Comprehensive Needs Assessment

Needs Assessment Overview

Charles Stillman Middle School

Campus Narrative

Stillman Middle School is located in Brownsville, Texas. Stillman Middle School is one of eleven middle schools in Brownsville ISD. The campus was constructed in 2004 with one portable classroom added in the ensuing years. The main campus was originally comprised of 60 classrooms, a band and choir hall, a cafeteria, library, and a gymnasium that includes a weight room.

The student population at Stillman Middle School is approximately 1100 and serves students in grades 6th, 7th and 8th. According to the PEIMS Data Review of our campus profile, 97.1 % of the student population is Hispanic, 38.76% are identified as At-Risk, and 84.8% are identified as Economically Disadvantaged. Many of our students are first generation Mexican immigrants, 10.6% are classified as Limited English Proficient and a majority is English/Spanish bilingual. In addition, several of our students come from homes which participate in state and federal assistance programs such as food stamps, welfare, the Women, Infant, Children (WIC) nutrition program, and subsidized housing and medical assistance.

The students of Stillman Middle School are recipients of a well-balanced curriculum. Courses are offered in every core subject area as well as fine arts, technology and Spanish. The instructional programs include academic core subjects at various levels, such as the Gifted and Talented, Pre-Advanced Placement, and College Board with the SpringBoard Curriculum Program. All students are required to meet the passing standard of the four assessments which comprise the State of Texas Assessments of Academic Readiness (STAAR).

The current staff at Stillman Middle School is comprised of 68 teachers, 4 campus administrators, 4 counselors, 4 professional support personnel, 7 non-classroom staff, and 7 educational aides. The ethnicity of the Stillman Middle School staff is diverse with 95% Hispanic and 5% Caucasian. The teaching staff is also 28.5% male and 78.5% female.

Stillman Middle School's most recent campus initiatives include the following:

1. Core Area Vertical Alignment
2. Academic Grade Level Teaming
3. TLI Grant Goals (3-5) which include:
 1. Increase the percentage of participating students who meet or exceed proficiency on the state English language arts assessments in grades 3 through 12.
 2. Increase the use of data and data analysis to inform all decision making in participating districts, campuses, classrooms, and early learning

settings.

3. Increase the implementation of effective literacy instruction through Literacy Lines.
4. TLI Strategies which include: Frayer model, Cornell Notes, Charting, Quick Writes

Stillman Middle School promotes numerous student clubs and organizations. Students are encouraged to participate in extracurricular activities such as 7th and 8th Athletics, FCA, NJHS, UIL, One-Act Play, Destination Imagination, Dance Team, Cheerleading, Ballroom, band, choir, and chess.

School Namesake:	<u>Charles Stillman</u>
School Colors:	<u>Texas Orange and White</u>

School Processes & Programs

School Processes & Programs Summary

After thorough review of multiple data sources, the SBDM Committee assessed program effectiveness and determined that through the collaboration of various campus resources and community entities the following Curriculum, Instruction and Assessment areas of improvement would be addressed:

1. The Algebra teachers will work to identify students prepared for Algebra Readiness standards in order to ensure that students are well-prepared for the rigor of the EOC Algebra class. Teachers will be ESL certified in the ELA classes in order to be able to meet the needs of ELL learners.
2. Enlist any teachers missing SIOP training to attend SIOP training.
3. Ensure new teachers attend Pre-AP institute over the summer and maintain on-going hours.
4. Stillman Middle School needs more than one COW (Computer on Wheels). The demand computers so that students conduct research, work with a computer program or complete Powerpoints is much greater than the supply of working and conducive computers. Additional desktops will provide accessibility at which computers can be used.
5. Upgrading computers will help alleviate the demand for computer time.
6. Living with Science curriculum requires the use of SRS remotes.
7. Technology demands require that a projector be set-up in the parent center, library, and cafeteria.
8. Desktops will be purchased to support the current number of desktops in the library in order to make the library a working media center.
9. Maintenance of laminating machine is updated as needed so teachers can continue posting student work, completing gallery walks, posting instructional materials and visual aids for ELLS, At-risk, special education and 504 students.
10. Again, additional student desktops will support the current student desktops available to students in their teacher classrooms and library.
11. ELL students will use additional computers to work on programs such as TELPAS online practice test.
12. Students participating in Science and History Fair will continue to have access to colored printers.
13. Projector bulbs are dying out and need to be replaced. Teachers rely 100% on projectors to deliver instruction.
14. Radios are needed to ensure safety of all campus faculty, staff, and students.)
15. Computers and calculators will provide accessibility to instructional programs that would increase student interaction and engagement in the learning process. The level of technology integration into classroom instruction by teachers and students will be increased.
16. New software that is in line with current TEKS will be purchased.
17. Professional Development will be offered by the TST for students and teachers to ensure proper integration of technology in the classroom. Teachers will be encouraged to seek professional development outside of contract hours offered by the Technology Dept.
18. Teachers will integrate the use of computers and will require a technology project from the students on a 6 weeks basis.
19. Computers will be purchased for all special education teachers on campus.
20. Campus will provide a Technology Support Teachers (TST) to support the campus in the area of instructional technology.
21. Printers are needed in each computer lab and in each teachers classroom.

To best support campus efforts and meet identified needs at the District and Campus level; activities, resources, and implementation timelines related to Curriculum, Instruction and Assessment are set forth in all sections of the 2018-2019 Campus Improvement Plan.
