

Brownsville Independent School District
Benavides Elementary
2018-2019 Campus Improvement Plan

Mission Statement

A. X. Benavides Elementary School strives to maintain a learning environment, which supports challenging experiences, enabling students to become creative, innovative, and independent thinkers.

We believe that our students, parents, community, and staff are empowered by accelerated instruction to achieve academic excellence. Accelerated instructional strategies will increase technological knowledge, cultural awareness, social growth, and individuals who can compete in a global, multicultural society.

Vision

All students will become quality leaders for tomorrow.

Comprehensive Needs Assessment

Needs Assessment Overview

Benavides Elementary School is located in Brownsville, Texas. Benavides Elementary School is one of thirty-seven elementary schools in Brownsville ISD. The campus was constructed in 1999. The main campus was originally comprised of 41 classrooms, a cafeteria, library, and gymnasium.

The student population at Benavides Elementary School is approximately 807 and serves students in grades PK3 through 5th including a PPCD, a Lower Grade Life Skills Unit and an Upper Grade Life Skills Unit. According to the PEIMS Data Review of our campus profile, 98.5% of the student population is Hispanic, 54.8% are identified as At-Risk and 90.7 % are identified as Economically Disadvantaged. Many of our students are first generation Mexican immigrants, 43.2% are classified as Limited English Proficient and a majority is English/Spanish bilingual. In addition, several of our students come from homes which participate in state and federal assistance programs such as food stamps, welfare, the Women, Infant, Children (WIC) nutrition program, and subsidized housing and medical assistance.

The students of Benavides Elementary School are recipients of a well-balanced curriculum. Courses are offered in every subject area. The instructional programs include academic core subjects at various levels, such as the Gifted and Talented, Dyslexia Lab, PPCD, Life Skills, Library, Music, Art, Computer Lab, Migrant, Bilingual Education, Resource Classrooms, Special Education Inclusion, Physical Education, Guidance and Counseling and CATCH. All students are required to meet the passing standard of the four assessments which comprise the State of Texas Assessments of Academic Readiness (STAAR).

The current staff at Benavides Elementary School is comprised of 44 teachers, 3 campus administrators, 2 counselors, 8 professional support personnel, 8 non-classroom staff, and 14 educational aides. The ethnicity of the Benavides Elementary School staff is diverse with 85.4% Hispanic, 14.6 % Caucasian, and 0 % African American. The teaching staff is also 4.9% male and 95.1% female.

Benavides Elementary School's most recent campus initiatives include the following:

1. Extended Day
2. Saturday Academies
3. Coding Club
4. Student Of the Week
5. CATCH Team
6. Destination Imagination
7. Chess
8. Ballroom Dancers
9. Cheerleaders
10. Choir

11. Student Council

Benavides Elementary School promotes numerous student clubs and organizations. Students are encouraged to participate in extracurricular activities such as University Interscholastic League with the school taking first place in their division, Chess Team with members competing at district, state and national levels, Cheerleading, Ballroom Dancing, Choir, Honors Choir, Art, Destination Imagination, School Musical, Science Fair, Buddy Fun Meet, Coding, Running Club and Elementary Student Council. The campus participates in annual community and District activities such as: Christmas Parade, Career Day, Fire Prevention, Science Fair, UIL, Brainsville, Ballroom Competition, Kids Voting, and Red Ribbon. As well as philanthropic activities such as, but not limited to, Ronald McDonald House Pull Tab Collection, Brownsville Animal Shelter Donations, CPS and Good Neighbor Settlement House Donations.

School Namesake: Mr. A. X. Benavides, Long time Brownsville Educator

School Colors: Navy Blue, Red and Khaki

School Mascot: Ocelots (an endangered species)

School Song: Benavides Ocelots

Demographics

Demographics Summary

Benavides Elementary analyses demographic data on a daily and weekly basis. Daily attendance rate is a priority and there is a system in place to monitor those students who are absent. The Attendance Rate was 97.2% for all students and 96.9 % for at-risk students. Teachers have a form that is posted for the parent liaison who will call parents to inquire about the absent student. When parents do not have a phone or fail to answer the phone a home visit is done as a follow up to ensure parent contact. Teachers and staff work with parents to help resolve the issue of frequent absences or tardies. Student incentives are given for perfect attendance, prizes and ribbons are awarded at the end of each six weeks. Semester recognition is given to those students with perfect attendance. End of the Year trophies are given to students who achieved perfect attendance for the entire school year. At-Risk students are monitored throughout the school year by administrators, counselors, and teachers in order to ensure success. The retention rate was 5.2% for all students and 5% for at risk students. Funds are used for tutorials as well as supplies in order to meet the needs of our risk students. A Dyslexia lab serves all identified students.

Demographics Strengths

Reduced retention rate

Successful at-risk tutorial attendance

Use of state comp funding to use with at risk students to close educational gaps.

Needs:

Continue to increase and maintain attendance.

1. In an effort to increase attendance rates, Perfect Attendance prizes and ribbons will be awarded every six weeks. G9.2.4
2. At Risk students will be offered tutorials afterschool/Saturday academies and will be monitored in order to meet their needs. G9.3
3. Dyslexia teacher will purchase material to meet the needs of identified students. G3.1

Problem Statements Identifying Demographics Needs

Problem Statement 1: Increase and maintain attendance rates. **Root Cause:** PK3, PPCD and PK students need to maintain good attendance.

Student Academic Achievement

Student Academic Achievement Summary

Benavides Elementary reviews data acquired from various student assessments using Tango Software/Eduphoria. Weekly test, unit test and six weeks assessments are given in order to monitor students. BOY, MOY and EOY TPRI/TEJAS LEE, CLI Engage assessments are utilized to monitor student progress throughout the year. Progress Monitoring is done for all TIER 2 students. After the data is analyzed, tutorials, as well as small group instruction is implemented. Data drives our instruction and planning. Assessment results, progress reports, six weeks grades and benchmarks are all data analyzed by teachers, counselors and administrators. Students needing additional support will be placed on an RTI. Accelerated Reader reports are analyzed by teacher, administrator and librarian to ensure students are reading and achieving their goals. Our data shows an increase in scores but there is a need to increase writing and science scores as well as advanced level performance.

------------------	-----	-----	-----

The trends identified when student performance scores were compared over a period of 3 years demonstrate that students at Benavides have increased in Science scores. Third grade Reading and Math met and advanced scores need to increase. Writing scores need to increase.

Student Academic Achievement Strengths

Need:

Increase fluency rates.

1. According to our AMOS 2 scores, LEP students will be provided with additional language arts activities and tutorials in order to improve their reading, writing and grammar skills and achieve Masters Level Performance on the STAAR tests.
2. Provide teachers with additional supplemental instructional resources and staff development in order to increase fluency and rigor in order to reduce retention and improve in the areas of need. G1.13, G1.6, G3.3, G1.4
3. Provide teachers with additional supplemental instructional materials (workbooks/resources) for tutorial. G9.2.5, G1.4
4. Reduce retention in 1st grade by providing tutorials and buying additional resources. G1.6, G3.3, G1.4
5. Provide substitutes for teachers in order to attend prof. dev., plan and/or LPAC. G1.10, 1.11
6. Disaggregate the data by grade level and by content.
7. General Instructional supplies/clothing will be purchased for Migrant students. G7.2

Problem Statements Identifying Student Academic Achievement Needs

Problem Statement 1: 4th Grade Writing Scores dropped 5% points. **Root Cause:** Need to increase vocabulary and revising skills in lower grades.

School Processes & Programs

School Processes & Programs Summary

Benavides Elementary has a low teacher turn over. When a staff member is needed a committee of staff members and administrators interview using a set of questions in order to select a highly qualified employee. After the employee begins, a needs assessment of staff development is considered in order to provide adequate training for the new employee or new teacher to the grade level. Dean of Instruction and the lead teacher ensures the new teacher/paraprofessional receives pertinent trainings. Planning with grade level and mentoring support is given throughout the year. This year Benavides increased by adding 1 dyslexia teacher, 1 Prek 4 teacher and 1 Kinder teacher.

Benavides Elementary follows the Districts scope and sequence to align and follow the Texas Essential Knowledge and Skills (TEKS). Supplemental material is added in order to enhance the lessons. Rigor and endurance are a focus on a daily basis in order to meet the state standards on the state assessments. This year the focus is on the Depth Of Knowledge (DOK) of weekly assessments in order to meet the high standards set by the state. Novels are used in reading in order to increase reading comprehension and stamina. Weekly assessments are turned in along with lesson plans in order to be reviewed by administration. Benavides continues with the sustainability plan of the Texas State Literacy Plan to reach our literacy goals. Language Enrichment, Reading Readiness and Esperanza are being implemented by all Kinder- Third Grade teachers. Extended Day Enrichment Program teachers are reinforcing the TEKS in their afternoon classes.

Benavides Elementary follows district guidelines in order to comply with district policy. All schedules, school structure, duty rosters, physical environment and program support services are reviewed annually or as necessary through SBDM and administration. Language Arts and Math are given attention through Tier instruction in order to do RTI to those in Tier II. Teachers play an active role in assessments through campus and district benchmarks. Custodians have good communication with administration in order to maintain a clean, safe and organized campus. All needs are addressed as needed.

Benavides Elementary Administration and TST studied the Technology plan for the campus. After studying the STAR CHART, Fixed Assets Reports, and Usage of Software instructional programs, adjustments were made to the plan. Teachers use projectors on a daily basis along with computers and printers. Two computer labs are used daily to reinforce skills taught in the classroom. A review of professional development opportunities were made as well as teachers attending district trainings. IPODS are used by the teachers in order to test for BOY, MOY & EOY. Bilingual tablets are being purchased in order to reinforce taught skills to improve acquired English language. All second grade students will have an ipad and all fifth grade students are assigned a laptop as part of the districts initiative.

School Processes & Programs Strengths

Low teacher turnout.

High quality staff.

High attendance on PD.

Increased the number of teachers using LE with fidelity.

RTI Implementation

Increased usage of novels in the library and classroom.

Monitor writing and science being done in the lower grades.

Good coverage in duty areas. Very few incident reports.

Teachers need to concentrate on DOK levels on assessments. Increase 5th grade Science and 4th grade Writing scores . Increase ESL strategies being used in order to increase TELPAS and AMAOS scores. Increase percent of special ed and at risk students passing STAAR assessments.

Provide instructional supplies where needed.

Projectors in all PK-5th grade classrooms. Smart Boards in all PK and Sp Ed classes.

Needs:

Counselors need to be kept updated with strategies. Provide PD in areas needed & monitor proper implementation of strategies learned.

Increase accessibility to computers for all students and teachers. Increase integration of technology into classroom instruction. Continue purchasing software for students to work and reinforce skills learned in the classroom. Increase the number of teachers attending professional development on different programs to be utilized by teachers/students. Purchase items needed such as ink, printers, etc. to facilitate instruction as per three year plan.

1. Teachers will attend trainings in Language Arts, Math, Science and Bilingual strategies as a result of walk throughs and PDAS.
2. Counselors will attend Counseling Conference in order to maintain their qualifications and be informed on new trends and issues like Crisis Management, College and Career, Bullying, etc.
3. Monitor professional development data in making sure that teachers implement strategies and that it is a significant training.
4. PK Teachers and Paraprofessionals will work with students to meet individual needs in a full day program. G 1.26
5. Kinder – 5th Grade teachers will participate in PD for Science and Writing in order to increase scores.

6. Principal and Dean of Instruction will meet with individual teachers to review their assessment results and their action plan. G3.2
7. Allow teachers planning time in order to collaborate to create assessments using high levels of DOK. G1.10
8. Increase the use of ESL strategies to meet the needs of ELL learners and increase AMOS and TELPAS scores. G1.29
9. Purchase supplemental and instructional materials in order to apply learned strategies acquired at various PD sessions. G1.7
10. Library will be updated in order to meet district media requirements through the purchase of new books. G1.5, G1.10
11. Run off alphabet mats, reading readiness activities, LE, Reading readiness and Esperanza activities for teachers who are new to the grade level. G3.3, G1.6
12. Software with current TEKS and STAAR material is purchased in order to reinforce skills taught in the classroom to increase student achievement. G8.6
13. Computers, Ipads, ink, projectors and printers are needed in order to support instruction, data analysis and lesson planning. G8.1, G.1.40
14. Professional Development will be offered by the TST for students and teachers to ensure proper integration of technology in the classroom. Teachers will also be encouraged to seek professional development outside of contract hours offered by the District's Technology Dept. G7.1
15. Computers will provide accessibility to instructional programs that would increase student interaction and engagement in the learning process. The level of technology integration into classroom instruction by teachers and students will be increased. Teachers will integrate the use of computers in the classroom.
16. Purchase ESCOPES program in order to help students increase Science Scores. G8.7
17. Site Licence/renewals for hardware. G8.6

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: Increase technology usage. **Root Cause:** Need to purchase ipads, laptops, desktops.

Problem Statement 2: Increase reading stamina. **Root Cause:** Need to incorporate novel reading into daily lessons.

Perceptions

Perceptions Summary

Benavides Elementary staff work together to maintain a positive and safe school culture/climate. School counselors present to our Benavides students on the importance of good Character in order to support student's good behavior and bully free environment. Our staff and school nurse are vigilant and focused on seeing all safety measures are met. Benavides staff have high expectations and are very competitive. Teachers have used incentives such as lunch bunch, stickers, pencils and student of the week recognition. Students are encouraged to participate in chess, ballroom, cheerleading, choir, Destination Imagination, Science Fair and UIL. All staff practices safety drills in order to know what should be done in case of an emergency. The diverse needs of all students are considered while making educational decisions for the campus. Collegial relationships and effective collaboration between staff and parents is strongly encouraged. Student of the Week are recognized by a weekly visit by Ozzie or Olivia, our school mascots.

Benavides Elementary has a warm and inviting atmosphere and welcomes all parents, community members and district staff. The parent liaison works well with district personnel in informing parents of all parental involvement meetings and activities. Monthly meetings are held by various staff members to inform parents of different topics such as curriculum, assessment, safety, nutrition, health and wellness, etc. School messenger is used to inform parents of any important information that is needed to send to all parents. Benavides parents are encouraged to volunteer through the parent liaison. A teacher workroom is available for parents who come in to volunteer and work in assisting with instructional material preparation. All parents are given the opportunity to sign up to the Home Access Center. Benavides parents are invited to their family engagement activities throughout the year. Parents are always invited to fill out volunteer applications.

Perceptions Strengths

Staff celebrations/recognitions are done at every faculty meeting.

Good communication between staff, administration and community.

Discipline is good overall, counselors and teachers teach the students good behavior and the importance of having good character.

Staff take pride in our school culture and safety.

Benavides is a competitive school that sets high expectations of all students.

Extra curriculum participation and excellence is instilled in our students.

Needs:

Continue to keep school clean and safe for our staff and students with use of nurse and custodial supplies. Hygiene products will be purchased for Migrant students.

1. At Parent Meetings discuss SBDM and CIP to inform parents of importance of involvement.
2. Nurse will purchase supplies needed in order to keep students safe. G9.2.1
3. Custodial and office supplies need to be purchased in order to continue a clean safe environment afterschool for tutorial students. G9.2.2
4. School/supplemental supplies will be purchased for PFS Migrant students in order to keep up with their academic needs. G7.2
5. Instructional Supplies will be purchased for Art and Music programs.
6. Supplies, fees and meals will be purchased for chess students. G1.33
7. Counselors will purchase supplies in order to implement program to help students succeed. G.9

Increased the number of Parent Volunteers.

Sent out surveys.

Need: Work with parents on informing them of different programs available at our campus.

Increase the number of community partners. Increase participation at Parent Meetings. Increase number of survey participants.

1. Parent Liaison and counselors work on getting more community partners to assist with campus activities and attend parent meetings. G6.15
2. Increase participation of parents in our meetings by presenting topics selected through the parent surveys like Career Day, Nutrition, Home Access Center, Arts Crafts, Community Programs, Parent Volunteer, etc. G6.1
3. Increase parental involvement by providing snacks at meetings and sending call reminders using School Messenger. G6.1, G6.7

Problem Statements Identifying Perceptions Needs

Problem Statement 1: Increase parental involvement. **Root Cause:** Increase parent attendance at parental involvement meetings to receive information.

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Goals

Goal 1: BISD students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens. (Board Goal #1 and TEA Ch. 4 Objectives 2, 4, 5, 7, and 11).

Performance Objective 1: Benavides Elementary student performance for all students, all grades, all subjects will exceed 2018 STAAR Approaches Grade Level and STAAR Masters Grade Level performance in reading, writing and mathematics by 5 percentage points.

Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

The Site-Based Decision-Making (SBDM) Committee conducted a comprehensive needs assessment over a period of one year to determine the strengths and needs of students, staff, parental & community involvement, and facilities before deciding how to use available local, state, and federal budget allocations. Based on the CNA, the committee decided to use a portion of the Title I, Part A, to concentrate on the 3 year replacement plan for video/document cameras, computers, and printers and ink. In addition, the campus will focus on improving the passing rate of all students and student groups including Migrant, Bilingual, At-Risk, Dyslexia, GT, Title I, and Special Education on state assessments. The goal is to have 90 percent of all students and all student groups passing all parts of state mandated assessments for the 2014-2015 and to increase the Advanced performance level in all content areas. In addition, improve attendance percentage to meet goal of 97.5%, to decrease the academic gap between Non-Lep /Lep Students and increase passing percentage of Economically Disadvantaged students.

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders

Benavides Elementary SBDM Committee met to review data as well as needs assessments in order to develop needed activities, budget and personnel available to ensure success in all school wide components. All areas were considered when looking at the Districts CIP.

2.2: Regular monitoring and revision

SBDM Committee will meet throughout the 2018-2019 school year to review the CIP for revisions, budget updates, and formative reviews to be made in November, January, April and June.

2.3: Available to parents and community in an understandable format and language

Title I, Part A Funds will be used to partially finance strategies to increase parental involvement at the school including the parent workroom and to purchase special materials used in the parent volunteer program. Parent education will be provided to parents by the campus parent liaison as well as the District's Parental involvement Center. Parent training on how to help their students be successful at home, learning English, discipline management, and parenting skills will be provided to those parents who want to better meet the rigors of parenting. Student Incentive Parent Committee, Nutrition Classes, ESL, Health Fair, School Based Topics such as Homework Assistance, AR training, SSI, District/Campus Assessments, Bullying, Dyslexia, TEKS, Campus Care, and Safety will be covered.

2.4: Opportunities for all children to meet State standards

Students experiencing difficulty in mastering the TEKS will be provided effective, timely additional assistance. All teachers will closely monitor all students' performance based on daily exercises and periodic tests. Students not mastering the objectives will be provided additional assistance in the after school/Saturday tutorial program and/or enrichment courses based on his/her individual needs. Extended Day Activities such as AR Reading Program, Prodigy Math, IStation, Imagination Math, Peer tutoring, and Novel Reading.

2.5: Increased learning time and well-rounded education

At Benavides Elementary all students are given opportunities to increase their learning time and have well rounded education with our special programs. Benavides has a music class, an art class, cheerleading, among other clubs. We encourage Accelerated Reading as well as UIL, Science Fair and many opportunities for collecting items for donations.

2.6: Address needs of all students, particularly at-risk

The school will coordinate and integrate federal, state, and local programs and services to maximize the effectiveness of these resources. Several of the strategies being implemented are jointly funded with Special Services and Title I Funds, e.g., after school/Saturday tutorial programs. Professional Development activities are also paid for from Title I, Parts A and C, and Local Funds. Title I Funds along with state comp and local funds are used to purchase supplemental instructional materials, media, and library resources used to improve and enhance the overall instructional program.

In addition to those described above, Migrant Funds are used to identify and recruit children of migratory workers for supplemental services designed to reduce the educational disruptions and other problems that result from repeated moves. Benavides will use minimal Migrant Funds to purchase curriculum and school supplies for their identified Migrant PFS. This is determined by a migrant student's needs survey administered to the PK-5th grade teachers. PFS Migrant students will receive instructional supplies in order to maintain their academic needs.

Bilingual Funds are used to provide supplemental services to help ensure that children who are limited English proficient attain English language proficiency and develop high levels of academic attainment. Campus uses their Bilingual funds to purchase supplemental supplies such as Target Math Wall, instructional supplies, and bilingual tutorials.

The campus will also continue to provide the state mandated State Compensatory Education Program through campus as well as District funded initiatives. The campus uses their State Compensatory funds for afterschool tutorials, computer-based instruction, and supplemental instructional resources.

Special education funding provides supplemental services to eligible students as per Individuals with Disabilities Education Act (IDEA) identification requirements. In order to ensure a free and appropriate public education (FAPE) in a least restrictive environment (LRE), children who qualify for special

education must receive services in accordance with a properly developed Individualized Education Program (IEP) as per federal and state special education guidelines. In addition, all Admission, Review, and Dismissal (ARD) committees will adhere to the policies and procedures outlined by the Texas Education Agency (TEA) in the ARD Committee Decision-Making Process for the Texas Assessment Program Manual and A Guide to the Admission, Review and Dismissal Process. Benavides uses Inclusion in all grade levels, Buddy Program of Life Skills Students, Smart Boards and MOVI for instruction and SRA for Reading support. Benavides is working on increasing the number of students from the PPCD unit being mainstreamed into the general education classrooms.

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

3.1: Develop and distribute Parent and Family Engagement Policy

Parent liaison distribute the Parent and Family Engagement Policy at the beginning of the 2018-2019 school year and have it available for new registrants upon their arrival to campus as part of the registration process. The Parent Liaison will review the Parent and Family Engagement Policy during scheduled parent meetings and review the policy throughout the school year. As well as review policy with SBDM at the end of the school year.

3.2: Offer flexible number of parent involvement meetings

Parent meetings will be provided to parents by the campus parent liaison as well as the District's Parental Involvement Center including Curriculum Specialist, District department heads as well as community members. Parent meetings will focus on how to help students achieve in the content areas, meet attendance requirements, state assessments including SSI, ELL services that support college readiness, digital citizenship, counseling/bullying, GALAXY-GT Program information, and the importance of parent involvement, in addition to having presenters address various community services and resources that are available, issues on child health and safety, and parenting skills.
