# Mission Statement

Excellent Academics and Goals Lead to Exemplary Students.

## Vision

We believe that our school is a place where EVERYONE is special.

We believe that our school is challenging, safe, fun, and a motivational place where kids want to be.

We believe that teaching is a "Calling", not a job and that to reach students, we must go beyond the classroom.

We believe that making positive connections with students is the responsibility of every adult on campus.

We believe in the power of you, me, and what we can achieve as a TEAM!

# Comprehensive Needs Assessment

Revised/Approved: May 28, 2019

## Needs Assessment Overview

Vela Middle School is home to 797 students in Grades 6-8. As reported on the 2017-2018 TAPR, the school employed 80.6 professional staff including 72.8 teachers, 60.5 professional support, and 3 campus administrators. The school also had 13.0 educational aides, for a total staff of 85.8. The student population includes Hispanic 98.2%, African American 0.1%, White 1.1%, Asian 0.6%, and 2 or more races 0.0%. There is also a total of 92.1% Economically disadvantaged, 7.8% Non-educationally disadvantaged, At-Risk 50.7%, 15.9% Bilingual/ESL education, 18.6% Career/Technical Education, 15.3% Gifted and Talented, and 17.6% Special Education. The attendance rate for 2016-2017 was 95.5%. The annual dropout rate (Gr 7-8) was 0.0% and the retention rate was 3.2% for 6th grade students, 3.8% for 7th grade students, and 1.4% for 8th grade students.

# Demographics

## Demographics Summary

Any Vela student group that did not meet the state standard average is identified as the priority for needs. Based on the disaggregation of the STAAR test data, best practices will be used to address the needs of these groups of students as the priority of needs and will be the driving force for instruction and budget. The Vela Campus Improvement Plan will delineate a plethora of research-based strategies to address the areas of need/priorities.

The following data originated from the 2017-2018 TAPR results.

## Demographics Strengths

Vela Middle School is well-established school that celebrated 25 years during the 2014-2015 school year. Vela was originally established as the 9th grade campus for Hanna High School and as such has maintained the high academic standards that are a pre-requisite for the rigors of Hanna High, the first medical magnet school in BISD.

All teachers at Vela Middle School are Highly Qualified as defined by the State Board of Education. All teachers are certified to teach students identified as Gifted and Talented in core content areas and the Fine Arts. Additionally, all core teachers are ESL certified to service EL students in English, Math, Science, Social Studies. Due to the academic rigor and standards, Vela has been declared a STEM school in math and science thus having Science and Math teachers STEM trained.

The ELA department has recently completed going through the new textbook adoption process. Academic Practices are offered to all diverse students in all core content areas. After School Academic Practices take place from Monday through Thursday for 90 minutes of additional instruction.

Web-based computer programs such as Edgenuity, EduSmart, Defined Stem are used routinely by content area teachers.

Three fully equipped computer labs are available, with one lab specifically designed for the EL population.

### **Demographics NEEDS**

1. Decrease the percent passing gap for Special Education and EL students in Reading, Writing, Science, Social Studies and Mathematics by scheduling After School Academic Practice, Monday through Thursday for an additional 90 minutes of instruction and Saturday Academies for 3 hours of additional instruction.
2. At Vela Middle School the most urgent need is to upgrade technology in all areas in order to increase access for all sub-populations from classrooms to student computer labs to administrative offices. The most current Microsoft software program is Office 365. Additionally, faster internet service, updated technology in every classroom for teachers and students, as well as technology supplies.
3. Increased parental involvement for At-Risk students, Migrant students, ELL students, and Special Education students.
4. A full-time nurse and health services supplies are needed in order to address immediate health concerns.

# Student Academic Achievement

## Student Academic Achievement Summary

Vela students have made notable progress in Science, Social Studies and Reading. We continue to press on to assure all testable areas meet and surpass state standards. Vela Campus stakeholders have worked towards creating and initiating action plans targeting student achievement in all testing areas. We are arduously preparing our students not only for high school, but for college readiness through increased rigor in our instruction. Teachers use TANGO software, along with Eduphoria, to analyze student data and identify the needs of the students. Several data sources are reviewed such as the AEIS report, Eduphoria Aware, Benchmarks, promotion/retention rates and TELPAS results.

A student group that performed less than or equal to the state average is identified as a priority. Based on review of the data, best practices will be used to address the priority areas of need. Objectives of the campus improvement plan delineate a variety of research-based strategies and used to address the areas of need.

## STAAR Summary of 6th-8th Grades tested

**The following data is the student achievement profile for ALL students at Vela Middle School.**

**Reading:** 6th Grade (Campus 71%, District 65%, State 69%); 7th Grade (Campus 72%, District 72%, State 74%); 8th Grade (Campus 88%, District 85%, State 86%)

**Writing:** 7th Grade (Campus 66%, District 68%, State 69%)

**Math:** 6th Grade (Campus 83%, District 77%, State 77%); 7th Grade (Campus 73%, District 70%, State 72%); 8th Grade (Campus \*, District 88%, State 86%)

**Science:** 8th Grade (Campus 79%, District 72%, State 76%)

**Social Studies:** 8th Grade (Campus 75%, District 65%, State 65%)

## Student Academic Achievement Strengths

- 5 distinctions earned
- Met standards on all 4 indices: Student achievement, student progress, closing performance gaps and post secondary readiness
- 77% system safeguards met
- Analyzing data results

- progress monitoring via data wall
- Co-Planning
- dyslexia

### **Student Academic Achievement NEEDS**

1. Vela MS needs to improve the attendance rate to meet district standards of 97% for each six weeks by working closely and consistently with the Vela MS Parent Liaison and grade level campus administrator for parent conferences of students absent more than 3 days, 10 days, and 10+ days.
2. Attendance contracts and BISD attendance requirements and procedures will be utilized as needed for 2019-2020.
3. Improve STAAR scores by a minimum of 10% for ELL, Migrant, and Special Education populations in all core tested areas in all grade levels to close the achievement gap through After School Tutorial and Saturday Academies. Content areas need up-to date resources and supplies to ensure students are able to participate in various assessments to determine their comprehension of state curriculum.

# School Processes & Programs

## School Processes & Programs Summary

Vela Middle School uses a hiring committee composed of administrators and teachers to make hiring decisions. All teachers and paraprofessionals are highly qualified at Vela Middle School. Our teachers continuously strive to improve their content and delivery systems. They aim to use best practices in instructional strategies and often coach one another. Teachers are consistently present at district based professional development opportunities and focus on turn around training to assure their colleagues receive critical content related updates.

The teachers and staff at Vela Middle School take their responsibility to offer the best quality instruction for each individual student. The departments work to assure the curriculum is rigorous and students meet the high standards set forth not only by the state or the district, but by the teachers, parents and community. Benchmarks are conducted at different times including Fall and Spring, in order to track student progress and assess TEKS mastery. AR reports are used to supplement classroom instruction to analyze student reading levels. Administration will assess teacher instructional strategies by periodically looking at student work samples, teacher lesson plans, and teacher observations. The integration of technology continues to be an area of concern. State and College Assessments are in the process of transitioning to online testing. Our campus is struggling to handle the technological demands needed for each one of our students.

Vela Middle School continues to make strides in preparing our students for not only their transition to high school, but to the college level. The overall goal of this campus and its stakeholders is not only to develop academically prepared students but to help foster and develop productive and responsible members of society. In order to accomplish these tasks all campus stakeholders consistently collaborate to focus on the campus and district vision in regards to developing rigorous curriculum and skills that will be relevant to 21st century learners. There is an ever-present need for increased funding for the acquisition of student-centered equipment, software and curriculum based instructional materials. Teachers have an active role in the decision-making process by having them participate in several committees, SBDM meetings and faculty/department meetings. Communication is frequently conducted in English and Spanish and includes notices with letterhead, website, email and/or the school messenger. The RTI process is followed for those who need academic interventions. Vela Middle School integrates technology within the classrooms and across the campus. There is a critical need for the campus to be updated in order to sustain the increasing physical demands that are associated with new and various technologies. As technology is an ever-present need for all content areas and grade levels there has been an increase in the promotion and utilization of any and all technology services that are currently being utilized on this campus. Providing new and relevant software/hardware to the campus would assist all campus stakeholders in furthering the campus and district vision towards student preparation and academic success. The technology TEKS, as embedded with the grade level curriculum, require that technology be updated for students to access the online components of the textbook adoptions. Appropriate training opportunities regarding new technologies and software that is to be utilized on the campus is also a need in the area of professional development within the campus.

## School Processes & Programs Strengths

-

- Teachers involved in hiring process
- Teacher retention
- Highly qualified teachers and paraprofessionals
- professional development opportunities
- School is identified as a STEM school in math and science
- All teachers are currently GT core certified and most are ESL certified
- Textbook adoption has technology embedded with web-based programs to enhance instruction and its delivery.
- Tutorials/Accelerated instruction is offered in all core content areas Monday through Thursday for 90 minutes of additional instruction for all students and all sub populations (Spec Ed, EL, Migrant).
- Saturday Academies offered for 3 hours of additional instruction for all students and all sub populations (Spec Ed, EL, Migrant).
- Web-based computer programs such as Edgenuity, EduSmart and online textbook resources are used routinely by content area teachers.
- Three fully equipped computer labs are available, with one lab specifically designed for the ELL population using Adaptive Curriculum for math and science.
- Additional resources/material such as Scholastic Books, Sirius Learning, Motivational Reading and Math, and TSI College Readiness are used to supplement local, district and state resources.
- Site Based Decision Making Committee (that includes all department chairs) disseminates any and all information from administration regarding curriculum, safety in schools and emergency preparation and response.
- Each content area has been assigned department chair personnel whose duties include promoting leadership at the instructional level and to allow for spiraling of information from curriculum issues to discipline procedures of individual student to emergencies.
- Weekly Team Meetings for mandated Professional Development from District departments (Bilingual, RIT, C & I, Bullying, Conflict Resolution, Parent-Teacher Relationships, ARE data, I-3 Grant, TLI Grant) Department Meetings are scheduled and used for Professional Development on a regular weekly basis.
- Low teacher/staff turnover rate.
- On-line Lesson Plans for accessibility by administration and Specialists through the use of district acquired Office 365 software.
- Campus website is updated constantly and is a source for added communication with parents and the community.
- Vela Middle School is 29 years old and hence, was built when "wiring for technology" was not available, technology is maintained and current regardless.
- Technology is used for communication with parents via the electronic grade book, the school webpage, teacher email accounts and the School Messenger system, on-line lesson plans, campus assessments via TANGO, data collection by teacher for all sub populations (Spec Ed, ELL, Migrant) for progress.
- Technology is used primarily in all core content areas-ELA, math, science and Social Studies courses for reinforcement of instruction by utilizing I-Station, Think-Thorough-Math and Compass software programs.
- Core content area textbooks have computer programs embedded in each lesson and provided as a resource.
- A computer lab schedule for core content area teachers is mandated for efficient and optimal usage of technology for reteaching/enrichment and advancement of instruction.
- The campus TST is effective, efficient and knowledgeable and is readily available to assist in meeting campus technological needs.

- **School Processes & Programs NEEDS**

1. Professional development for teachers is needed in the disaggregation of student assessment data. Teachers need to be trained on how to analyze individual scores by TEK objectives through Tango and Eduphoria software.
2. Professional development for teachers is needed on how to modify lessons for special populations including EL, Migrant and At-Risk Students.
3. Coordination days will be utilized for teachers to meet and discuss IEPs once every six weeks.
4. Curriculum software usage is critical in the classroom; therefore, teachers will be required to implement technology into their daily lessons.
5. The campus TST requires assistance with the workload of maintaining technology in a building that is over 25 years old. Updated/new computers are needed to meet the needs of the students serviced. The TST will be updating technology and software as funds are made available. Ideally, a full-time TST is needed to update and maintain campus technology.
6. Professional development in various software is needed for disaggregation of state/local/campus assessment data.
7. Professional development by C&I Specialists and Chairpersons in core content areas for TEK/Lesson Planning/C&I Framework for content area teachers and Special Education resource teachers will be addressed through Content Area Clinic/Maintenance Meetings, Vertical and Horizontal Alignment Meetings, and Team Meetings on a weekly or monthly basis.
8. Saturday Academies for all sub populations (Spec. Ed., EL, and Migrant) are needed to assist with acceleration/remediation of instruction in Reading, Writing, Science, Social Studies and Science for testing grade levels.
9. New software and equipment are needed in the core content areas to assist our At-risk, SPED and ELL populations.
10. Teachers need to attend more professional development on different programs that can be utilized to enhance instruction, and this may require a substitute teacher.
11. The campus will need custodial supplies and furniture replacements in order to maintain the safety and maintenance of the campus.
12. The opportunity for AP Spanish Exam will be given to students in order to prepare for High School.

# Perceptions

## Perceptions Summary

Vela Middle School has been recognized as one of the best middle schools in Brownsville Independent School District. The faculty and staff are professional, ethical and have a genuine interest in the well-being and education of each and every student. Vela Middle school critically analyzes the school culture and climate to ensure that students are being provided a safe and disciplined environment conducive to student learning. Administrators and teacher meet on a weekly basis to discuss matters related to providing positive school culture and climate in a professional manner. Parents are strongly encouraged to get involved in volunteering opportunities that will assist their child's education. Toward the end of every school year, a campus survey will be conducted annually to determine needs of the school as per faculty and staff.

Vela Middle School shows progress made in developing and sustaining positive relationships with parents and community leaders. Parent meetings are held weekly to inform parents of educational trends as well as campus dates/activities. The faculty and staff have an open-door policy for students, parents, guardians and the community alike. Parental involvement and community relations have continued to become more visible to provide a network of support for students, faculty and parents/guardians. Parent volunteers are welcomed, and parent surveys are often sent out as a means of communicating the need for community involvement.

## Perceptions Strengths

# **Title I Schoolwide Elements**

## **ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)**

### **1.1: Comprehensive Needs Assessment**

A Comprehensive Needs Assessment of the entire school was conducted, which includes the achievement of children in relation to the State academic content standards and the State student academic achievement standards described in section 1111(b).

The Department Chairs and SBDM Members met and reviewed in June 2019 to review and revise the campus needs assessment to update it for the 2019-2020 school year.

## **ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)**

### **2.1: Campus Improvement Plan developed with appropriate stakeholders**

The Site based Decision Making (SBDM) committee conducted a comprehensive needs assessment (CNA) over a period of one year to determine the strengths and needs of students, staff, parental and community involvement, and facilities before deciding how to use available local, state, and federal budget allocations. All members of the SBDM with their roles is available at the end of this plan.

### **2.2: Regular monitoring and revision**

Department Chairs and SBDM Committee reviewed and revised the CIP on May 27, 2019 to monitor and evaluate the campus needs.

### **2.3: Available to parents and community in an understandable format and language**

The CIP is available to local educational agency, parents and the public on the Vela School Website, the District Website and in print upon request at the campus front office.

The CIP is available in print and online in English and will be translated upon request into Spanish. Parts of the plan are presented and discussed during meetings involving parents in English and Spanish.

## **2.4: Opportunities for all children to meet State standards**

Vela Middle School will provide opportunities to struggling populations such as EL and Special Education students by providing research-based instructional resources along with additional support for struggling populations such as EL and Special Education students.

## **2.5: Increased learning time and well-rounded education**

Activities such as the AR program, STEM, Academic Practices and Technological software will help to ensure that students are receiving an enriched and accelerated curriculum to strengthen students' academic program.

## **2.6: Address needs of all students, particularly at-risk**

Vela Middle School addresses the needs of the students especially at-risk students by providing RTI's, accelerated instruction such as academic practices and differentiating through computer-based instruction to close the achievement gaps. The at-risk counselor at Vela assists with closely monitoring at-risk students to provide support where needed.

# **ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)**

## **3.1: Develop and distribute Parent and Family Engagement Policy**

The parent Liaison and the parents involved met with the SBDM Committee on April 2019 to review, revise and edit the Parent and Family Engagement Policy and Compact.

## **3.2: Offer flexible number of parent involvement meetings**

Vela Middle School will offer weekly parent meetings on Wednesday at 12:00 in addition to offer flexibility to our parents we offered monthly meetings once a month for working parents.
