Comprehensive Needs Assessment

Demographics

Demographics Summary

Decrease at-risk percentages by providing academic support, research-based interventions, coordinating academic programs and on-going research based professional development facilitated by the Dean of Instruction. The Attendance Rate was 97% for all students and 97% for at-risk students. The Retention rate is 11.8% for all and at-risk students.

Teachers will implement Response to Intervention (RtI) strategies, College and Career Readiness Standards (CCRS), Enseñando la lectura (PK), and State of Texas Essential Knowledge and Skills (TEKS) to ensure effective and timely assistance.

Federal Programs will fund highly qualified teachers, campus nurse and paraprofessionals to supplement allotted campus positions so that the needs of low performing students may be met through individualized and small group instruction. Campus nurse at 40% to assist with the execution of the health program aimed at monitoring and assisting low-performing students at school wide campuses to improve overall student health, attendance and performance.

Demographics Strengths

1. Teachers' years of experience
2. Low teacher-student ratio Attendance is at 97%
3. Early RTI plans are in place and are updated continuously with current academic data
4. Early screening for Dyslexia and Special Education Referrals
5. TIER II/III Interventions for Migrant, LEP and At-Risk students
6. After-school Tutorials for all At-Risk students including Migrant, LEP, 504/DYS, and SPED Ed. students
7. Recognition of Perfect Attendance per six weeks and EOY Perfect Attendance trophies... MOY and EOY Perfect Attendance Party
8. Educational Field Trips for PreK - 5th grade
9. Guidance and Counseling Program

Demographic Needs

1. Decrease At-Risk percentages by providing more academic support/interventions for students who are struggling academically

2. Increase Reading, Math, Writing, and Science assessment scores for all students through the use of the core curriculum and additional resources and instructional materials
3. Increase student attendance
4. Provide Migrant students with supplemental supplies to increase their attendance rate
5. Additional incentives to increase student attendance

Student Academic Achievement

Student Academic Achievement Summary

Southmost Elementary provides data-driven instruction. Teachers and administration are continuously revisiting the data and determining the areas in need of improvement. Teachers utilize the following data: progress monitoring, student grades, weekly fluency scores, percentages of students on an RTI plan, TPRI/TEJAS LEE beginning, middle, and end of year, end of unit benchmarks, and practice state assessment exams. Each week, both teachers and administrators meet to discuss students' progress, curriculum and instruction, and to prescribe individual intervention plans for students not mastering the TEKS. Interventions are noted through the students Response to Intervention (RTI) plan. To help support the instructional program, State Compensatory Funds support one full time Dean of Instruction whose focus on providing support in curriculum and instruction for At-Risk students.

Student Academic Achievement Strengths

Student Achievement Strengths

1. 5th grade STAAR Reading (96%) & Math (98%) scores
2. Met Academic Distinction Designations in ELA/Reading and Math for 2017-2018 school year
3. Met Top 25% in Closing Performance Gaps, Postsecondary Readiness, and Comparative Academic Growth Distinctions for the 2017-2018
4. Regular progress monitoring of K-2nd grade students (TPRI/Tejas LEE)
5. Providing tutorials and summer school to students that are demonstrating a need to improve in Reading, Math, Writing, and Science
6. Providing TIER II/III Interventions to students that are demonstrating a need to improve in Reading and Math
7. Recognition materials (certificates per six week and trophies at end-of-year) to recognize students academic achievement
8. Physical Education class and the CATCH program is provided to all students to promote physically and emotionally healthy students.

Student Achievement Needs

1. Increase Meets and Masters performance standards on 3rd-5th grade STAAR assessments including reading, math, writing and science to meet indexes 1-4 by providing after school tutorials for all students.
2. Ensure that students are adequately prepared for the next grade through all content area TEKS including reading, language arts, math, science, and social studies.
3. Meet AMAO 1 Progress & AMAO 2 Attainment in all grades for all student sub-populations by monitoring ELL student progress on a six weeks basis
4. Ensure that all students in all student sub-populations demonstrating an academic need are provided an RtI intervention plan, as well as after school tutorials.
5. Increase Fluency and Comprehension
6. Strengthen Early Childhood School Readiness
7. Writing across the Curriculum

School Processes & Programs

School Processes & Programs Summary

Staff Quality, Recruitment, and Retention

Southmost Elementary utilizes a hiring committee composed of administrators and teachers to make hiring determinations. A record of interview questions and responses is kept on file for each interviewee. The campus hiring committee recommends highly qualified professionals through the district's hiring criteria. In addition, administrators conduct walk throughs weekly to observe and assess the quality of teaching in each classroom. Administrators provide constructive feedback timely and all information is posted on Eduphoria in which teachers can access. If needed, administrators meet with teachers to provide further feedback in which goals are set and instructional procedures are discussed. The T-TESS timelines are followed throughout the school year. Teacher T-TESS performance records are kept by the school principal. Administrators also provide observations and evaluations to paraprofessional staff. Novice teachers are provided a grade-level mentor and meet regularly with the dean of instruction for curricular supports. All teachers are provided with ongoing professional development opportunities.

Curriculum, Instruction, and Assessment

Southmost Elementary teachers and administration ensure alignment of curriculum, instruction, and assessments. The faculty follows the district curriculum frameworks and scope/sequence to ensure students are adequately prepared. Teachers utilize the Texas Essential Knowledge and Skill (TEKS) as their guide, and supplement the curriculum with resources aligned to the state guidelines and assessments. Administrators provide teachers with instructional resources and professional development. Planning for instruction and intervention occurs through vertical and horizontal alignment. Collaboration is encouraged so that teachers learn from one another.

At Southmost Elementary School all teachers and instructional paraprofessionals are highly qualified. The campus administration, C&I Specialists and other BISD identities/departments provide PD to support learning in the classroom. Teachers are Bilingual certified, SIOP trained and have the GT Core hours. Every year, teachers are asked to have 6 hours of on-going Bilingual/SIOP and GT training and 12 hours of on-going technology. PreKinder and Kinder teachers are required a minimum of 30 hours of staff development as part of the high-quality Pre-Kinder component. All staff members are also provided with a two-day PD requirements (back to school inservice) with topics that include RtI, 504 and Dyslexia requirements, Employee Code of Ethics, David's Law, Conflict Resolution, SPED updates, and mandatory Emergency Operations Plan. The District RTI Support Team focuses on sustainability of the RTI Process. Southmost administration ensures that high quality instruction is delivered to all students and provides support by making appropriate recommendations for successful implementations of strategies & RTI interventions.

Technology

Technology improves student performance when the application directly supports the curriculum objectives and goals being assessed. Technology is most effective when it is integrated with the core curriculum content. Technology improves student performance when the function supports student ability and prior experience, and provides feedback to the student and teacher about student performance or progress with the application and when the application is

incorporated into the instructional day. In addition, the use of technology provides opportunities for students to design and implement projects that extend the core curriculum being assessed by the State of Texas Assessment of Academic Readiness (STAAR). Our campus needs more capital outlay items in order to keep up with the ever expanding educational technology components and in order for our students to reach Masters Performance status. These items include video document cameras, projectors, iPads, iPods, Google Cardboard goggles, and laptops. Our teachers and students are moving to teaching and learning using a variety of technology items alongside learning all of the vocabulary and concepts as required by the Technology TEKS and will need the above resources to do so. In addition, students need to be provided additional learning opportunities to learn rigorous math and science content through the use of computers, software, and websites.

School Processes & Programs Strengths

- Highly Qualified Teachers
- Bilingual Certified Teachers with a requirement of 6 on-going hours of Bilingual Education
- 12 on-going hours of Technology
- GT Core (30 hours) Trained Teachers/6 on-going hours per year
- SIOP Trained
- Highly Qualified Para-Professionals
- Highly Qualified Administrators
- Teacher Evaluation Process (T-TESS) helps improve teacher's ability to fulfill their job assignment
- Teacher Awareness of student needs'

School Processes & Program Needs

1. Professional Development targeted to meet the needs of the campus. Based on the 2018-2019 CNA Survey our teachers expressed a need for additional training in: technology and classroom management.
2. Additional innovative resources and materials to strengthen the rigor of the curriculum
3. Peer Observations among grade level teachers to strengthen the delivery of instruction

Technology Strengths

- All classrooms have access to wireless connectivity
- Students have access to software and web-based programs: STEMScopes, EduSmart, Hatch
- Pre-Kinder - 2nd grade students have access to a computer lab (Rm. F-2)
- Pre-Kinder classrooms have Hatch computers
- 2nd grade classrooms have iPads
- 3rd-5th grade have access to the science lab (Rm. M-1)

- 3rd grade classrooms have (two) Computers on Wheels (COWs) (J-Hall)
- 4th grade classrooms have Computers on Wheels (COWs) (I-Hall)
- 5th grade has two Computers on Wheels (COWs) (L-Hall)
- All teachers have access to a desktop computer
- All classrooms have computers available for student use
- Teachers integrate technology into their daily lessons
- E-mail is used regularly to communicate with faculty and staff

Technology Needs

1. One more COW (Computers on Wheels) in 5th grade
2. One more COW (Computers on Wheels) in 3rd grade
3. iPads for Kinder-1st grade for TPRI/Tejas LEE administration
4. Additional technology to support classroom instruction and curriculum
5. Increase computer accessibility to all students
6. Purchase software and/or web based programs access needs to be used by all students
7. Upgrade technology infrastructural
8. Upgrade classroom printers and projectors

Perceptions

Perceptions Summary

School Culture and Climate

Southmost Elementary faculty and staff collaborate to ensure that students are being provided with a safe, healthy, and disciplined environment conducive to student learning. Administrators and teachers meet on a weekly basis to discuss matters related to providing a positive school culture and climate. All members of the school community are consistently instructed on procedures and operations. A Title I partially funded, full time school nurse is always available to provide and assist medical treatment for students and staff. In addition, the SBDM representatives bring issues and concerns to the monthly meetings. Campus long range plans, policies and procedures, and safety issues are communicated to both parents and community members to assist the campus in providing a positive culture and climate. Parents are strongly encouraged to get involved in volunteering opportunities that will assist their child's education. Issues are reviewed and discussed through consistent dialogue and both administrators and teachers create a plan to improve issues that affect School Culture and Climate. Furthermore, administrators, faculty, and staff consistently provide opportunities for professional collegian interaction to mold professional learning communities, positive working relationships, team building, and motivation.

Family and Community Involvement

Southmost Elementary is committed to involving parents and community members to be involved in our students education. Parental involvement is critical to the success of their child's education. Community involvement allows students to be exposed to learning opportunities as well. In order to review needs in family and community involvement, parental and community involvement surveys are passed out yearly and the data is analyzed by administrators, the district, and teachers. This allows the SBDM committee to discuss opportunities to meet the needs in these areas and further improve these areas. Title I funds allow the funding of a parent liaison. The role of the parent liaison is very important as it is the individual who transfers information to and from the campus to parents and communities. The parent liaison is responsible for implementing all Title I parental involvement requirements at the campus level that includes weekly meetings and to provide opportunities for parents to volunteer and participate in campus educational activities. In addition, Title I funds assist in providing mileage reimbursements. The parent liaison compiles data on parental participation attendance and meeting agendas for the SBDM committee. With that information, the SBDM determines campus needs. In order to increase parental involvement attendance rates, parent and community member volunteer opportunities are available throughout the school year.

Perceptions Strengths

School Culture and Climate

Based on the 2018-2019 Campus Needs Assessment (CNA) survey data:

1. Positive campus climate Shared goals and responsibilities
2. Culture of high expectations Administrators, teachers, and parents work collaboratively to support campus expectations of good behavior and academic success
3. Atmosphere of trust and mutual respect between administration and staff

4. Teachers are involved in the decision-making process of important educational issues at our campus
5. The various programs at our campus effectively educate all student populations
6. Campus administrators consistently support teachers
7. Teachers are content with the professional development they receive, the timely feedback provided during observations, and the evaluation process at the campus.

School Culture and Climate Needs

1. Increase number of teachers and staff volunteering to serve as extracurricular events such as Destination Imagination, Brainsville, Chess, etc.
2. Align instruction and assessments to meet District Plan of Action for Language Arts Display
3. Student of the Month Photos on the campus website.
4. Purchase TV to showcase our schools accomplishments in the front office.

Family and Community Involvement Strengths

1. Teachers meet with parents regularly to discuss student progress
2. Grade levels that are departmentalized meet with parents as a group to ensure horizontal alignment and shared goals
3. Parent conferences, meetings, and trainings held in a language they understand
4. Parents given an opportunity to volunteer at the campus Information sent home in English/Spanish
5. Parent Liaison conducts home visits as needed

Family and Community Involvement Needs

1. Increase parent participation in meetings.
2. Increase number of parent volunteers.

Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

Students, staff and parents completed an end of year needs assessment survey during the month of April of the school year. The campus leadership team met as a committee to discuss the purpose of the committee. The committee reviewed the available survey results students, staff and parents. The leadership team then reviewed the information discussed along with the EOY Assessment Results and Retention data for each grade level. Multiple measure areas were reviewed a a grade level and strengths and challenges were identified for each measure. Fifth grade STAAR 1st & 2nd Administration results reviewed. STAAR 3rd & 4th Grade results pending from the state.

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders

The Site-Based Decision-Making (SBDM) Committee conducted a comprehensive needs assessment over a period of one year to determine the strengths and needs of students, staff, parental & community involvement, and facilities before deciding how to use available local, state, and federal budget allocations. Based on the CNA, the committee decided to concentrate on improving the passing rate of all students and student groups including Migrant, Bilingual, AtRisk, Dyslexia, GT, Title I, and Special Education on state assessments. The goal is to have 90 percent of all students and all student groups passing all parts of state mandated assessments, and to increase the advanced performance level in all content areas.

2.2: Regular monitoring and revision

Teachers will be included in decisions regarding the use and selection of academic assessments to measure student performance. Teachers will use data obtained from state assessments as well as other instruments, including but not limited to the LION Testing, TERRANOVA, SUPERA, TELPAS,

TPRI/Tejas Lee, CIRCLE CPM, OWL Monitoring, previous STAAR scores, REACH test results, and benchmark tests, to make program decisions that directly impact the implementation of new instructional strategies, modify existing strategies and/or discontinue existing strategies to better address student needs as determined by use of these instruments.

CNA Review Dates

09/19/18

01/19/19

05/01/19

2.3: Available to parents and community in an understandable format and language

Title I, Part A Funds will be used to partially finance strategies to increase parental involvement at the school's parent center and the purchase of special materials used in the parent volunteer program. Parent education will be provided to parents by the campus parent liaison as well as the District's Parental involvement Center. Parent training on how to help their students be successful at home, learning English, discipline management, and parenting skills will be provided to those parents who want to better meet the rigors of parenting. Campus Parent Liaison will conduct parent meeting/trainings to promote parental involvement and a positive school climate.

2.4: Opportunities for all children to meet State standards

Students experiencing difficulty in mastering the TEKS will be provided effective, timely additional assistance. All teachers will closely monitor all students' performance based on daily exercises and periodic tests. Students not mastering the objectives will be provided additional assistance in Tier II class schedule and/or extended day enrichment courses based on his/her individual needs in the content areas. In addition, Southmost Elementary will collaborate with in-district and out of district campuses to expedite the transfer of current RTI plans to continue supporting students experiencing difficulty in a timely manner. An RTI plan will be requested or forwarded for students receiving Tier II and Tier III interventions. Students having Dyslexia characteristics will be screened and RTI documentation will be submitted to District Dyslexia Office for review and approval to proceed with Dyslexia 504 referral.

2.5: Increased learning time and well-rounded education

Southmost Elementary will use the budgeted funds to implement school-wide reform strategies to provide opportunities for all children to meet the State's

proficient and advanced levels of academic performance, use effective methods and instructional strategies that are established on scientifically based research that (1) strengthen the core academic program; (2) increase the amount and quality of learning time, including the funding of an after-school extended day program, for students who are At-Risk and in need of continuity in their instructional program to be successful in the succeeding school year; (3) include strategies for meeting the educational needs of historically underserved populations; (4) include strategies to address the needs of all children in school, particularly the needs of low-achieving students, At-Risk, or not meeting the State student academic achievement standards; (5) address how the school will determine if such needs have been met; and (6) are consistent with and are designed to implement the State and local improvements plans.

2.6: Address needs of all students, particularly at-risk

Southmost Elementary offers programs that assist students with remediation strategies in core area subjects. Identified students are provided support services in Reading/Math/Writing/Science in order to improve their performance and overall success in the state assessment.

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

3.1: Develop and distribute Parent and Family Engagement Policy

The Parent and Family Engagement Policy is posted on our website and it distributed at the beginning of the school year. In March the Title I Parent and Family Engagement Policy was revised. On May 1, 2019 the SBDM committee approved the revision.

3.2: Offer flexible number of parent involvement meetings

Parent training on how to help their students be successful at home, learning English, discipline management, and parenting skills will be provided to those parents who want to better meet the rigors of parenting. Parent training will concentrate on the new assessment requirements, improving reading readiness and increasing parental involvement participation. Flexible number of parental involvement meetings will be offered to parents.

The Parent and Family Engagement meetings were held every Friday at 9:30 am in the Parent Center.
