

Brownsville Independent School District

Gallegos Elementary

2019-2020 Campus Improvement Plan

Mission Statement

The mission of Dr. Ruben Gallegos Elementary is to produce quality educational experiences in a safe and positive environment, in order to produce successful students who will become productive citizens.

Vision

Nestled deep on Avenida Rancho Viejo, is one of Brownsville ISD elementary schools, Dr. Ruben Gallegos Elementary. The school is formed by a team of professionals committed to meeting the myriad of instructional and emotional needs of all Gallegos students. Gallegos Elementary promotes numerous student organizations to enhance the educational experience of students. Students are involved in U.I.L., Chess, Science Fair, Running Club, Coding Club, Volleyball and Basketball teams. Trustworthiness, respect, responsibility, caring, fairness, and citizenship, are all a part of the everyday life for Gallegos students and faculty.

Comprehensive Needs Assessment	5
Needs Assessment Overview	5
Demographics	6
Student Academic Achievement	8
School Processes & Programs	12
Perceptions	17
Priority Problem Statements	20
Comprehensive Needs Assessment Data Documentation	21
Goals	24
Goal 1: BISD students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens. (Board Goal #1 and TEA Ch. 4 Objectives 2, 4, 5, 7, and 11).	24
Goal 2: The Board of Trustees, in collaboration with District Staff, Administration, Parents, and Community will ensure equity in availability of appropriate, well maintained, energy efficient facilities for a safe and orderly learning environment for all students. (Board Goal 2)	53
Goal 3: The District will ensure effective and efficient use of all available funds in implementing a balanced budget which includes improved compensation for teachers and plans to recruit, retain and support highly qualified personnel. (Board Goal 3) (TEA Ch. 4, Obj. 6)	54
Goal 4: All BISD programs and campuses will work closely and collaboratively with the BISD Public Information Office to expand public relations/marketing campaigns to further expand student enrollment/recruitment/ and retention efforts. (Board Goal 4)	57
Goal 5: School campuses will maintain a safe and disciplined environment conducive to student learning. (TEA Ch. 4, Obj. 8)	60
Goal 6: The Board of Trustees, in collaboration with District Staff, Administration, Parents, and Community will provide required support and resources for the attainment of educational excellence and equity. Parents will be full partners with educators in the education of their children. (TEA Ch. 4, Obj. 1)	67
Goal 7: Educators will keep current with the development of creative and innovative techniques in instruction and administration using those techniques as appropriate to improve student learning. (TEA Ch. 4 Obj. 9)	73
Goal 8: Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration. (TEA Ch. 4 Obj. 10)	74
Goal 9: Through enhanced dropout prevention efforts, all students will remain in school until they obtain a high school diploma. (TEA Ch. 4 Obj. 3)	79
Comprehensive Support Strategies	90
State Compensatory	91
Budget for Gallegos Elementary:	91
Personnel for Gallegos Elementary:	92
Title I Schoolwide Elements	93

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)	93
1.1: Comprehensive Needs Assessment	93
ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)	93
2.1: Campus Improvement Plan developed with appropriate stakeholders	93
2.2: Regular monitoring and revision	93
2.3: Available to parents and community in an understandable format and language	93
2.4: Opportunities for all children to meet State standards	94
2.5: Increased learning time and well-rounded education	94
2.6: Address needs of all students, particularly at-risk	94
ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)	94
3.1: Develop and distribute Parent and Family Engagement Policy	94
3.2: Offer flexible number of parent involvement meetings	95
Site-Based Decision Making Committee	96
District Funding Summary	98

Comprehensive Needs Assessment

Needs Assessment Overview

Nestled deep on Avenida Rancho Viejo, is Dr. Ruben Gallegos Elementary. The mission at Dr. Ruben Gallegos Elementary is for every student to experience academic success as well as learn and practice the traits necessary to develop into a responsible citizen. The majority of the children that attend Dr. Ruben Gallegos Elementary come from one of the poorest Cameron Park which is one of the poorest “colonias” in the Nation according to Texas Monthly. Dr. Ruben Gallegos Elementary is currently students strong in grades Pre-Kindergarten through 5th which also includes three special education units. Forty-three certified teachers, 21 instructional assistants, 4 custodial personnel, 6 food service personnel, 4 clerical support staff, 1.5 counselors, 1 parent liaison, 1 security guard, 1 librarian, 1 Dean of Instruction, 1 Assistant Principal, and Principal form a team of professionals committed to meeting the myriad of instructional and emotional needs of all Dr. Ruben Gallegos elementary students. Along with the usual challenges involved in educating children today, Dr. Ruben Gallegos is currently faced with the unique task of ensuring that a tradition of academic success and school pride is established. Perhaps the greatest challenge faced by the faculty and staff is identifying the needs of individual students as to prescribe the necessary curriculum and assistance necessary so that all students are provided the environment, assistance and tools necessary to be academically successful. A formidable task, but at Dr. Ruben Gallegos Elementary, our teachers “bee-lieve” each child is worth it. Highly qualified teachers carry out instructional programs. They are included in decisions regarding the use of academic assessments to measure student performance. All teachers closely monitor all students’ performance based on daily activities and periodic assessments. They have periodic SBDM meetings to work on the campus improvement plan in order to adjust any part to better meet our children’s needs. Dr. Ruben Gallegos elementary promotes numerous student organizations to enhance the educational experience of students. Students are involved in Coding Club, Basketball, Volleyball, Chess, Destination Imagination, Spelling Bee, UIL, Running Club, Track events and Choir. In order to achieve support, parents become involved as partners in the education of their children. Parent volunteers are readily available to assist teachers and staff in the classrooms. Nevertheless, parental involvement and support is something that we will continue to cultivate. Trustworthiness, respect, responsibility, caring, fairness and citizenship are all a part of the everyday life for Dr. Ruben Gallegos elementary students and faculty. Through lessons, individual and group sessions, students learn these six pillars of character. These lessons are then reinforced throughout the content areas. The goal is that through our campus wide character education program our students will develop into successful students that are not only good problem solvers, but responsible citizens as well.

Demographics

Demographics Summary

The SBDM met on May 28, 2019 to discuss and address attendance and high student mobility at Gallegos Elementary. We reviewed the following resources to identify our demographics needs: Enrollment, Daily Attendance Reports and Tutorial Attendance reports. We review our daily attendance and based on this information our teachers make phone calls home, set up parent conferences and our parent liaison makes home visits all in an effort to promote student attendance. Our teachers and parent liaison ensure that absences are excused and the proper documentation is in place. State Compensatory, Title I and Bilingual funds are used for our tutorials and extended day instruction in an effort to close the achievement gap and prevent failure. Attendance is also monitored during tutorials and extended day for our At-Risk, Bilingual, Migrant and students receiving Special Education services. Our At-Risk (71%), Bilingual (55.2%), Special Ed. (13.3%), Economically Disadvantaged (99.1%), and Migrant (2%) students need access to instructional materials and supplies in order to keep up with accelerated instruction. In an effort to improve student attendance, students will be recognized each 6 weeks, receive incentives (certificates, ribbons, pencils...).

As per our CNA, we need to retain certified teachers because of the low socio-economic area that we're in so that our school & students can continue to be successful. Our hiring committee consists of Administrators, lead teachers, counselors and at least one paraprofessional. We document their responses and they are rated accordingly. New teachers are assigned a mentor and they go through a teacher induction program at our campus to ensure they will be successful. We used the Recruitment and Retention Strategies and other data to identify our staff quality, recruitment and retention needs. Our teachers need to attend professional development that targets specific academic areas: Writing, Reading, Math & Science. They also need access to professional development that targets specific STAAR assessment information, Sheltered Instruction, Bilingual updates etc...

Demographics Strengths

Demographics Strengths:

- Attendance Reports
- Parent liaison documentation of attendance follow up
- Highly qualified teachers & certified teachers
- Teachers and paraprofessionals are involved in the hiring process
- Student achievement reflects staff effectiveness
- T-TESS reflects high quality instruction
- Special programs teachers are highly qualified and well trained to work with our population
- Effective campus teacher induction program including: professional development, co-teaching & modeling lessons by Dean of Instruction. The Dean of Instruction distributes instructional materials and provides immediate feedback by conducting class visits and walk-throughs.
- Extensive professional development for all faculty and staff

Demographics Needs:

1. In an effort to improve student attendance, students will be recognized each 6 weeks, receive incentives (certificates, ribbons, pencils...).
2. Our teachers need to attend professional development and we hire substitutes to enable them to attend sessions.
3. Effective campus teacher induction program including: professional development, co-teaching & modeling lessons by Dean of Instruction. The Dean of Instruction distributes instructional materials and provides immediate feedback by conducting class visits and walk-throughs.
4. Extensive professional development for all faculty and staff. They will attend sessions that focus on the new ELAR TEKS and new ELAR adoption that will be implemented in the 2019-2020 school year.

Problem Statements Identifying Demographics Needs

Problem Statement 1: We need to improve our student attendance and ensure that it meets the state requirement of 97%. **Root Cause:** There is a high mobility rate among our students and parents lack educational empathy. We must provide activities that will motivate students to attend school everyday.

Problem Statement 2: Our teachers need to continue attending high quality professional development based on our student needs, new ELAR TEKS and new Pearson Reading adoption. **Root Cause:** Our teachers must address student needs in a targeted and prescriptive way in order to have improved academic performance.

Student Academic Achievement

Student Academic Achievement Summary

The SBDM met on May 28, 2019 to disaggregate data including STAAR ,TELPAS online Reading, TPRI/Tejas Lee, LION, CPALLS and OWL (PK). We also reviewed SSI information, promotion/retention rates, District Assessment/ Benchmarks, Campus Assessment data through Tango and Eduphoria to determine the needs of our students and how to best improve their achievement. We determined the goals needed to meet AMAOS for this school year and reduction of students retained at the end of the academic year. Through our assessment data analysis, we identify our strengths and areas that need improvement. Our assessment data is what drives our instruction. This data is used to determine intervention strategies for students and reduce the number of students on an RTI. We also use this data to address the individual student needs to prevent failure. In order for our students to continue to make measureable gains in academic achievement, they will attend tutorials (3rd-5th students and extended day instruction for our PK-5th grade students. Their focus will be on Reading, Writing, Math and Science, but we will need instructional materials (Measuring Up, Math GPS, Rise & Shine, ECS Reading resources...) that will assist our teachers in preparing our students for state testing. In an effort to differentiate instruction for G/T students, our Kinder-5th grade students (based on their grade level) participate in different events throughout the year including: UIL, Science Fair, Destination Imagination and Chess. Students are encouraged to participate in our AR program for which the librarian will present them with incentives including field trips, certificates, ribbons etc...

3rd-5th Grade All Students STAAR 2018-2019 Summary:

Reading: 3rd Grade (85%/56.72%/34.33%) 4th Grade (87%/60.47%/26.74%) 5th Grade (93%/43%/22%) Overall Reading: (88%/53%/27.5%)

Writing: 4th Grade (75%/38%/13.9%)

Math: 3rd Grade (97%/64%/28%) 4th Grade (88%/53%/32%) 5th Grade (100%/68%/36%) Overall Math: (95%/61%/32%)

Science: 5th Grade (75%/40%/9.7%)

3rd-5th Grade All Students STAAR 2017-2018 Summary:

Reading: 3rd Grade (81%/42%/26%) 4th Grade (81%/37%/9%) 5th Grade (90%/55%/35%) Overall Reading: (84%/44.6%/23%)

Writing: 4th Grade (70%/37%/6%)

Math: 3rd Grade (85%54%/29%) 4th Grade (92%52%/23%) 5th Grade (97%/78%/43%) Overall Math: (91%/61%/31.6%)

Science: 5th Grade (87%/51%/23%)

The student performance scores were compared over a period of 2 years and they demonstrate that students are showing improvement from one year to the

next.

Performance variation between all student groups:

2018-2019

3rd Reading: At-Risk (78%/46%/22%), Economic Disadvantage (85%/56%/33%), Hispanic (85%/57%/34%), Female (88%/64%/33%), Male (82%/50%/35%), Gifted and Talented (N/A), LEP (79%/45%/21%) Migrant (N/A) Special Ed. (75%/25%/0%)

4th Reading: At-Risk (78%/43%/16%), Economic Disadvantage (87%/57%/23%), Hispanic (87%/60%/27%), Female (93%/64%/22%), Male (80%/56%/32%), Gifted and Talented (100%/93%/47%), LEP (80%/43%/13%), Migrant (N/A%), Special Ed. (43%/14%/7%)

5th Reading: At-Risk (70%/18%/5%), Economic Disadvantage (79%/41%/19%), Hispanic (81%/43%/22%), Female (89%/41%/19%), Male (71%/46%/26%), Gifted and Talented (89%/78%/56%), LEP (65%/9%/0%), Migrant (N/A%), Special Ed. (63%)

Writing: At-Risk (63%/20%/2%), Economic Disadvantage (73%/32%/9%), Hispanic (76%/38%/14%), Female (78%/49%/11%), Male (73%/27%/17%), Gifted and Talented (100%/80%/40%), LEP (57%/7%/0%) Migrant (N/A%) Special Ed. (29%/7%/0%)

3rd Math: At-Risk (96%/59%/20%), Economic Disadvantage (97%/64%/27%), Hispanic (97%/64%/28%), Female (97%/55%/18%), Male (97%/74%/38%), Gifted and Talented (N/A), LEP (95%/60%/19%) Migrant (N/A) Special Ed. (100%/38%/5.5%)

4th Math: At-Risk (80%/35%/6.4%), Economic Disadvantage (87%/48%/28%), Hispanic (88%/53%/33%), Female (98%/58%/27%), Male (78%/49%/39%), Gifted and Talented (100%/87%/67%), LEP (77%/37%/20%) Migrant (N/A%) Special Ed. (57%/14%/7%)

5th Math: At-Risk (93%/55%/23%), Economic Disadvantage (96%/68%/35%), Hispanic (96%/68%/36%), Female (97%/76%/35%), Male (94%/60%/37%), Gifted and Talented (100%/89%/56%), LEP (96%/65%/26%) Migrant (N/A%) Special Ed. (100%/63%/13%)

Science: At-Risk (66%/27%/9%), Economic Disadvantage (74%/38%/9%), Hispanic (75%/40%/10%), Female (78%/35%/3%), Male (71%/46%/17%), Gifted and Talented (100%/78%/33%), LEP (65%/30%/4%) Migrant (N/A%) Special Ed. (38%/13%/0%)

2017-2018

3rd Reading: At-Risk (66%/25%/11%), Economic Disadvantage (80%/42%/25%), Hispanic (80%/42%/26%), Female (85%/44%/23%), Male (75%/41%/30%), Gifted and Talented (100%/79%/71%), LEP (63%/17%/3%) Migrant (N/A) Special Ed. (23%/0%/0%)

4th Reading: At-Risk (63%/13%/0%), Economic Disadvantage (79%/37%/9%), Hispanic (79%/37%/9%), Female (80%/35%/8%), Male (78%/39%/10%), Gifted and Talented (100%/75%/25%), LEP (63%/7%/0%), Migrant (N/A%), Special Ed. (57%/29%/14%)

5th Reading: At-Risk (76%/35%/11%), Economic Disadvantage (85%/55%/35%), Hispanic (85%/56%/35%), Female (86%/51%/33%), Male (84%/59%/38%), Gifted and Talented (100%/93%/80%), LEP (50%/7%/0%), Migrant (N/A%), Special Ed. (50%/20%/10%)

Writing: At-Risk (51%/15%/3%), Economic Disadvantage (69%/37%/6%), Hispanic (69%/37%/6%), Female (78%/43%/8%), Male (61%/32%/5%), Gifted and Talented (88%/38%/24%), LEP (42%/12%/0%) Migrant (N/A) Special Ed. (43%/14%/0%)

3rd Math: At-Risk (75%/38%/17%), Economic Disadvantage (84%/54%/29%), Hispanic (84%/54%/29%), Female (92%/54%/25%), Male (75%/55%/34%), Gifted and Talented (100%/100%/79%), LEP (71%/34%/9%) Migrant (N/A) Special Ed. (46%/0%/0%)

4th Math: At-Risk (83%/33%/18%), Economic Disadvantage (91%/52%/23%), Hispanic (91%/52%/23%), Female (88%/48%/18%), Male (95%/56%/29%), Gifted and Talented (100%/88%/63%), LEP (89%/30%/19%) Migrant (N/A%) Special Ed. (86%/14%/0%)

5th Math: At-Risk (94%/61%/25%), Economic Disadvantage (96%/78%/43%), Hispanic (96%/79%/44%), Female (98%/76%/33%), Male (95%/81%/54%), Gifted and Talented (100%/100%/93%), LEP (85%/23%/15%) Migrant (N/A%) Special Ed. (80%/60%/20%)

Science: At-Risk (78%/11%/11%), Economic Disadvantage (87%/51%/23%), Hispanic (87%/50%/23%), Female (88%/39%/7%), Male (87%/63%/39%), Gifted and Talented (100%/100%/73%), LEP (53%/13%/0%) Migrant (N/A%) Special Ed. (70%/0%/0%)

Student Academic Achievement Strengths

Student Academic Achievement Strengths:

- Improved overall STAAR scores in Reading, Writing, Math & Science
- Increase of G/T students/More students have been identified
- Improved TELPAS Reading Scores
- Teachers are able to use assessment data to inform their instruction
- Teachers use the assessment data to provide research based intervention strategies.

Student Academic Achievement Needs:

1. Tutorials and Extended Day funding
2. Instructional materials (Rise & Shine, ECS Reading resources, MATH GPS...)
3. Students are encouraged to participate in our AR program for which the librarian will present them with incentives including field trips, certificates, ribbons etc...
4. Students need access to novels and authentic literature during regular class instruction and extended day.
5. Students will participate in a Coding Club that focuses on Math and Science
6. Our Destination Imagination will practice throughout the school year and compete in as part of a final activity.
Our PK need to be assessed with CPALLS, OWL and progress monitoring 3 times a year. Our K-2nd grade students will be assessed with TPRI/Tejas Lee (BOY, MOY, EOY), campus & district assessments. Our 3rd-5th grade students will be assessed with the LION test, campus/district assessments

and benchmarks, STAAR etc... Our PK-5th grade students will be assessed with TELPAS during the year.

8. Based on assessment results, we will use the data to drive our instruction. Teachers will use the results to differentiate instruction and provide intervention for our students identified as Tier 2 & 3. We will meet as part of the RTI committee to review interventions, TPRI/Tejas Lee and LION result to determine if we need to proceed with additional testing for Special Ed. and Dyslexia.
9. Our Dyslexia and Special Ed. teachers are an integral part of the academic process after students have been identified as being in need to intervention.
10. Our students need access to STAAR resources that include the new ELAR TEKS.

Problem Statements Identifying Student Academic Achievement Needs

Problem Statement 1: We need to improve our STAAR scores for Special Ed. and EL students. **Root Cause:** Special Ed. students are performing 2 to 3 grade levels below and ELLS. We need to improve our Tier I instruction, provide extensive vocabulary development and comprehension instruction.

Problem Statement 2: We need to improve STAAR scores for our 3rd-5th grade students to ensure they meet "Approaches", "Meets" and "Masters" levels. We need more students at the "Meets" level in all areas to ensure they're on level. **Root Cause:** We need to provide more explicit instruction in Reading, Math, Writing & Science, extensive vocabulary development and comprehension

Problem Statement 3: We need to improve student academic achievement. Our students on an RTI need to be identified, for Special Ed. or Dyslexia, in a timely manner to ensure they receive the best intervention based on their needs. **Root Cause:** Based on assessment results and various data, our students are limited in language, vocabulary and experiences. They come to school with deficiencies and our teachers must provide them with explicit instruction and interventions that will enable them to catch up to their peers.

School Processes & Programs

School Processes & Programs Summary

In an effort to improve the delivery of instruction, the SBDM reviewed, on May 28, 2019, different curriculum resources that our teachers need to be trained with in order to improve their delivery of instruction. We are in compliance with district initiatives. We prepare our students for state and district required assessments. Teachers attend professional development and are provided with instructional materials that will enable them to provide high quality instruction for our students. Our teachers use assessment data to drive their instruction. The Dean of Instruction will conduct walk-throughs and model lessons in order to help teachers with their delivery of instruction based on their needs and to provide instructional support. Our teachers use a plethora of instructional resources and materials to address the needs of our students. Teachers will also have access to markers, pens, paper, ink, labels, and tape in order to create instructional file folder games to be used in their classrooms. In order to identify our curriculum, instruction and assessment needs, we used the following resources: campus & district assessments/benchmarks (Eduphoria), STAAR scores, TELPAS & AMAO results, SSI information, TANGO Central and Trends reports. Based on low Writing District Benchmark scores, we determined that our students need more assistance with Writing. Our 3rd-5th grade teachers attended the 4th Grade Writing Academy training and they are expected to implement newly learned Writing strategies in their classrooms. Our focus will be on Reading, Writing and 2nd language acquisition. Based on our STAAR results, our special ed and ELL students performed low and show the most need of our school population. Our 3rd-5th grade students will have access to math dictionaries in an effort to increase their math concept internalization thus improving our math scores. Our PK-2nd grade students need access to bilingual picture dictionaries that will facilitate their 2nd language acquisition. Our PK-5th grade, and Special Ed. students have opportunities to attend field trips during the school year in an effort to build their background knowledge, vocabulary development and expand their experiences. Our PFS migrant & migrant students will receive supplemental support services, school supplies to enable them to complete their work at home and school, they'll attend summer school, tutorials, extended day and Tier II instructional time in order to close the achievement gap. Migrant, Special Ed. At-Risk and Bilingual students (PK-3rd) will be assessed with CPALLS or TPRI/Tejas Lee to identify students in need of intervention.

As per our CNA, we need to retain certified teachers because of the low socio-economic area that we're in so that our school & students can continue to be successful. Our hiring committee consists of Administrators, lead teachers, counselors and at least one paraprofessional. We document their responses and they are rated accordingly. New teachers are assigned a mentor and they go through a teacher induction program at our campus to ensure they will be successful. We used the Recruitment and Retention Strategies and other data to identify our staff quality, recruitment and retention needs. Our teachers need to attend professional development that targets specific academic areas: Writing, Reading, Math & Science. They also need access to professional development that targets specific STAAR assessment information, Sheltered Instruction, Bilingual updates etc...

The SBDM reviewed a district activity on assessing school safety at all schools. We determined through thorough discussion that we need to be more vigilant when it comes to visitors on campus. We need to review their identification and ensure that they have a school pass in order to access areas throughout the campus especially where there are children present. As a campus, it is of utmost importance to train our students on procedures they are to follow in case of a fire, lockdown, and severe inclement weather. Parents and community members are welcomed and encouraged to visit the campus, attend meetings and be more involved in their child's education. Our counselors will attend professional development to ensure they receive counseling updates to better serve our students. We are also required to implement effective procedures to identify and enroll homeless students in a timely manner. Our school nurse attends trainings for health updates that will have a direct impact on our students.

The SBDM reviewed the fixed assets report and technology equipment update calendar to determine the needs of our campus. Based on these findings, our technology infrastructure update was determined. Teachers need flash drives in order to save instructional lessons from Pearson/Envision Math, Pearson/Science, HMH Reading and other resources that are necessary for their classroom instruction. Our students need access to new computers, tablets and IPADS in order to access the following programs including: Edusmart (Science) and Study Island/Edmentum (Reading, Math, Science and Writing). Students also need to access the Pearson website in order to take online practice tests so that they can excel on TELPAS Reading. K-5th grade students will have access to new headphones in the computer lab to enhance interactive activities for oral language and thus facilitate their 2nd language acquisition. We reviewed the following sources including: our fixed assets report, STAR survey, Tango-Central/Trends usage and technology professional development opportunities to assist us in identifying our technology needs.

We ensure that the campus is maintained in order to continue to provide an environment that is conducive to learning for our students. We monitor the upkeep of the facilities on a regular basis.

School Processes & Programs Strengths

School Processes & Program Strengths:

- Horizontal & vertical alignment
- Consistent implementation of district curriculum
- Fidelity to the instructional programs
- Differentiated/leveled instruction for students
- Effective delivery of instruction
- Effective technology programs that improve academic achievement
- Highly qualified teachers & certified teachers
- Teachers and paraprofessionals are involved in the hiring process
- Student achievement reflects staff effectiveness
- T-TESS reflects high quality instruction
- Special programs teachers are highly qualified and well trained to work with our population
- Effective campus teacher induction program including: professional development, co-teaching & modeling lessons by Dean of Instruction. The Dean of Instruction distributes instructional materials and provides immediate feedback by conducting class visits and walk-throughs.
- Extensive professional development for all faculty and staff
- Effective SBDM Committee
- Efficient mentor teachers
- Extensive communication between faculty, staff, students, parents and administration
- Unity amongst faculty, staff & administration
- Successful & dedicated leadership, guidance & direction

- Effective school safety
- Our counselors will attend professional development to ensure they receive counseling updates to better serve our students.
- Edusmart Science, Study Island/Edmentum (Writing, Math Reading & Science) k-5th in the computer lab/classrooms
- Technology Support Teacher available
- Increase of G/T students/more students have been identified
- eSchool is available to administration and parents to monitor student progress
- Improved TELPAS online Reading scores
- Smart Boards in many classrooms
- Students have access to computers in all classrooms and computer labs
- Students have access to tablets and IPADS for classroom/academic use
- Our students need access to new computers, tablets and IPADS in order to access the following programs including: Edusmart (Science) and Study Island/Edmentum (Reading, Math, Science and Writing).
- Students also need to access the Pearson website in order to take online practice tests so that they can excel on TELPAS Reading. K-5th grade students will have access to new headphones in the computer lab to enhance interactive activities for oral language and thus facilitate their 2nd language acquisition.
- We ensure to use all exhaustable budget funds to purchase necessary instructional items needed for our students and campus facilities.

School Processes & Program Strengths Needs:

1. Teachers will also have access to markers, pens, paper, ink, labels, and tape in order to create instructional file folder games to be used in their classrooms.
2. We need access to colored tagboard for Language Enrichment cards.
3. Our 1st- 5th grade students will have access to dictionaries to facilitate vocabulary development and word meaning in text.
4. Our PK-2nd grade students need access to bilingual picture dictionaries that will facilitate their 2nd language acquisition.
5. Our PFS migrant & migrant students will receive supplemental support services, school supplies to enable them to complete their work at home and school, they'll attend summer school, tutorials, extended day and Tier II instructional time in order to close the achievement gap.
6. Our migrant students need access to USBs (to save audio books), audio books, CD players and dictionaries/talking dictionaries to facilitate vocabulary development and word meaning in text. They also need access to school supplies for use at school and at home to complete their class and homework.
7. Our Kinder students need developmentally appropriate primary composition notebooks to facilitate their writing and 2nd language acquisition.
8. Our Special Ed. students need access to board games, manipulatives, puzzles and general supplies.
9. Our students need access to sharpeners for use during assessment.
10. Our teachers need to attend professional development and we hire substitutes to enable them to attend sessions.
11. Effective campus teacher induction program including: professional development, co-teaching & modeling lessons by Dean of Instruction. The Dean of Instruction distributes instructional materials and provides immediate feedback by conducting class visits and walk-throughs.
12. Extensive professional development for all faculty and staff
13. Our counselors will attend professional development to ensure they receive counseling updates to better serve our students.

Our counselors need supplies, books and incentives to motivate our students to be on their best behavior both at school and at home. Students are also

encouraged to make good decisions and not bully others.

15. Our school nurse will have access to nursing supplies to better serve our students.
16. Our Life Skills teachers will have access to supplies including gloves to facilitate diaper changes.
17. Our school will implement energy saving strategies to ensure that we conserve our resources. We will continue to monitor our campus and maintain our facilities to ensure that students attend an environment that is conducive to learning for all of our students.
18. Our school will ensure that 100% of budgeted funds will be expended based on prioritized needs in adherence to the funding reports.
19. Students have access to computers & printers in all classrooms and computer labs. Our TST will maintain the computers in the lab, classrooms and offices. The TST maintains the Gallegos website by updating pictures and forms on a weekly basis.
20. Students have access to tablets and IPADS for classroom/academic use
21. Our students need access to new computers, tablets and IPADS in order to access the following programs including: Edusmart (Science) Study Island/Edmentum (Reading, Math, Science and Writing) and e-Books
22. Our 1st & 2nd grade students need access to the Prodigy website for Math support.
23. Students also need to access the Pearson website in order to take online practice tests so that they can excel on TELPAS Reading. K-5th grade students will have access to new headphones in the computer lab to enhance interactive activities for oral language and thus facilitate their 2nd language acquisition.
24. Our 5th grade students will have access to tablets as part of our 5th grade initiative to enable them to use the internet for instructional purposes.
25. Our G/T students will have access to headphones for use at the listening center during differentiated instruction as they read above level books. They will be assessed to identify G/T students during the school year.
26. Our students need access to classroom printers to facilitate printing of assignments during the instructional day.
27. We need to continue to maintain our campus and monitor the facility upkeep on a regular basis to ensure that we provide an environment that is conducive to learning for our students.
28. To ensure that our students are successful, we have a class size reduction teacher in 5th grade that will enable our students to have differentiated instruction in a small group setting.
29. Edmentum (Study Island) Consultant will provide professional development for the updated computer program that was renewed for this school year.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: Our teachers constantly need to adjust their delivery of instruction and they must be in full compliance/implementation of the district curriculum guidelines and initiatives. ...especially in the area of Reading due to the new ELAR TEKS and Pearson Reading adoption for the 2019-2020 school year. **Root Cause:** Our students need very direct and deliberate instruction and our teachers must fully implement our district curriculum guidelines.

Problem Statement 2: Our teachers need to continue attending high quality professional development based on student needs. **Root Cause:** Our students have many challenges and our teachers need to be prepared to address their needs through research based instruction and interventions.

Problem Statement 3: We need to continuously maintain a safe environment for our students, faculty, staff and parents. **Root Cause:** As a campus, we

must keep procedures in place that will make our campus a safe environment for students, faculty, staff and parents.

Problem Statement 4: We need to continuously improve our technology infrastructure to provide our students with updated technology resources...for use during STAAR, TELPAS, LION testing and online assessments. **Root Cause:** We do purchase technology items each year, based on availability of funds, in an effort to improve our technology infrastructure.

Perceptions

Perceptions Summary

Our SBDM met on May 28, 2019 and identified a need for more parental and community involvement. We will schedule an SBDM meeting on the last Thursday of each month and invite parent representatives to provide input. We're also trying to reduce student mobility and increase stability by providing parents with support from school and the community in order to keep their children enrolled in our campus. Parents completed a survey in which the SBDM identified areas that needed improvement. The parent liaison provides meetings and trainings for parents to attend and she retains appropriate documentation. The Dean of Instruction and BISD curriculum specialists have met with parents on multiple occasions to discuss instructional strategies that they can do at home that will enable their children to improve academically. They have also met with them to discuss our instructional program on campus and assessment awareness. Parents have been motivated to attend parent luncheons with their child & school activities in an effort to promote parent involvement. We assign student planners & homework folders to our students to ensure that parents are aware of upcoming events besides homework requirements.

As part of our Campus Needs Assessment, we provide parents, teachers and students with surveys and questionnaires to enable them to provide us with feedback about how to better improve our school culture and climate. We had faculty, staff, students and parents participate in campus needs assessment, migrant and advanced academics surveys. We met as a committee to review the results identify strategies to improve and promote a positive school culture and climate. We used the resources below to identify our school culture and climate needs. Our PK-5th grade students participated in our Music program as part of musical enrichment. Two groups of 4th & 5th grade students participated in a Coding Club in an effort to promote technology applications in everyday life. We did establish a fitness club, running club, volley ball and basketball teams in an effort to increase student participation and motivation in sports in an effort to promote a healthy lifestyle. We did establish a Nature Club and they were able to focus on Science objectives including the responsibility for caring for plants flowers. Our music teacher has a ukele club where students meet and learn contemporary music. They're able to perform during our school assemblys. A group of our students will participate in Destination Imagination for advanced academics. In an effort to facilitate a smooth transition between elementary and middle school, our 5th grade students go on a field trip to their zoned campus (Vela or Garcia Middle Schools) for orientation.

Perceptions Strengths

Perceptions Strengths:

- Parental involvement with the few parents that participate.
- Increased parental attendance during meetings and school activities
- Effective community relations
- Effective parent volunteers
- Frequent parent meetings & trainings

- Frequent meetings with Dean of Instruction & BISD curriculum specialists
- Seven opportunities to explore different career options

Perceptions Strengths Needs:

1. We assign student planners & homework folders to our students to ensure that parents are aware of upcoming events besides homework requirements.
2. Parents are invited to attend meetings, school luncheons and assemblies at the campus. Our Parent Liaison ensures that parents are notified about upcoming meetings, conducts home visits and recognizes them as an asset to our school community.
3. Our Destination Imagination students will need access to supplies and provisions for the DI competition
4. Shared educational philosophy
5. High expectations
6. Positive school climate promoted through frequent meetings within the school community
7. Parental involvement
8. Active SBDM
9. High achieving classroom walkthroughs
10. Immediate feedback from campus administration in an effort to make faculty and staff aware of recent developments, campus procedures, weekly calendar, professional development opportunities through a weekly newsletter.
11. Active participation in the Coding club and district conference held at the end of the year
12. Active participation in health & fitness, Fitness Gram, Annual Fun Meet and CATCH Committee
13. Active student participation in our campus running club, volleyball and basketball teams. Students will also participate in Choir, KIDS Voting, Fire Prevention Week, Anti-Bullying campaign, Drug Free Awareness, Bus Awareness etc...
14. In an effort to facilitate a smooth transition between elementary and middle school, our 5th grade students go on a field trip to their zoned campus for orientation. We will have a half day PK-3 program to enable our students to make a smooth transition from Headstart and daycare to a regular academic setting.
15. Our students will attend field trips, during the school year, that will facilitate their learning.
16. Our students will attend activities/competitions for running club, volleyball, basketball, choir Ukelele club and fine arts.
17. All teachers will be provided with an opportunity to participate in tutorial, extended day and extracurricular sponsorship.
18. Teachers & students will be recognized throughout the year for their efforts. Our TST will post pictures on our school website commemorating our school successes.
19. Active UIL student participants will need resources to be used during practice of events for upcoming UIL meet.

Problem Statements Identifying Perceptions Needs

Problem Statement 1: We need to improve parent participation and increase parental involvement. **Root Cause:** Parents lack educational empathy. As a campus, we need to provide incentives for parents to attend meetings and increase parental involvement and participation.

Problem Statement 2: We need to increase student participation in different school activities in an effort to motivate them to be more active at school.

Root Cause: Students lack experiences, self confidence and motivation. As a campus we need to provide more activities to inspire our students to participate and thus receive a well rounded education.

Priority Problem Statements

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus Performance Objectives Summative Review from previous year
- Current and/or prior year(s) campus and/or district improvement plans
- Campus and/or district planning and decision making committee(s) meeting data
- State and federal planning requirements

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Accountability Distinction Designations
- Federal Report Card Data
- PBMAS data

Student Data: Assessments

- State and federally required assessment information (e.g. curriculum, eligibility, format, standards, accommodations, TEA information)
- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR Released Test Questions
- STAAR EL Progress Measure data
- Texas English Language Proficiency Assessment System (TELPAS) results
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Student Success Initiative (SSI) data for Grades 5 and 8
- Local diagnostic reading assessment data
- SSI: Istation Indicators of Progress (ISIP) accelerated reading assessment data for Grades 3-5 (TEA approved statewide license)
- Local diagnostic math assessment data
- SSI: Think Through Math assessment data for Grades 3-8 and Algebra I (TEA approved statewide license)
- Student failure and/or retention rates

- Running Records results
- Observation Survey results
- Prekindergarten Self-Assessment Tool
- Texas approved Prekindergarten and Kindergarten assessment data
- Other Prekindergarten and Kindergarten assessment data
- State-developed online interim assessments
- Grades that measure student performance based on the TEKS

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data
- Migrant/non-migrant population including performance, progress, discipline, attendance and mobility data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- EL/non-EL or LEP data, including academic achievement, progress, support and accommodation needs, race, ethnicity, and gender data
- Dyslexia Data
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Student surveys and/or other feedback
- Class size averages by grade and subject
- School safety data
- Enrollment trends

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- State certified and high quality staff data
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data

- Evaluation(s) of professional development implementation and impact
- TTESS data

Parent/Community Data

- Parent surveys and/or other feedback
- Parent engagement rate
- Community surveys and/or other feedback

Support Systems and Other Data

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Capacity and resources data
- Budgets/entitlements and expenditures data
- Study of best practices
- Action research results

Goals

Revised/Approved: June 06, 2019

Goal 1: BISD students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens. (Board Goal #1 and TEA Ch. 4 Objectives 2, 4, 5, 7, and 11).

Performance Objective 1: Our 3rd-5th grade Gallegos Elementary students, will score 70% on 'Meets' performance and will score 30% Masters on the 2019 STAAR Reading, Math, Science & Writing.

Evaluation Data Source(s) 1: STAAR/performance reports

comprehension).
 Professional Development
 Our teachers will attend professional development for Reading, Writing, Math, Science and Social Studies Language Arts & grade level specific professional development for teachers to implement effective reading, math, writing and science.
 Campus Turn-Around Trainings, Cognitive Strategies Trainings are provided to faculty and staff to improve student achievement and increase our Campus Assessments, District benchmarks, STAAR reading and language arts and TPRI/Tejas Lee and TELPAS online reading scores.
 Reading, Writing, Math and Science Maintenance Meetings
 PK-5th grade teachers will attend monthly Reading, Writing, Math and Science Maintenance meetings to receive curriculum updates.
 Planners
 Teachers will use planners to keep track/document staff development.
 Campus Administrators will attend professional development in an effort to disseminate information that is pertinent to STAAR.
 Our teachers will have an opportunity to attend the sessions listed below
 1. New Teachers to the School
 Will be required to attend the New Teacher In-service Professional Development Days that scheduled at the beginning of the school year or at the start of the 2nd semester (January).
 2. Response to Intervention
 Language Enrichment
 Esperanza
 Reading Readiness
 Preparacion para la lectura
 3-tier model
 Ready Set Teach
 21 days Centers
 Effective Differentiated Instructional Practices
 Houghton Mifflin Harcourt Core reading program
 Reading Academies
 3. Substitute Teacher Salary

analysis will done after the assessment to drive instruction and track student performance.

Our focus will be on vocabulary development and reading comprehension. Our teachers will use the Frayer Model and Marzano's academic vocabulary development strategies. Our students need access to dictionaries to facilitate vocabulary development and to find word mean in text. 1st-5th grade teachers will use a fluency tracker every week to document fluency for their students and they will provide the Dean of Instruction with a copy of the fluency tracker for review.

Lesson Plans are turned in to Administration for review on a weekly basis to ensure that the district curriculum frameworks, scope & sequence and TEKS are being implemented.

<p>TEA Priorities Improve low-performing schools</p> <p>7) Dean of Instruction The Dean of Instruction will work with teachers to identify At-Risk students, provide scientifically research based interventions, improve student achievement of At-Risk students, and decrease the number of At-Risk students retained. Teachers meet with the Dean of Instruction on a weekly basis to plan their weekly instruction, receive curriculum updates, and for professional development. The Dean of Instruction will conduct regular research-based professional development workshops on instructional strategies as well as provide faculty and staff opportunities for instructional support in order to train and retain highly qualified personnel. The Dean of Instruction will use printer ink so that she can print out CPALLS, LION, TPRI/Tejas Lee, Campus Assessments and District Benchmarks reports in order to conduct data and item analysis with teachers and administrators. All in an effort to improve student achievement by driving instruction.</p> <p>Population: -At-Risk -LEP -Migrant -Dyslexia Timeline--August 2019-May 2020 Demo #3</p>	2.4, 2.4, 2.6, 2.6	-Administration -Administrator for State Compensatory Education	Formative: -Session evaluation report -PDS session attendance report -lesson plans -classroom observations -campus assessment scores -district benchmark scores -student progress reports BOY & MOY TPRI/Tejas Lee, campus assessments and district benchmarks -TPRI/Tejas Lee & C-PALLS, LION Reports -ETAZO & Tango-Central Reports -Eduphoria/Aware Reports Summative: EOY TPRI/Tejas Lee, campus assessments, & district benchmarks, STAAR scores

Comprehensive Support Strategies

Goal	Objective	Strategy	Description
1	2	1	<p>Early Reading, Math & Science Intervention: This program is based on CPALLS testing. CPALLS and OWL assessment results drive instruction and enables teachers to provide individualized intervention for At-Risk students. The teacher will use the CPALLS and OWL manual activities to assist students having difficulty in reading, math and science. Teachers will administer CPALLS, LION and TPRI/Tejas Lee at the BOY, MOY and EOY and progress monitor in between based on the assessment timeline. We'll use the LION test, for 3rd-5th, to monitor our students in Special Ed., Dyslexia and RTI. Population: (AR) (SE). Non-Lep (LEP) (MI) (DYS) (GT) (TI) Timeline--September 2019-April 2020 SA #7</p>
1	3	3	<p>Response to Intervention for Tier II/III students: Teachers will meet with the RTI committee, progress monitor and decide if there is a need to test for Dyslexia and Special Ed. services. PK-5th grade teachers will provide intervention for students identified as having difficulties in Reading, Writing, and Math. RTI meetings will be held every six weeks to review instructional strategies and interventions provided to students and to monitor for improvement. Teachers will use the Pearson Intervention Activities, Florida Center for Reading Research activities, TPRI & Tejas Lee and Math & Science (Pearson Realize website) intervention activities to differentiate instruction based on student needs. Population: (AR) (SE). Non-Lep (LEP) (MI) (DYS) (GT) (TI) Timeline- 9/20/2019 11/01/2019 12/20/2019 2/14/2020 4/03/2020 5/27/2020 SA #8</p>

Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

As a campus we completed a comprehensive campus needs assessment and revised our campus improvement plan after reviewing multiple data sources. Based on results from the student/parent/staff surveys from ARE, we met to make changes to the campus improvement plan. We reviewed assessment data from STAAR results, district benchmarks, campus assessments, interim assessments, TPRI/Tejas Lee, LION, CPALLS & Owl tests to guide our instruction. Based on six weeks grades, we determined the number of students placed on an RTI and the number of students that would attend summer school. Teachers communicated with parents through parent/teacher conferences, phone calls, Class Dojo and email. Based on the above mentioned data sources, we were able to make informed decisions for Gallegos Elementary.

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders

In order to develop, review and revise our campus improvement plan we conduct a needs assessment. We review survey results from parents, teachers and students we also use different sources of data to base our decisions as an SBDM committee. The sources of data include assessment and benchmark results, mobility trends, attendance, failure reports etc... Our SBDM members are included in the Campus Improvement Plan section.

2.2: Regular monitoring and revision

Our SBDM meets throughout the school year to monitor the campus improvement plan strategies and make revisions based on different sources of data. Our SBDM will have a flexible meeting schedule to enable parents to attend our sessions. Our SBDM will meet the last Thursday of each month (8/29/19, 9/26/19, 10/30/2019, 11/21/19, 12/18/19, 1/30/20, 2/26/20, 3/26/20, 4/30/20, 5/21/20).

2.3: Available to parents and community in an understandable format and language

We have a parent representative that is on the SBDM committee and we ensure that they are available for input on the campus improvement plan. The campus improvement plan is written in an understandable format to ensure clarity and transparency. We will clarify and translate based on parent need.

2.4: Opportunities for all children to meet State standards

Based on different sources of data, we provide multiple opportunities for all our students to meet state standards. They are able to do so through morning and after school tutorials and extended day. Students also receive differentiated instruction through the 3-Tier model. Our early childhood students are provided with early intervention to improve literacy, vocabulary development and comprehension. The following Reading components are addressed in each grade level including: vocabulary, fluency, phonemic awareness and comprehension. Our students are provided with opportunities to use technology for intervention, research and projects.

2.5: Increased learning time and well-rounded education

We provide multiple opportunities for our students to participate in our morning and after school tutorials and extended day program. Our students are able to participate in extracurricular activities including running club, volleyball, basketball, Ukelele club, Choir, Nature Club and Coding Club during after school sessions. In an effort to increase learning time and provide a well-rounded education.

2.6: Address needs of all students, particularly at-risk

We meet the different needs of all our students, particularly our at-risk students through tutorials, extended day activities, coding, Choir, Ukelele club, running club, basketball and volleyball. We use different sources of data to identify their academic needs. Our teachers differentiate instruction based on student needs and we provide 3-Tier instruction all in an effort to improve student achievement.

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

3.1: Develop and distribute Parent and Family Engagement Policy

Our parent liaison and campus administration develop a calendar to meet with parents throughout the school year to inform them on parent and family

engagement policy. We meet to review different topics including the campus report card, Title I activities and funding, student compact, parent meetings and SBDM meetings etc...

3.2: Offer flexible number of parent involvement meetings

Our parent liaison conducts parental involvement meetings on a weekly basis. Upon reviewing the parental involvement meeting schedule, some of our meetings will be scheduled during the school day and others will take place after school in an effort to involve more parents to attend. Our SBDM meetings are on a flexible schedule to enable parents to attend after school hours. Our Parent Liaison meets with parents to review diverse topics that affect our students everyday. She reviews Title IA required activities and funding, parental involvement policy and the school-parent-student compact. She'll invite members from the community, school district and our campus to present topics of interest to our parents. Our Dean of Instruction meets several times throughout the school year to address goals and needs of our students and strategies they can use at home with their children.
