Perez Elementary
2018-2019 Campus Improvement Plan

Mission Statement

Perez Elementary is committed to provide a nurturing environment to develop self-assured, independently driven, critical thinkers who contribute to society. Students will develop the necessary tools to be life-long learners in order to achieve their maximum potential in all aspects of life.

We believe that:

- **Every student has a love of learning**
- **Every student needs 21st century skills**
- **Every student needs rigorous and varied opportunities for success**
- **Every student needs support to achieve his/her own maximum potential and can be successful in achieving their goals regardless of their academic needs.**
- **All students have value and worth and should be respected and given equal opportunities.**
- **All students have potential to excel in every goal they set for themselves.**

Vision

The faculty and staff at Felipe R. Perez Elementary will produce students who will excel in all areas of development including academic, socio-cultural and emotional growth. Perez Elementary will value all students equally and accommodate teaching to all learning styles. Students will be provided an inviting atmosphere by a unified learning community dedicated to producing critical thinkers and life-long learners.

Comprehensive Needs Assessment

Needs Assessment Overview

Perez Elementary School is located in Brownsville, Texas. Perez Elementary School is one of thirty-eight 38 elementary schools in Brownsville ISD. The campus was constructed in 1974 with 16 classrooms added in the ensuing years. The main campus was originally comprised of 35 classrooms, a cafeteria, and school library. A new building was completed at the beginning of the 2009-2010 school year; the building is comprised of 6 classrooms 1 multipurpose room, a new library, and restroom/storage facilities.

The student population at Perez Elementary School is approximately 476 *as of June 2017 campus enrollment report* and serves students in grades PPCD, Life Skills, Pre Kinder through 5th grade. According to the School's 2016-2017 TAPR Report, 99.4% of the student population is Hispanic and 97.8% are identified as economically disadvantaged, 50.4% are classified as English Language Learners, 50.2% are enrolled in the district's Bilingual Education Program, 79.4% are at-risk, 6.9% are gifted and talented, and 18.6% are special education students. The 2017 – 2018 TAPR Report is pending from the Texas Education Agency. In addition, several of our students come from homes which participate in state and federal assistance programs such as food stamps, welfare, the Women, Infant, Children (WIC) nutrition program, and subsidized housing and medical assistance.

The students of Perez Elementary School are recipients of a well-balanced curriculum. Courses are offered in every subject area and in visual arts, music, physical education, technology, GT pull-out and a hands-on science lab. The instructional programs include academic core subjects at various levels, such as the Gifted and Talented, and differentiated/scaffold instruction to meet the diverse needs of the student population. All students are required to meet the passing standard of the four assessments which comprise the State of Texas Assessments of Academic Readiness (STAAR).

According to the School's 2016– 2017 TAPR Report, the current staff at Perez Elementary School is comprised of 57.4 staff members, of which, 37.4 are teachers, 3 campus administrators, 5 professional support personnel, and 11.9 instructional aides. The ethnicity of the Perez Elementary School staff is 94.9% Hispanic and 5.1% White. The teaching staff is also 91.8% female and 8.2% males.

Perez Elementary School's most recent campus initiatives include the following:

1. Campus for Response To Intervention – RTI Process
2. In-House Tutorial during the school day by the classroom teachers during the teachers rotation period
3. After-School Title 3 and State Compensatory Education Tutorial Programs for K – 5th grade students who are at-risk.

Perez Elementary School promotes numerous student clubs and organizations. Students are encouraged to participate in extracurricular activities such as Drill Team, art contests, UIL, Brainsville, Science Fair, Choir, Chess, Destination Imagination, Basketball and Volleyball.

School Namesake:	Felipe R. Perez
School Colors:	Royal Blue and Gold
School Mascot:	Black Panther
School Motto:	<i>No Excuses Just Do It and Failure is not an Option</i>

Annual Campus Goals

The Perez Elementary School faculty and staff are committed to the following goals:

- Maintaining a Met Standard Accountability Rating by maintaining 93% and above in Reading, Math Science and Writing.
- Staff members will commit to the College and Career Readiness Standards for students to attend a college or university.
- Vertical & Horizontal Alignment Planning sessions to increase rigor of instruction in preparation for STAAR
- Support and Maintain highly qualified certified/classified staff supported through the various school district's allotted funding sources such as the Local Maintenance Budget, Bilingual Education Budget, Title 1, and State Compensatory Education Budget.

Demographics

Demographics Summary

The student population at Perez Elementary School is approximately 457 as of June 2018 campus enrollment report and serves students in grades PPCD, Life Skills, Pre Kinder-3 through 5th grade. According to the School's 2016-2017 TAPR Report, 99.4% of the student population is Hispanic and 97.8% are identified as economically disadvantaged, 50.4% are classified as English Language Learners, 50.2% are enrolled in the district's Bilingual Education Program, 79.4% are at-risk, 6.9% are gifted and talented, and 18.6% are special education students. The attendance rate for the 2015-2016 school year was 95.4%. The 2017 – 2018 TAPR Report is pending from the Texas Education Agency. In addition, several of our students come from homes which participate in state and federal assistance programs such as food stamps, welfare, the Women, Infant, Children (WIC) nutrition program, and subsidized housing and medical assistance.

According to the School's 2016– 2017 TAPR Report, the current staff at Perez Elementary School is comprised of 57.4 staff members, of which, 37.4 are teachers, 3 campus administrators, 5 professional support personnel, and 11.9 instructional aides. The ethnicity of the Perez Elementary School staff is 94.9% Hispanic and 5.1% White. The teaching staff is also 91.8% female and 8.2% males.

Demographics Strengths

- Spring 2018 preliminary STAAR scores
- Highly Qualified Staff
- Motivated students
- After school tutorials from various department funds for the various targeted subgroup population(s).

Demographic Needs

1. Increase six weeks attendance rates
2. Provide professional development
3. Provide instructional support for Bilingual, Migrant, At-Risk and Special Ed., students
4. Provide funding for the various student demographics in the regular classroom and support programs on campus

Problem Statements Identifying Demographics Needs

Problem Statement 1: Attendance is at 95.4% which is below the state requirement of 97%. **Root Cause:** The outdoor campus doesn't help change the culture of not sending children to school during inclement weather.

Student Academic Achievement

Student Academic Achievement Summary

STAAR Summary All 3rd-5th Grade:

Reading: 3rd Grade (78%), 4th Grade (79%), 5th Grade (88%)

Writing: 4th Grade (81%)

Math: 3rd Grade (88%), 4th Grade (86%), 5th Grade (97%)

Science: 5th Grade (77%)

The trends identified when student performance scores were compared over a period of 3 years demonstrate that students have shown a increase in most areas tested for 2018, with a decrease in science scores.

Performance variation between all student groups:

Reading: At-Risk (79%), ELL (76%), Special Education (32%), Gifted and Talented (100%)

Math: At-Risk (89%), ELL (83%), Special Education (48%), Gifted and Talented (100%)

Writing: At-Risk (75%), ELL (67%), Special Education (55%), Gifted and Talented (100%)

Science: At-Risk (61%), ELL (58%), Special Education (17%), Gifted and Talented (100%)

The trends identified when all students performance was compared with all student groups indicate that there are some performance gaps between all students and special education students and ELL students. At-Risk students, as well as, special education and ELLs will continue to be supported through after school tutorials targeting the areas of need.

Student Academic Achievement Strengths

- STAAR scores for 3rd-5th grades
- TELPAS & AMOS data
- Early student intervention procedures

- Implementation of after school tutorials

Student Academic Achievement Needs

1. Tutorials
2. Provide instructional supplies and materials for classroom use
3. Data driven instruction in all grades
4. Implementation of interventions (RtI) for students below grade-level achievement
5. Increase STAAR scores
6. Professional Development for teachers

Problem Statements Identifying Student Academic Achievement Needs

Problem Statement 1: ELLS, Special Ed, and At-Risk across all grade levels have a lower passing rate on STAAR assessments. **Root Cause:** These populations need more intensive tutorials and strategies to help them be successful.

School Processes & Programs

School Processes & Programs Summary

Perez Elementary is in compliance with district initiatives. We prepare our students for state and district required assessments. Teachers attend professional development and are provided with instructional materials that will enable them to provide high quality instruction for our students. Our teachers use assessment data to drive their instruction. The Dean of Instruction will conduct walk-throughs and model lessons in order to help teachers with their delivery of instruction based on their needs and to provide instructional support. Our teachers use several instructional resources and materials to address the needs of our students. In order to identify our curriculum, instruction and assessment needs, we used the following resources: campus & district assessments/benchmarks (Eduphoria), STAAR scores, TELPAS & AMAO results, SSI information, TANGO Central and Trends reports.

Perez Elementary has a school process to recruit, support and hire personnel. We include teachers and administrators on our hiring committee. We document applicant responses and they are rated accordingly. New teachers are assigned a mentor and they go through a teacher induction program at our campus to ensure they will be successful. We used the Recruitment and Retention Strategies and other data to identify our staff quality, recruitment and retention needs. Our teachers need to attend professional development that targets specific academic areas: Writing, Reading, Math & Science. They also need access to professional development that targets specific STAAR assessment information, Sheltered Instruction, Bilingual updates etc...

Perez is vigilant when it comes to visitors on campus. We need to review their identification and ensure that they have a school pass in order to access areas throughout the campus especially where there are children present. As a campus, it is of utmost importance to train our students on procedures they are to follow in case of a fire, lockdown, and severe inclement weather. Parents and community members are welcomed and encouraged to visit the campus, attend meetings and be more involved in their child's education. Our counselor attends professional development to ensure he receives counseling updates to better serve our students. We are also required to implement effective procedures to identify and enroll homeless students in a timely manner. Our school nurse attends trainings for health updates that will have a direct impact on our students.

School Processes & Programs Strengths

- Varied Instructional Resources
- Continuous walkthroughs in all classrooms
- Effective discipline and instructional strategies
- Extended Planning time for teachers on a six week basis
- On-going Professional Development to address the needs of all subpopulations of students in various content areas

School Process and Program Needs

1. Provide after school tutorials
2. Provide instructional materials and supplies for teachers and various support and special education staff

3. Provide professional development that targets specific academic areas: Language Arts, Math, Technology and STAAR
4. Provide time for LPAC to meet and update folders

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: Less than half of the At-risk students are staying for tutorial/extended day. **Root Cause:** These populations need more intensive tutorials, resources and strategies to help them be successful.

Perceptions

Perceptions Summary

Perez Elementary is committed to encouraging a positive culture and climate at our school with parental involvement. We provide educational opportunities to parents about topics that will help them raise confident, well-rounded students. We have meetings once a week and invite parents to partake in several activities through out the school year. Our students feel safe at our school and our parents agree that Perez Elementary does a good job at educating their children. Teachers feel supported and are focused on providing an excellent education for our students. We continue to be a "met standard" elementary and make decisions based on the best interest of our students.

Perceptions Strengths

- Weekly parent meetings
- Extra curricular activities for students
- Teachers and Administration meet on a weekly basis
- Teachers educate students with new teaching techniques and strategies
- Parent/Teacher conferences when needed

Perceptions Needs

1. Maintain the campus environment, facilities and custodial equipment and supplies
2. Provide incentives to increase student attendance
3. Increase parental involvement through out the campus
4. Create a culture of readers
5. Increase participation in extra-curricular activities

Problem Statements Identifying Perceptions Needs

Problem Statement 1: There needs to be an increase in parental involvement in all areas of the campus. **Root Cause:** Some parents are not able to volunteer because of the requirement of a social security number for clearance.

Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

A Comprehensive Needs Assessment survey was completed by students, parents, faculty and staff. Upon completion, a committee convened to review the results of the survey and campus data to determine the needs of Perez Elementary. We developed objectives and strategies for the 2018-2019 school year, to meet our campus needs.

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders

The Campus Improvement Plan was developed by the SBDM committee. The CNA was reviewed and sub-committees developed the new performance measures and needs were identified. We identified problem statements and root causes to help us implement the needed strategies to improve performance measures.

2.2: Regular monitoring and revision

The Campus Improvement Plan is continually monitored at Perez Elementary to help us identify the needs that call for funding or spending on supplies, materials, fixed assets and personnel that will help meet these needs. Revisions are made on an as needed basis.

2.3: Available to parents and community in an understandable format and language

The CIP is available for all stakeholders to view on our campus website.

2.4: Opportunities for all children to meet State standards

Every student at Perez Elementary is given the opportunity to meet State standards. Every teacher is highly qualified and well trained in the latest strategies to help their students succeed. Tutorials are offered through out the year to help students who are having difficulty. Any student who is at-risk of failure is placed on an RtI and monitored with necessary accommodations.

2.5: Increased learning time and well-rounded education

Perez Elementary is dedicated to maximizing instructional time. Students in need of assistance are given in-school tutorial during special program times, in the areas of reading, writing, mathematics and science. Students are given the opportunity to participate in extra-curricular activities at Perez Elementary to

receive a well-rounded education.

2.6: Address needs of all students, particularly at-risk

The needs of all students, particularly at-risk are met by the faculty and staff at Perez Elementary. These students are given the opportunity to attend tutorials both in-huse and after school. Instruction is differentiated by the teachers to meet the students need. If needed, students are placed on an RtI with accommodations.

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

3.1: Develop and distribute Parent and Family Engagement Policy

The Parent and Family Engagement Policy is shared with parents at our first parent meeting. Each parent is invited to attend and learn about the necessary requirements to becoming a parent volunteer at Perez Elementary. All parents are invited to attend our weekly parent meetings through our School Messenger and via notices that are sent to parents.

3.2: Offer flexible number of parent involvement meetings

Parental Involvement meetings are usually held once a week for our parents. Parents are also asked to communicate with their child's teachers during their conference times, before or after school. Parents are always invited to attend school assemblies on a six weeks basis for student award recognition ceremonies.
