

AN EARLY COLLEGE DISTRICT

BROWNSVILLE

INDEPENDENT SCHOOL DISTRICT

January 22, 2021

Dear Faculty and Staff,

BISD continues to take the precautionary measures and necessary procedures for the health, safety, and well-being of our students, faculty, and staff.

BISD is modifying the Reopening Plan to allow campus and department staff to operate on a rotation schedule and to allow for district employees to have the opportunity to obtain the Covid-19 Vaccine. The rotation schedule includes all staff (certified and classified). Principals and Department administrators will have the autonomy to develop their rotation schedule according to the campus and department needs. Campuses will remain open for students to continue to attend face-to-face instruction as per the Texas Education Agency (TEA) requirements.

Effective Wednesday, January 27, 2021, campus principals, department administrators, and staff will adhere to the rotation schedule, which will end on Monday, February 22, 2021.

Updated Reopening Plan for Second Semester

Date	Description
January 6, 2021 and forward	Campuses will remain open for all students who want face-to-face instruction.
January 27, 2021	The rotation schedule for all campus and department personnel begins. Adhere to a fair rotation for all of your staff.
February 22, 2021	All teachers and all department employees report to their respective campus or department.

All employees will continue to follow the Center for Disease Control (CDC) guidelines:

- Ensure six feet of social distancing as much as possible,
- Handwashing and sanitizing protocols are required,
- Masks continue to be mandatory, and
- Employees may request additional personal protective equipment (PPE) from their immediate supervisor.

Thank you for your cooperation, patience, and continued support as we adjust to the Reopening Plan to meet our children's educational needs. We continue to monitor the situation and will provide additional information as needed. Stay safe!
