

Brownsville Independent School District
Veterans Memorial Early College High School
2016-2017 Campus Improvement Plan

Mission Statement

Work collaboratively to prepare students academically, socially and technologically as they become contributing members of our society.

Vision

Veterans Memorial Early College High School is committed to providing Excellence in Education for all students. The school provides programs and learning experiences that promote academic achievement and career programs of study for the personal and social growth of every student. As a richly diverse community of learners that values all its members, Veterans Memorial Early College High School contributes to the local community by linking parents, local agencies and businesses to the school.

Campus Narrative

Veterans Memorial Early College High School

Veterans Memorial Early College High School is located in Brownsville, Texas. Veterans Memorial Early College High School is one of seven high schools in Brownsville ISD. The campus was constructed in 2010. The 360,000 square-foot school sits on an 80-acre site on Military Highway. The courtyard has a series of pergolas that provide shaded seating areas for students and faculty. Veterans Memorial will be the first BISSD high school to have its own football and soccer stadium, a 5,000 seat facility with an all-weather track. It also has 1,000-seat baseball and softball stadiums, as well as practice fields and tennis and basketball courts. All safety standards have been met and all of the building is accessible to students, staff, and visitors with disabilities.

Our school's mission is "work collaboratively to prepare students academically, socially and technologically as they become contributing members of our society". Vertical alignment is pivotal in our school's success. Veterans Memorial has highly-qualified teachers that carry out the instructional program. In an effort to meet the diverse talents of our students, teachers are provided access to high-quality ongoing professional development throughout the school year. Professional development activities are geared to individual teachers' specialties and campus-wide needs.

Veterans Memorial Early College High School houses the STAMP Program, which is BISSD's magnet school for the science, technology, architecture, and medical professions. The goals of this program are as follows: (1) Improve mathematics and science achievement among all Brownsville students; (2) Increase the number of students who study and enter science, technology, engineering, architecture/design, and medical profession careers (STEM); (3)

Provide students with the ability to earn college credits while attending high school. (4) Increase the number of students who enter a post-secondary institution.

The student population at Veterans Memorial Early College High School is over 2100 and serves students in grades 9th through 12th. According to the TAPR Report from TEA for our campus, approximately 96% of the student population is Hispanic and approximately 93 % are identified as Economically Disadvantaged. Many of our students are first generation Mexican immigrants. Approximately 95% of our students are classified as Limited English Proficient and a majority is English/Spanish bilingual. In addition, several of our students come from homes which participate in state and federal assistance programs such as food stamps, welfare, the Women, Infant, Children (WIC) nutrition program, and subsidized housing and medical assistance.

Our school provides effective instruction that will equip students with skills and expertise to be successful in their respective careers whether they enter the workforce or go on to a college or university after graduation from the public school system. Courses are offered in every subject area necessary for college admission, as well as a diverse range of elective and career and technology courses. The instructional programs include academic core subjects at various levels, such as the Gifted and Talented, Pre-Advanced Placement, Advanced Placement, and Dual Enrollment in collaboration with the University of Texas at Brownsville. Students at our school also have access to three graduation plans: the Minimum, Recommended, and Distinguished Achievement Graduation Plan. All students are required to meet the passing standard of the five assessments which comprise the State of Texas Assessments of Academic Readiness (STAAR).

Veterans Memorial Early College High School has an active parent center with a full-time parent liaison that coordinates activities. Activities such as a Parent Orientation Day to inform parents and community members of the daily standard operation procedures to include but not limited to the Student Code of Conduct, Student Parent School Compact, Parental Involvement Policy, Emergency operations procedures and Parent Volunteer Guidelines and Opportunities.

Veterans Memorial Early College High School coordinates and integrates federal, state, and local programs and services to maximize the effectiveness of these resources. Several of the strategies being implemented are jointly funded with Special Services and Title I Funds, such as after school tutorial programs. Professional Development activities are also paid for from Title I and Local Funds. Title I Funds are used to purchase supplemental instructional materials, media, and library resources used to improve and enhance the overall instructional program.

Veterans Memorial Early College High School is a growing, yet very close-knit community. Brownsville residents come from all over the city to attend the school. Businesses, as a rule, support the school by providing merchandise for various incentives and fund raising activities when called upon to do so.

The current staff at Veterans Memorial Early College High School is comprised of 134 teachers, 7 campus administrators, 7 counselors, 2 librarians, 21 professional support personnel and 15 educational aides. The ethnicity of the Veterans Memorial Early College High School staff is diverse with 82% Hispanic, 16 % Caucasian, and 2% African American. The teaching staff is also 55 % male and 45 % female.

Veterans Memorial Early College High School promotes numerous student clubs and organizations. Students are encouraged to participate in any of the many extracurricular activities offered at our campus: fine arts, athletics, student council, and a host of other clubs and organizations. Additionally, our school promotes student involvement in all district co-curricular activities (including Science Fair, History Fair, and UIL Academics). Many of these activities lead to campus level competitions where the winners of these contests move on to compete at the District, Regional, State, and National levels.

School Namesake: **Veterans Memorial Early College High School**

School Colors: **Red, White and Blue**

School Mascot: **Chargers**

School Song:

Hail to you, Veteran's High, you've become our home...

Veteran's High, hear our song, help us to be strong...

As we see all our dreams, guide us to those dreams...

We shall strive to succeed, with our humble deeds...

You're our home, we're your own, Hail to Vete-ran's High

School Motto: **Home of the Brave!**

Annual Campus Goals

The Veterans Memorial Early College High School faculty and staff are committed to the following goals:

- By the end of school year 2015-2016 EOC ELA scores will be above 90%.
- By the end of school year 2015-2016, EOC Math scores will continue to be above 80%
- By the end of school year 2015-2016, EOC Science Test scores will continue to be above 80%
- By the end of school year 2015-2016, EOC Social Studies scores will continue to above 90%.
- By the end of the school year 2015-2016, all special education test takers will meet ARD expectations in all test subject areas.
- To sustain and increase yearly student attendance by 97%.
- The School will maintain a safe and disciplined environment conducive to student learning.
- The School will increase parental involvement to support an environment conducive to student learning.
- By the end of the school year 2015-2016, all students, teachers, and support staff will have received the necessary budgetary resources to support classroom and support staff instruction.
- Students will be encouraged and challenged to meet their full physical educational potential in order to improve health and quality of well-being
- Increase the graduation rate/decrease dropout rate

THE STATE OF TEXAS PUBLIC EDUCATION MISSION AND ACADEMIC GOALS

The mission of the public education system of this state is to ensure that all Texas children have access to a quality education that enables them to achieve their potential and fully participate now and the future in the social, economic, and education opportunities of our state and nation. That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of this state and for the preservation of the liberties and rights of citizens. It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family; and that parental involvement in the school is essential for the maximum educational achievement of a child.

THE STATE OF TEXAS PUBLIC EDUCATION GOALS

- GOAL #1: The student in the public education system will demonstrate exemplary performance in the reading and writing of the English language.
- GOAL #2: The students in the public education system will demonstrate exemplary performance in the understanding of mathematics.
- GOAL #3: The students in the public education system will demonstrate exemplary performance in the understanding of science.
- GOAL #4: The students in the public education system will demonstrate exemplary performance in the understanding of social studies.

THE STATE OF TEXAS PUBLIC EDUCATION OBJECTIVES

- Objective #1: Parents will be full partners with educators in the education of their children.
- Objective #2: Students will be encouraged and challenged to meet their full educational potential.
- Objective #3: Through enhanced dropout prevention efforts, all students will remain in school until they obtain a high school diploma.
- Objective #4: A well-balanced and appropriate curriculum will be provided to all students.

Objective #5: Qualified and highly effective personnel will be recruited, developed, and retained.

Objective #6: The state's students will demonstrate exemplary performance in the comparison to national and international standards.

Objective #7: School campuses will maintain a safe and disciplined environment conducive to student learning.

Objective #8: Educators will keep abreast of the development of creative and innovative techniques as appropriate to improve student learning.

Objective #9: Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration.

Comprehensive Needs Assessment

Needs Assessment Overview

Area Reviewed	Summary of Strengths	Summary of Needs	Priorities
	What were the identified strengths?	What were the identified needs?	What are the priorities for the District, including how federal and state program funds will be used?
Demographics	<ul style="list-style-type: none"> • Increase in enrollment • Academics • At Risk Program • Fine Arts Department • Athletics Department • CTE Department • Provide effective programs for At-Risk students • Increase and maintain graduation rates to meet district goals • Provide more credit recovery opportunities to keep students from dropping out • Provide more ongoing training for teachers in all areas of curriculum • Increase participation in Dual Enrollment HS Program by hiring qualified teachers • English I EOC Percentage of Level 2 Satisfactory and Level 3 Advanced for LEP and Special Education Students. (STAAR /EOC) 		<ol style="list-style-type: none"> 1. Programs such as A+ will be provided for at risk students to potentially catch up to their cohort after school transportation will be provided. CIP (3.1.1) 2. Counselors, AT Risk Counselor, and the Program Specialist will monitor graduation rates during the school year. CIP (3.1.2,3.1.3) 3. Provide Recovery Credit Opportunities during the school year for our students before and/or after-school to keep them from dropping out after school transportation will be provided. CIP (3.1.1) 4. Offer training for campus personnel including, but not limited to, DISTRICT ALIGNED CURRICULUM, Microsoft, Outlook, and Compass Odyssey. CIP (1.1.12, 1.1.14, 1.1.15, 1.1.16, 1.1.17, 1.2.5, 1.2.6, 1.2.8, 1.2.18, 1.2.19, 1.2.20, 1.2.21, 1.2.24, 1.3.5, 1.3.6, 1.4.3, 1.5.4, 1.5.7, 1.5.8, 1.7.3, 1.7.11) 5. Hire teachers who are eligible to teach

- English II EOC Percentage of Level 2 Satisfactory and Level 3 Advanced for LEP and Special Education Students. (STAAR /EOC)

- UTB Dual Enrollment Courses. CIP (1.7.4)
6. Provide Professional development for all teachers in the area of English Language Proficiency Standards (ELPS) for Reading/Writing Instruction and STAAR Reporting Categories. CIP (1.2.18, 1.1.14)
 7. Provide professional development for all teachers who provide instruction to Special Education students on ELAR/SLAR TEKS, ELPS, CCRS, and STAAR Reporting Categories. CIP (1.1.18)
 8. Provide professional development on ELAR/SLAR DISTRICT ALIGNED CURRICULUM and alignment to all state adopted texts. CIP (1.2.5)
 9. Provide data analysis based on ELAR/SLAR student expectation and reporting Categories from the 2015 STAAR Reading/Writing assessments. CIP (1.2.24)
 10. Provide migrant students with school supplies and clothing on an as needed basis to ensure their success CIP (7.1.7)
 11. Food and needs pantry will be set up to provide students identified as homeless with basic clothing, school and hygiene supplies (3.1.17)
 12. PFS/Migrant students will have access to a specialized computer lab in order to offer supplemental academic and/or instruction support at the campus level. This support will increase the migrant students' opportunity and accessibility to obtain a high quality education through the use of computers for credit accrual and acceleration, on-line

			resources to conduct research, and to finish homework and/or project. (7.1.20)
Student Achievement	<ul style="list-style-type: none"> • Gap closing between achievement of At-Risk and Non-At-Risk students • Disaggregation of PEIMS Student Data • Analyze Enrollment Report • At Risk programs offered at campus <p>PGP in place at campus</p> <ul style="list-style-type: none"> • Veterans Memorial TAKS/EOC scores were above the district average • Train teachers on the disaggregation of student achievement data using Aware • Identify students who are making progress in local and district benchmarks to show growth from previous testing scores and provide interventions for their success. • Increase 9th grade ELA scores by 10% to surpass the state standard. • Increase EOC scores for all subpopulations -primary and re testers. • Increase EOC scores for ELL and SPED students in all areas • Meet standards for AMOA I, II, and III. 		<ol style="list-style-type: none"> 1. Teachers will be trained on the use of Aware to disaggregate data to provide effective instruction on an individual basis. CIP (1.1.17, 1.2.5, 1.4.3) 2. Identify students who are making progress in local and district benchmarks to show growth from previous testing scores and provide interventions for their success. Careful consideration of testing participation requirements are carefully reviewed for students. CIP (1.1.11, 1.1.12, 1.2.3, 1.2.17, 1.2.23) 3. Provide tutorials before and/or after school, and on select Saturdays to increase student achievement based on their local and district benchmark scores. Paper, workbooks and general supplies will be provided for this task. Transportation will be provided.CIP (3.1.1) 4. Core Area teachers will meet every during their common planning period to align their curriculum across grade levels. CIP (1.1.2, 1.1.3) 5. Summer programs will be implemented to ensure students have a foundation before transitioning from middle school to high school.(Summer Bridge, Algebra camp) CIP (3.1.19) 6. Provide Recovery Credit Opportunities during the summer for our students to keep them from dropping out. CIP (3.1.20) 7. Parent Liaisons will be reimbursed for

			<p>mileage for home visits for attendance, address verification, parent contact etc.(6.1.10)</p> <p>8. Student will be given multiple opportunities to read for enjoyment (1.2.1)</p> <p>9. The LUCHA program will be set up to help target the needs of our ELL Newcomers. (3.1.10, 3.1.11)</p> <p>10. Student will receive motivation through receiving medals, awards, certificates etc. to honor outstanding achievement in the academic areas. (3.1.21)</p>
School Culture and Climate	<ul style="list-style-type: none"> • Teacher ratio to student ratio • Aligned curriculum • Parental support • Facilities are state of the art • Tutorials and after school programs offered • Conduct surveys from parents, teachers and students for campus improvement. • Increase the opportunities offered for credit recovery programs. • College Going Culture • Conduct surveys from parents, teachers and students for campus improvement. • Increase our Parental Involvement throughout the year. 		<ol style="list-style-type: none"> 1. Credit recovery programs such as A+ will be implemented in STAR classes and after school. CIP (3.1.1, 3.1.4) 2. After school Tutorials will be specific. For instance, core teachers will teach for homework help, End of Course and/or TAKS/EOC. CIP (3.1.1) 3. Surveys need to be conducted at beginning of school year to focus on each campus improvement need based on parents, students, and teacher's needs CIP (6.1.8) 4. Parental involvement will increase by 15% to include them in holiday events, parental monthly meetings, athletic events, fine arts events. CIP (6.1.1, 6.1.4, 6.1.5, 6.1.6)

<p>Staff Quality/ Professional Development</p>	<ul style="list-style-type: none"> • Teacher Highly Qualified • Professional Development • Low teacher-student ratios • Course completions • Eduphoria Aware and TANGO allows teachers to create / maintain • Data for students PDAS - evaluation provide feedback • Many opportunities for Professional Development in core content area such as Pre-AP, GT hours, and AP on-going. <ul style="list-style-type: none"> ◦ Increase the opportunities of Professional Development in core content areas such as SIOP , Vested, Sheltered Instruction, ELL Strategies. ◦ Recruit highly qualified teachers by offering stipends. ◦ Recruit teachers highly qualified to teacher AP, Pre-AP, GT, and Dual Enrollment courses. 		<ol style="list-style-type: none"> 1. Teachers will be given the opportunity to attend Pre-AP, GT, AP and SIOP opportunities throughout the year for teacher growth. CIP (1.1.12, 1.2.5, 1.3.5,1.1.14, 1.2.8) 2. Increase the number of teachers who are highly qualified at the time of hire by offering stipends for composite certification and selected trainings. CIP (1.7.4) 3. New teachers will be assigned a teacher mentor upon their first year or hire for teacher success in the classroom. (1.1.4) 4. Core Area teachers will attend various district and Region One training to assist them in best practices to ensure success with all students. CIP (1.1.19, 1.2.6) 5. All teachers will have the opportunities to receive professional development from outside district sources and consultant to help them become or continue to be an more effective teacher. (1.1.20) 6. Supplies will be purchased to facilitate teacher staff development and professional development opportunities on campus (1.1.4)
<p>Curriculum, Instruction, Assessment</p>	<ul style="list-style-type: none"> • DISTRICT ALIGNED CURRICULUM driven • Vertical Alignment • Collaborating among administrators and teachers • Knowledge of STAAR ELA (H.S.) • Knowledgeable Department/Strand Leaders 	<ul style="list-style-type: none"> • Increase ELA scores by 10% to surpass the state scores. • Meet with teachers to create local benchmarks • Knowledge of STAAR Reading and Writing (H.S.) • Knowledge of Depth of Knowledge (H.S.) • Knowledge of DISTRICT 	<ol style="list-style-type: none"> 1. Increase ongoing Professional Development for the core areas. We will have at least one day every six weeks to plan out the following scope and sequence as a department to have an aligned curriculum across grade levels. CIP (1.1.2, 1.1.3) 2. Meet with teachers to create local benchmarks for all student populations

- Knowledge of Reading/Expository 9-12
- Knowledge of Writing Conventions 9-12
- Implementation of ELAR/SLAR TEKS 9-12
- Implementation of ELPS 9-12

ALIGNED
CURRICULUM/Textbook
Alignment (H.S.)

- Knowledge of CCRS 9-12
- Knowledge of Reading Literacy/Poetry 9-12
- Knowledge of Writing Literacy and Expository Texts 9-12
- Implementation of CCRS 9-12
- Increase all EOC Scores for ELL and SPED population

- to include, special education and bilingual to target students strengths and weaknesses. CIP (1.1.1, 1.1.2)
3. Provide Professional development for all teachers in the area of English Language Proficiency Standards (ELPS) for Reading/Writing Instruction and STAAR Reporting Categories. CIP (1.2.18, 1.2.22)
 4. Provide professional development for all teachers who provide instruction to Special Education students on ELAR/SLAR TEKS, ELPS, CCRS, and STAAR Reporting Categories. CIP (1.2.18, 1.2.22)
 5. Provide professional development on ELA/SLA DISTRICT ALIGNED CURRICULUM and alignment to all state adopted texts. CIP (1.2.5)
 6. Provide data analysis based on ELAR/SLAR student expectation and reporting Categories from the 2015 STAAR Reading/Writing assessments. CIP (1.2.5)
 7. Provide intensive intervention through research based instructional practices provided by the TLI Teacher Specialist and professional development training sessions. Targeted instruction will be data driven and targeted for students who are failing to meet passing standards or who are struggling in their classes. CIP (1.2.5, 1.2.17, 1.2.19, 1.2.20)
 8. The ESL/ELA, Science, Math, and Social Studies departments require supplies throughout the school year. This need is present because teachers must ensure that they have the

			<p>necessary materials to provide classroom instruction and comply with BISD and state curriculum standards. Supplies needed include paper, pencils, pens, printing materials, ink cartridges, markers, highlighters, index cards, paper clips, colored pencils, etc. CIP (1.1.6)</p> <p>9. The Core area department representatives along with teacher support staff will attend the Texas Assessment Conference and other conference such as CAST, technology conference, TCEA to gain better insight and understanding of the STAAR/EOC (1.2.6)</p> <p>10. The Core Area Department Representations will attend the Region One Technology Conference or TCEA (Texas Computer Education Association) to gain better insight on how to effectively implement technology in the instructional classroom to make gains in student achievement. (1.2.6, 1.1.19)</p>
<p>Family and Community Involvement</p>	<ul style="list-style-type: none"> • Parental Meetings • Parent Feedback <ul style="list-style-type: none"> ◦ Parental Center needs to be developed and involved on an ongoing basis. ◦ Increase participation in parent meetings for all subpopulations 		<ol style="list-style-type: none"> 1. Increase parental involvement in the decision making process of the campus. CIP (6.1.7) 2. Increase the number of participation in campus and migrant parent meetings. Increase parent contact and high interest topics. CIP (6.1.6, 7.1.14) 3. Parent Liaison and Migrant Clerk will order supplies (snacks) throughout the school year to ensure that they have the necessary equipment to have successful parent meetings. (6.1.11, 7.1.14)

School Context and Organization	<ul style="list-style-type: none"> • Monthly meetings • Assistance in teacher monitoring • Equal disbursement of duty responsibilities • Each class has one grade level counselor 	<ul style="list-style-type: none"> • Utilize community agencies to assist student At-Risk of dropping out 	<ol style="list-style-type: none"> 1. Campus needs to have more networks with outside agencies to help our At Risk students with a community support to empower them to stay in school by fostering a one-to-one relationship with students, providing a safe place to learn at the school, connecting student with needed medical/health services, and helping student with career planning . CIP (3.1.8)
Technology	<ul style="list-style-type: none"> • Upgraded network infrastructure • Use of Aware by Administrators and Teachers to view student results on formal assessments • TST • Use of ESchools program among administration and parents to view student progress • More wireless access points • Additional resources are needed for technology integration including: Elmo's, Projectors, Smartboards • Campus need accessibility to instructional technology devices in order to improve student achievement: Desktops, Laptops, Printers, IPADs • Increased accessibility to computers for all students • New Software needed. 		<ol style="list-style-type: none"> 1. Campus needs improvement in its cable network, wireless infrastructure, and instructional workstations as we move closer to a 1:1 solution for students. CIP (8.1.10) 2. Only 40% of our campus teachers have ELMO's, projectors, CPS, smart boards to increase the use of technology in the classroom. CIP (1.1.5, 1.4.3) 3. Campus needs accessibility to instructional technology devices in order to improve student achievement: Desktops, Laptops, Printers, IPADs, sound system, document cameras, projectors, smartboards, scanners and portable screens. CIP (1.1.5, 3.1.9). 4. Computers will provide accessibility to instructional programs that would increase student interaction and engagement in the learning process. The level of technology integration into classroom instruction by teachers and students will be increased. On-line resources and materials such as Study Island, Compass Odyssey, Think through Math and Living with Science, Shmoop will be used to improve

			<p>student performance. (1.1.13, 3.1.6, 8.1.7)</p> <ol style="list-style-type: none">5. New software that is in line with current TEKS will be purchased. (8.1.7)6. Professional Development will be offered by the TST for students and teachers to ensure proper integration of technology in the classroom. Teachers will be encouraged to seek professional development outside of contract hours offered by the Technology Dept, attend the Region One Technology Conference and TCEA Texas Computer Education Association.) (1.2.6, 1.1.19)7. Teachers will integrate the use of computers and will require a technology project from the students on a 6 weeks basis. (8.1.7)

Demographics

Demographics Summary

Veterans Memorial High School views demographics data on a daily basis. The student population served at Veteran Memorial Early College High School is 2,064 students and serves students in the ninth through twelfth grade. According to the PEIMS Data Review of our campus profile, the student population includes: 96.8% Hispanic, 2.08% White, .34% African American, .78% Asian, 6.83% Limited English Proficient, 92.01% Economically Disadvantaged, 34.35% At-Risk, 1.31% Migrant, 21.37% Gifted and Talented, and 7.66% Special Education. Enrollment numbers for veterans Memorial Early College High School has remained steady. A total of 709 students are identified as at-risk with the highest number of at-risk students being Hispanic and Economically Disadvantaged. Additionally, the retention rate is as follows: All students-5%, At-risk students-95%. The attendance rates for 2015-2016 school is 96.06 % for all students and 94.52% for At-risk students. The Drop out rates for the 2014-2015 school year is 1% for all students and 1 % for At-risk students. Moreover, the Completion Rates for the 2013-2014 school year is 96.65% for all students and 97.81% for At-risk students. The Graduation rates for the 2014-2105 school year is 95.92% for all student and 93.78% for At-Risk students. Of the many focuses of data, we daily monitor our attendance and At-Risk student population. Once attendance is taken on a daily basis, we view our average daily attendance to see if we have met our attendance goals. Once we identify that we have not met our attendance goals, we make sure to call the parents of students who are absent and work to make sure absences are excused. If students are consistently absent, we make sure to conference with parents or send the Parent liaison for a home visit. When students are identified as At-Risk, administrators, counselors, and teachers begin consistent progress monitoring to make sure students are academically successful. State Compensatory funds are allocated to provide additional before or after-school tutorials as well as Saturday Academies. Procedures for overseeing demographic concerns include verifying daily attendance, verifying tutorial attendance (before-school, after-school, and Saturday tutorials), allotting time for teacher and parent conferences, and purchasing additional resources.

Demographics Strengths

- Increase in enrollment
- Academics
- At Risk Program
- Fine Arts Department
- Athletics Department
- CTE Department

Demographics Needs

- Provide effective programs for At-Risk stude

- Maintain graduation rates to meet district goals
- Provide more credit recovery opportunities to keep students from dropping out
- Provide more ongoing training for teachers in all areas of curriculum
- Increase participation in Dual Enrollment HS Program by hiring qualified teachers
- English I EOC Percentage of Level 2 Satisfactory and Level 3 Advanced for LEP and Special Education Students. (STAAR /EOC)
- English II EOC Percentage of Level 2 Satisfactory and Level 3 Advanced for LEP and Special Education Students. (STAAR /EOC)
- Address the needs of all student populations with a focus on the academic success of IDEA, CTE, ESL, and Migrant.

Student Achievement

Student Achievement Summary

Critical to the academic success of Veterans Memorial High School is the disaggregation of students' assessment data. Data is disaggregated consistently to identify the areas needing improvement such as meeting states students' expectation and TEKS mastery. Data disaggregation is done on a three week basis through the analysis of progress monitoring, student grades, percentages of students on a RTI plan, local and district benchmarks. Administrators and teachers look at students' scores and break down the test objectives by class period. Once weaknesses are identified, teachers plan instruction accordingly to strengths and weaknesses of each class period and by student. The data is also disaggregated within subpopulations: IDEA, CTE, ESL, Migrant, ethnicity, Economically Disadvantaged, and At-Risk. End-Of-Course All Students Summary: English 1: 71%; English 2: 72%; Algebra 1: 82%; Biology: 92%; United States History: 97%. The trends identified when student performance scores were compared over a period of 3 years demonstrate that the students are steadily making gains in achievement. Our greatest area of need is in both English 1 and English 2. Performance variation between all groups:

English Language Arts 1: At-Risk 53%, Economically Disadvantage 68%, Hispanic 70%, White 100%, Female 78%, Male 65%, Gifted and Talented 99%, LEP 24%, Migrant 44%, Special Education 35%.

English Language Arts 2: At-Risk 51%, Economically Disadvantage 81%, Hispanic 81%, White 92%, Female 84%, Male 78%, Gifted and Talented 98%, LEP 29%, Migrant 19%, Special Education 45%.

Algebra 1: At-Risk 75%, Economically Disadvantage 81%, Hispanic 82%, Female 82%, Male 81%, Gifted and Talented 89%, LEP 68%, Migrant 18%, Special Education 50% .

Biology: At-Risk 89%, Economically Disadvantage 94%, Hispanic 94%, White 94%, Female 95%, Male 94%, Gifted and Talented 100%, LEP 70%, Migrant 80%, Special Education 72%.

United States History: At-Risk 91%, Economically Disadvantage 97%, Hispanic 97%, White 100%, Female 97%, Male 98%, Gifted and Talented 100%, LEP 72%, Migrant 90%, Special Education 84%.

The trends when all students performance was compared with all student groups indicate that students in most areas are making gains and the gap of achievement is closing for the At-Risk population. It also show that our areas of need are the LEP and SPED populations. Although the SPED populations have made gains in several areas.

Student Achievement Strengths

- Gap closing between achievement of At-Risk and Non-At-Risk students

- Disaggregation of PEIMS Student Data
- Analyze Enrollment Report
- At Risk programs offered at campus
- PGP in place at campus
- Veterans Memorial EOC/STAAR scores were above the district average

Student Achievement Needs

- Train teachers on the disaggregation of student achievement data using Aware and/or TANGO
- Identify students who are making progress in local and district benchmarks to show growth from previous testing scores and provide interventions for their success.
- Increase 9th grade ELA scores by 10% to surpass the state standard.
- Increase EOC scores for all subpopulations -primary and re testers.
- Increase EOC scores for ELL and SPED students in all areas
- Meet standards for AMOA I, II, and III.
- Migrant students will be provided with school supplies and personal items to ensure their academic success.
- All students will be given opportunity to read for enjoyment

School Culture and Climate

School Culture and Climate Summary

The campus analyzes the school culture and climate to ensure that students are being provided with a safe and disciplined environment conducive to student learning. Administrators and teachers meet once on a six weeks basis to discuss matters related to providing a positive school culture and climate. The SBDM representatives bring issues and concerns to the monthly meetings. Campus long range plans, policies and procedures, and safety issues are communicated to both parents and community members to assist the campus in providing a positive culture and climate. Parents are strongly encouraged to get involved in volunteering opportunities that will assist their child's education. Issues are reviewed and discussed through consistent dialogue and both administrators and teachers created a plan to improve issues that affect School Culture and Climate.

School Culture and Climate Strengths

- Teacher ratio to student ratio
- Aligned curriculum
- Parental support
- Facilities are state of the art
- Tutorials and after school programs offered
- Conduct surveys from parents, teachers and students for campus improvement.

School Culture and Climate Needs

- Increase the opportunities offered for credit recovery programs.
- College Going Culture
- Conduct surveys from parents, teachers and students for campus improvement.
- Increase our Parental Involvement throughout the year.

Staff Quality, Recruitment, and Retention

Staff Quality, Recruitment, and Retention Summary

The campus uses a hiring committee composed of administrators and teachers to make hiring determinations. A record of how applicants interviewed and an evaluation instrument is used to document applicant responses and administrators' and teachers' feedback on the applicants. Teacher performance records are kept by the school principal. Novice teachers are provided a grade-level mentor and an administrative mentor so that they have success in their profession.

Staff Quality, Recruitment, and Retention Strengths

- Teacher Highly Qualified
- Professional Development
- Low teacher-student ratios
- Course completions
- Eduphoria Aware and TANGO allows teachers to create / maintain
- Data for students PDAS - evaluation provide feedback
- Many opportunities for Professional Development in core content area such as Pre-AP, GT hours, and AP on-going.

Staff Quality, Recruitment, and Retention Needs

- Increase the opportunities of Professional Development in core content areas such as SIOP , Vested, Sheltered Instruction, ELL Strategies.
- Recruit highly qualified teachers by offering stipends.
- Recruit teachers highly qualified to teach AP, Pre-AP, GT, and Dual Enrollment courses.

Curriculum, Instruction, and Assessment

Curriculum, Instruction, and Assessment Summary

Curriculum, Instruction, and Assessment are one of the most important aspects of the campus. Everyday decisions are made regarding Curriculum, Instruction, and Assessment. Veterans Memorial implements district decisions curriculum (DISTRICT ALIGNED CURRICULUM) and assessments as required by the state of Texas. Veterans Memorial bases all of its instructions from the Texas Essential Knowledge and Skill (TEKS) and prepares students for state assessments. In doing this process, Veterans Memorial teachers plan lessons consistently. Administrators provide teachers with instructional resource and professional development opportunities. Veterans Memorial administrators and grade-level lead teachers guide and mentor new teachers. Planning for instruction and intervention is done as a whole through vertical and horizontal alignment. Collaboration is encouraged so that teachers learn from one another

Curriculum, Instruction, and Assessment Strengths

- DISTRICT ALIGNED CURRICULUM driven
- Vertical Alignment
- Collaborating among administrators and teachers
- Knowledge of STAAR ELA (H.S.)
- Knowledgeable Department/Strand Leaders
- Knowledge of Reading/Expository 9-12
- Knowledge of Writing Conventions 9-12
- Implementation of ELAR/SLAR TEKS 9-12
- Implementation of ELPS 9-12

Curriculum, Instruction, and Assessment Needs

- Increase ELA scores by 10% to surpass the state scores.
- Meet with teachers to create local benchmarks
- Knowledge of STAAR Reading and Writing (H.S.)
- Knowledge of Depth of Knowledge (H.S.)
- Knowledge of DISTRICT ALIGNED CURRICULUM/Textbook Alignment (H.S.)
- Knowledge of CCRS 9-12
- Knowledge of Reading Literacy/Poetry 9-12

- Knowledge of Writing Literacy and Expository Texts 9-12
- Implementation of CCRS 9-12
- Increase all EOC Scores for ELL and SPED population
- Full implementation of TLI strategies in the classroom.

Family and Community Involvement

Family and Community Involvement Summary

Veterans Memorial is committed to involving parents and community members to be involved in students' education. The parent liaison compiles data on parental participation attendance and meeting agendas for the SBDM committee. With that information, SBDM determines campus needs. In order to increase parental involvement attendance rates, parent and community member volunteer opportunities are available throughout the school year.

Family and Community Involvement Strengths

- Parental Meetings
- Parent Feedback

Family and Community Involvement Needs

- Parental Center needs to be developed and involved on an ongoing basis.
- Increase participation in parent meetings for all subpopulations

School Context and Organization

School Context and Organization Summary

The School Context and Organization Committee reviewed the decision making processes, the supervision structures, the schedules for all programs along with the forms of communication, both formal and informal that is in place at our campus.

School Context and Organization Strengths

- Monthly meetings
- Assistance in teacher monitoring
- Equal disbursement of duty responsibilities
- Each class has one grade level counselor
- Each class has one grade level administrator

School Context and Organization Needs

- Utilize community agencies to assist student At-Risk of dropping out

Technology

Technology Summary

The Technology committee met several times and looked at the STAR Chart, Fixed Assets Report along with the current hardware and software being utilized across grade level at the campus. The technology teacher was able to input as to the level of implementation and acquisition of the Technology TEKS as observed per grade level.

Technology Strengths

- Upgraded network infrastructure
- Use of Aware and TANGO by Administrators and Teachers to view student results on formal assessments
- TST
- Use of ESchools program among administration and parents to view student progress

Technology Needs

- More wireless access points
- Additional resources are needed for technology integration including: Elmo's, Projectors, Smartboards
- Campus need accessibility to instructional technology devices in order to improve student achievement: Desktops, Laptops, Printers, IPADs
- Increased accessibility to computers for all students
- New Software needed.
- Computer Labs needed.

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus goals
- Current and/or prior year(s) campus and/or district improvement plans
- Campus and/or district planning and decision making committee(s) meeting data
- State and federal planning requirements

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Performance Index Framework Data: Index 1 - Student Achievement
- Performance Index Framework Data: Index 2 - Student Progress
- Performance Index Framework Data: Index 3 - Closing Performance Gaps
- Performance Index Framework Data: Index 4 - Postsecondary Readiness
- System Safeguards and Texas Accountability Intervention System (TAIS) data
- Critical Success Factor(s) data
- Accountability Distinction Designations
- Federal Report Card Data
- PBMAS data
- Community and student engagement rating data
- Annual Measurable Achievement Objectives (AMAO) data

Student Data: Assessments

- State and federally required assessment information (e.g. curriculum, eligibility, format, standards, accommodations, TEA information)
- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR End-of-Course current and longitudinal results, including all versions
- STAAR Released Test Questions
- STAAR ELL Progress Measure data
- Texas English Language Proficiency Assessment System (TELPAS) results
- Texas Success Initiative (TSI) data for postsecondary/college-ready graduates data
- Advanced Placement (AP) and/or International Baccalaureate (IB) assessment data
- SAT and/or ACT assessment data
- Local diagnostic reading assessment data
- Local diagnostic math assessment data
- Local benchmark or common assessments data

- Student failure and/or retention rates
- Observation Survey results

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Number of students assigned to each special program, including analysis of academic achievement, race, ethnicity, gender, etc
- Economically Disadvantaged / Non-economically disadvantaged performance and participation data
- Male / Female performance and participation data
- Special education population, including performance, discipline, attendance, and mobility
- Migrant population, including performance, discipline, attendance and mobility
- At-Risk population, including performance, discipline, attendance and mobility
- ELL or LEP data, including academic achievement, support and accommodation needs, race, ethnicity, gender, etc
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Completion rates and/or graduation rates data
- Annual dropout rate data
- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Violence and/or violence prevention records
- Tobacco, alcohol, and other drug-use data
- Student surveys and/or other feedback
- Class size averages by grade and subject

Employee Data

- Staff surveys and/or other feedback
- Highly qualified staff data
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact
- PDAS and/or T-TESS

Parent/Community Data

- Parent surveys and/or other feedback
- Parent Involvement Rate
- Community surveys and/or other feedback

Support Systems and Other Data

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Communications data
- Capacity and resources data
- Budgets/entitlements and expenditures data
- Study of best practices
- Action research results

Goals

Goal 1: BISD students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens

Performance Objective 1: Campus Objective: A minimum of 90% of our Veterans Memorial students tested will demonstrate mastery on the EOC English Language Arts, Algebra I, Biology, and US History tests. A minimum of 45% of our Veterans Memorial students will demonstrate a Level III Advanced Performance on STAAR/EOC, English Language Arts, Algebra I, Biology, and US History tests.

Summative Evaluation: STAAR/EOC

6) Provide Professional Development which utilizes intensive, multisensory, phonetic methods, as well as writing and spelling components, for Dyslexia Teachers in order to implement a complete comprehensive Dyslexia Program.
 ***All new Dyslexia teachers will complete a two year training in Basic Language Skills Dyslexia Reading Program
 ***Program training for all Dyslexia teachers of students in grades 6 - 12 in Multisensory Reading and Spelling
 ***Continue training for all Dyslexia teachers in areas that support and expand their current knowledge base in Orton-Gillingham approaches and current trends
 ***Continue to provide professional development for general education campus teachers in areas of Dyslexia characteristics, Dyslexia student identification and implementation of accommodations
 ***Dyslexia teachers will be committed to achieving the level of expertise in completing the Dyslexia Practitioner Preparation Program
 ***Dyslexia teachers will be committed to revising or updating the newly developed District Teacher and Dyslexia Program Operating Guidelines on a yearly basis.
 ***Texas Assessment Conference
 ***Dyslexia teachers will receive Neuhaus Curriculum training as per district requirement
 ***All dyslexia teachers will provide a dyslexia overview at the beginning of the school year as per district requirement. This will provide early recognition of dyslexia characteristics in order for RTI Implementation to begin in a timelier basis with the additional benefit of earlier assessment and identification of dyslexic students.
 ***To better support instruction and improve student achievement in the classroom, Title I-A instructional assistants will attend professional development sessions and be trained on the latest scientific, research-based instructional strategies.
 ***Region One Technology Conference

Title I

Schoolwide Program Plan

Veterans Memorial Early College High School uses its Title I, State Compensatory and other funds to upgrade the entire instructional program by implementing school-wide programs as authorized under the provisions of Public Law 107-110, Section 1114.

The Site-Based Decision-Making (SBDM) Committee conducted a comprehensive needs assessment (CNA pp9-17) over a period of one year to determine the strengths and needs of students, staff, parental & community involvement, and facilities before deciding how to use available local, state, and federal budget allocations. Based on the CNA, the committee decided to concentrate on improving the passing rate of all students and student groups including Migrant, Bilingual, At-Risk, Dyslexia, GT, Title I, and Special Education on state assessments. The goal is to have 90 percent of all students and all student groups passing all parts of state mandated assessments for 2015-2016 and to increase the commended performance level in all content areas. In addition, mathematics is an area of concern for our school. To accomplish these objectives, the staff will use the budgeted funds to implement school-wide reform strategies that provide opportunities for all children to meet the State's proficient and advanced levels of academic performance, use effective methods and instructional strategies that are established on scientifically based research that (1) strengthen the core academic program by offering professional development opportunities in their current content area to include Pre-AP, GT, AP, SIOP, DISTRICT ALIGNED CURRICULUM, and End of Course opportunities (CIP1.1.14, 1.1.15, 1.1.16,1.1.17, 1.2.5,1.2.6,1.2.18,1.2.24); (2) increase the amount and quality of learning time, including the funding of an after-school tutorial/ summer school/ enrichment program, for students who are At-Risk and in need of continuity in their instructional program to be successful in the succeeding school year (CIP 3.1.1) ; (3) include strategies for meeting the educational needs of historically underserved population such as SIOP trainings, ESL trainings; (CIP1.1.12, 1.1.14, 1.2.5, 1.2.8, 1.2.19); (4) include strategies to address the needs of all children in school, particularly the needs of low-achieving students, At-Risk, or not meeting the State student academic achievement standards such as peer to peer tutoring, cooperative learning, integrating technology strategies; (CIP1.1.5, 1.1.19, 3.1.9, 3.1.19); (5) address how the school will determine if such needs have been met; (CIP 1.1.2, 1.1.3, 1.1.8, 1.1.11, 3.1.8) and (6) are consistent with and are designed to implement the State and local improvements plans.

Highly-qualified teachers will carry out the instructional program(CIP 1.1.9, 1.1.14, 1.2.3, 1.2.5, 1.2.14, 3.1.1, 3.1.15). Only teachers who are certified and who have met state testing requirements to teach the subjects/grade levels to which they are assigned will be hired by the school. In emergency situations, the school will consider teachers who have alternative certification. In addition to appropriate certification, teachers will be sought who are experienced and have been successful in previous assignments. Strategies to attract high-quality teachers to high needs schools (CIP 1.1.6, 1.7.4) will include selection of teachers from the District's efforts to retain teachers from the district, paying stipends for attainment of a Master's Degree, and paying stipends for math, English as a second language, science, social studies and career and technology certifications. The school will provide access to high-quality ongoing professional development throughout the school year for all staff including teachers, principals, and paraprofessionals. Professional development activities will be geared to individual teachers' specialties, along with any other identified needs as determined through the staff, student and parent needs assessment surveys, administration classroom observations and evaluations, and/or district identified needs. Professional development will be conducted both at the school and the education service center as well as district conferences and workshops which will be intensive and sustained We need to continue professional developments in all core areas to increase student performance (CIP 1.1.4, 1.1.12, 1.1.14, 1.1.15, 1.1.16, 1.1.17, 1.1.20, 1.2.5, 1.2.6, 1.2.18, 1.2.19, 1.2.20, 1.2.21,1.2.24, 1.3.5, 1.4.3, 1.5.5, 1.7.11).

Veterans Memorial Early College High School takes strides to increase Parental Involvement. Title I, Part A Funds will be used to partially finance strategies to increase parental involvement at the school including the parent workroom and to purchase special materials used in the parent volunteer program. Parent education will be provided to parents by the campus parent liaison as well as the District's Parental involvement Center (CIP 3.1.11, 4.1.4, 4.1.5, 4.1.6, 6.1.1, 6.1.2, 6.1.3, 6.1.4, 6.1.5, 6.1.6, 6.1.7, 6.1.8, 6.1.9, 6.1.10, 6.1.11, 6.1.12, 6.1.3, 6.1.14, 6.1.15, 6.1.16). Parent training on how to help their students be successful at home, learning English, discipline management and parenting skills will be provided to those parents who want to better meet the rigors of parenting.

Teachers will be included in decisions regarding the use and selection of academic assessments to measure student performance. Teachers will use data obtained from state assessments as well as other instruments, including but not limited to the SELP, TELPAS, and benchmark tests, to implement new instructional strategies, modify existing strategies and/or discontinue existing strategies to better address student needs as determined by use of these instruments. (CIP 1.1.1, 1.1.2, 1.1.10, 1.1.11, 1.2.4, 1.2.17, 1.2.23, 1.2.24, 1.3.1, 1.3.5)

Students experiencing difficulty in mastering the TEKS will be provided effective, timely additional assistance. All teachers will closely monitor all students' performance based on daily exercises and periodic tests. Students not mastering the objectives will be provided additional assistance in the after school tutorial program and/or enrichment courses based on his/her individual needs (CIP 1.10, 8.2).

The school will coordinate and integrate federal, state, and local programs and services to maximize the effectiveness of these resources. Several of the strategies being implemented are jointly funded with Special Services and Title I Funds, e.g., after school tutorial programs. Professional Development activities are also paid for from Title I, Parts A and C, and Local Funds (CIP 1.1.4, 1.1.6, 1.1.8, 1.1.10, 1.2.11, 1.2.12, 1.2.26, 1.2.27, 1.6.10, 2.1.26, 3.1.2, 3.1.3, 3.1.7, 3.1.8, 3.1.11, 3.1.12, 3.1.13, 3.1.14, 3.1.15, 3.1.16, 3.1.17, 3.1.18, 3.1.18, 3.1.19, 3.1.20, 7.1, 8.1). Title I Funds along with (TI) 199 (LOC) funds are used to purchase supplemental instructional materials, media, and library resources used to improve and enhance the overall instructional program.

In addition to those described above, Migrant Funds are used to identify and recruit children of migratory workers for supplemental services designed in a coordinated, integrated, and efficient way through high-quality and comprehensive programs to reduce the educational disruptions and other problems that result from repeated moves. Our migrant clerk will hold meetings once each semester to foster parental involvement and provide Migrant parents with important information on campus migrant program opportunities and how to better support their children academically. Priority for Service students who are failing or most at risk of failing to meet the State's student academic achievement standards, and whose regular school year education has been interrupted, are provided additional supplementary services. VMHS ensures that migrant students are supplied with supplemental educational supplies as needed above and beyond what is provided to the general student population.

Bilingual Funds are used to provide supplemental services to help ensure that children who are limited English proficient attain English language proficiency and develop high levels of academic attainment. (CIP 2.11, 2.12, 2.15, 1.6)

The campus will also continue to provide the state mandated State Compensatory Education Program through campus as well as District funded initiatives. After school tutorials will be offered throughout the spring and fall semesters (CIP 3.1.1). Veterans Memorial follows a 3 tier approach. Our tier 3 approach will have the Assistant Principals meet weekly to discuss discipline consistency and determine proactive changes needed to decrease the number of discipline referrals. Our tier 2 approach will focus on attendance and academics. We will conduct parent conferences for attendance and academics. We will also implement a contract with students who are failing to meet attendance. Our tier 1 approach will use two new additions to BISD: (1) the Teacher Access

Center (TAC), which is an electronic database that our teachers will use to mark student grades and post attendance in class, and (2) School Messenger, which provides notification services for emergency broadcasts, parental outreach, and student attendance communications for prek-12 education. School Messenger is programmed to call the primary phone number of parents for a variety of reasons that impact the safety and academic performance of students and its database is automatically, regularly updated throughout the year. In the future, BISD will be implementing new features using SchoolMessenger which will allow parents to update contact information and to control notification preferences, including SMS text messaging. State Compensatory Education funds are utilized to provide accelerated instruction (tutorials), supplemental instructional resources, and personnel.

Special education funding provides supplemental services to eligible students as per Individuals with Disabilities Education Act (IDEA) identification requirements. In order to ensure a free and appropriate public education (FAPE) in a least restrictive environment (LRE), children who qualify for special education must receive services in accordance with a properly developed Individualized Education Program (IEP) as per federal and state special education guidelines. In addition, all Admission, Review, and Dismissal (ARD) committees will adhere to the policies and procedures outlined by the Texas Education Agency (TEA) in the ARD Committee Decision-Making Process for the Texas Assessment Program Manual and A Guide to the Admission, Review and Dismissal Process.
