School Processes & Programs

School Processes & Programs Summary

Lopez Early College High School administration is comprised of the Campus Principal, Dean of Instruction and 5 Assistant Principals; each Assistant Principal is assigned to an individual grade level and department, with one assigned to special education. Distributive leadership is a key component of our administrative team with department chairs assigned per content area and lead teachers assigned per strand. Our campus has an active SBDM committee comprised on content area teachers, parents, staff, community members and (1) student representative. We have an active Student Ambassador program on our campus; continuous training in school leadership and community leadership is provided on a regular basis in order to build student capacity. School information is distributed through a monthly calendar to all personnel via e-mail. Campus personnel, parents and students are informed of monthly meetings, presentations, activities, trainings and events throughout the school year.

Lopez Early College High School has implemented research based instructional strategies in all curriculum areas; continuous review and monitoring of instruction focus documents, are conducted throughout each six week period based on campus assessment data. Checkpoint assessments are conducted during each six week period, based on curriculum frameworks, and data review sessions are conducted immediately upon the receipt of data reports. A campus data wall is used to monitor and track student progress throughout the year; targeted tutorial reports are created based on Quintile reports and Tier reports. Lopez Early College High School will continue to actively monitor curriculum and instruction to ensure alignment through assessment data in order to provide teachers with the necessary professional development and research based strategies needed to improve academic performance.

Lopez Early College High School employs teachers that are highly qualified to teach in their content areas for all academic areas. New teachers are provided instructional support through a variety of ways including, but not limited to, Texas Literacy Instructional Coach, campus Dean of Instruction, assigned mentor teachers, department chairs, campus administration, and trainings both within and outside the district. Current initiatives to help build capacity include our campus Teachers Training Teachers (TOTs) initiative. In addition, Lopez teachers receive support to teach students at a higher level through professional growth opportunities, which are offered at the district level during the school day, after school, weekends, and out of district as needed.

Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

The Site-Based Decision-Making (SBDM) Committee conducted a (I) comprehensive needs assessment (pg.8-18) during late spring 2019 to determine the strengths and needs of students, staff, parental & community involvement, and facilities before deciding how to use available local, state, and federal budget allocations. During the May 23, 2019 meeting, based on the CNA results, the committee decided to concentrate on improving the passing rate of all students and student groups including Migrant, Bilingual, At-Risk, Dyslexia, GT, Title I, and Special Education on state assessments. The 2020 goal is to have 90 percent of all students and all student groups passing all parts of state mandated assessments for the 2019-2020 school year and to increase the advanced level performance in all tested areas.

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders

Campus improvement plan is developed through the Site-Based-Decision-Making (SBDM) Committee (who include parents, teachers, community members, business representatis) and other campus stakeholders during the months of April and May 2019 to develop the 2019-2020 Campus Improvement Plan based on the revised CCNA and data collected throughout the 2018-2019 school year. The names and roles of the committee members can be found at the end of CIP.

2.2: Regular monitoring and revision

Campus Improvement plan is reviewed, revised and monitored throughout the school year based on campus/district/state disaggregated data. SBDM committee members, to include department chairs and administration, review performance objectives and strategies to ensure targets are being met and aligned with allocation of campus funds for instructional needs.

2.3: Available to parents and community in an understandable format and language

Campus and district documents are provided in both English and Spanish (translated upon request) and posted to the campus website. Paper copies of the CIP are available at the campus front office and the campus Parental Involvement Center.

2.4: Opportunities for all children to meet State standards

Lopez Early College High School provides all students with the opportunity to meet academic standards through the various campus programs and initiatives such as: Saturday academics, EOC camps, Credit Recovery Labs, Student Attendance contracts for Loss of Credit, technology-based curriculum designed for instructional support.

2.5: Increased learning time and well-rounded education

Lopez Early College High School teachers are provided with additional compensation to provide targeted instructional tutorials, acceleration and credit recovery after school, before school and on Saturday. Academies begin in the month of September and continue until the scheduled June graduation date. The campus offers a summer cohort express for students to complete credit recovery courses in order to meet the August graduation or regain credit to remain with their academic cohort.

2.6: Address needs of all students, particularly at-risk

The At-Risk student population is continuously monitored throughout the school year by the campus dropout and recovery team. Campus administration and counselors are organized according to grade levels for student attendance, behavior and academics to ensure monitoring throughout the school year; academic, discipline and attendance concerns are discussed weekly during administrative team meetings. Campus implementation of RtI allows for teachers to monitor student behavior, attendance and academics in their classroom; required 6 week submission of documentation is reviewed by the administrative team.

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

3.1: Develop and distribute Parent and Family Engagement Policy

Lopez ECHS developed the Parent and Family Engagement Policy and Compact for the 2019 - 2020 with parent volunteers and SBDM members in May of 2018. The agreed to policy and compact were distributed to parents in English and Spanish during a Title I informational meeting conducted at the beginning of the year; follow up meetings and informational sessions are scheduled throughout the year with our campus parent liaison. The policy and compact are made available on our campus website and the campus front office.

3.2: Offer flexible number of parent involvement meetings

Lopez Early College High School parental involvement program conducts weekly scheduled meetings every Friday in the parent center to inform parents of campus activities, instructional strategies to use at home, policies and procedures, assessment information and college and career readiness information. In addition, parent meetings are conducted at least once a month and in collaboration with other campus events throughout the school year.
