The Graduation Rates for the school year were 88.5% for all students and 86.7% for at risk students.

Demographics Strengths

Amongst the many strengths in our school-wide academic program, we ensure that all students are serviced based upon their area of eligibility (i.e. At-Risk, Economically Disadvantaged, Migrant, Limited English Proficiency, etc.) All programs are geared towards academic success with the goal of graduating students from college and be career ready. Pace students are also afforded other academic opportunities through the various career pathways which include programs within the School of Technology, Architecture, and Medical Professions. Pace Early College High School has identified the following demographic strengths.

1. Attendance Rate increase to 96.3% meeting state standard
2. CTE Enrollment in career pathways
3. Pace Learning Opportunities Enrollment.
4. Enrollment increase
5. Cohort Express/ GAP Attendance
6. **DEMOGRAPHIC NEEDS:**
7. Increase the number of students in clubs, fine arts, and athletics.
8. Decrease the number of dropouts below the state average.
9. Increase graduation and completion rate.
10. Keep at-risk students in school through support services provided by dean of instruction, dropout specialist, communities in schools, probation officer, and at-risk counselor.

11. Provide at-risk tutorials during the school day and after school.
12. Provide credit recovery programs during the school day and after school.
13. Provide a lead teacher to oversee credit recovery, saturday academies, and after school tutorials.
14. Increase number of dual enrollment credit offerings for students to stay at Pace.
15. Migrant students will be provided with services to keep students in school and successfully complete requirements.

Student Academic Achievement

Student Academic Achievement Summary

Pace Early College High School met standard in all the indicies of the Texas Education Agency 2017 Accountability Report. The indicies and scores are in Student Achievement with an index score of 78, Closing Performance Gaps with an index score of 44, and Post secondary Readiness with an index score of 68. As a campus for all subjects combined 78% of students scored at a phase-in satisfactory standard while the passing rate for sub populations was 54% for special education, 78% for economically disadvantaged, 55% for English language learners, and 73% for At-Risk. In English Language Arts as a campus group 63% of students scored at a phase-in satisfactory standard while the passing rate for sub populations was 39% for special education, 63% for economically disadvantaged, 29% for English language learners, and 49% for At-Risk. In Mathematics as a campus group 90% of students scored at a phase-in satisfactory standard while the passing rate for sub populations was 64% for special education, 90% for economically disadvantaged, 84% for English language learners, and 84% At-Risk. In Science as a campus group 91% of students scored at a phase-in satisfactory standard while the passing rate for sub populations was 69% for special education, 91% for economically disadvantaged, 80% for English language learners, and 82% for At-Risk. In Social Studies as a campus group 95% of students scored at a phase-in satisfactory standard while the passing rate for sub populations was 77% for special education, 95% for economically disadvantaged, 94% for English language learners, and 92% for At-Risk.

Advise TX College Advising Corps works to increase the number of low-income, first-generation college, and underrepresented high school students who enter and complete a postsecondary education. The program model utilizes near-peer advisers by placing well-trained recent college graduates from four Texas partner institutions of higher education as full-time college advisers in high schools with historically low college-going rates. This program assists with post-secondary student achievement.

Student Academic Achievement Strengths

The Texas Education Agency Calculates student progress based upon current and prior year performance in the areas of Mathematics and English Language Arts for each student. In the most recent accountability report Pace ECHS showed 56% of all students tested met or exceeded in the areas of Mathematics. Additionally 60% of all English language learners testing in mathematics met or exceeded progress according to the state calculation. Amongst the most notable achievements of James Pace Early College High School is the recognition for receiving seven out of seven distinction designations in the areas of English Language Arts, Mathematics, Science, Social Studies, Top 25% student progress, and Post secondary Readiness. When compared to similar schools across the state in ELA/Reading, Pace ECHS ranked in the top quartile in the areas of AP examination participation & student growth. In similar comparison for mathematics Pace ECHS ranked in the top quartile in the areas of AP Exam Participation, and student growth in mathematics.

STUDENT ACHIEVEMENT NEEDS

Based on the Spring 2017 data, ELLs and SPED Sub-pops under ELA I and ELA II continue to be areas in need of improvement.

1. Furnish two updated computer labs for all populations and subpopulations.
2. Provide professional development on effective instruction and core area achievement.
3. Provide professional development on EOC targeted instruction.
4. Provide core area EOC, AP, PSAT, SAT, ACT, and TSI learning opportunities (PLO's) after school and on Saturdays.
5. Provide a lead teacher to oversee credit recovery, Saturday academies, and after school tutorials.
6. Provide summer regaining of credit and summer enrichment opportunities.
7. Supply students with EOC formatted materials including: workbooks, flip charts, reference charts, diagrams, flash cards, and reference materials.
8. Supply students with classroom materials including: paper, composition books, cutting materials, working folders, glue, pencils, pens, markers, highlighters, index cards, rings, colored pencils, etc.
9. Provide students with lab materials to be successful and learn process skills on EOC exams.
10. Migrant students need to be provided with a lab to use as an available resource both during the day and afterschool.
11. PFS students require additional resources and technology to successfully complete the high school curriculum and any and all post-secondary readiness assessments.
12. Provide students assistance in a lab with advisors from the "ADVISE TEXAS" program to help prepare for post-secondary education.

School Processes & Programs

School Processes & Programs Summary

Pace Early College High School employs teachers that are highly qualified to teach in their content areas for all academic areas. New teachers are provided support through a variety of way including, but not limited to, campus Dean of Instruction, assigned mentor teachers, campus administration, and trainings both inside and outside the district. Current initiatives to build capacity include a cohort of teachers receiving support to teach students at a higher level of rigor. Another group of teachers has been provided with scholarship opportunities to attain a masters degree in their content area through the UTRGV.

Professional growth opportunities are offered at the district level during the school day, after school, weekends, and out of district as needed. Topics include At-Risk Instructional strategies, rigor, EOC (STAAR), Literacy, DOK, Bloom's Taxonomy, AP, Dual Enrollment, GT and many others. The expectation at Pace ECHS is that teachers attend professional growth opportunities as needed and determined in collaboration with faculty and administration.

Teachers will be recipients of awards during the annual Pace ECHS Awards Night Ceremony which takes place in the Spring Semester. Students will write about who is the most influential person in their lives and the teachers with the most stories received receive an award called the "Apple Award." Teachers feel celebrated which helps with retention and recruitment.

It is the belief that student success begins with good instruction aligned to a guaranteed and viable curriculum. Specifically, Pace Early College has provided a research based instructional strategies for all classroom teachers and continues to implement the common instructional framework along with strategies to improve literacy. Additionally, Pace Early College Faculty will consistently utilize the District Scope and Sequence to plan and deliver aligned instruction and assessment in all subject areas. Throughout the current school year the faculty will continue to receive coaching, training, ongoing professional development, and support in all of the content areas to be empowered to meet the needs of our students. Moreover, Pace Early College will continue to seek out and implement response to intervention strategies, use rigorous assessments as tools for learning, and identify and refine current data systems to better track student progress. Student data as provided through eSchools, Tango Trends, and Eduphoria will continue to inform our instructional practice if we are to realize greater gains in narrowing our current achievement gaps in a culture of high performance.

Pace has recently undergone a transformation in many ways, one of the most important changes has been the recent designation as an Early College High School. The Early College design is geared towards making at-risk students college ready before they graduate so that they may also earn college credits while in high school. The recently acquired Science, Technology, Architecture, and Medical Professions (STAMP) Program allows students to study in the high demand fields and earn distinctions for program completion upon graduation. Pace Early College administration is comprised of the Principal, one Dean of Instruction, and 5 Assistant Principals with one Assistant Principal per grade level and one for special education.

Instructional technology at Pace Early College is a tool used as part of the learning environment for the administration, teachers, and students as we work together to promote student achievement infused with 21st century technology skills. Amongst the tools provided to teachers and students are teacher computers, laptops on wheels for classroom use, ipads on wheels for classroom use, student computer labs, mobi school pads, and cps clickers. Software offered include compass odyssey.
