technology knowledge by providing campus trainings to the staff on useage of SmartBoard and computer software pertinent to instruction (Compass Learning, Living With Science).

New teachers need the support of effective mentoring and weekly meetings to reflect on areas of assistance.

Family and Community Involvement

Family and Community Involvement Summary

The campus used the Site Based Decision Making Committee as well as administration support and input to analyze relevant Family and Community Involvement data and to set annual goals. In order to increase parental involvement attendance rates, parent and community member volunteer opportunities are available throughout the school year. A parental involvement survey was passed out and the answers were analyzed to determine campus needs for the school year. Gonzalez Elementary strives to bridge the school with the home by maintaining a flow of constant communication with parents that is relevant to student academic achievement and to student social development. It is through this school-parent partnership initiative that maximum student success is achieved.

Family and Community Involvement Strengths

- Weekly Educational Presentations for all parents (Action Step:6.1, 6.6, 6.11)
- Full time Home visitor that serves as a liaison between parents , community and school. (Action Step 6.12)
- Community Service Agencies and Support Services
- Weekly parent involvement in fitness (zumba classes), arts and crafts, nutritional classes, and educational trainings
- Parent feedback-parent surveys (Action Step: 6.1, 6.6, 6.11)

Family and Community Involvement Needs

Gonzalez Elementary's number for Parental Involvement volunteers need to increase by 2.33% by sending weekly invitations: via flyers, phone calls, school messenger system and emails to the meetings. (Action Step:6.1, 6.6, 6.11)

More parent trainings are needed to educate the parents and involve them in their children's education and progress. (Action Step:6.1, 6.6, 6.11)

School Context and Organization

School Context and Organization Summary

The campus used the Site Based Decision Making committee as well as administration support and input to analyze relevant school context and organization data and to set annual goals. Some of the sources that provided valuable data in regards to the identification of needs:

- Master Schedule
- School structure
- Leadership
- Decision Making processes
- Supervision Structures

School Context and Organization Strengths

- Master Schedule - teacher- administrative input
- Schedule for Student Support Services-We have extended day services for students to enhance their academics
- Leadership-Grade level lead teachers and administrators share campus leadership
- Support Structure-Asst. Principals & Inst. Dean of Instruction and grade level lead teachers work closely with each grade level to align curriculum and assessments.
- Departmentalized grade levels (3rd – 5th)
- Admin. Consistently monitor instruction by visiting classrooms

School Context and Organization Needs

Campus vertical alignment/ horizontal alignment needs to be in place in order to increase assessment scores and allot for more time on task in the classrooms (Action Steps: 1.9)

Campus is in need of upgrading; restrooms and classrooms through maintenance repairs.

The need to beautify the campus with assistance of the different committees, community and student involvement

Technology

Technology Summary

The campus used the Site Based Decision Making committee as well as administration support and input to analyze relevant Technology data and to set annual goals. The campus SBDM along with the TST instructional assistant met several times this year and reviewed the STaR chart, Fixed assets report, the results of the staff/ student/ parent technology survey of needs along with the current hardware and software being utilized across grade level at the campus.

The technology teacher as well as our technology instructional assistant (Action Step 8.12) was able to provide input as to the level of implementation and acquisition of the Technology TEKS was observed per grade level and a plan was devised to ensure the proper implementation for the following year. A review of the professional development opportunities was made and dates of last training attended by teachers were noted in order to compare with teacher survey results.

Technology Strengths

- Wireless Campus Wide- computer access for students in all classrooms
- Technically innovative instruction- Smart Boards available in all (3rd-5th) classrooms
- Upgraded network infrastructure
- Computer access for students in all classrooms

Technology Needs

Computers will provide accessibility to instructional programs that would increase student interaction and engagement in the learning process.

The level of technology integration into classroom instruction by teachers and students will be increased. (Action Step: 8.9, 8.11)

Although computers are available in the classroom, newer computers are needed to provide accessibility to more current programs and software along with better internet access.

Printers, document cameras, desktop computers and projectors would increase student interaction and engagement and would be utilized with computers. (Action Step: 8.6)

Current computers can be used for reinforcing keyboarding and typing out papers only.

Software needs to be updated to be in line with current TEKS. (Action Steps: 8.6)

Resources will be reviewed and new software that is in line with current TEKS will be purchased. (Action Steps:8.6)

The teachers are in need of technology training as it becomes available through Professional Development and PD System, as well as send teacher representation to RGVSA and any other Technology annual conferences to ensure proper integration of technology in the classroom. (Action Step: 8.2, 8.3,)

Teachers will integrate the use of computers and will require a technology project from the student on a 6 weeks basis (Action Step: 8.11) Gonzalez Elementary is in need of upgraded technology resources including but are not limited to desktop computers, laptop computers, printers, sound systems, digital cameras, video cameras, document cameras, LCD projectors, interactive Smart boards, and presentation speakers, as well as new software (EDUSMART) (Action Step: 8.6).

Need for full time TST certified person overseeing the computer lab. (Action Step 8.12)

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus goals
- State and federal planning requirements

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Performance Index Framework Data: Index 1 - Student Achievement
- Performance Index Framework Data: Index 2 - Student Progress
- Performance Index Framework Data: Index 3 - Closing Performance Gaps
- Performance Index Framework Data: Index 4 - Postsecondary Readiness
- System Safeguards and Texas Accountability Intervention System (TAIS) data
- Accountability Distinction Designations
- PBMAS data
- Community and student engagement rating data
- Annual Measurable Achievement Objectives (AMAO) data

Student Data: Assessments

- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- Texas English Language Proficiency Assessment System (TELPAS) results
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Student Success Initiative (SSI) data for Grades 5 and 8
- SSI: Istation Indicators of Progress (ISIP) accelerated reading assessment data for Grades 3-5 (TEA approved statewide license)
- SSI: Think Through Math assessment data for Grades 3-8 and Algebra I (TEA approved statewide license)
- Local benchmark or common assessments data

Goals

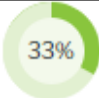

Goal 1: BISD students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens

Performance Objective 1: Gonzalez Elementary students' reading scores will demonstrate 90% or higher mastery, 90% mastery in writing and a 20% increase in "Masters" in both Reading and Writing on the Spring 2018 STAAR tests. Students' math scores will demonstrate 90% mastery and a 20% increase in "Masters" on the Spring 2018 STAAR tests. Students' science scores will demonstrate gains to 95% mastery and a 20% increase in Masters Grade Level on the Spring 2018 STAAR test.

Evaluation Data Source(s) 1: The Gonzalez Elementary STAAR scores will be reviewed with the Data Team to make sure all the grade levels met the standards stated.

Summative Evaluation 1:

Title I

Schoolwide Program Plan

Federal requirements for campus planning mandate that schools develop a school wide program plan that includes all of the ten required components. The following ten components of a school wide program are embedded within the campus improvement plan and its activities.

Gonzalez Elementary School uses its Title I, State Compensatory and other funds to upgrade the entire instructional program by implementing school-wide programs as authorized under the provisions of Public Law 107-110, Section 1114.

Ten Schoolwide Components

1: Comprehensive Needs Assessment

The Site-Based Decision-Making (SBDM) Committee conducted a comprehensive needs assessment over a period of one year to determine the strengths and needs of students, staff, parental & community involvement, and facilities before deciding how to use available local, state, and federal budget allocations. Based on the CNA, the committee decided to concentrate on improving the passing rate of all students and student groups including Migrant, Bilingual, At-Risk, Dyslexia, GT, Title I, and Special Education on state assessments. The goal is to have 90 percent of all students and all student groups passing all parts of state mandated assessments for the 2017-2018 school year and to increase the "Masters" in all content areas.

2: Schoolwide Reform Strategies

To accomplish these objectives, the staff will use the budgeted funds to implement school-wide reform strategies that provide opportunities for all children to meet the State's proficient and advanced levels of academic performance, use effective methods and instructional strategies that are established on scientifically based research that (1) strengthen the core academic program; (2) increase the amount and quality of learning time, including the funding of an after-school tutorial/summer school/extended day enrichment program, for students who are At-Risk and in need of continuity in their instructional program to be successful in the succeeding school year; (3) include strategies for meeting the educational needs of historically underserved populations; (4) include strategies to address the needs of all children in school, particularly the needs of low-achieving students, At-Risk, or not meeting the State student academic achievement standards; (5) address how the school will determine if such needs have been met; and (6) are consistent with and are designed to implement the State and local improvements plans (CIP 1.1, 1.2, 3.1).

3: Instruction by highly qualified professional teachers

Highly-qualified teachers will carry out the instructional program (CIP 1.1). Only teachers who are certified and who have met state testing requirements to teach the subjects/grade levels to which they are assigned will be hired by the school. In emergency situations, the school will consider teachers who have

alternative certification. In addition to appropriate certification, teachers will be sought who are experienced and have been successful in previous assignments. Strategies to attract high-quality teachers to high needs schools (CIP 1.10) will include our school's participation in selection of teachers from the District's and Region I's efforts to recruit teachers from out of valley and state, paying stipends for attainment of a Master's Degree, Insurance benefits, opportunity for supplemental extra duty, and paying stipends for math, science, bilingual teachers, and grade level chairs.

4: High-quality and ongoing professional development for teachers, principals, and paraprofessionals and, if appropriate, student services personnel, parents, and other staff

The school will provide access to high-quality ongoing professional development (CIP 1.1, 1.11, 1.12, 1.19, 5.3, 5.4, 7.1) throughout the school year for all staff including teachers, principals, and paraprofessionals. Professional development activities will be geared to individual teachers' specialties, along with any other identified needs as determined through the staff, student and parent needs assessment surveys, administration classroom observations and evaluations, and/or district identified needs. Professional development will be conducted both at the school and the education service center as well as district conferences and workshops which will be intensive and sustained. The need this year will be primarily to stay informed about any STAAR updates and revisions to the Math/Reading TEKS and the impact on the state assessment. In addition, the need to improve overall scores in the Reading STAAR assessments and improve Special Ed results will be a campus focus and will be monitored closely.

5: Strategies to attract highly qualified teachers

Strategies to attract high-quality teachers to high needs schools (CIP 1.10) will include our school's participation in selection of teachers from the District's and Region I's efforts to recruit teachers from out of valley and state, paying stipends for attainment of a Master's Degree, Insurance benefits, opportunity for supplemental extra duty, and paying stipends for math, science, bilingual teachers, and grade level chairs.

6: Strategies to increase parental involvement

Title I, Part A Funds will be used to partially finance strategies to increase parental involvement at the school including the parent workroom and to purchase special materials used in the parent volunteer program (**CIP 7.1, 7.12**). Parent education will be provided to parents by the campus parent liaison as well as the District's Parental involvement Center. Parent training on how to help their students be successful at home, learning English, discipline management, and parenting skills will be provided to those parents who want to better meet the rigors of parenting. Parent training will also encourage Healthy habits and nutrition classes to enhance the C.A.T.C.H. program. Weekly sewing classes and arts and crafts classes will encourage parental participation. By providing appropriate training, the achievement gaps can be reduced thus making them more effective in the art of parenting and providing a life-long desire for learning for their children. The parent liaison will help organize and coordinate classroom support through teacher collaboration.

7: Plans for assisting preschool children in the transition from early childhood programs to elementary school programs

The Pre-K3 and the Pre-K4 program will be provided the full day in order to better prepare qualified students academically. The elementary campuses will transition the headstart students into the Elementary school setting by having the headstarts visit and collaborate with the PreKinder and Kinder teachers in May. (CIP 3.8)

8: Measures to include teachers in the decisions regarding the use of academic assessments in order to improve the achievement of individual students and the overall instructional program

Teachers will be included in decisions regarding the use and selection of academic assessments (CIP 1.7, 1.5) to measure student performance. Teachers will use data obtained from state assessments as well as other instruments, including but not limited to the SELP, TELPAS, TPRI, Tejas Lee, CLI Engage, and benchmark tests, to implement new instructional strategies, modify existing strategies and/or discontinue existing strategies to better address student needs as determined by use of these instruments.

9: Activities to ensure effective timely assistance for students who experience difficulty mastering the proficient or advanced levels of academic achievement standards

Students experiencing difficulty in mastering the TEKS will be provided effective, timely additional assistance (CIP 1.5, 3.1). All teachers will closely monitor all students' performance based on daily exercises and periodic tests. Students not mastering the objectives will be provided additional assistance in the after school tutorial program and extended day enrichment courses based on his/her individual needs. Saturday tutorials will be offered for additional enrichment and remediation for the struggling learners.

10: Coordination and integration of federal, state and local services and programs

The school will coordinate and integrate federal, state, and local programs and services to maximize the effectiveness of these resources. Several of the strategies being implemented are jointly funded with Special Services and Title I Funds, e.g., after school tutorial programs (CIP 3.1). Professional Development activities are also paid for from Title I, Parts A and C, and Local Funds (CIP 3.9, 1.1, 1.2, 1.3). Title I Funds along with State Bilingual and State Special Education funds are used to purchase supplemental instructional materials, media, and library resources used to improve and enhance the overall instructional program.

In addition to those described above, Migrant Funds are used to identify and recruit children of migratory workers for supplemental services designed to reduce the educational disruptions and other problems that result from repeated moves. Migrant students are provided equal opportunities to attend extended day and extended week tutorials. **(CIP 3.1)**

Bilingual Funds are used to provide supplemental resources to help ensure that children who are English Language Learner will attain English language proficiency and develop high levels of academic attainment. Extended day tutorials are offered to service our ELL population of struggling learners. Intense vocabulary development, software and technology assistance, as well as ESL strategies are the focus of this program. The teachers implement use of Academic Vocabulary, SIOP strategies, word walls, ELPS in the classroom and instructional technology to increase vocabulary development **(CIP 1.5, 1.2, 3.1).**

The campus will also continue to provide the state mandated State Compensatory Education Program through campus as well as District funded initiatives.

The school will target academic achievement and review needs for students identified “At-Risk” using a three tier at risk program. The State Compensatory Education Program will allow the campus to better serve our At Risk students through extended day/ extended week tutorials, instructional supplies, and enrichment programs. The goal is to have all students master the TEKS and pass the STAAR assessment, therefore teachers will be allotted funds to supplement their classrooms. Through the use of RTI interventions and Review 360 the students will be provided with additional assistance both academically and behavior wise **(CIP 3.1,3.10)**.

Special education funding provides supplemental services to eligible students as per Individuals with Disabilities Education Act (IDEA) identification requirements. In order to ensure a free and appropriate public education (FAPE) in a least restrictive environment (LRE), children who qualify for special education must receive services in accordance with a properly developed Individualized Education Program (IEP) as per federal and state special education guidelines. In addition, all Admission, Review, and Dismissal (ARD) committees will adhere to the policies and procedures outlined by the Texas Education Agency (TEA) in the ARD Committee Decision-Making Process for the Texas Assessment Program Manual and a Guide to the Admission, Review and Dismissal Process. The Gonzalez Elementary Special Education teachers will have the support of using district SRA Materials and other supplements for their Reading Resource classes. In addition, the campus will continue to implement the Life Skills Units available to the students in need.
