

Brownsville Independent School District
Champion Elementary
2018-2019 Campus Improvement Plan

Mission Statement

To accomplish this vision, Champion Elementary, will provide a challenging and rigorous curriculum for all students. School educators and parents will work collaboratively to promote a learning environment of respect and unity, where students take responsibility for their own educational success.

Vision

Champion Elementary will produce responsible students who will be able to reason critically, and become productive members of the school and the community. school staff will have high learning expectations and implement a rigorous curriculum for all learners. The school learning climate will be positive and conducive to high academic excellence.

Comprehensive Needs Assessment

Needs Assessment Overview

Champion Elementary School

Campus Narrative

Champion Elementary School is located in Brownsville, Texas. Champion Elementary School is one of thirty-seven elementary schools in Brownsville ISD. The campus was constructed in 2001 with 5 classrooms added in the ensuing years. The campus is now comprised of 47 classrooms, a science lab, computer lab, a self-contained library, a multi-purpose cafeteria with an indoor stage, and a large gymnasium with basketball courts.

The student population at Champion Elementary School is approximately 850 and serves students in grades prekindergarten through fifth grade. According to the PEIMS Data Review of our campus profile, 99 % of the student population is Hispanic and 99.4% are identified as Economically Disadvantaged. Many of our students are first generation Mexican immigrants, 48.8 % are classified as Limited English Proficient and a majority is English/Spanish bilingual. In addition, several of our students come from homes which participate in state and federal assistance programs such as food stamps, welfare, the Women, Infant, Children (WIC) nutrition program, and subsidized housing and medical assistance.

The students of Champion Elementary School are recipients of a well-balanced curriculum. Courses are offered in every subject area in addition to Art, P.E., Science Lab, Computer Lab, and Library. The instructional programs include academic core subjects at various levels, such as the Gifted and Talented. All students are required to meet the passing standard of the four assessments which comprise the State of Texas Assessments of Academic Readiness (STAAR).

The instructional staff is comprised of dedicated, dynamic educators who collaborate and utilize best practices for student success, with a major emphasis on core academic skills. Teachers are carefully selected and spend countless hours enhancing their professional skills. They attend a wide variety of professional development offerings provided at the school as well as through the Brownsville Independent School District. Many teachers also pursue advanced level university degrees. The current staff at Champion Elementary School consists of 52 teachers, 4 campus administrators, 2 counselors, 1 nurse, 15 educational aides, 5 office support staff, 4 custodial staff, and 1 security officer. The ethnicity of the Champion Elementary School staff is diverse with 98 % Hispanic, and 2 % Caucasian. The teaching staff is also 28 % male and 72 % female.

Champion Elementary School promotes numerous student clubs and organizations. Students are encouraged to participate in extracurricular activities such as UIL, Science Fair, Art Fairs, Brainsville, Running Club, Library Club, Ballroom Dancing, Chess and Soccer.

School Namesake: Albert Alfonso Champion

School Colors: Teal/Black/Silver

School Mascot: Colt

School Song: Hail Mighty Champions

School Motto: Our Name Says it All

Annual Campus Goals

Champion Elementary School faculty and staff are committed to the following goals:

- Champion Elementary will improve student performance in reading.
- Champion Elementary will improve student performance in math and science.

Champion Elementary will improve student performance in writing.

Demographics

Demographics Summary

Champion Elementary opened its doors in 2001. In 2017, Champion served 832 students, 98% hispanic and 1% white and 1% African American. According to the 2017 - 2018 Texas Academic Performance Report, 830 students are categorized as Economically Disadvantaged (99%) and 543 (70%) meet the at-risk criteria. At-risk students are provided supplemental services through State Compensatory Education program. English Language Learners make up 409 students of the campus population. ELL's are provided Bilingual Education through the use of the Transitional Model. The most recent official data reveals that our mobility percentages are just below the state level. Attendance percentages have been a struggle at Champion Elementary, in 2017 our attendance rate indicator score was set at 97.5%.

For the 2017-2018 school year, 70 students or 8% of the school's population receives special education services. 16 students have been identified as homeless; they represent 0.01% of the population. 16 students have been identified as being migrant, and 5 meet the (PFS) Priority For Service criteria. Our school identified and services 55 Gifted and Talented students. GT services for these students are evident in teacher's lesson plans and in the completion of six weeks projects based on the student's area of interest.

Champion Elementary serves students in grades PK3, PK4 - 5th grade including one PPCD, one LifeSkills and one B.I unit. Class size averages are 22:1. The total enrollment for the campus has always been above 800 students. Champion Elementary earned all 4 out of 6 TEA distinctions and is committed to academic excellence.

The attendance rate was 97.5% for all students and 97.5% for at risk students. The retention rate was 6% for all students and 8% for at risk students.

Demographics Strengths

1. *Teacher-Student Ratio
2. *Pre K 3 Am & PM Classes
3. *Identification of at-risk, migrant, homeless, ELL students is in place at the campus
4. *Services for students in subpopulations and special programs are provided
5. *Continue with an increased number in GT nominations
6. *Wellness and Physical Education
7. *Fine Arts - Music and Art

Demographics Needs

1. *Provide a variety of student incentives to increase attendance percentages
2. *Classrooms with perfect attendance will be recognized on a weekly basis and will be rewarded
3. *Provide professional development on how to identify and provide services to at-risk students, homeless and migrant students
4. *Provide general supplies and supplemental materials to Migrant Students
5. *Provide GT identified students with supplemental supplies and materials
6. *Bilingual Certified teachers will attend professional development session that address ELL's needs
7. *Dean of Instruction will attend in and out of district Professional Development sessions and conferences

Problem Statements Identifying Demographics Needs

Problem Statement 1: Increase attendance rates by providing classrooms with perfect attendance be recognized on a weekly basis and will be rewarded with a healthy snack **Root Cause:** Low Attendance

Student Academic Achievement

Student Academic Achievement Summary

Student achievement is one our primary focus points at Champion Elementary. In order to monitor and ensure that all students are performing at the necessary levels in core subject areas, the campus established the use of a Data Wall. Through the ongoing analysis/monitoring of the data content of the wall, we are able to support instructional decision making and evaluate instructional practices. The implementation of the data wall, has come to establish a Professional Learning Community at our campus. Our PLC is guided by data and is in continuous instructional motion based on this data. Weekly Assessment Analysis sessions are held every Thursday with teachers to discuss weekly student performance on tests and plan of action to target needs.

Below you will find data for grades PK 3 & 4 to 5th reflecting performance in state mandated assessments such as CPALL's, TPRI/Tejas LEE, and STAAR.

Grade Level	Skill	2017 - 2018	2017 – 2018	2018 – 2019	2018 – 2019

CAMPUS STAAR SUMMARY

	<i>2016 - 2017</i>	<i>2017 - 2018</i>	<i>2018 - 2019</i>		
ALL SUBJECTS	<u>89</u>	<u>87</u>			
READING	85	81			
MATH	95	94			
WRITING	81	78			
SCIENCE	91	90			

3rd-5th 2017-2018 grade All Students STAAR Summary

	3 rd grade	4 th grade	5 th grade
Reading	78	75	89.4
Math	93	90	98.4

Writing	*	76	*
Science	*	*	89

The trends identified when scores were compared over a period of three years demonstrate the number of students meeting the LEVEL I met performance has increased every year. Scores are analyzed by subject area during a 3 year period. Various initiatives and ongoing monitoring are taking place.

The chart below shows the Performance variation between all student groups:

	AT-RISK	ECO. DIS	HISPANIC	WHITE	FEMALE	MALE	GT	LEP	MIGRANT	SPED
READING 3rd-4th	64%	72%					100%	61%	75%	26%
WRITING 4th	67%	75%					100%	64%	0%	50%
MATH 3rd - 4th	87%	90%					100%	85%	75%	63%
SCIENCE 5th	84%	87%					100%	88%	100%	41%

The 2017-2018 trends identified when all students performances was compared with all student groups indicate subgroups such as Special Education students, LEP and At-Risk students are scoring below the All Student group in the areas of Reading and Writing. Monitoring and ongoing assessment must continue in order to increase these percentages.

Student Academic Achievement Strengths

1. ***Increase in Meets and Master Performance Scores in Math and Reading**
2. ***Increase in STAAR Math scores**

Student Achievement Needs

1. ***Increase Reading and Writing STAAR scores to meet 90% goal**
2. ***Increase the availability of student resources, instructional materials and literacy materials**

3. ***Increase TPRI/TEJAS LEE percentages- 90% developed for lower grades**
4. ***Provide teachers with professional development sessions**
5. ***Increase Science STAAR scores to meet 90% goal**
6. ***Provide nurse supplies to meet student needs**
7. ***Provide Migrant Teacher and General Ed teacher supplies to meet student needs in the migrant population**

Problem Statements Identifying Student Academic Achievement Needs

Problem Statement 1: Increase Reading STAAR scores to meet 90% goal. **Root Cause:** Low reading scores

School Processes & Programs

School Processes & Programs Summary

At Champion Elementary we recognize that the entire campus is strengthened by the recruiting of highly-qualified individuals that will be role models to faculty, staff and students. In order to fulfill this goal, campus staff and central office work collaboratively to bring in the most qualified individuals that are the best match based on our campus needs and strengths. Our principal has access to the software Winocular, where candidates have been pre-screened by central office to meet the criteria that the job requires. The campus hiring committee along with the principal, interview candidates. Once the committee makes their selection, the campus recommends the applicant and all the required documentation is sent to human resources for processing until it culminates with Board approval.

Retaining good employees is a top priority. At Champion Elementary we implement effective retention practices that allow for the employee to stay and at the same time grow professionally. When candidates interview, aside from just asking the interview questions, we inform the candidate of the campus initiatives, programs, events, achievements and goals. When there is a good match between an employee and its organization, retention is less likely to be an issue. Supporting the employees right in the key early stages is essential. New teachers are assigned a mentor, a proven successful teacher, that will guide and mentor the teacher through her first years. The Dean of Instruction offers and conducts modeling and coteaching sessions. The teacher is also sent to observe colleagues in order for them to begin forming their own teaching style.

New teachers are required to attend new teacher inservices, GT core hours, Bilingual, Bilingual trainings such as SIOP, Excell, etc. Existing teachers continue to attend professional development sessions for professional growth and to meet state requirements.

Ongoing walkthroughs, accompanied by debriefing sessions, allow employees to know what they are doing well in and where they need to improve. Both teachers and the campus benefit from this process. Engaging teachers in various campus/district events provides commitment and productivity. The principal and administrators are always visible at school/district functions and support teachers in their participation. Our campus participates and implements several programs that allow for teachers to earn extra earnings. These include tutorials, UIL, Chess and other academic activities..

Weekly meetings are used to target instruction. Teachers, Dean of Instruction and Principal meet to share strategies for the upcoming week. Teachers feel more confident when they leave, knowing that effective teaching strategies were shared/modeled and it allows for uniformity and alignment.

Faculty meetings are called to relay important information to all faculty and staff. A campus weekly letter informing teachers and staff of the weeks' schedule and events is provided to them. Champion Elementary holds an annual Posada and end of year celebration for teachers and staff. Teachers and staff also participate in numerous school performances for the benefit and enjoyment of our students. Our faculty Volleyball team has brought back seven District Championship Titles, thus allowing for an inviting and exciting environment conducive to learning for all.

In order to achieve a positive impact on student learning, we must ensure that Curriculum, Instruction, and Assessment are interactive, dependent on each other and that they work collaboratively toward the same ends. The guidelines by which this triangle is sustained are the Texas Essential Knowledge and Skills. The curriculum is what we teach. We use adopted textbooks along with additional support resources in order to target all the TEKS that the students

we service must master. Teachers at our campus support the implementation of the TEKS with the use of ELA, Math, Science, and Social Studies textbooks and supplement these with research-based resources and effective teaching strategies. Curriculum Specialists at the district level along with campus teachers developed the lesson plans, frameworks and scope and sequence for core subject areas. Teachers are also invited to be part in the ongoing evaluation of the instruction and strategies, by serving as the ELA, Math, Science, Fine Arts, and Social Studies points of contact. Teachers attend ongoing professional development in the use and implementation of both the TEKS and the resources used to address these. Due to the update of the math TEKS, at the campus level, we hold weekly meetings to address the new TEKS and share ideas, instructional strategies and methods to address the new changes.

Instruction is the how we teach the Texas Essential Knowledge and Skills. During our weekly sharing sessions, teachers model for each other the different effective strategies they have implemented to teach a particular topic, concept, or skill. Teachers within the grade level come to a consensus as to the best teaching practice and decide which of the one's presented will be used. The Dean of Instruction provides modeling sessions in and out of the classroom setting. They co-teach in the classroom the areas in which the teacher or the administrator feels that support is needed. After each classroom walkthrough conducted, the teacher and administrator must meet to debrief and develop a plan of action based on what was observed. The observation of colleagues within and across the grade levels is a common practice at the campus. Teachers use different teaching styles and methods to reach students. Classroom setup is designed to work collaboratively amongst students. This same setup allows for the implementation of Tier 2 and 3 instruction as well as the implementation of interventions to different groups of students. Students are also offered before and after school tutorial sessions as well as Saturday Tutorial Academies. At the campus, we focus and energize planning and instruction to make classrooms a motivating and meaningful learning environment. Teachers are provided with alignment sessions once every six weeks in order to analyze the curriculum to plan for instruction that will lead to successful assessment results. Teachers work together and develop or research supplemental support materials to enhance the existing curriculum.

Ongoing data analysis after every weekly assessment, progress monitoring assessment or benchmark is conducted through the use of the Data Wall, or the Weekly Assessment Templates. CPALL's, TPRI/TEJAS LEE, TELPAS, LION and STAAR assessment results/reports are analyzed to identify campus/teacher strengths and weaknesses. Every six weeks, teachers and campus administration monitor the failure reports and ensure that students who are not being successful are placed on a RTI through a meeting held with the RTI committee. If even with the ongoing support of interventions a student continues to fail, the RTI committee proceeds with recommendations for 504 Dyslexia or Special Education testing. Through the analysis of this data, we are able to correct weaknesses in the delivery of instruction, reinforce strengths in delivery of instruction and address gaps in the curriculum by providing supplemental resources.

According to the CNA survey results, teachers are pleased with the safety and communication between administrators and staff at the campus. In order to continue with this positive trend, aside from being represented in SBDM, LPAC, Lead Teacher, Sunshine Committee or CBLT, teachers are invited to join district committees. District committees like the ELA POC, MATH POC and Science and Social Studies POC allow teachers to give input on core subject area alignment needs/strengths as well as to bring back information to disseminate to the rest of their grade level.

At the campus, weekly grade level meetings, sharing sessions and monthly faculty meetings, allow for an open communication between teachers, staff and administration.

Teacher schedules are reflected on the master schedule on eSchoolPlus. Teachers are able to plan or support struggling learners during library and art. Once every six weeks, teachers are pulled out one full day to prepare and align assignments and assessments for the upcoming six weeks. The Dean, Principal and teachers plan together on this day based on data from multiple sources.

New campus initiatives like the Colt Incentive program are first presented to SBDM and ongoing meetings are held to get feedback from all the parties involved.

Technology has changed the way educators teach and the way students learn, therefore technology plays a very important role in education today. At Champion Elementary, students in grades pk-5th grade attend the computer lab at least once per week. Students have the opportunity to work with several software programs such as Istation, Brainpop, Brainpop Jr., MySatori, Achieve 3000, Learning A-Z and EduSmart and Adaptive Learning. Students use iPads and tablets to further instruction.

Technology professional development sessions are provided at the district level as well as the campus. Aside from the required 12 hours in technology designated by the district, the campus provides teachers with ongoing technology training. These trainings offer teachers support in the technology aspect of all their core subject area textbooks as well as research-based sites that offer instructional support. Even with the professional development support and the existing technology in the classroom, there is always a need to upgrade and replenish existing technology resources.

This school year, our campus participated in the App Challenge, Coding and Class Dojo. A newly formed team of teachers and students designed an app that would assist parents, teachers and students in the learning process of the students.

School Processes & Programs Strengths

- 1. Highly Qualified Teachers**
- 2. Low Campus Staff Mobility**
- 3. Faculty and Staff events**

Staff Quality, Recruitment, and Retention Needs

- 1. *Increase Campus Trainings/Staff Development for Bilingual Teachers (SIOP, Excell, Bilingual Fall Conference)**
- 2. *Provide staff development opportunities on STAAR**
- 3. *New and existing teachers will attend district & campus professional development**
- 4. *Sharing sessions every Thursday and involve the district curriculum specialist in meetings**
- 5. *Teachers and Administrators will attend various professional development sessions and conferences**

Highly qualified staff and retention of:

Dyslexia Teacher

Dean of Instruction

Nurse

Retain highly qualified pre-kinder teachers

PK Teacher aides, Kinder aides, library and computer lab aides

Parent Liaison

Highly qualified K-5th grade teachers

CSR teacher

Library aide

Migrant Teacher

Data Wall and Weekly Assessment Template data analysis

Tutorial Sessions

Walkthroughs and debriefing sessions

Pull-out Sessions

Curriculum, Instruction, and Assessment Needs

- 1. *Provide Document Cameras, Projectors and Laptops to the teachers**
- 2. *Provide teachers with general student instructional resources as well as access to the media center services for student products.**
- 3. *Make supplemental instructional materials available through the purchase of printing products, paper and media services.**
- 4. *Increase the availability of STAAR resources**

5. ***Administrative supplies needed to assist in data analysis and home-school communication**
6. ***Provide tutorial to at-risk and low performing students**
7. ***Provide tutorial to migrant students and the proper tools and supplies to meet student achievement**
8. ***Provide custodial supplies for tutorial sessions**
9. ***Teachers will attend GFE consultants reading and math STAAR sessions**
10. ***Cameras for student use in different school projects**
11. ***Weekly Grade Level Meetings**
12. ***Weekly sharing instructional strategies session every Thursday**
13. ***SBDM Meetings**
14. ***Administrator Conferences**
15. ***School Context and Organization Needs**
16. ***Increase teacher participation in organizations**
17. ***Provide teachers with grade level co-planning time and alignment day sessions**
18. ***Provide necessary resources/supplies to school nurse.**
19. ***Technology is integrated in daily instruction**
20. ***Provide Computer Supplies and Technology upgrades if needed**
21. ***Computer labs are available to all students**
22. ***Laptops and Ipads are used in the classrooms**
23. ***5th and 2nd grade students have tablets.**
24. ***Communication with parents through Technology like Class Dojo**

Technology Needs

1. ***Provide technology training to all teachers**
2. ***Increase technology resources in the classroom such as Document Cameras, Computers, Projectors, Laptops, Smartboards, and Scanners.**
3. ***Campus website will be updated on a regular basis**
4. ***Maintain, repair and upgrade technology software (such as MySatori, Istation, A-Z Learning, Achieve 3000, A-Z Learning, PEG Writing and Edusmart) and hardware.**
5. ***Provide computer supplies to teachers for student use Provide camera for student use in school projects (STEM)**
6. ***Enhance the curriculum through the use of new computers**

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: Continue to provide Sharing sessions every Thursdays and involve the district curriculum specialist in meetings **Root Cause:**
Curriculum specialist not attending regularly

Problem Statement 2: Align Special Ed curriculum with General Ed and provide additional support to general ed **Root Cause:** Sped students not performing to meet system safeguards

Problem Statement 3: Provide teachers with grade level co-planning time and alignment day sessions **Root Cause:** clear up confusion and vertically align grade levels.

Problem Statement 4: Purchase more laptops and desktops to replace older non-working models and increase technology in the classrooms **Root Cause:** Student desktops are not working properly and more technology is needed to meet the growing needs of technology usage

Perceptions

Perceptions Summary

In order to promote a positive school environment that is conducive to learning, Champion Elementary has SBDM committee members met and agreed on the implementation of the Colt Incentive Program. Students in grades PK-5th have the opportunity to earn a small tangible reward based on attendance, behavior and academic performance. Feedback from both teachers and students reflect that the implementation of this program brought immediate positive results. Students are motivated to perform, thus reducing behavior concerns and increasing instructional time.

Support staff, elective teachers and administrators reward positive behavior, proper etiquette, and class participation with the distribution of special incentives. Other campus wide activities that students can participate in include Colt of the Week, Kidspeak, 5th grade Choir, Guitar, Percussion, Ballroom Dancing, Brainsville, Chess, Girls Volleyball, Boys Basketball, UIL, Science Fair, Spelling Bee, Student Council, Library Club, Drill Team, and Istation Morning Club.

According to the 2017 CNA parent survey, 93%% strongly agree and agree that Champion is a safe place for their child. Also, the survey results reflect that 90% strongly agree and agree that their child travels safely to and from school. In order to maintain this safe environment for all, procedures are in place to promote safety. A security officer is assigned to our campus. He assists by conducting routine checks and monitoring traffic. A morning student drop off and afternoon student pick-up process is in place. Administrators, teachers and staff work collaboratively to ensure that this system is implemented with fidelity for the safety of all students and staff.

When the school, home and community work together to support the learning process, it is a win-win situation for all the parties involved. Our school plays a key role in this circle of support. Our parent liaison conducts home visits and recruits parents to become active volunteers, attend informational meetings and parent events to promote an open communication between the home and school. The district has a system in place to clear parents as volunteers. The parent liaison serves as a guide as parents go through this process. At Champion Elementary, we provide parents with opportunities to establish an open communication through the use of home visits, open house, weekly parent meetings, teacher conferences, school functions, marquee, memo's, flyers, home-school projects and monthly letters. (Goal 6, Objective 1)

The SBDM is not only composed of teachers and administrators; parents, community and business leaders are also part of the committee. Local businesses assist our campus in the support of student learning by making donations or serving as classroom readers, speakers or showcasing their talents at our annual career day fair.

In order to address strengths and weaknesses in the family and community involvement, parents complete a survey where they provide input in various areas. Survey results reflect that 100% of the parents feel that their son/daughter is safe in school and 90% feel that they are encouraged to participate or be involved with the school. 100% of the parents agree or strongly agree that the school does a good job at handling misbehavior. Overall, results show that parent are pleased with the instruction, involvement and safety of the school.

Perceptions Strengths

1. Implementation of Colt of the Week
2. Implementation of Caught You Being Good
3. Implementation of Colt Incentive Program
4. Campus participation in Spelling Bee, Science Fair, Brainsville, UIL, Girl's Volleyball, Boys Basketball, Ballroom Dancing, Choir, Guitar, Percussions, Chess, Student Council, Library Club

School Culture and Climate Needs

1. *Establish and coordinate a student council
2. *Provide students with incentives and awards to increase attendance, academics and support positive behavior
3. *Recognize lead teachers, event coordinators, and committee leaders in campus newsletters, website or marquee.

Parent Participation in School Functions

1. **Parent and community support of school wide uniform use and the use of clear and mesh backpacks**
2. **Business support in school functions/events**

Family and Community Involvement Needs

1. ***Increase Parent Meetings**
2. ***Increase the number of active parent volunteers**
3. ***Increase School/Parent Communication**
4. ***Increase parent knowledge of eSchoolPlus and STAAR**
5. ***Provide resources such as paper and other equipment supplies such as microwave and coffee maker for nutritional refreshments to be used for parent meetings.**
6. ***A parent liaison to coordinate the communication between home and school**
7. ***Parent Liaison will conduct home visits in order to increase student attendance**

Problem Statements Identifying Perceptions Needs

Problem Statement 1: Establish and coordinate a student council **Root Cause:** Lack of student council for 2017-2018

Problem Statement 2: Increase parent participation in our month parent meetings. **Root Cause:** Low parent participation

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus goals
- Current and/or prior year(s) campus and/or district improvement plans
- Campus and/or district planning and decision making committee(s) meeting data
- State and federal planning requirements

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Domain 1 - Student Achievement
- Domain 2 - Student Progress
- Domain 3 - Closing the Gaps
- System Safeguards and Texas Accountability Intervention System (TAIS) data
- Critical Success Factor(s) data
- Accountability Distinction Designations
- Federal Report Card Data
- PBMAS data

Student Data: Assessments

- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR Released Test Questions
- STAAR EL Progress Measure data
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Local benchmark or common assessments data
- Student failure and/or retention rates
- Prekindergarten Self-Assessment Tool

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress for each group
- Special Programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically Disadvantaged / Non-economically disadvantaged performance, progress, and participation data,
- Male / Female performance, progress, and participation data
- Special education population, including performance, discipline, progress, and participation data
- Migrant population, including performance, progress, discipline, attendance, and mobility

- At-Risk population, including performance, progress, discipline, attendance, and mobility
- EL or LEP data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender, etc.
- Section 504 data
- Homeless data
- Gifted and talented data
- Response to Intervention (RtI) student achievement data
- Dyslexia Data
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Student surveys and/or other feedback
- Student surveys and/or other feedback
- Class size averages by grade and subject
- School safety data

Employee Data

- Staff surveys and/or other feedback
- State certified and high quality staff data
- Teacher/Student Ratio
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact
- T-TESS

Parent/Community Data

- Parent surveys and/or other feedback
- Parent Involvement Rate
- Community surveys and/or other feedback

Support Systems and Other Data

- Budgets/entitlements and expenditures data
- Other additional data

Goals

Goal 1: Champion students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens. (Board Goal #1 and TEA Ch. 4 Objectives 2, 4, 5, 7, and 11).

Performance Objective 1: Champion student performance for all students, all grades, all subjects will exceed 2018 STAAR percent Approaches Grade Level and STAAR Masters Grade Level performance in reading, writing, mathematics, science and social studies by 5 percentage points.

Evaluation Data Source(s) 1: STAAR/EOC performance reports

State Compensatory

Budget for Champion Elementary:

<u>Account Code</u>	<u>Account Title</u>	<u>Budget</u>
6300 Supplies and Services		
211-61-6399-00-136-Y-30-0F2-Y	6399 General Supplies	\$10,000.00
212-11-6399-00-136-Y-24-OF2-8	6399 General Supplies	\$308.00
212-11-6399-00-136-Y-24-OF2-Y	6399 General Supplies	\$640.00
6300 Subtotal:		\$10,948.00

Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

Campus survey was administered for parents, teachers and students to review any needs they may encounter for Champion. We maximize various opportunities to make sure all or many people participated.

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders

Met with stakeholders and discussed various items pertaining to the campus and provide decisions that affect the campus outcomes. We provided opportunities for stakeholders to voice their concerns, needs and comments.

2.2: Regular monitoring and revision

Regular monitoring is done constantly through data and various observations to improve, edit or replace items not working. We continue to monitor all items either through data reports and/or walkthrough observations.

2.3: Available to parents and community in an understandable format and language

We provide newsletters, parent letters, information on marquee, information through the campus website and other media to make sure parents have various communication outlets to receive information from the campus.

2.4: Opportunities for all children to meet State standards

All students are provided with additional rotation periods for further tutorials. All students are provided with after school programs for additional support. We also provide all students the opportunity to come on Saturdays for further instructional support.

2.5: Increased learning time and well-rounded education

We maximize learning time by making sure there are not any distractions or announcements during the day, providing additional instruction during rotation blocks, provide after school programs. Avoiding unnecessary presentations that will disrupt learning time.

2.6: Address needs of all students, particularly at-risk

Purchasing materials needed to address the needs of the students. Providing training to teachers that deal with at-risk students. Making sure all committees are aligned with the information of the students. (LPAC, Counselors, Sped, etc)

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

3.1: Develop and distribute Parent and Family Engagement Policy

Hiring a parent liaison that will coordinate the distribution of information to the parents of Champion. We make sure parents are able to receive the information through various outlets.

3.2: Offer flexible number of parent involvement meetings

The Parent Liaison will conduct multiple meetings on campus to involve as many parents to be informed with the information that needs to be distributed to them. Parent Liaison will make parent visits for parents who can not make it to campus. We will distribute newsletters and place information on campus website.
