

Brownsville Independent School District

Perkins Middle School

2019-2020 Campus Improvement Plan

Mission Statement

As part of a global community, Perkins Middle School is instilling 21st century leadership skills and ethics to all students by promoting self-discipline, motivation, and excellence in a safe learning environment.

Vision

Empower future global leaders everyday by stimulating learning across all areas and ensure all students reach their maximum potential. We will achieve this by providing teacher support, community partnerships, parental involvement, campus unity, and innovative resources.

Value Statement

Theme & Motto:

iConnect, iInnovate, iInspire

Comprehensive Needs Assessment

Revised/Approved: May 10, 2019

Demographics

Demographics Summary

Perkins Middle School is located in Brownsville, Texas. Perkins Middle School is one of ten middle schools in Brownsville ISD. The campus was constructed in 1987. The student population at Perkins Middle School is approximately 688 and serves students in grades 6th through 8th (6th Grade Enrollment 207, 7th Grade Enrollment 237, 8th Grade Enrollment 244). According to the PEIMS Data Review of our campus profile, 99.56% of the student population is Hispanic, 0.44% of the student population is White and 98% of our students are identified as Economically Disadvantaged. We have 8 immigrant students, 35 dyslexia students and 3.9% homeless students. Many of our students are first generation Mexican immigrants, 211 are classified as Limited English Proficient and a majority is English/Spanish bilingual. The student population by gender is 359 males and 329 females of which 17.73% are identified as special population subgroups. In addition, many of our students come from homes which participate in state and federal assistance programs such as food stamps, welfare, the Women, Infant, Children (WIC) nutrition program, and subsidized housing and medical assistance. The student demographics has decreased over the last 3-5 years by 1.3%. The students that are identified as at-risk are identified as per section 29.081 of the Texas Education Code and comprise 67.30% of the student population.

As per the state criteria, the students are under 26 years of age and are at-risk of dropping out of school. In addition, the state also uses a criteria that has 13 indicators that identifies a student as at-risk. The district/campus uses both state and local indicators. The state criteria that is used is defined in section 29.081 of the Texas Education Code which are listed under the 13 indicators that identify a student as at-risk.

In addition, the local indicator is based on a student's migratory status. The programs that are available for students that are at-risk for dropping out are tutoring, counseling, alternative schools, differentiated instruction, employment training, intervention programs, communities in schools, close follow up procedures on truancy and absenteeism. The students that are targeted to participate fall under the 13 indicators that identify a student as at-risk as per the Texas Education Code. There are 67.30% at-risk students out of the school's total population. The attendance rate is 96.5% for all students and 96.0% for at-risk students. The retention rate is 5.45% for all and at-risk students. Moreover, the dropout rate was 0.0% for all and at-risk students.

Demographics Strengths

The following strengths were identified after all findings were analyzed by the SBDM Committee:

- At-risk tutorial enrollment
- Students participation in extra-curricular activities

Demographic Challenges (Needs)

At Perkins MS the number of students/ staff is decreasing. Summer Bridge program was implemented in Summer 2018 to improve 6th grade incoming students. Also activities such as hot chocolate with near by Elementaries was conducted to improve recruitment.

1. need to expand efforts to recruit and retain students at all grade level
2. need to update the school technology for example number of desktops/ laptops for all students to increase opportunities beyond those available
3. need to decrease the number of studnets being sent to ISS, OSS, and DAEP
4. need for expansion of programs and services supporting parental, community and business involvement with students and school

Problem Statements Identifying Demographics Needs

Problem Statement 1: Number of students enrolled at Perkins MS decreased. **Root Cause:** Nearby new schools opened

Student Academic Achievement

Student Academic Achievement Summary

After a thorough review of multiple data sources, the SBDM Committee assessed program effectiveness and determined that through the collaboration of various campus resources and community entities the academic improvement would be founded on the state assessment requirements of the implementation of rigorous and relevant instruction by teaching and improving strategies that will help our students achieve expected standards. The SBDM will also review and revise, as needed, policies that establish monitoring of effective and varied instructional methods focusing on learning styles, multiple intelligences, and student choice. Student achievements are stated as followed: 71% Reading, 81% Math, 7th Writing 67%, 8th grade Social Studies 68% and 67% Science. Algebra 100%.

A student group that performed less than or equal to the state average is identified as a priority. Based on the review of the data, best practices will be used to address the priority areas of need.

The following information originated from the 2017-2018 STAAR results.

STAAR Summary of 6th- 8th Grades Tested

Student Academic Achievement Strengths

Findings/Analysis Results:

The following areas of strengths were identified after all findings were analyzed by the SBDM Committee.

- Reading 7th grade
- Math 7th-8th
- Dropout rates
- Algebra STAAR Scores
- Closing the academic gaps across all sub-populations/demographics

Student Achievement Needs

1. Improve ELA instruction
2. Continue to increase performance for Social Studies and Science
3. Close achievement gaps for between all students and Special Education and ELL student performance
4. Provide necessary supplies including nurse supplies across all sub-populations including migrant students.

5. Improve Reading STAAR scores in 7th Century.
6. Instructional Consultants will be utilized in order to provide up-to-date professional development services to certified personnel and effectively close academic gaps between sub-groups.
7. Improve Math STAAR scores in 7th -8th and 6th grade by implementing additional resources to student learning.
8. Teachers will work collaboratively to focus on preparing all students including Migrant, LEP, and Special Education students for the following grade level through vertical team meetings.
9. Close the gap between LEP and non-LEP and increase Reading STAAR across grade level by collaborating with Tech Lab teacher in providing programs to enhance learning.
10. Meet AMAO's 1, 2 and AYP for LEP students by implementing the following Action Steps
11. Provide necessary supplies/tools across all sub-populations in order to close achievement gaps and attain individual academic growth.
12. Ongoing monitoring of LEP student population will be done department meetings on a monthly basis.

Problem Statements Identifying Student Academic Achievement Needs

Problem Statement 1: Improve teacher knowledge with innovative PD for all teachers

School Processes & Programs

School Processes & Programs Summary

After thorough review of multiple data sources, the SBDM Committee assessed program effectiveness and determined that through the collaboration of various campus resources and community entities the following Staff Quality, Recruitment and Retention are effectively in practice and are contributing factors to the overall staff solidarity. Administration and Curriculum Specialists work in collaboration to provide professional development for all new and returning professional staff. Extensive and on-going training in Reading, Math & Science, and Social Studies is a well established campus practice. New Teacher Training and Mentorship assist in providing guidance and support and promote the necessary teacher comradeship. All Teachers and Paraprofessionals are highly qualified as per TEA and SBEC background checks and certifications. The SBDM Committee interviews all staff being hired at the school campus. Appropriate questions that fit the job description are asked to help make the most appropriate decision in hiring the best qualified candidate.

School Processes & Programs Strengths

Findings/Analysis Results: The following strengths were identified after all findings were analyzed by the SBDM Committee.

- T-TESS
- Training to improve delivery of instruction (DOK's)
- Present staff is supportive and adhere to campus procedures and goals
- Tutorials paid through special programs and advanced academics.

Needs:

1. Technology Survey in Spring 2018 indicated a need to improve.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: Technology Survey indicated a need overall. **Root Cause:** Number of laptops/ desktops low on Campus.

Problem Statement 2: Need of more school wide parent events and educating students/parents on the topics of cyber bullying for example. **Root Cause:** Parents need innovative information on bullying as per survey.

Problem Statement 3: Need of more school wide parent events and educating students/parents on the topics of cyber bullying for example. **Root Cause:** Parents need innovative information on bullying as per survey.

Perceptions

Perceptions Summary

After thorough review of multiple data sources, the SBDM Committee assessed the overall school culture and determined that the effective approaches to improving school climate involve collaborative planning, collegial work, and a school atmosphere conducive to experimentation and evaluation and view all school staff (teachers, paraprofessionals, custodians, secretaries) as important contributing members who are engaged in the development of activities that take place over time. Similarly, students, parents, and community members must be included in projects to address school climate. Inviting a parent or student as a token representative will not be enough; to foster an investment in the project, individual contributions and participation must be welcomed, respected, and valued as part of school-wide efforts.

Overall, there were 70 online surveys submitted. Of the seventy surveys submitted, 35% had students in 6th grade, 35% had students in 7th grade, and 44% had students in the 8th grade. The majority of the respondents (parents) visited the school at least once per month and are concerned about their student' safety and school atmosphere. To this end, they are somewhat satisfied with their students' level of academic performance and motivation. In addition to student safety and environment, parents voiced their concerns about improving district wide parent events and educating students/parents on the topics of cyber bullying, dangers of facebook, discipline (runaways), homework skills and counseling kids for drugs/gangs. Many of the respondents were concerned about these issues and also stated that it would be best for parent meetings to be held after school because it would be more convenient with their work schedule.

The purpose of this survey was to determine how well Perkins Middle School provides quality service experiences to parents, students, faculty and staff in three areas: safety, teaching and learning, and relationships. The quantitative and qualitative findings of this study indicate that there are several areas of need. These areas of need span all categories evaluated.

Academic Planning and Professional Development Networks, SBDM committee recommends that we continue to address the academic deficiencies identified. Those deficiencies have been identified as safety, teaching and learning, and relationships. There are four recommendations listed below.

- Student achievement is the greatest priority of all educational needs. It is recommended that all professional staff attend training to address the identified academic/instructional student needs. In addition it is essential to develop positive relationships among students and teachers. This will also create a common practice among everyone in the building, which establishes consistency in communication and ultimately protocol. Establishing this practice should focus on five major components: self-control, unconditional positive regard, teaching expectations, classroom arrangement, and effective delivery of instruction.

Secondly, there is a need for strengthening teacher preparation both in content and effective teaching practices. As means of addressing this issue, teachers need to be provided content based professional learning opportunities that will provide them with the

instructional skills and best practices needed for preparing, developing, and implementing rigorous lessons.

- Thirdly, it is recommended that Perkins continues to develop professional learning communities (PLC), that established a platform for discipline based teams to communicate across grade levels as well provides grade level teams to evaluate student performance, behavior, and deficiencies. The PLC platform should also be used to develop pathways of communication among school staff and internal/external administration that provides staff with input in the decision-making process.
- Finally, the continued development of parental involvement programs that provide parents with support for their child's learning at home, information about the instructional program, student performance data and opportunities for shared decision-making as well.

These recommendations should serve as suggestions to guide Perkins Middle School in our efforts to continuously improve and grow as we establish future goals and objectives in our endeavor to ensure that quality services/instruction are being provided to our stakeholders.

Perceptions Strengths

- The following strengths were identified after all findings were analyzed by the SBDM Committee:
- **Achievement motivation:** Students at the school believe they can learn and are willing to learn.
- **Collaborative decision making:** Parents, students, and staff are actively involved in the decisions affecting the school.
- **Equity and fairness:** Students are treated equally regardless of ethnicity, gender, and disability.
- **General school climate:** There is a positive quality of all interactions and feelings of trust and respect within the school community.
- **Order and discipline:** Students display appropriate behavior in the school setting.
- **Parent involvement:** Parents participate frequently in school activities.
- **School-community relations:** The community is supportive and involved in the life of the school.
- **Dedication to student learning:** Teachers actively motivate students to learn.
- **Staff expectations:** Staff expects that students will succeed in school and in life.
- **Leadership:** The principal effectively guides the direction of the school, including creating a positive climate.
- **School building:** The physical appearance of the school building reflects respect for the school and community.
- **Sharing of resources:** All students have equal opportunity to participate in school activities, materials, and equipment.
- **Caring and sensitivity:** The principal shows consideration for the students, parents, and school staff.
- **Student interpersonal relations:** There is a high level of caring, respect, and trust among students in the school.
- **Student-teacher relations:** There is a high level of caring, respect and trust between students and teachers in the school

Perceptions (Needs):

1. Plan more activities for parents for example Parental Involvement Events such as bigno with students to improve parent/ school/ student communication.
2. Provide more information to parents about the Special Education, Bilingual and Migrant programs.

3. Provide parental information/ meetings to explain definition of bullying / cyber bullying and answer their questions.
4. Provide general supplies for parent meetings.

Problem Statements Identifying Perceptions Needs

Problem Statement 1: Need of more school wide parent events and educating students/parents on the topics of cyber bullying for example. **Root Cause:** Parents need innovative information on bullying as per survey.

Priority Problem Statements

Problem Statement 1: PD in all subject areas is needed to improve student achievement

Root Cause 1:

Problem Statement 1 Areas: Curriculum, Instruction, and Assessment

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Goals

Revised/Approved: May 10, 2019

Goal 1: Perkins Middle School students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens. (Board Goal #1 and TEA Ch. 4 Objectives 2, 4, 5, 7, and 11).

Performance Objective 1: Perkins student performance for all students, all grades, all subjects will exceed 2019 STAAR percent Meets Grade Level and STAAR Masters Grade Level performance in reading, writing, mathematics, science and social studies by 5 percentage points.

Evaluation Data Source(s) 1: STAAR performance reports

Summative Evaluation 1:

Targeted or ESF High Priority

| Strategy Description | ELEMENTS | Monitor | Strategy's Expected Result/Impact | Reviews | | | |
|---|----------|--|--|---|-----|-----|-----------|
| | | | | Formative | | | Summative |
| | | | | Nov | Feb | Apr | June |
| <p>1) Teachers will meet once a week to align ELA, Math, Science and Social Studies curriculum & discuss effective teaching strategies for upcoming units of study. Teachers will be assigned different subjects or teach for example to subjects to meet the needs of our students. Teachers will be released every six weeks to plan for upcoming instruction and vertically align. Faculty will be provided with STAAR and TELPAS training/data to help identify struggling learners and prescribe early intervention. Discuss the progress of B, I, A, MI & M2,PD students. Test will be same for each grade level after each unit to measure student performance equally. Administration and the Dean of Instruction will meet with the departments as needed to plan and discuss Professional Development training/yearly conferences to ensure that all students meet the STAAR standards.</p> <p>Population: 6-8 grade students -LEP -PD -GT -Pre-AP/AP -DYS -SE -MI -AR -TI Timeline: Aug. 2019-May 2020 CNApg. 7-9 SAA #1-12 DEMO #3</p> | 2.4, 2.4 | Dean of Instruction, and Department Chair(s) | Benchmarks, Texas Middle School Fluency Assessment S: STAAR, TAPR Report, PBMAS, | | | | |

|---|----------|---|--|-----------|-----|-----|-----------|
| | | | | Formative | | | Summative |
| | | | | Nov | Feb | Apr | June |
| 1) Campuses will develop and maintain an Emergency Operation Plan. Plan must be multi-hazard in nature Must be reviewed and updated annually by the campus safety and security committee. The following drills must be practiced accordingly: Lockdown drills (3 times per year), Shelter-in-place, Reverse evacuation, Drop & Cover, Evacuation. In order to prevent, protect against, respond to, recover from, and mitigate the effects of incidents, regardless of cause, size, location, or complexity, in order to reduce the loss of life and property and harm to the environment. Population: Administrators, Campus Staff & Faculty Timeline: June 2019-June 2020 | | Administration, Dean of Instruction, Teachers, Department Chair, District Specialist, Faculty/Staff, BISD Police/Security | Formative; After Action Reviews, Sign-In Sheets Summative: Evaluations, Audits | | | | |
| 2) Campus will conduct Active Shooter or other hazardous lock down drills at least twice per semester. Population: all students Timeline: August 2019 to June 2020 | | Security Services Campus Administration | Formative Results: Practice drill reports Summative Impact: 100% of campuses have conducted at least two practice drills. | | | | |
|  | | | | | | | |

Goal 6: Perkins Staff, Administration, Parents, and Community will provide required support and resources for the attainment of educational excellence and equity. Parents will be full partners with educators in the education of their children. (TEA Ch. 4, Obj. 1)

Performance Objective 1: There will be a 10% increase of parents involved in campus/district parental involvement activities from 2018-2019 to 2019-2020.

Evaluation Data Source(s) 1: Completed Title I-A Parental Involvement Compliance Checklist, Campus CNA and Title I Parent Survey, Parent Meeting Attendance Rates

= Accomplished

= Continue/Modify

= No Progress

= Discontinue

Goal 9: Through enhanced dropout prevention efforts, all students will remain in school until they obtain a high school diploma. (TEA Ch. 4 Obj. 3)

Performance Objective 4: Implement a sustainable coordinated school health system that provides wellness tools and resources which promote the long-term development through student attendance and success of the whole student.

Evaluation Data Source(s) 4: Nurse time and effort reports show students immediate health concerns are addressed along with improved report card grades and increased student attendance rates. PAPA, CATCH, and SHAC meetings and reports.

Summative Evaluation 4:

| Strategy Description | ELEMENTS | Monitor | Strategy's Expected Result/Impact | Reviews | | | |
|--|----------|------------------------------------|---|-----------|-----|-----|-----------|
| | | | | Formative | | | Summative |
| | | | | Nov | Feb | Apr | June |
| 1) To promote physically and emotionally healthy students, the district will utilize the -PAPA (Parenting and Paternity Awareness) curriculum -CATCH (Coordinated Approach to Child Health) program, and -SHAC (School Health Advisory Committee) to address areas including Prevention of Dating Violence and sexual abuse of children. Population: All students Timeline: July 2019 to June 2020 | | Principal, Dean, Dept Chairs | Formative Results: Classroom observation, Professional development evaluations, Sign-in sheets, Workshop agendas Summative Impact: Fitness Gram results increase CATCH Binder end of year evaluation | | | | |
| 2) Assistance in the planning and execution of the overall health program at the campus level, in an effort to improve overall student health which increases student attendance and academic performance, will be carried out by Health Services (nurse). Population: Campus Nurse (licensed medical professional RN and LVN). Timeline: August 2019 - June 2020 | | Nurse | Formative Results: Monthly reports Summative Impact: +Nurse time and effort reports will clearly show that the students immediate health concerns are being addressed and will result in improved student attendance and grades. | | | | |
|  | | | | | | | |

Comprehensive Support Strategies

| Goal | Objective | Strategy | Description |
|------|-----------|----------|--|
| 1 | 1 | 6 | Students that receive failing grades in the Reading, writing, Math, Science and Social Studies benchmarks, checkpoints, teacher made test, unit test, and diagnostic tests will be recommended and motivated to attend tutorial and/or Saturday Academies in order to meet STAAR standards. Tutorials will also help meet AYP requirements. The 21st Century Program will target academic student needs by having classes on a daily basis. The Gear Up Program will be implemented in 8th grade to help the students succeed. Students that receive a 60 or lower in their courses will be monitored throughout the school year by classroom teacher. Incentives for students to motivate the tutorial attendance. Custodial supplies to maintain a healthy campus and repairs as needed. Population: 6-8 grade students -LEP -GT -Pre-AP/AP -DYS -SE -MI -AR -TI Timeline: Sept. 2018-May 2019. CNA pg. 7-9 SAA#1,3,5,12 |
| 1 | 1 | 7 | ALL core areas, special education and electives teachers will use instructional materials: computers, laptops, printers, computer devices, calculators, Nooks, cameras, and ink necessary to help students achieve academic progress in the required state assessments. They will also provide classroom resources and manipulative activities to assist students in academic success such as the Electric cars for Science STEM activity. Technology training will be provides in all core subject areas for teachers in the areas of PowerPoint, smart board Web links etc. to develop an ambiance for interactive learning and increase participation for students. Computer aide assistant will help students with computer programs. Population: 6-8th grade students -LEP -GT -Pre-AP/AP -DYS -SE -MI -AR -TI Timeline: Aug. 2019-May 2020. CNA pg.8 SAA 1,3,5,11,12 SPP 1 DEMO #2 |
| 1 | 1 | 8 | Provide reading materials and incentives such as awards in a variety of formats to support the various curricula and leisure reading needs of students and staff. Population: 6-8th grade students -LEP -PD -GT -Pre-AP/AP -DYS -SE -MI -AR -TI Timeline: Aug. 2019-May 2020 CNA pg. 7-9 |
| 1 | 1 | 9 | Following the BISD transitional bilingual program model, provide instruction that ensures advancement/progress of bilingual categories for each school year with the goal of passing assessments in English after a minimum of three years. Population: LEP Timeline: Every six weeks from Aug. 2019-May 2020 CNA pg. 7-9 SAA 1-12 |
| 1 | 1 | 10 | Implement intervention through RTI Tier Model in order to support student success: Tier I-120 mins. devoted to ELA instruction, Tier II- 30 Mins. per day in small group in addition to the core instruction, Tier III- 30 min. per day in individual or small group in addition to the core instruction. Population: 6-8th grade students -LEP -PD -GT -Pre-AP/AP -DYS -SE -MI -AR -TI Timeline: Aug. 2019-May 2020 CNA pg. 7-9 SAA #1,12 |
| 1 | 1 | 11 | The Perkins Summer Bridge program is designed to provide extended instructional time for students in need of academic support in Reading, Math, Science and Social Studies who are transitioning from 5th to 6th grade. Population: 5th going to 6th grade students -LEP-GT -Pre-AP/AP-DYS-SE-MI-AR -Timeline: July 2019- Aug. 2020 CNA pg. 7-9 |

| Goal | Objective | Strategy | Description |
|------|-----------|----------|---|
| 1 | 1 | 12 | Teachers will utilize reading, math, science and social studies software for example; STEMScopes, Zingy, PEG writing, as resources to help analyze student weaknesses and strengths in order to plan instruction. Teachers will use district adopted computer based programs/technology in the classroom and during tutorial/ 21st Century Program in order to enhance and rigorously accent delivery of instruction. Population:6-8 grade students -LEP -GT -Pre-AP/AP -DYS -SE -MI -AR -TI Timeline: Aug. 2019-May 2020 CNA pg.7 |
| 1 | 1 | 13 | Administer the MSTAR Universal Screener to 6th-8th grade students in order to monitor the student's algebraic readiness. Population: 6-8 grade students -LEP-GT-Pre-AP/AP-DYS-SE-MI-AR-TI Timeline: 2nd. 4th and 6th six weeks.from Aug. 2019-May 2020 |
| 1 | 1 | 14 | 6th-8th grade GT and Pre-AP students will be required to complete an original research based inquiry project. AP Spanish students will take the AP (Spanish Language and Culture). Population:-GT/Pre-AP, AP Spanish Timeline: 1st six weeks. from Aug. 2019-May 2020 CNA pg.7 |
| 4 | 1 | 4 | Provide professional development based on level of expertise and need in the following area: a) Bullying Prevention b) Violence/conflict resolution c) Recent drug use trends d)Resiliency/ Development Assets e)Dating Violence f)Signs of child abuse g) Response to intervention RTI - Supplies needed for the different areas mentioned. Population: Counselors Timeline June 2019-June 2020 |

Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

SBDM members (see list attached on CIP-Committees) revised Campus needs assessment based on data on pages 15-17 and summarized in pages 7-15 SBDM met to determine strengths and needs for Campus.

Some needs are as follows:

At Perkins MS the number of students/ staff is decreasing. Summer Bridge program was implemented in Summer 2019 to improve 6th grade incoming students. Also activities such as hot chocolate with near by Elementary was conducted to improve recruitment. 1. need to expand efforts to recruit and retain students at all grade level 2. need to update the school technology for example number of desktops/ laptops for all students to increase opportunities beyond those available 3. need to decrease the number of students being sent to ISS, OSS, and DAEP 4. need for expansion of programs and services supporting parental, community and business involvement with students and school CNNA pg. 7

SBDM Members met and decided that teachers will be included in decisions regarding the use and selection of academic assessments to measure student performance. Teachers will use data obtained from state assessments as well as other instruments, including but not limited to the SELP, TELPAS, and benchmark tests, to implement new instructional strategies, modify existing strategies and/or discontinue existing strategies to better address student needs as determined by use of these instruments. CNNA pg.10

Students experiencing difficulty in mastering the TEKS will be provided effective, timely additional assistance. All teachers will closely monitor all students' performance based on daily exercises and periodic tests. Students not mastering the objectives will be provided additional assistance in the after school tutorial program and/or enrichment courses based on his/her individual needs. CNNA pg.10

CNNA main revisions May 2019

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders

School-wide Plan Development

SBDM Members (see list attached on CIP-Committees) met during April and May to check needs and revise CIP.

In order to successfully implement the School-wide Plan Development, Perkins M.S. will be dedicated to increase the amount of learning time, provide an enriched and accelerated curriculum, provide computerize resources, book resources, and counseling and guidance.

2.2: Regular monitoring and revision

SBDM Members (see list attached on CIP-Committees) met May 2019

Met to monitor, revise and evaluate 2019-2020 Plan CIP

2.3: Available to parents and community in an understandable format and language

Campus Improvement Plan available in location Room 108 at Perkins Middle School in English.

CIP available on website, at Parent Meetings, Open House-library. It was provided in Spanish as parent requested.

2.4: Opportunities for all children to meet State standards

Teachers will meet every 6 weeks to align ELA, Math, Science and Social Studies curriculum & discuss effective teaching strategies for upcoming units of study. Teachers will be assigned different subjects or teach for example to subjects to meet the needs of our students.

Perkins will receive assistance from district with the development of traditional and online Professional Learning Communities that are based both on content and pedagogy.

Refer to selected strategies that are being implemented to address of all learning needs at Perkins Middle School.

2.5: Increased learning time and well-rounded education

Teachers will meet every 6 weeks to align ELA, Math, Science and Social Studies curriculum & discuss effective teaching strategies for upcoming units of study. Teachers will be assigned different subjects or teach for example to subjects to meet the needs of our students.

Perkins will receive assistance from district with the development of traditional and online Professional Learning Communities that are based both on content and pedagogy.

Refer to selected strategies that are being implemented to address of all learning needs at Perkins Middle School.

2.6: Address needs of all students, particularly at-risk

Other strategies to address needs of all students particularly at -risk include: regular/extended tutorial programs to assist and improve at-risk student achievement.

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

3.1: Develop and distribute Parent and Family Engagement Policy

Our campus Parent Liaison along with our Dean of Instruction assisted SBDM members and parent volunteers to review and develop the Parent and Family Engagement Policy.

Individuals and roles are available on parent liaison records. Parent and engagement policy was distributed during regular parental involvement sessions and campus website in English and Spanish. Minutes of revision of policy and compact are available as well on parent liaison records.

3.2: Offer flexible number of parent involvement meetings

Perkins Middle School will offer a number of flexible meetings in addition to regular meetings every Friday at 9:00am by offering meetings at 5:00pm once a month.

CNNA pg. 7

2019-2020 Site Based Decision Making Committee
