

Brownsville Independent School District

Sharp Elementary

2019-2020 Campus Improvement Plan

Mission Statement

Sharp Elementary is committed to developing in each scholar academic, social, and physical skills needed to become a productive citizen of our multicultural and technological society.

Vision

All Sharp Elementary students will succeed and meet the rigorous academic standards set before them.

Goals	19
Goal 1: BISD students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens. (Board Goal #1 and TEA Ch. 4 Objectives 2, 4, 5, 7, and 11).	19
Goal 2: The Board of Trustees, in collaboration with District Staff, Administration, Parents, and Community will ensure equity in availability of appropriate, well maintained, energy efficient facilities for a safe and orderly learning environment for all students. (Board Goal 2)	33
Goal 3: The District will ensure effective and efficient use of all available funds in implementing a balanced budget which includes improved compensation for teachers and plans to recruit, retain and support highly qualified personnel. (Board Goal 3) (TEA Ch. 4, Obj. 6)	34
Goal 4: All BISD programs and campuses will work closely and collaboratively with the BISD Public Information Office to expand public relations/marketing campaigns to further expand student enrollment/recruitment/ and retention efforts. (Board Goal 4)	36
Goal 5: School campuses will maintain a safe and disciplined environment conducive to student learning. (TEA Ch. 4, Obj. 8)	38
Goal 6: The Board of Trustees, in collaboration with District Staff, Administration, Parents, and Community will provide required support and resources for the attainment of educational excellence and equity. Parents will be full partners with educators in the education of their children. (TEA Ch. 4, Obj. 1)	43
Goal 7: Educators will keep current with the development of creative and innovative techniques in instruction and administration using those techniques as appropriate to improve student learning. (TEA Ch. 4 Obj. 9)	47
Goal 8: Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration. (TEA Ch. 4 Obj. 10)	51
Goal 9: Through enhanced dropout prevention efforts, all students will remain in school until they obtain a high school diploma. (TEA Ch. 4 Obj. 3)	55

Comprehensive Needs Assessment

Revised/Approved: May 22, 2019

Needs Assessment Overview

Gertrude Sharp Elementary

“Home of the Mighty Scholars!”

2019-2020

All had been hoped that the Los Ebanos School would be ready for occupancy in September 1932. There was a delay in the building schedule, and Los Ebanos School was finally occupied in January 1933. In a span of 82 years, Sharp Elementary has had 17 principals lead the school. The school was renamed "Gertrude M. Sharp Elementary" in 1963 in honor of the former principal, Gertrude M. Sharp. The school has added several classrooms to accommodate increase in student enrollment and a new mini gym and a canopy was built over the black top, which has helped out students and teachers participating in physical education. A New Wing Building was built in 2004, for Pre-Kinder, Kinder, Music, Nurse and Content Mastery. The school building and faculty may have changed over the years but Sharp still maintains a tenor of excellence that was begun over sixty years ago.

Sharp Elementary has a highly qualified and effective professional and paraprofessional staff that provides the best instruction to all the students. The staff is made up of 24 classroom teachers, 1 Nurse, 2 Special Education teachers and 7 instructional assistants, 1 Dyslexia teacher, 1 Counselor, 1 Librarian and 1 Library Assistant, 1 Physical Education coach and 2 coach assistants, 1 Music teacher, 1 Art teacher and 3 administrators. Additional staff consists of 4 office staff members, 5 cafeteria staff members and 3 custodians. At Sharp Elementary, we serve 470 students from Early Childhood (EC) to fifth grade. The school motto is “Building Sharp Scholars One at a Time”. Sharp Elementary received “Recognized” ratings from 1994 to 2000 and 2005-2012 school years. The school received a rating of “Academically Acceptable” in 96-97, 03-04, 06-07, and 08-09. The school received a rating of “Exemplary” in 94-95, 00-01, and 01-02. Over the years, Sharp has been improving scores to receive more Distinction Designations each year. In 2012-2013’s School Report Card, Sharp received Distinction Designations for Reading/ELA, Mathematics and Top 25% Student Progress. From 2013 to 2015, Sharp received Distinction Designations for Academic Achievement in Reading/ELA and Science, Top 25% Closing Performance Gaps and Postsecondary Readiness. In 2015-2016 School Report Card, Sharp surpassed the bar in all four performance indices, Met Standard on the Accountability Rating and received all six Distinction Designations available: ELA/Reading, Science, Mathematics, Top 25% Closing Perform Gaps and Student Progress, along with Postsecondary Readiness. In 2016-2017 School Report Card, Sharp received 4 Distinction Designations and 100% System Safeguards. In 2017-2018, Sharp Elementary received an "A" Rating along with 6 out of 6 Distinction Designations and 100% System Safeguards. In 2018-2019, Sharp Elementary received 100% passing rate in 5th Grade Reading and 99% passing rate in 5th Grade Math.

In an effort to meet the varied talents and needs of all students, the school provides instruction in the following programs: Three-Tiered ELA/SLA

curriculum, Bilingual education, gifted and talented education, special education, PPCD, computer-assisted instruction, Dyslexia, art and music education. In addition to the curriculum based upon the Texas Essential Knowledge and skills (TEKS), Sharp's instructional focus includes an emphasis in language arts, mathematics, science, social studies, technology and fine arts. To supplement the Science curriculum, Sharp Elementary provides science laboratory instruction to students in grade 5 as a means to better prepare students for the science state exams. To supplement the curriculum and support the instructional programs, Sharp Elementary offers its students extended day and extended week tutorial programs to students requiring additional instruction and intervention. Sharp uses its federal, state compensatory, and Title III funds to fund these tutorials.

In addition, these funds are used to purchase additional resources to assist teachers and students in reaching academic goals. Much of these funds are also used for extended day and extended week tutorials and to purchase resources for our English Learner students in order to assist their English development in listening, speaking, reading and writing. Students have access to television cabling and the school is Wi-Fi networked for campus-wide Internet accessibility and e-mail communication purposes for the instructional staff.

Students are encouraged to participate in District extra-curricular activities such as Destination Imagination (D.I.), Chess, U.I.L., Spelling Bee, Science Fair, Field Day, and Art Contests. Students are also encouraged to participate in campus extra-curricular activities such as: basketball, soccer, running, choir, guitar, student council and District performances. Every six weeks, the school recognizes students for their honor roll, perfect attendance and Accelerated Reader goals accomplishments by distributing certificates in these areas in a student-parent awards ceremony.

The school's special assignment teachers assist general classroom teachers to enhance the core curriculum. The school's counselor is available for classroom presentations, individual or group counseling for all students and is always available to conference with parents and employees when needed and upon request. The Counselor also hosts Career Day for students in fifth grade. With the Sharp Title 1 funds, the school is able to support parental involvement, a vital component for student success. A parent liaison is available to coordinate a parental involvement and volunteering program through weekly meetings and providing volunteer opportunities.

To celebrate the successes of the students, activities are held throughout the school year. The school hosts festivals, school dances, perfect attendance, Accelerated Reader parties and several other presentations. At the end of the school year, the school hosts grade level completion ceremonies, field trips and field day activities.

Gertrude M. Sharp

2019-2020

Annual Campus Performance Objectives

Objective 1: By the end of 2019-2020 school year, the present level of achievement in the STAAR Reading Test scores will increase by 5%.

Objective 2: By the end of the 2019-2020 school year, the present level of achievement in the STAAR Math test scores will increase by 5%.

Objective 3: By the end of the 2019-2020 school year, the present level of achievement in the STAAR Writing Test scores will increase by 5%.

Objective 4: By the end of the 2019-2020 school year, the present level of Achievement in the STAAR Science Test will increase by 5%.

Objective 5: By the end of the 2019-2020 school year, students will have been taught grade-level Social Studies TEKS to address their understanding of their civic, community, and our nation's duties and responsibilities to mold into a well-rounded citizen.

Objective 6: To increase and sustain yearly student attendance to 98.5% or higher to meet the district attendance policy.

Objective 7: The school will maintain a safe and disciplined environment conducive to student learning.

Objective 8: The school will increase the parental involvement environment in order to support student achievement.

Objective 9: By the end of the 2019-2020 school year, all special education students will meet learning goals as set by the ARD committee through "inclusive services" in which students remain in the regular education classroom 50% or more throughout the school day.

Objective 10: By the end of 2019-2020 school year, all students, teachers, and support staff will have received the necessary budget resources to support classroom instruction.

Objective 11: Students will participate in daily physical education instruction in order to improve health and the quality of well-being.

Objective 12: The school nurse along with the CATCH committee will provide health education to all students to promote hygiene, personal care, good nutrition, and exercise.

Objective 13: Students will participate in fine arts instruction to include music, art, theatre arts and all genres in the field of the arts.

Objective 14: By the end of the 2019-2020 school year, the percent of students served in bilingual education programs will decrease through the development of the English language in the domains of listening, speaking, reading and writing.

Objective 15: By the end of the 2019-2020 school year, TELPAS scores will increase 5% in grades Kinder through 5th grade.

Objective 16: To increase the percentage of resources provided to students to develop technology skills and activities that require technology as appropriate to their grade-levels.

Demographics

Demographics Summary

Sharp Elementary views demographic data on a daily basis. The main focuses of the data that are reviewed includes academic performance among subgroups, progress monitoring and daily attendance. The main focus groups include At-Risk students, bilingual education students, and special education students. Once attendance is taken, we view our averages to see if we met our attendance goal which is 100% Average Daily Attendance. The attendance rate for all students was 96.8% and 96.5% for At- Risk students. Once we identify that we have not met our attendance goals, we make sure to call the parents of students who are absent and work to make sure absences are excused. If students are consistently absent, we make sure to conference with parents. In conjunction with our parent liaison, we make home visits in order to check on students who are chronically absent, seek parents after several attempts have been made, and assess the surrounding community area that can factor into students' attendance and academic performance. In addition, when needed, we seek the assistance of the district's attendance office and follow district policies for attendance afterward. Once students are identified as LEP, At-Risk, or Special Education, administrators and teachers begin consistent progress monitoring to make sure students are academically successful. The retention rate was 8.1 % for all students and 7.9 % for At-Risk students. State Compensatory funds are allocated to provide additional tutorials for At-Risk students to target specific academic weaknesses and ensure academic success. Title III funds are allocated to provide instructional resources such as novels, supplemental workbooks, academic bulletin board set, and consumable resources. In addition, Title I funds are utilized to fund extended day and week tutorials, supplies for professional development and to purchase instructional resources that supplement the core curriculum such as math manipulatives, academic bulletin board sets, consumable supplies, and help fun instructional assistants. Procedures for overseeing demographic concerns include viewing students' grades, benchmark scores, progress monitoring, verifying daily attendance, verifying after-school and Saturday tutorial attendance, and allotting time for teacher planning and parent conferences.

Demographics Strengths

Sharp Elementary has a diverse population of students and families which enrich our learning community through appreciating differences among our students and families.

Demographics Needs (DN):

1. Increase LEP, At-Risk, Migrant, Special Education, Dyslexia, Economically Disadvantaged students' assessment scores in C-PALLS, TPRI / TEJAS Lee / STANFORD / APRENDA, TELPAS, and STAAR in the content areas of reading, math, writing, and science through the use of core curriculum and any additional resources and necessary instructional materials and supplies.
2. Decrease At-Risk percentages by providing more academic support/interventions for students who are struggling academically.
3. Teacher Aides will assist in small group instruction.
4. Increase student attendance
5. Provide Migrant students with supplemental supplies to increase their attendance rate.

Problem Statements Identifying Demographics Needs

Problem Statement 1: High numbers of At-Risk students reflect the support needed for teachers on continuing to identify and develop Response to Intervention plans and provide interventions to At-Risk students in need of academic support. **Root Cause:** More academic support and interventions are needed for identified At-Risk students in order to close the academic achievement gap.

Student Academic Achievement

Student Academic Achievement Summary

Critical to the academic success of Sharp Elementary is the disaggregation of students' progress and assessment data. Data is disaggregated consistently to identify the areas needing improvement such as meeting states' student expectation and TEKS mastery in the areas of reading, writing, math, and science. In addition, administrators and teachers review 4th and 5th grade students' data to ensure Index 2 will be met for the 2019-2020 school year. Data is disaggregated on a weekly basis through the analysis of progress monitoring, student grades, weekly fluency scores, percentages of students on an RTI plan, TPRI/TEJAS LEE beginning, middle, and end of year, end of unit benchmarks, and practice state assessment exams. Each week, both teachers and administrators meet to discuss students' progress, curriculum and instruction, and to prescribe individual intervention plans for students not mastering the TEKS. Interventions are noted through the students Response to Intervention (RTI) plan. To help support the instructional program, State Compensatory Funds support one full time Dean of Instruction whose focus on providing support in curriculum and instruction for At-Risk students. State Compensatory funds also fund a half-time dyslexia teacher that provides therapy for students who are identified as dyslexic and assist in funding full-time Pre-Kindergarten teachers. Administrators and teachers look at students' achievement scores and break down the test objectives to identify strengths and weaknesses. In addition, administrators and teachers work together weekly to build rigorous weekly tests that are correlated with state standardized assessments and correlated with the higher levels of Bloom's Taxonomy. These tests are designed to focus on the higher levels of Bloom's Taxonomy and prepare students for the secondary levels of education. Teachers and administrators then discuss the type of instruction students will receive to include effective research-based instructional strategies that will allow students to master the TEKS at higher levels of complexity and higher levels of depth on knowledge. Another focus group our campus focuses on are our migrant students. Migrant Funds are used to identify and recruit children of migratory workers for supplemental services designed to reduce the educational disruptions and other problems that result from repeated moves. In order to better utilize the Migrant funds, a Migrant Student Needs Survey was conducted to assess the supplemental support most needed by the migrant students of our campus. Based upon the migrant student needs survey, the faculty, staff, and administration are in agreement that the items listed below will provide most support to the migrant students. School Supplies such as paper, crayons, glue, binders, jackets, polo shirts.

2018-2019 STAAR RESULTS- SHARP ELEMENTARY

	Approaches (90)	Meets (60)	Masters (30)
3rd MATH	82	44	21
3rd READING	85	60	26
4th MATH	<u>90</u>	66	30
4th READING	92	66	25

	Approaches (90)	Meets (60)	Masters (30)
4th WRITING	74	43	9
5th MATH	99	74	51
5th READING	100	68	33
5th SCIENCE	86	53	31

Student Academic Achievement Strengths

Sharp Elementary received an "A" Rating. Sharp Elementary is a TEA 6 star distinction campus.

Student Achievement Needs (SAN):

1. Sharp Elementary will continue to increase At-Risk student performance in Reading, Math, Writing and Science scores by analyzing data and plan to provide targeted, individual instruction through Tier II time, Extended Day and Tutorial.
2. Teachers will receive additional instructional resources, materials and consumable supplies for At-Risk students to ensure that all students are successful. Students will be offered an opportunity to travel to sites where they can learn through hands-on field experiences.
3. Provide Writing Initiatives (i.e. Writing Monitoring Tool, Writing Prompts with Rubrics, Revising and Editing Material, and other resources) to increase At-Risk students' writing scores and close the At-Risk students' academic achievement gap.

Problem Statements Identifying Student Academic Achievement Needs

Problem Statement 1: Lack of instruction from other districts or countries. **Root Cause:** Lack of consistency of instruction.

School Processes & Programs

School Processes & Programs Summary

Sharp Elementary analyzes the school context and organization by looking at how school processes, structures, decision-making, and overall leadership positively affect classroom instruction. It is important to have systems in place so that there is not much inference or distractions from classroom instruction. Curriculum and Instruction are of high importance to the campus. The Dean of Instruction meets with the teachers on a weekly basis to apply the development of the current curriculum and to review data. The campus implements district curriculum initiatives and assessments as required by the state of Texas. The Texas Essential Knowledge and Skill (TEKS) prepare students for a quality education and for state assessments. Teachers work together to develop quality lessons for the six weeks. They are provided with co-planning time to complete their lessons and move forward with their plan of action. Administrators provide teachers with instructional resources and professional development opportunities. Planning for instruction and interventions is done through vertical and horizontal alignment.

Sharp Elementary teachers have a history of pride and loyalty to their alma mater. Sharp Elementary has an extremely high retention rate of teachers and other campus personnel. Interview committees consist of administrators and teachers in order to make high quality hiring determinations. New teachers are provided with a grade level mentor and administrative support in order to have positive success in their new profession.

School Processes & Programs Strengths

Sharp Elementary operates as a campus-wide professional community as we model the belief that “Only the Best Instruction for Our Students”. Teacher and staff are involved in the decision-making process at all level. Grade levels study TEKS and students assessment data to plan and deliver best practice instruction. Grade-levels meet weekly with administration to discuss students’ academic progress, scope and sequencing, timelines and due dates. Administration and Faculty meet monthly to discuss school operations, safety procedures, upcoming events, and address any questions or concerns. The SBDM meets once every quarter to discuss school progress, programs, and school issues.

School Process and Programs Needs (SPPN):

1. Additional Professional Development in the area of Writing, as per STAAR Results and Writing Monitoring Tool Observations.
2. Increase Fluency, Vocabulary, and Comprehension in all grade levels (Assessments: TPRI/Tejas Lee, TELPAS, STAAR).
3. Early identification of highly at-risk students based on previous year's data to provide timely tutorials and interventions.
4. Increase Technology Tools, Training and Application.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: Improvement is needed in the area of Writing. **Root Cause:** Lack of consistent vertical alignment in the area of Writing.

Perceptions

Perceptions Summary

The campus critically analyzes the school culture and climate to ensure that students are being provided with a safe, healthy, and disciplined environment conducive to student learning. Administrators and teachers meet on a weekly basis to discuss matters related to providing a positive school culture and climate. All members of the school community are consistently instructed on procedures and operations that will allow Sharp Elementary to provide a safe and smooth learning environment. A Title I partially funded, full time school nurse is always available to provide and assist medical treatment for students and staff. In addition, the SBDM representatives bring issues and concerns to the quarterly meetings. Campus long range plans, policies and procedures, and safety issues are communicated to both parents and community members to assist the campus in providing a positive culture and climate. Parents are strongly encouraged to get involved in volunteering opportunities that will assist their child's education. Issues are reviewed and discussed through consistent dialogue and both administrators and teachers create a plan to improve issues that affect School Culture and Climate. Furthermore, administrators, faculty, and staff consistently provide opportunities for professional collegial interaction to mold professional learning communities, positive working relationships, team building, and motivation.

Perceptions Strengths

1. 94% of the scholars feel that teachers at this school help students do their best.
2. 93% of the scholars feel that there enough supplies in the classroom to complete my school work.
3. 98% of scholars feel that the school nurse or someone else helps them if they feel sick or hurt at school.

Perceptions Needs (PN):

1. Provide additional character education is needed for students to reflect on being safe, respectful, responsible, cooperative, and always doing their best.
2. The school building needs upkeeping to esure student safety.
3. Continue educating staff, parents and students on bullying.
4. Decrease discipline issues through the use of a school-wide discipline behavior plan, including the use of the playground.
5. Increase parent attendance at campus bi-weekly meetings.

Problem Statements Identifying Perceptions Needs

Problem Statement 1: Increase parent attendance at parent meetings. **Root Cause:** Offer more parent meetings after the school day.

Priority Problem Statements

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus Performance Objectives Summative Review from previous year
- Current and/or prior year(s) campus and/or district improvement plans
- Campus and/or district planning and decision making committee(s) meeting data
- State and federal planning requirements

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Accountability Distinction Designations
- Federal Report Card Data
- PBMAS data

Student Data: Assessments

- State and federally required assessment information (e.g. curriculum, eligibility, format, standards, accommodations, TEA information)
- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR EL Progress Measure data
- Texas English Language Proficiency Assessment System (TELPAS) results
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Texas approved Prekindergarten and Kindergarten assessment data
- State-developed online interim assessments
- Grades that measure student performance based on the TEKS

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Male / Female performance, progress, and participation data

- Special education/non-special education population including discipline, progress and participation data
- Migrant/non-migrant population including performance, progress, discipline, attendance and mobility data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- EL/non-EL or LEP data, including academic achievement, progress, support and accommodation needs, race, ethnicity, and gender data
- Dyslexia Data
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Student surveys and/or other feedback
- Class size averages by grade and subject
- Enrollment trends

Employee Data

- Staff surveys and/or other feedback
- Teacher/Student Ratio
- State certified and high quality staff data
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact
- TTESS data

Parent/Community Data

- Parent surveys and/or other feedback
- Parent engagement rate

Support Systems and Other Data

- Communications data
- Capacity and resources data
- Budgets/entitlements and expenditures data
- Study of best practices
- Other additional data

Goals

Goal 1: BISD students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens. (Board Goal #1 and TEA Ch. 4 Objectives 2, 4, 5, 7, and 11).

Performance Objective 1: Sharp student performance for all students, all grades, all subjects will exceed 2019 STAAR percent Approaches Grade Level and STAAR Masters Grade Level performance in reading, writing, mathematics, science and social studies by 5 percentage points.

Evaluation Data Source(s) 1: STAAR Performance Reports
Failure Reports

Summative Evaluation 1:

Strategy Description	ELEMENTS	Monitor	Strategy's Expected Result/Impact	Reviews			
				Formative			Summative
				Nov	Feb	Apr	June
1) EL students will be provided Sheltered Instruction strategies to assist in the learning in all content areas. Implement a well rounded Reading, Writing, Math, Science, and Social Studies curriculum. Provide Writing Initiatives (i.e. Writing Monitoring Tool, Writing Prompts with Rubrics, Revising and Editing Material, and other resources). Population: EL students Timeline: 1st Six Weeks - 6th Six Weeks CNA; SAN#3	2.5, 2.5	Campus Principal, Dean of Instruction, Assistant Principal, classroom teachers, Bilingual Lead Teacher. = Discontinue

Goal 9: Through enhanced dropout prevention efforts, all students will remain in school until they obtain a high school diploma. (TEA Ch. 4 Obj. 3)

Performance Objective 3: Implement a sustainable coordinated school health system that provides wellness tools and resources which promote the long-term development through student attendance and success of the whole student.

Evaluation Data Source(s) 3: Nurse time and effort reports show students immediate health concerns are addressed along with improved report card grades and increased student attendance rates. PAPA, CATCH, and SHAC meetings and reports.

Summative Evaluation 3:

Strategy Description	ELEMENTS	Monitor	Strategy's Expected Result/Impact	Reviews			
				Formative			Summative
				Nov	Feb	Apr	June
1) The nurse will provide medical aid to students for injuries & personal illnesses including dispensing daily medications to students with prescriptions. Students will receive preventive assistance, to help the students enhance their attendance, health, and well being in school. Timeline: August 14, 2019-May 27, 2020		Campus Principal, school nurse	Nurse documentation log				
2) School nurse will establish a schedule for screenings: - weight/height - eye/ear - dental - diabetic - other medical checks Students will be evaluated in their physical development for the purpose of providing support and preventive care for their well being. Timeline: August 14, 2019-May 27, 2020		Campus Principal, School nurse, district health department	Screening schedule and screening results

Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

The Site-Based Decision-Making (SBDM) Committee conducted a comprehensive needs assessment that was developed, reviewed, and revised after a review of multiple data sources and meetings to determine the strengths and needs of students, staff, parental & community involvement, and facilities before deciding how to use available local, state, and federal budget allocations. The CNA is created, reviewed, and revised using the following: (1) Student/Parent/Staff Surveys (2) Data Analysis Meetings (3) Response to Intervention (4) Failure Reports The SBDM continuously reviews data to assess progress towards meeting campus goals and performance objectives. The CNA was reviewed/ revised on May 22, 2019. Based on the CNA, the committee decided to concentrate on improving the passing rate of all students and student groups including Migrant, Bilingual, At-Risk, Dyslexia, GT, Title I, and Special Education on state assessments. The goal is to have a minimum of 90 percent of all students and all student groups passing all parts of state mandated assessments for the 2018-2019 school year in all the content areas. To accomplish these goals, the campus will use the budgeted funds to implement school-wide reform strategies that provide opportunities for all children to meet the State's proficient and advanced levels of academic performance. (1) strengthen the core academic program; (2) increase the amount of learning time including the funding of extended day and extended week tutorials for students who are At-Risk and in need of continued instruction to be successful in the succeeding school year; (3) include instructional strategies for meeting the educational needs of historically underserved student populations; (4) include instructional strategies to address the needs of all children in school, particularly the needs of low-achieving students, At-Risk students, or students not meeting State student academic achievement standards; (5) address how the school will determine if such needs have been met; (6) are consistent with and are designed to implement the State and local improvement plans; and (7) include instructional strategies in the content areas that will allow students to perform and meet goals in reading and in math. The CNA is reviewed quarterly (Oct., Dec., April, and May).

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders

As per the SBDM committee, the campus improvement plan receives feedback from all stakeholders. It is comprised of school personnel, community

members, parents, and business owners. The following stakeholders addressed the needs of the Campus Improvement Plan: Irma Segura, Principal Mario Fajardo, Assistant Principal SBDM Parents (2) SBDM Business Representatives (2) PK-5th Grade and Special Programs Teachers District Personnel All agreed that the CIP goals would include strategies that addressed the following:(1) strengthen the core academic program; (2) increase the amount of learning time including the funding of extended day and extended week tutorials for students who are At-Risk and in need of continued instruction to be successful in the succeeding school year; (3) include instructional strategies for meeting the educational needs of historically underserved student populations; (4) include instructional strategies to address the needs of all children in school, particularly the needs of low-achieving students, At-Risk students, or students not meeting State student academic achievement standards; (5) address how the school will determine if such needs have been met; (6) are consistent with and are designed to implement the State and local improvement plans; and (7) include instructional strategies in the content areas that will allow students to perform and meet goals in reading and in math.

2.2: Regular monitoring and revision

The Campus Improvement plan is monitored and revised at every SBDM Meeting. Formative reviews are completed in order to note the progress of the strategies created by the SBDM committee.

The CNA is reviewed quarterly (Oct., Dec., April, and May). The CNA was reviewed/ revised on May 22, 2019.

2.3: Available to parents and community in an understandable format and language

The Campus Improvement Plan is available on our school's website. In addition, we're readily available to answer any questions about our plan. The CIP meetings with parents provide information in both English and Spanish. Any requested translation of information is provided, as needed.

2.4: Opportunities for all children to meet State standards

To accomplish campus needs objectives, the staff will use the budgeted funds to implement school-wide reform strategies. State Compensatory funds will fund extended day and extended week tutorials for students identified as At-Risk. Tiered instruction will be used during daily instruction with an additional thirty minutes of Tier II and Tier III intervention instruction. Title I funds will be used to purchased supplementary instructional resources for Reading, Math, Writing, and Science.

2.5: Increased learning time and well-rounded education

All teachers will closely monitor all students' performance based on daily exercises and weekly tests. Students not mastering the objectives will be provided

additional assistance in the after school tutorial program and/or enrichment courses based on his/her individual needs. Extended Day will be offered to all students in PK-5th Grade. Data analysis plays an important role. Through the uses of state assessment data, meetings in conjunction with tutorials and staff development, students will become better prepared because their teachers will be better prepared. RTI meetings will be held every three weeks to analyze the progress of students and to review the effectiveness of the Tiered instruction, in addition to making recommendations for further assessment for special programs as Special Education, Dyslexia, and 504. Basic practice materials related to the state assessments needs is introduced and administered with emphasis in second grade, the second semester, to prepare those students to take the test in subsequent years. Stanford and Aprenda scores continue to show improvement because of appropriate placement of students. We continue to focus on the improvement of reading comprehension and isolated reading skills as evidenced in the TPRI/TEJAS LEE data.

2.6: Address needs of all students, particularly at-risk

Teachers will use data obtained from state assessments as well as other instruments, including but not limited to the TELPAS, Stanford, Aprenda, and benchmark tests, to implement new instructional strategies, modify existing strategies and/or discontinue existing strategies to better address student needs as determined by use of these instruments. At-Risk students will be offered additional instructional time.

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

3.1: Develop and distribute Parent and Family Engagement Policy

Parent education will be provided to parents by the campus parent liaison as well as the District's Parental involvement Center. Parent training on how to help students be successful at home, learn English, discipline management, and parenting skills will be provided to those parents who want to better meet the rigors of parenting. With the high level of parental participation at the district sponsored meetings, more needs to be done to reach parents who are not able to attend school for parent conferences, open house, and other parent meetings. Many parents are employed and are unable to participate as volunteers during the school day. We need to build a system to reach and educate all parents on a continuing basis. While many parents are recruited and approved by the district as volunteers, several of these parent volunteers do not make the commitment to remain as a volunteer for the school. By providing appropriate training, the achievement gaps can be reduced thus making them more effective in the art of parenting and providing a life-long desire for learning for their children. The parent liaison will help organize and coordinate classroom support through teacher collaboration. SBDM Members assisted with the development of Parent and Family Engagement Policy.

3.2: Offer flexible number of parent involvement meetings

The parent involvement meeting schedule will be based on the needs of the campus. A flexible number of parent involvement meetings will be conducted. The meetings will also be offered in English and Spanish.

Title I Personnel

<u>Name</u>	<u>Position</u>	<u>Program</u>	<u>FTE</u>
Alma L. Trevino	Librarian Aide	Federal Programs	1
Martha A. Silva	Parent Liaison	Federal Programs	1
