To: Faculty and Staff

RE: **Phase Five Reopening Announcement**

Campuses are opening their doors for face-to-face (f2f) instruction beginning Monday, November 30, 2020, with all safety precautions in place. We will have a great reopening if all stakeholders follow the safety precautions outlined in our Reopening Plan that can be found in the district's website.

Beginning Monday, November 16, 2020, all teachers and staff will be reporting to work to effectively prepare when our students return. Parents may select for their children to return back for face-to-face (f2f) instruction or continue with distance learning.

Phase Five: Reopening for Face-to-Face (f2f) Instruction

November 16	Faculty and staff will begin reporting to work in preparation for face-to-face (f2f) instruction.
-------------	---

Phases	Grade Levels
Phase One through Phase Four In Progress	For students without internet and/or a technology device.
Phase Five November 30	Campuses will open for ALL students who want face-to-face (f2f) instruction.

Thank you for your cooperation with this update. Our students' academic progress is of the utmost importance and your work and dedication is greatly appreciated. Let us continue working together to ensure that our students are College, Career, and Military Ready!

Sincerely,

Dr. René Gutiérrez
Superintendent of Schools
