Canales Elementary

2016-2017 Campus Improvement Plan

Accountability Rating: Met Standard

Mission Statement

Mission Statement

To provide a positive and safe learning environment for our student population, parents, community members, and staff aimed at meeting the progressive needs of our learning community.

Vision

Vision Statement

The vision of J.T. Canales Elementary School is for all students to become proficient in effective communication, critical reasoning and logical problem solving. We seek to meet the needs of all learners within a student centered, data driven learning community where we continually collect, analyze and act on student performance data to improve teaching and learning.

Goal 1: Canales students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens.	40
Goal 2: The students in the public education system will demonstrate exemplary performance in the TEKS based fine arts programs, co-curricular, athletic programs, and extra-curricular activities.	56
Goal 3: Through enhanced dropout efforts, all students will remain in school until they obtain a high school diploma and/or pursue a post-secondary education.	61
Goal 4: The students will be encouraged and challenged to meet their full educational potential.	65
Goal 5: School campuses will maintain a safe and disciplined environment conducive to student learning.	68
Goal 6: The Board of Trustees, in collaboration with district staff, administration, parents, and community will provide required support and resources for the attainment of educational excellence and equity. Parents will be full partners with educators in the education of their children.	73
Goal 7: Migrant students will be challenged and encouraged to meet state content standards and assessments that are necessary to graduate on time and enroll in post secondary education while receiving additional supplemental support in order to overcome the obstacles encountered due to their migrant lifestyle.	77
Goal 8: Our vision for technology is to have all district stakeholders involved in the teaching and learning process seamlessly integrate technology to make informed decisions and advance student achievement and technology literacy to encourage and support creative, innovative, lifelong learning.	82

Comprehensive Needs Assessment

Needs Assessment Overview

J.T. Canales Elementary School

2014-2015 Campus Narrative

Canales Elementary School is located in Brownsville, Texas. Canales Elementary School is one of thirty-seven elementary schools in Brownsville ISD. The campus was constructed in 1949 with 24 classrooms added in the ensuing years. The main campus was originally comprised of 35 classrooms, a cafeteria, library, and gymnasium. A new building addition comprised of 20 classrooms was completed in the 2009-2010 school year.

The student population at Canales Elementary School is approximately 639 and serves students in grades PK 3 through 5th Grade. According to the PEIMS Data Review of our campus profile, 99% of the student population is Hispanic and 97% are identified as Economically Disadvantaged. Many of our students are first generation Mexican immigrants, 67% are classified as Limited English Proficient and a majority are English/Spanish bilingual. In addition, several of our students come from homes which participate in state and federal assistance programs such as food stamps, welfare, the Women, Infant, Children (WIC) nutrition program, and subsidized housing and medical assistance.

The students of Canales Elementary School are recipients of a well-balanced curriculum. Courses are offered in every subject area:

Reading, Grammar, Spelling, Writing, Math, Science, Social Studies, Health, Theatre Arts, Physical Education, Music, and Technology. The instructional programs include academic core subjects at various levels, such as the Gifted and Talented. All students are required to meet the passing standard of the four assessments which comprise the State of Texas Assessments of Academic Readiness (STAAR).

The current staff at Canales Elementary School is comprised of 42 teachers, 3 campus administrators, 1.5 counselors, 4 professional support personnel, and 10 educational aides. The ethnicity of the Canales Elementary School staff is diverse with 98% Hispanic and 2% Caucasian. The teaching staff is also 19% male and 81% female.

Canales Elementary School's most recent campus initiative included the following:

1. J.T.Canales will provide all students with a quality tutorial program to improve overall Reading, Math, Writing, and Science skills in order to minimize retentions and increase STAAR scores.

Canales Elementary School promotes numerous student clubs and organizations. Students are encouraged to participate in extracurricular activities such as UIL, Science Fair, Spelling Bee, Brainsville, Canales Conjunto, Choir, Drill Team, Ballroom Dancing, Cheerleaders, Drum Line, and Library Club.

Canales Elementary will also be the hosting school to the Extended Day Enrichment Program.

School Namesake:	Jose Tomas Canales
School Colors:	Red and White
School Mascot:	Bulldog
School Song:	Canales Alma Mater
School Motto:	Home of the Mighty Bulldogs

Annual Campus Goals

The Canales Elementary School faculty and staff are committed to the following goals:

- An increase of at least 5 % progress in all tested areas in STAAR.
 - Provide all students with a quality tutorial program and Extended Day Enrichment to improve critical thinking, math, grammar, usage, and penmanship to compose meaningful texts designed to improve reading, math, and writing grades and STAAR scores.
 - Provide all students with the opportunity to attend Academies and Tutorial Classes that will enhance our students' background knowledge and will increase the understanding of science, reading, math, and writing.

Demographics

Demographics Summary

The student population at Canales Elementary School is approximately 639 and serves students in grades PK 3 through 5th grade. According to the PEIMS data review of our campus profile, 99% of the student population is Hispanic and 97% are identified as Economically Disadvantaged. Many of our students are first generation Mexican immigrants, 67% are classified as Limited English Proficient, and 93% are identified as At-Risk. In addition, several of our students come from homes which participate in state and federal assistance programs such as food stamps, welfare, The Women Infant Children (WIC) nutrition program, and subsidized housing and medical assistance.

The attendance rate was 97.6% for all students and 97.6% for At-Risk students. The retention rate was 6.85% for all students and 6.85% for At-Risk students.

Demographics Strengths

Findings/analysis results: The following strengths were identified and analyzed.

- **Gold performance acknowledgement award for student attendance.**
- **High Progress Title I School**
- **Campus attendance rate at our campus is 98%.**
- **Teacher-Student ratio is at or below district average.**
- **Availability of state compensatory funds for at-risk students.**

Demographics Needs

Summary of needs: After thorough review of multiple data sources, the SBDM Committee assessed program effectiveness and determined that through the collaboration of various campus resources and community entities the following demographic areas of improvement would be addressed:

- **Increase attendance of at-risk students.**
- **Identify and differentiate instruction as needed for at-risk students. (4.2.6)**
- **Raise LEP, at-risk, economically disadvantaged (sup-pops) assessment scores. (8.1.2)(3.1.6)**

1. Increase attendance rates through student motivational activities such as perfect attendance awards and prize drawings. Teachers will be prepared to monitor attendance and know which action steps to take when students are not meeting attendance goal. **Activity (4.1.2)**
2. Decrease at-risk percentages by implementing RTI with Tier II and TIER III students, providing more academic support through an extended day tutorial program; improve English proficiency by providing research-based ESL strategies. **Activity (3.1.1)**. Implement tutorials and remediation strategies in core area subjects for low-performing students in order to decrease the retention rate and improve student achievement.
3. Identify and differentiate instruction needed for LEP, at-risk, and economically disadvantaged students. IEP's will be reviewed by classroom teachers and facilitator to individualize instruction. Teachers will monitor academic performance through daily assessments, grades, attendance, and comprehensive unit assessments. **Activity (3.1.10) (4.2.6) (3.1.8)**

To best support campus efforts and meet the identified needs at the district and campus level; activities, resources(1.2.1)(1.3.1)(3.1.3), and implementation timelines related to demographics are set forth in all sections of the 2014-2015 Campus Improvement Plan.

Student Achievement

Student Achievement Summary

Procedures for student achievement:

Student achievement data was analyzed by administration, classroom teachers, and the SBDM Committee. Student needs were identified in all populations including special education, English language learners, migrant, and ELL's. Goals were set in order to improve student performance in reading, math, writing, and science scores.

Data sources reviewed: The following sources provided valuable data for student achievement in regards to the identification of needs:

- a. AEIS report
- b. AYP report
- c. STAAR summary report-group performance
- d. Eduphoria! Aware reports
- e. TELPAS and AMAOS reports
- f. Stanford and SELP reports
- g. promotion/retention rates
- h. TPRI and Tejas Lee (kinder-3rd grade)
- i. district/campus benchmarks
- j. student work
- k. CPALLS- pre-K

The trends identified when all students performance was compared by subpopulations our LEP students tend to score significantly lower than all other subpopulations. Little to no information is reported on Migrant and Special Education students due to the low number of students tested in that subpopulation. All of our students are Hispanic and as expected GT student tend to meet the state standard. Monitoring needs to be continued on GT students to ensure increase in progress

Student Achievement Strengths

Findings/analysis results: The following strengths identified after all findings were analyzed by the SBDM Committee.

- **High attendance rate due to parent liaison visits. (4.1.1) (4.1.3)**
- **Improvement in math.**
- **Provide supplemental support for migrant students. (8.1.2)**
- **Gains- science, reading.**

Student Achievement Needs

Findings/analysis results: The following areas of improvement were identified after all findings were analyzed by the SBDM Committee.

- **Increase student test scores in reading and science for all subpopulations. (Strategy 3.1.3)(1.3.1)**
- **Students need to improve on English proficiency adequately. (1.3.1)**
- **Increase number of students in RTI (targeted intensive support).**
- **Increase planning/reflection time for teachers to target weaknesses. (5.1.2)**
- **Provide awards for students. (4.1.2)**

Summary of needs: After thorough review of multiple data sources, the SBDM Committee assessed program effectiveness and determined that through the collaboration of various campus resources and community entities the following student achievement areas of improvement would be addressed:

1. Campus data has indicated that students need improvement in reading; therefore; the campus will address the need by doing the following:
 - Meet weekly with the district reading and science specialists to discuss curriculum, instruction and academic progress as needed.- Strategy **(3.1.14) (3.1.4) (1.3.1)**
 - Utilize and purchase supplemental STAAR instructional supplies and materials to further monitor progress in reading, math, writing, and science. Provide supplemental supplies and materials for all migrant students. **Strategy (8.1.1) (8.1.2)(1.2.1)(1.3.1)**
 - Provide a variety of reading materials available to students through various sources such as the library and library aide. **Strategy (1.3.3)**
2. Students shall be grouped accordingly and groups will be changed as the need arises. **(8.1.14)**
3. Teachers will meet on a weekly basis during their planning time to plan for classroom instruction. **(3.1.4) (3.1.9)**
4. Campus must ensure proper implementation of the district early transitional bilingual program.
5. Provide awards, ribbons, trophies to students who excel. **(4.1.2)**
6. Provide data analysis using all data (CPALLS/TPRI/Tejas LEE/Aprenda/TELPAS/STAAR reading/teacher observations along with progress monitoring data) must take place at least once each six weeks and instructional plans and professional development (PD) goals must be determined and updated. **(8.1.13)**
7. PD in the components of SBRR instruction abound so implementation of the information received through professional development must be monitored and teachers must receive support that they need to improve instruction. A focus on this by the campus instructional facilitator and the TLI specialist is of utmost importance. **(4.2.5)**
8. Special ed/regular ed.**co-planning** every six weeks to ensure that needs of our special populations are being met. **(1.3.8)**
9. Tutorials for 3rd-5th grade students will be conducted in order to improve reading and science skills. Custodial supplies will be purchased to address the needs of the students. The 21st Century Community Learning Centers (CCLC) serves as a supplementary program that can enhance state or local reform efforts to improve student academic achievement and support overall student development. **(3.1.1) (8.1.14)**
10. Visit homes to ensure improvement in attendance rates. **(3.1.7)**
11. Purchase instructional supplemental support for all students including migrant students. **(8.1.2) (8.1.1)(3.1.3)**
12. Provide College and Career Awareness Activities for all students. **(4.2.1) (4.2.3) (4.2.4)**

To best support campus efforts and meet identified needs at the district and campus level; activities, resources, and implementation timelines related to

student achievement are set forth in core-area, at-risk, and migrant education sections of the 2014-2015 Campus Improvement Plan.

School Culture and Climate

School Culture and Climate Summary

Procedures for school culture and climate:

In order to promote a positive climate and solicit campus community feedback; staff, students, and parents participated in a campus survey. The input the campus administrators receive from surveys or student, parent and staff meetings is used to enhance our curriculum and promote collaborative effort from all community members. The principal attends parent meetings at the parent center regularly to get feedback on all student and parent activities/functions that occur at the campus.

The parent center is a comfortable setting for parents. They are generally offered refreshments after each gathering. Teachers and parents are encouraged to voice their opinions and take part in the decision making. **(3.1.8) (8.1.12)**

Data sources reviewed: The following sources provided valuable data for school culture and climate in regards to the identification of needs:

- surveys
- questionnaires
- focus groups
- feedback data
- classroom and walkthrough data
- parent conferences
- grade level meetings
- faculty/staff meetings

School Culture and Climate Strengths

Findings/analysis results: The following strengths were identified after all findings were analyzed by the SBDM Committee

School culture and climate strengths

- **Principal maintains an open door policy towards all certified and classified personnel.**
- **Teacher-parent conferences are scheduled on a regular basis.**
- **Teachers maintain a parent telephone log in order to increase teacher-parent communication. (4.1.4)**
- **Parent meetings are scheduled on a weekly basis. (3.1.8)(7.1.2)**

- **Parental involvement is promoted throughout the school year.**

School Culture and Climate Needs

Findings/analysis results: The following areas of improvement were identified after all findings were analyzed by the SBDM Committee.

Areas needing improvement

- **Increase communication among and between the grade levels to ensure alignment of instruction. (3.1.4) (1.3.8)**
- **Require weekly lead teacher meetings with grade level to discuss instructional goals, strategies and progress.**
- **Provide opportunities to celebrate cultural differences. (1.5.2) (1.4.5)**

Summary of needs: After thorough review of multiple data sources, the SBDM Committee assessed program effectiveness and determined that through the collaboration of various campus resources and community entities the following school culture and climate areas of improvement would be addressed:

1. Canales Elementary, will work to create more opportunities for vertical and horizontal alignment to foster collaboration and collegility among grade level teachers.
2. Meetings held weekly for lead teachers to discuss instructional tools, strategies and progress.

To best support campus efforts and meet identified needs at the district and campus level; activities, resources, and implementation timelines related to school culture and climate are set forth in all sections of the 2014-2015 Campus Improvement Plan.

Staff Quality, Recruitment, and Retention

Staff Quality, Recruitment, and Retention Summary

Procedures for staff quality, recruitment and retention:

J. T. Canales Elementary SBDM Committee met and developed as well as administered a campus need survey based on information provided by faculty, staff, parents & students.

Data sources reviewed: The following sources provided valuable data for staff quality, recruitment and retention in regards to the identification of needs:

- teacher certification/qualification data
- paraprofessional and other staff qualifications
- staff effectiveness in relation to student achievement
- PDAS
- walkthroughs
- staff mobility/stability
- special program qualifications, e.g., bilingual, special education, GT, etc.
- professional development data

Staff Quality, Recruitment, and Retention Strengths

Findings/analysis results: The following strengths were identified after all careful analysis by the SBDM Committee.

Staff quality, recruitment and retention strengths

- **100% of teachers have a standard teaching certificate.**
- **100% of teachers are bilingually certified.**
- **100% of teachers are GT certified and maintain 6 hours of GT ongoing training on a yearly basis.**

Staff Quality, Recruitment, and Retention Needs

Findings/analysis results: The following areas of concern were identified after all careful analysis by the SBDM Committee.

Areas needing improvement

- **Increase science instruction in the classroom and the science lab. (1.1.1)**
- **Improve reading instruction through the use of fluency passages. (1.3.5)**
- **Increase the participation in Accelerated Reader. (1.3.3)**
- **Increase student motivational activities to promote reading. (4.1.2)**

Summary of needs: After thorough review of multiple data sources, the SBDM Committee assessed program effectiveness and determined that through the collaboration of various campus resources and community entities the following staff quality, recruitment and retention areas of improvement would be addressed:

1. To improve the quality of instruction, Canales Elementary staff will be provided with opportunities for professional development as well as use of district specialist in reading and science. **(1.3.2)(1.1.1)**
2. Accelerated Reader will be promoted in the classroom, library, and computer lab. Incentives will be given to top readers on a six weeks basis.

To best support campus efforts and meet identified needs at the district and campus level; activities, resources, and implementation timelines related to staff quality, recruitment and retention are set forth in all sections of the 2014-2015 Campus Improvement Plan.

Curriculum, Instruction, and Assessment

Curriculum, Instruction, and Assessment Summary

Procedures for curriculum, instruction and assessment:

J.T. Canales SBDM Committee met and developed as well as administered a campus need survey based on information provided by faculty, staff, parents & students.

Data sources reviewed: The following sources provided valuable data for curriculum, instruction and assessment in regards to the identification of needs: **(1.4.3)**

- Standards-based curriculum resources and materials scope and sequence; pacing guides; and/or Instructional Focus Documents (IFD) **(2.1.2)**
- echnology including hardware/software and printers ink, etc.
- instructional design/delivery; high-yield strategies
- lesson study/delivery processes
- collaborative horizontal and vertical team alignment processes **(3.1.4)**
- student-specific/differentiated strategies and processes
- district benchmark assessments
- STAAR assessment

Curriculum, Instruction, and Assessment Strengths

Findings/analysis results: The following strengths were identified after all findings were analyzed by the SBDM Committee.

Curriculum, instruction and assessment strengths

- **vocabulary development (1.3.3) (3.1.4)**
- **weekly grade level meetings (1.3.8)**
- **vertical/horizontal alignment (1.3.8)(1.1.4)**
- **Living with Science lab for 2nd-4th grade**
- **science lab for 5th grade.**
- **Think Through Math for 3rd-5th grade**

Curriculum, Instruction, and Assessment Needs

Findings/analysis results: The following areas of improvement were identified after all findings were analyzed by the SBDM Committee.

Areas needing improvement

- **Improve scores in reading, math, science and writing. (1.3.6) (1.1.1)**
- **Bilingual instruction/LPAC meetings are held every Monday by the LPAC Committee to determine student placement.**
- **Improve classroom management skills for all teachers.**
- **Increase number of computers in classrooms.**
- **Teachers will attend professional development to improve writing scores. (1.3.6)**
- **Integrate social studies and reading instruction. (2.1.4) (1.4.1) (1.4.5) (1.4.6)**

1. **Summary of needs:** After thorough review of multiple data sources, the SBDM Committee assessed program effectiveness and determined that through the collaboration of various campus resources and community entities the following curriculum, instruction and assessment areas of improvement would be addressed:
2. Provide more effective delivery of instruction through the use of student activities, computers, and hands on materials for reading and science instruction to help improve advanced scores. **(9.1.1)**
3. All teachers will be provided supplemental instructional resources to support best practices in classroom management and/or areas of improvement.
 - media center for printing
 - duplicating paper
 - classroom computers
 - document cameras/projectors,
 - teacher resources to effectively implement district curriculum.**(2.1.3)**
 - miscellaneous supplemental materials such as flags for social studies presentations/ceremonies.
 - Address ELARS, SLARS/TEKS/ELPS/STAAR through the use of State Mandated Curriculum Integrated throughout.
4. Resources for teachers and students to use in the classroom and library.
 - Reference books in science, reading, math & writing
 - teacher edition and student workbooks in science, reading, math & writing (Measuring Up, Kamico, Mentoring Minds, Forde-Ferrier, Math GPS, Buckle down Texas, STAAR Master, Curriculum Associates) **(1.2.1)**
 - School supplies provided as needed for migrant students. **(8.1.2)**
5. Research based materials to meet the diverse needs of the campus student population will be provided for all teachers. **(4.1.5)**

- bilingual
- G.T. **(6.1.1)**
- at-risk
- special ed.
- migrant
- dyslexia/504
- regular ed.
- ELLS

6. Extended day classes to improve scores for at-risk population students, bilingual students and commended scores. **(1.1.1)**

- supplemental workbooks
- extra duty pay/LPAC stipends

7. J.T. Canales Elementary will implement professional development-vertical/horizontal planning & consultants to monitor progress and improve instruction. **(1.1.4)**

To best support campus efforts and meet identified needs at the district and campus level; activities, resources, and implementation timelines related to curriculum, instruction and assessment are set forth in all sections of the 2014-2015 Campus Improvement Plan.

Family and Community Involvement

Family and Community Involvement Summary

Procedures for family and community involvement:

J. T. Canales Elementary SBDM Committee met and developed as well as administered a campus need survey based on information provided by faculty, staff, parents & students.

Data sources reviewed: The following sources provided valuable data for family and community involvement in regards to the identification of needs:

- parent volunteers
- parent surveys
- parent liaison
- parent trainings

Family and Community Involvement Strengths

Findings/analysis results: The following strengths were identified after careful analysis by the SBDM Committee.

Family and community involvements strengths

- progress reports
- volunteer drive (7.1.6)
- meetings held in parents' native language (7.1.2)
- open house
- campus committee (i.e, SBDM, LPAC)
- use of parent center
- positive welcoming environment (7.1.2)

Family and Community Involvement Needs

Findings/analysis results: The following areas of improvement were identified after careful analysis by the SBDM Committee.

Areas needing improvement (3.1.8)

- **Will provide parent training in ESL instruction.**
- **More parents need access to HAC.**
- **Parenting awareness/training. (7.1.1) (5.1.7) (7.1.2)**
- **Provide clothing for migrant students to increase attendance.**

Summary of needs: After thorough review of multiple data sources, the SBDM Committee assessed program effectiveness and determined that through the collaboration of various campus resources and community entities the following family and community areas of improvement would be addressed:

1. Through parental involvement activities, Canales Elementary parents will learn computer skills and English as a second language to improve familial support for students as well as solicited trainings such as STAAR and TPRI interpretation. **(7.1.1)**
2. At beginning of school year, campus will host an eSchool Plus Awareness /recruitment night to increase parental participation in monitoring student grades/progress.
3. Parent meeting by grade level (small group) to discuss campus/student disciplinary issues and needs.
4. Offer training for parents in the area of reading fluency so that they can monitor their own child's success.**(7.1.1)**
5. Parenting awareness of daily school activities will be offered at the campus in order to develop an understanding of the student expectations. **(7.1.2)**
6. Migrant funds will be utilized for the purchase of student supplies including clothing and other essential items in order to provide students with necessities to promote academic success. **(8.1.2)**

To best support campus efforts and meet identified needs at the district and campus level; activities, resources, and implementation timelines related to family and community involvement are set forth in the parent and community section of the 2014-2015 Campus Improvement Plan.

School Context and Organization

School Context and Organization Summary

Procedures for school context and organization:

J. T. Canales Elementary SBDM Committee met and developed as well as administered a campus need survey based on information provided by faculty, staff, parents and students.

Data sources reviewed: The following sources provided valuable data for school context and organization in regards to the identification of needs: **(5.1.4) (1.5.7)**

- school structure or make-up, e.g. teaming (5th grade)
- decision making process
- master schedule
- supervision of structure
- leadership: formal and informal **(6.1.4)**
- support structures: mentor teachers
- duty rosters
- schedule for support services, e.g., counseling, library, etc. **(5.1.8) (5.1.9)**
- school map and physical environment
- program support services, e.g. extracurricular activities, after school programs, etc. **(5.1.9) (4.2.2)**
- communication: formal and informal

School Context and Organization Strengths

Findings/analysis results: The following strengths were identified after careful analysis by the SBDM Committee.

School context and organization strengths

- **extracurricular activities (6.1.3)**
- **support services provided (6.1.2)**
- **counseling support (5.1.3)**
- **nurse support (5.1.1)**

School Context and Organization Needs

Areas needing improvement

- **School building upgrades are needed. (1.5.1)**
- **Improve school teaching structure.**
- **On-going training for counseling/staff.**
- **SBDM grade level participation to include 2/3 teachers.**
- **Morning and afternoon duties.**

Summary of needs: After thorough review of multiple data sources, the SBDM Committee assessed program effectiveness and determined that through the collaboration of various campus resources and community entities the following school context and organization areas of improvement would be addressed:

1. J.T. Canales Elementary is in need of a cafeteria/auditorium, new lower grade wing, parking lot and covered walkways.
2. School teaching structure will be improved by implementing a team teaching concept in 5th grade to improve student achievement.
3. SBDM subcommittees will meet on a monthly basis to ensure consistency and implementation of Campus Improvement Plan.
4. Counselors/teachers/staff will receive training to address student academic needs in the areas of reading, math, writing, science, social studies. The staff will attend curriculum trainings, bilingual training and RTI trainings.

To best support campus efforts and meet identified needs at the district and campus level; activities, resources, and implementation timelines related to school context and organization are set forth in all sections of the 2014-2015 Campus Improvement Plan.

Technology

Technology Summary

CNA procedures for technology:

J. T. Canales Elementary SBDM Committee met and developed as well as administered a campus need survey based on information provided by faculty, staff, parents & students. The technology committee met several times and looked at the StAAR Chart, Fixed Assets Report, the results of the staff/student/parent technology survey of needs along with the current hardware and software being utilized across grade level at the campus. A grid was designed to outline the expectation per grade level and a plan was devised to ensure the proper implementation for the following year. A review of the professional development opportunities was made and dates of last training attended by teachers were noted in order to compare with teacher survey results.

Data sources reviewed: The following sources provided valuable data for technology in regards to the identification of needs: **(1.4.3) (9.1.7)**

- STAAR chart
- technology hardware and software
- fixed assets report
- staff/parent/student survey on technology needs
- technology plan
- technology professional development opportunities

Technology Strengths

Findings/analysis results: The following strengths were identified after careful analysis by the SBDM Committee.

Technology strengths

- **All classrooms have document cameras. (9.1.5)**
- **full time TST**
- **Computer access for student in all classrooms.**
- **Use of website and eSchool Plus among administration and parents to view students' progress.**

Technology Needs

Findings/analysis results: The following areas of improvement were identified after careful analysis by the SBDM Committee.

Areas of improvement

- **Provide training in the use of Smartboards. (1.4.2)**
- **Living with Science lab participation will be increased. (9.1.7)**
- **Increased accessibility to computers for all students, teachers, and administrators.**
- **Teachers need to attend more professional development on different programs to be utilized by teachers/students. (1.4.2)**
- **New software needed to create STAAR aligned tests and formative assessments.**
- **Increase integration of technology into classroom instruction. (1.3.7)**

Summary of needs: After thorough review of multiple data sources, the SBDM Committee assessed program effectiveness and determined that through the collaboration of various campus resources and community entities the following technology areas of improvement would be addressed: **(9.1.7)**

1. District training on a monthly basis for the use of Smartboards to implement interactive learning. **(9.1.1)**
2. Living with Science lab weekly participation at the designated computer lab will be monitored by teachers and administration to improve science STAAR scores.
3. Computers will provide accessibility to instructional programs that would increase student interaction and engagement in the learning process and will allow administrators and staff accessibility to the newest available resources. The level of technology integration into classroom instruction by teachers and students will be increased. **(9.1.6)**
4. New software that is in line with current reading, math, and science TEKS will be purchased. **(9.1.1)**
5. Professional development will be offered by the TST for students and teachers to ensure proper integration of technology in the classroom. Teachers will be encouraged to seek professional development outside of contract hours offered by the technology department. **(9.1.2)**
6. Teachers will integrate the use of computers and will require a technology project from the students on a 6 weeks basis. **(9.1.3)**

To best support campus efforts and meet identified needs at the district and campus level; activities, resources, and implementation timelines related to technology are set forth in all sections of the 2014-2015 Campus Improvement Plan.

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus goals
- Current and/or prior year(s) campus and/or district improvement plans
- Campus and/or district planning and decision making committee(s) meeting data
- State and federal planning requirements

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Performance Index Framework Data: Index 1 - Student Achievement
- Performance Index Framework Data: Index 2 - Student Progress
- Performance Index Framework Data: Index 3 - Closing Performance Gaps
- Performance Index Framework Data: Index 4 - Postsecondary Readiness
- System Safeguards and Texas Accountability Intervention System (TAIS) data
- Federal Report Card Data

Student Data: Assessments

- State and federally required assessment information (e.g. curriculum, eligibility, format, standards, accommodations, TEA information)
- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR Released Test Questions
- STAAR ELL Progress Measure data
- Texas English Language Proficiency Assessment System (TELPAS) results
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Student Success Initiative (SSI) data for Grades 5 and 8
- SSI: Istation Indicators of Progress (ISIP) accelerated reading assessment data for Grades 3-5 (TEA approved statewide license)
- SSI: Think Through Math assessment data for Grades 3-8 and Algebra I (TEA approved statewide license)
- Local diagnostic reading assessment data
- Local diagnostic math assessment data
- Local benchmark or common assessments data
- Student failure and/or retention rates

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Number of students assigned to each special program, including analysis of academic achievement, race, ethnicity, gender, etc

- Economically Disadvantaged / Non-economically disadvantaged performance and participation data
- Special education population, including performance, discipline, attendance, and mobility
- Migrant population, including performance, discipline, attendance and mobility
- At-Risk population, including performance, discipline, attendance and mobility
- ELL or LEP data, including academic achievement, support and accommodation needs, race, ethnicity, gender, etc
- Section 504 data
- Homeless data
- Gifted and talented data
- Dyslexia Data
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Violence and/or violence prevention records
- Student surveys and/or other feedback
- Class size averages by grade and subject

Employee Data

- Staff surveys and/or other feedback
- Highly qualified staff data
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact
- PDAS and/or T-TESS

Parent/Community Data

- Parent surveys and/or other feedback
- Parent Involvement Rate
- Community surveys and/or other feedback

Support Systems and Other Data

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Communications data
- Capacity and resources data

- Budgets/entitlements and expenditures data
- Study of best practices
- Action research results
- Other additional data

Goals

Goal 1: Canales students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens.

Performance Objective 1: A minimum of 90% of all our students (at-risk, economically disadvantaged, LEP, special education, gifted/talented and migrant) tested will demonstrate mastery on the SCIENCE STAAR. A minimum of 20% of our students tested will demonstrate advanced academic performance on the above mentioned STAAR state exam.

Summative Evaluation: Comparing last year's data with this year's data.

Strategy Description	Title I	Staff Responsible for Monitoring	Evidence that Demonstrates Success	Formative Reviews			
				Nov	Jan	Apr	June
<p>Critical Success Factors CSF 1 CSF 2 CSF 4</p> <p>1) Devote, support and implement a strong science enrichment program to support Science Fair with a strong scientific method approach and hands on activities for all grade levels. Supplies and materials will be needed for the above mentioned hands on projects and activities.</p> <p>AU/ CSF 5a,b,c and 6c</p> <p>Devote a minimum of 60 minutes a day to standards-based, inquiry-centered science instruction in grades K-5 and implement a science project as part of the cumulative project.</p> <p>AU/ CSF 1b and 6c CNA pg. 20 & 22 August 2016-June 2017</p>	1, 3, 6, 8, 9	Principal; Assistant Principal; Dean of Instruction; Teachers; Science Lab Teacher.	<p>Evidence of implementation: walkthroughs, daily schedules, progress and report cards.</p> <p>Evidence of impact: weekly lesson plans and science fair project participation, student participation data.</p>				
Funding Sources: State Compensatory - \$2000.00, Local - \$968.51							

<p align="center">Critical Success Factors CSF 1 CSF 2 CSF 4 CSF 7</p> <p>2) All grade levels will strongly support the development of science terminology through the use of vocabulary and cycle charts developed by each grade level so that students' can connect vocabulary and cycles as they progress from grade level to grade level.</p> <p>All grade levels will integrate science with reading to expose students to other expository texts and daily vocabulary.</p> <p>Timeline- Monitor every day from August 2016-June 2017</p> <p>Population: K-5th grade students CNA pg. 18 UA/CSF 1a,b,c</p>	1, 3, 4, 8, 9	Principal; Assistant Principal; Dean of Instruction; Teachers; State Comp.; Paraprofessionals.	<p>Formative: six weekly progress reports, science notebooks and journals, science word walls, word banks, reflective journals and discussions, observations.</p> <p>Summative: student participation data, completed science notebooks to be picked up randomly every six weeks by administration mastery of TEKS/STAAR categories.</p>					
<p>3) PK3-5th grade classroom teachers will receive training as well as supplies for science instruction in order to expose students to hands-on activities and provide resources to enhance learning. Teachers and staff will be required to attend professional development sessions to improve instructional programs.</p> <p>Target population- all teachers and all students, administration and staff</p> <p>Timeline- August 2016- June 2017</p> <p>CNA pg. 18</p>		1, 3, 4, 9	Principal; Assistant Principal; Dean of Instruction; Teachers, Specialist.	<p>Evidence of implementation: walkthroughs, weekly grades, progress reports, sign-in sheets</p> <p>Evidence of impact: campus benchmark data, STAAR science results.</p>				
<p>4) Campus progress will be monitored carefully to improve ensure success.</p> <p>Target population- teachers, students, and staff.</p> <p>Timeline- Every 3 & 6 weeks.</p> <p>CNA pg. 11 & 13</p>		1, 2, 4, 5, 8	Principal; Assistant Principal; Dean of Instruction; Teachers.	<p>Evidence of implementation and impact: STAAR results, benchmark and test scores.</p>				
<p align="center">  = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue </p>								

Goal 1: Canales students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens.

Performance Objective 2: A minimum of 90% of all our students (at-risk, economically disadvantaged, LEP, special education, gifted/talented and migrant) tested will demonstrate mastery on the MATHEMATICS STAAR test. A minimum of 25% will obtain advanced academic performance on mathematics STAAR.

Summative Evaluation: Comparing last year's data with this year's data.

<p align="center">State System Safeguard Strategy</p> <p align="center">Critical Success Factors</p> <p align="center">CSF 1 CSF 3 CSF 4 CSF 6 CSF 7</p> <p>7) All schools must identify the manner in which the safety of students in physical education classes is maintained by developing a safety plan of action when the teacher student ratio is greater than 45-1.</p> <p>Target population- PreK3-5th grade students.</p> <p>Timeline- Fall 2016 and Spring 2017</p> <p>CNA pg. 22</p>	<p>1, 2, 5, 7, 8, 9</p> <p>Principal; Assistant Principal; Dean of Instruction; PE Teachers; Campus Safety Coordinator; District Safety Coordinator; PE Specialist, Health Lead Teacher; Campus Administration.</p>	<p>Evidence of implementation and impact: reviews of Campus Development Safety Action Plan</p>				
<p>Funding Sources: No Funds Required</p>						
<p align="center">  = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue </p>						

Goal 1: Canales students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens.

Performance Objective 6: By the end of the school year 2014-2015, the percentage of students passing STAAR will be at minimum of 90% with 40% Scoring Level III Advanced Performance. Ninety Percent of students in grades Pre-k-2 will be developed in TPRI, Tejas Lee and CPALLS assessments.

Summative Evaluation: STAAR 2014 AND 2015 DATA

Goal 2: The students in the public education system will demonstrate exemplary performance in the TEKS based fine arts programs, co-curricular, athletic programs, and extra-curricular activities.

Performance Objective 1: A minimum of 90% of our fine arts students will excel in all fine arts areas.

Summative Evaluation: Comparing last year's data with this year's data.(Student participation in afterschool and during school activities, extra curricular activities, etc).

Strategy Description	Title I	Staff Responsible for Monitoring	Evidence that Demonstrates Success	Formative Reviews			
				Nov	Jan	Apr	June
<p>State System Safeguard Strategy</p> <p>Critical Success Factors</p> <p>CSF 1 CSF 3 CSF 4 CSF 5 CSF 6</p> <p>1) Provide fine arts opportunities for all students through student participation in the following: -UIL music memory, UIL art, cheer Team/drill Team, Chess drum corp, choir, reader's theater, Christmas play, Spring show, community service activities, musical group, ballroom, Easter play, piano lab, parades, among other activities. Target population-all students preK-K 3-5th grade. Timeline- August 2016-June 2017 CNA pg. 6</p>	1, 3, 4, 5, 6, 9	Principal, Assistant Principal, Dean of Instruction, Music teacher, Special Events Coordinator, Sponsor Teachers.	<p>Evidence of implementation: improvement in student grades.</p> <p>Evidence of impact: improvement in state testing scores, observations, displays of student's work, participation.</p>				
<p>Funding Sources: Local - \$627.00, Local, Local - \$2000.00</p>							

<p align="center">State System Safeguard Strategy</p> <p align="center">Critical Success Factors</p> <p align="center">CSF 1 CSF 4 CSF 5 CSF 6 CSF 7</p> <p>2) PK 3-5th grade students will develop concepts about self, human relationships, and the environment using elements of drama and conventions of theater.</p> <p>Pre-K 3-5th grade students will imitate and synthesize life experiences in dramatic play.</p> <p>Pre-K 3-5th grade students will be expected to explain theater as a reflection of life in particular times, places, and cultures.</p> <p>Target population- PreK-K 3-5th grade students. Timeline- August 2016-June 2017</p> <p>CNA pg. 17</p>	<p>1, 3, 4, 5, 6, 9</p>	<p>Principal; Assistant Principal; Dean of Instruction; Teachers.</p>	<p>Evidence of implementation: lesson plans, walk-throughs, writing samples.</p> <p>Evidence of impact: STAAR results, TELPAS scores, benchmark results, TPRI results, progress reports, report cards, reading tests.</p>				
<p>Funding Sources: No Funds Required</p>							
<p align="center">State System Safeguard Strategy</p> <p align="center">Critical Success Factors</p> <p align="center">CSF 1 CSF 3 CSF 4 CSF 5 CSF 6 CSF 7</p> <p>3) PK-5th grade students will express ideas through original artwork using a variety of media with appropriate skill. PK-5th grade students will be expected to compare artworks from several national periods; identifying similarities and differences.</p> <p>Target population- all students Timeline- 2016-2017 school year CNA pg. 18</p>	<p>1, 3, 4, 5, 6, 9</p>	<p>Principal; Assistant Principal; Dean of Instruction; Teachers.</p>	<p>Evidence of implementation: lesson plans, walk-throughs, writing samples</p> <p>Evidence of impact: STAAR results, TELPAS scores, benchmark results, TPRI results, progress reports, report cards, reading tests.</p>

Goal 2: The students in the public education system will demonstrate exemplary performance in the TEKS based fine arts programs, co-curricular, athletic programs, and extra-curricular activities.

Performance Objective 2: At least 90% of our GT students will be encouraged to participate in at least 1 extracurricular activity and they will be challenged to meet their full educational potential

Summative Evaluation: Comparing last year's data with this year's data.(Progress measure from STAAR results, Enrollment into Pre-Ap courses for 5th graders, Participation of extracurricular activities)

Strategy Description	Title I	Staff Responsible for Monitoring	Evidence that Demonstrates Success	Formative Reviews			
				Nov	Jan	Apr	June
<p>Critical Success Factors CSF 1 CSF 4 CSF 5 CSF 7</p> <p>1) Canales Elementary will implement the GALAXY (GT) Program Defined by categories example Academic Vocational Expectations for Students behavior towards College Courses GT students will complete projects and assignments that will challenge them to incorporate problem solving and real life application to dilemmas. Population: Gt students Timeline: July 2016 - June 2017 CNA pg. 18 & 19</p>	3, 4, 5, 10	Area Curriculum & Instruction; Advance Academics Department, Guidance Counselors, Campus Administrator, Testing Coordinators	Campus GT plan; Student Identification; Master schedule; GT compliance reports Cluster Vertical Core Teachers Increase number of student nominations; Differentiated lesson plans; Increase number of students meeting advanced level on state/national tests				
Funding Sources: Local - \$516.00							
<p>Critical Success Factors CSF 1 CSF 4 CSF 5 CSF 6</p> <p>2) Canales Elementary will create a college going culture. Population: GT students Timeline: July 2015 - June 2016 CNA pg. 22</p>	9, 10	Area Curriculum & Instruction; Advance Academics Department, Guidance Counselors, Campus Administrator, Testing Coordinators	Campus GT plan; Student Identification; Master schedule; GT compliance reports Cluster Vertical Core Teachers Increase number of student nominations; Differentiated lesson plans; Increase number of students meeting advanced level on state/national tests				
Funding Sources: No Funds Required							
<p>Critical Success Factors CSF 1 CSF 4 CSF 5 CSF 6 CSF 7</p> <p>3) Give 3rd to 5th grade students the opportunity to participate in Canales' First Brainsville Competition. Campus winners will advance to BISD competition on October 25, 2014. Population: 3rd-5th students GT students. Timeline: September 2016- October 2017. CNA pg. 22</p>	6	Principal, Assistant Principal, Dean of Instruction, Sponsor, Parents	Student participation, Sponsor observations, completion of Brainsville journal, Campus Judging, District Competition.				

<p align="center">Critical Success Factors CSF 1 CSF 3 CSF 4</p> <p>4) Canales Elementary will develop an organization that will give GT students the opportunity to practice leadership skills. Students will be encouraged to service their community and have have nominations to elect students to represent the entire Canales' student body. (RISING STAARS)</p> <p>Target Population- GT students Timeline- September 2015- June 2016 CNA pg. 22</p>	1	Principal, Assistant Principal, Dean of Instruction.	Student participation, Process of Nominations and Votes, Community Service completed, End of the year survey.				
<p>Funding Sources: No Funds Required</p>							
<p align="center">  = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue </p>							

Goal 3: Through enhanced dropout efforts, all students will remain in school until they obtain a high school diploma and/or pursue a post-secondary education.

Performance Objective 1: At-risk students at Canales Elementary will attain a 90% passing rate on the STAAR and 97.5 % attendance rate.

Summative Evaluation: STAAR, the At-Risk Student Attendance Rate, and the Retention Rate.

Strategy Description	Title I	Staff Responsible for Monitoring	Evidence that Demonstrates Success	Formative Reviews			
				Nov	Jan	Apr	June
<p align="center">State System Safeguard Strategy</p> <p align="center">Critical Success Factors CSF 1 CSF 2 CSF 4</p> <p>1) Canales Elementary will implement tutorials, the Extended Day Program, and remediation strategies in core area subjects for low-performing students in order to decrease the retention rate and improve student achievement. Workbooks, computers, EIKIS, etc</p> <p>Population: AR, LEP, MI, DYS, TI</p> <p>Timeline- September 2016- May 2017, 2-3 times per week, and as necessary (Saturday Academy & Tutorials). CNA pg. 9 & 15</p>	2, 3, 9	Principal; Assistant Principal; Dean of Instruction; Teachers; Administrator for State Compensatory Education	<p>Formative: Student work, student progress reports, report cards, teacher observations, benchmarks, campus and weekly assessments, tutorial attendance report, and tutorial schedules & lesson plans.</p> <p>Summative: STAAR, TPRI/TEJAS LEE, and reduced retention rate.</p>				
			<p>Funding Sources: State Compensatory - \$15272.00, State Compensatory - \$36000.00, State Compensatory - \$8991.00, State Compensatory - \$2500.00, State Compensatory - \$3200.00, Title I-A - \$2000.00, Title I-A - \$347.00, Federal Bilingual - \$1800.00, Federal Bilingual - \$4580.47, State Bilingual - \$1800.00, State Bilingual - \$5662.00, Title I-A - \$31330.00, Title I-A - \$10500.00, Local - \$1.00, TLI - \$7830.00, TLI - \$4324.00</p>				
<p align="center">State System Safeguard Strategy</p> <p align="center">Critical Success Factors CSF 1 CSF 2 CSF 4</p> <p>2) Campus instructional aides will assist at-risk students with core academic activities in order to improve student performance.</p> <p>Population: AR, MI, TI</p> <p>Timeline- August 2016-June 2017</p> <p>CNA pg. 8</p>	2, 9	Principal, Assistant Principal, Dean of Instruction, Teachers Administrator for State Compensatory Education	<p>Formative: student work, student progress reports, report cards, district benchmarks, campus assessments, weekly classrooms tests, classroom observations, CPALLS (BOY & MOY)</p> <p>Summative CPALLS (EOY), STAAR, TPRI/Tejas Lee, and reduced retention rate.</p>				

<p align="center">State System Safeguard Strategy</p> <p align="center">Critical Success Factors</p> <p align="center">CSF 1 CSF 4</p> <p>3) Highly qualified teachers will implement the PK program and will use educational resources, manipulatives, and resources. Students will be provided full day instruction in order to build a strong academic foundation. Pre-Kindergarten for 3 year old students will begin to help ease the transition into the educational setting. Training will be provided for teachers. Target population- AR, MI, T1, LEP, Timeline-Daily</p> <p>CNA pg. 9 & 16</p>	3, 7, 10	Principal; Assistant Principal; Dean of Instruction; Teachers; Bilingual Department Administrator for State Compensatory Education	Formative: CPALLS (BOY and MOY) Summative: CPALLS (EOY)				
Funding Sources: Federal Bilingual - \$1725.00, State Bilingual - \$1725.00, Local - \$800.00, Local - \$213.00, Title I-A - \$9000.00							
<p align="center">State System Safeguard Strategy</p> <p align="center">Critical Success Factors</p> <p align="center">CSF 1 CSF 2 CSF 3 CSF 4 CSF 7</p> <p>4) The Dean of Instruction will conduct regular research-based professional development workshops on instructional strategies as well as provide faculty & staff opportunities for instructional support in order to train and retrain highly qualified personnel to help provide a high quality education to all students at J.T. Canales</p> <p>Target Population- AR, MI, LEP, T1 Timeline- August 2016-June 2017</p> <p>CNA pg. 8, 17</p>	4, 10	Principal; Administrator for State Compensatory Education	Formative: professional development agendas & objectives, ERO attendance report, walk-throughs, ERO Session Evaluations, lesson plans, campus mini-marks and benchmark scores, and student progress reports. Summative: STAAR				
Funding Sources: Local - \$0.00, Local - \$799.00, Local - \$2000.00							
<p align="center">State System Safeguard Strategy</p> <p align="center">Critical Success Factors</p> <p align="center">CSF 1 CSF 2</p> <p>5) The Dyslexia teacher will monitor the academic progress, attendance and provide support services for students, staff, and parents.</p> <p>Targeted population - dyslexia students and at-risk students. Timeline: 2016-2017 school year. CNA pg. 8</p>	3, 10	Principal; Assistant Principal; Dean of Instruction; Administrator for State Compensatory Education	Formative: Student progress reports, attendance reports, conference log Summative: Increase student academic performance on STAAR				

<p align="center">Critical Success Factors CSF 1 CSF 2</p> <p>6) The LPAC team will contact other campuses, parents, and the bilingual department to obtain information on bilingual students. Using LPAC minutes, the bilingual clerk will code students. Bilingual clerk will also spend 80% of her time in the classroom setting and 20% working on LPAC files.</p> <p>Target Population: LEP students Timeline: August 2016- June 2017.</p> <p>CNA p. 8</p>	1	Principal Assistant Principal Dean of Instruction Bilingual Department	<p>Formative: Bilingual students will be monitored through out the year to ensure student achievement in both their native language and as English language learners. Progress and report cards, classroom assessments, Campus Benchmarks, and District Benchmark will be used to demonstrate success.</p> <p>Summative: STAAR</p>				
<p align="center">State System Safeguard Strategy Critical Success Factors CSF 1 CSF 2 CSF 3 CSF 4</p> <p>7) The special education teacher will provide small group instruction and hands-on activities to our special education population. Special education teacher will attend necessary professional development.</p> <p>Target population- Special Education students Timeline- December 2016 & May 2017</p> <p>CNA pg. 13 & 21</p>	1, 2, 4, 9	Principal, Assistant Principal, Dean of Instruction, Records Clerk, Special Education Teacher Special Education Teacher Aide	<p>Formative: eSchool Plus rosters, Retention rate</p> <p>Summative: 10% increase in STAAR scores.</p>				
<p>Funding Sources: SPED - \$300.00, SPED - \$310.00, SPED - \$300.00, SPED - \$1000.00, SPED - \$1000.00, SPED - \$500.00</p>							
<p align="center">State System Safeguard Strategy Critical Success Factors CSF 1 CSF 4</p> <p>8) The office staff, specifically the data entry clerk, are aware of the policy stating that all students shall be enrolled immediately, even if lacking documentation normally required for enrollment, such as previous school records, medical or immunization records, proof of residency, birth certificate, proof of guardianship, or other documents. As informed by the PEIMS Supervisor, the data entry clerk will be working to correct discrepancies with the special program coding of certain students. She will be working from a list given to her by the PEIMS supervisor.</p> <p>Target population- all at-risk students. Implementation timeline- August 2016-June 2017 school year.</p> <p>CNA pg. 9</p>	10	Principal; Assistant Principal; Dean of Instruction; Teachers; Data Entry Clerk.	<p>Formative: enrollment binder, updates E-school, special program report.</p> <p>Summative: Attendance Rate, Retention Rate, and STAAR</p>				
<p>Funding Sources: Local - \$50.00</p>							

<p>9) Provide training to district and campus personnel on the identification of homeless children and unaccompanied youth to ensure identified students are provided services through the McKinney-Vento Act, Title I, Child Nutrition, Head Start, and other supplemental programs.</p> <p>Population: AR, TI Timeline: August 2016 & as needed for new employees</p>	10	Campus Administration; Youth Connection Projector Coordinator	<p>Formative: student progress reports, benchmark scores, ERO Session Evaluation Report</p> <p>Summative: STAAR, Attendance Rate, Retention Rate</p>				
Funding Sources: No Funds Required							
<p>Critical Success Factors CSF 1 CSF 3 CSF 4 CSF 5 CSF 6</p> <p>10) Implement a food pantry and closet at every campus to provide identified homeless and unaccompanied youth with food items, hygiene products, school supplies, and clothes as needed to meet their academic, social, emotional, and physical needs. Target population- at-risk and homeless students. Timeline- Augsut 2016-May 2017 school year</p>	1, 2, 4, 6, 10	District Administration; Principal; Assistant Principal; Dean of Instruction; Teachers; Counselors; Parent Liaison; Special Programs Support; Data Entry Clerk.	<p>Evidence of implementation: campus benchmark results, BOY, MOY, EOY, progress monitoring, test results, walkthroughs.</p> <p>Evidence of impact: state assessment results, AEIS report, CIP, report cards, TELPAS.</p>				
<p style="text-align: center;">  = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue </p>							

Goal 4: The students will be encouraged and challenged to meet their full educational potential.

Performance Objective 1: Students will meet their full academic potential by preparing for college.

Summative Evaluation: We will compare last year's data with this year's data. Examples: report cards, STAAR results; including index I,II,III, & IV, teacher observation, attendance rate.

Goal 5: School campuses will maintain a safe and disciplined environment conducive to student learning.

Performance Objective 1: Discipline referrals (office referrals, removals and expulsions of all our students) (at-risk, economically disadvantaged, LEP, special education, gifted/talented and Migrant) will decrease by 10%.

Summative Evaluation: Comparing last year's data with this year's data. (Discipline referrals, overall school climate, student participation, among other sources of data).

State System Safeguard Strategies

Goal	Objective	Strategy	Description
1	3	1	Provide language arts professional development to new and existing teachers in order to enhance effective language arts strategies for all student populations through Turn Around Trainings and STAAR updates. Provide students with reading and language arts resources. Teachers will participate in language arts curriculum professional development to increase advanced levels. -English Language Proficiency Standards (ELPS) Target population- all teachers. Timeline- August 2016- June 2017- once every 6 weeks or as often as needed. CNA pg. 9 & 15
1	3	2	Provide language arts professional development for elementary ELA teachers in order to implement a comprehensive instructional program for English Language Learners. Target Population- All teachers Timeline- Ongoing as professional development opportunities are offered. CNA-p. 8 & 18
1	3	3	Provide reading for enjoyment opportunities for all students to increase oral language skills and develop listening/speaking, reading/writing proficiency through the use of the following: -Accelerated Reader -scholastic news -sustained silent reading - read aloud -readers' theater -incentives (ribbons, books, trophies) -TELPAS -novels Provide opportunities for all students to participate in programs that develop and improve the levels of language usage including activities such as: -UIL/Destination Imagination -newspapers/kid speak -spelling bee -book writing/publishing -book studies Target Population-at-risk students Timeline- August 2016-June 2017 CNA pg. 16-17
1	3	4	Provide at-risk students with a high quality after school program to increase reading grades, TPRI/Tejas Lee, CPALLS, benchmarks, TELPAS, and STAAR/AYP Scores from PK grade through 5th grade. Target population- at-risk students Timeline- September 2016- May 2017 CNA pg. 10-11
1	3	5	Reading comprehension and vocabulary development: The student will use a variety of strategies to comprehend selections read aloud and selections read independently, developing an extensive vocabulary to increase the number of commended level students. Reading/literary response/fluency: The students will read with fluency and respond to various texts at appropriate difficulty levels. AU/CSF 1a,b,c Reading texts structure/literary concepts: The student will analyze the characteristics of various types of texts to establish an understanding of the different genres in order to explain the author's purpose. Target population- at-risk students Timeline- daily from August 2016- June 2017 CNA pg. 20
1	3	6	Teachers will implement effective writing strategies to bring out the student's use of voice and increase the rating level in writing through the use of journals & weekly submission of writing compositions. Writing/writing process: The students select and use writing processes for self-initiated and assigned writing assignments to perform well on the writing benchmarks or assessments. Target population- all students Timeline- August 2016- June 2017 CNA pg. 18
1	3	7	Integrate reading with other content areas through the use of technology in order to develop a strong connection across the curriculum and promote understanding. Target population- at-risk students Timeline- August 2016- June 2017 CNA pg. 25

Goal	Objective	Strategy	Description
1	3	8	Teachers will be required to attend weekly/biweekly grade level meetings and Co planning to review /assess disaggregation of data and make decisions in regard to student assessment instruments. AU/ CSF 2 a,b,c -7b-3a,c Teachers and staff will be required to attend on-going professional development sessions and workshops to improve instructional programs and scores in all subjects. Campus progress will be monitored carefully to improve ensure success. Target Population-all teachers Timeline-through out 2016-2017 school year. CNA pg. 17
1	3	9	An additional teacher will be used for the purpose of class size reduction. Class size reduction strategy will be used to provide a high quality education for At-risk students. Target Population- At-risk/ SSI students Timeline- August 2016-2017 CNA pg. 8, 13, 15,
1	4	1	Provide and support with professional development in the implementation and revision of -social studies -PK-12 social studies curriculum to ensure effective practices in the classroom. Teachers and staff will be required to attend professional development sessions to improve instructional programs. Target population-social studies specialist, all teachers, administration. Timeline-August 2016-20117 or as necessary (every 6 weeks). CNA pg. 18
1	4	2	Provide support in the area of technology training in the areas of research, PowerPoint, United Streaming, Web links. Target population- teachers and all students Timeline- August 2016- June 2017 or as needed. CNA pg. 25
1	4	3	Utilize data from instruction to target all students in order to ensure effective interventions and timely response. Target population- PreK3-5th grade students Timeline- 2016-2017 school year (as often as every 3 or 6 weeks) CNA pg. 17 & 24
1	4	4	Kids Voting Day Engage the students in citizenship so that they can explain the use of voting as a method for group decision making and take part in campus voting. Target population- all students Timeline- October 2016 CNA pg. 14
1	4	5	Engage and Celebrate cultural differences and its impact on the history of our country. Such as Charro DaysHispanic Heritage Month history of Texas and U.S, and African American History Month, among others. Target population- all students Timeline: Through out the school year. CNA pg. 17
1	4	6	Ensure that students understand how historical figures and ordinary people helped shape the community, state, and nation. Students will identify the contributions and the location it occurred as well as participate in campus activities such as replacement and disposal of school flags. Target population- all students preK3-5th. Timeline- 2016-2017 school year. CNA pg. 18
1	5	1	Evaluate and recommend necessary upgrades for instructional facilities and equipment to ensure appropriate educational instruction and student safety. Maintain and improve Coordinated Approach to Child Health (CATCH) Teams that implement the Coordinated School Health Programs K-12 by developing goals and objectives based on fitness assessment data, academic performance, attendance rates, academic disadvantages and the use of success of any method to ensure students are reaching required moderate to vigorous physical activity (MVPA), and any other indicator recommended by SHAC. Meet at the district level as needed with: Coordinated Approach to Child Health (CATCH) Champions: Physical Education Department Chairs Health Department Chairs Timeline: 2016-2017 School year CNA pg. 23

Goal	Objective	Strategy	Description
1	5	2	Provide students with moderate to vigorous activity each day in physical education for at least 30 minutes per day or 135 minutes a week. To include specific daily student learning objectives in health education that are observable and measurable. Provide information on the wellness/nutrition policy & guidelines to parents, teachers, and students through parent meetings, teacher staff development, CATCH Teams. and classroom instruction to ensure compliance with respective policies and guidelines. Target population- PreK3-5th grade students. Timeline- August 2016-June 2017 CNA pg. 14
1	5	3	Assess student fitness annually in 3rd -5th grade as part of the Fitness Now Program to promote fitness and enhance student physical activity. Target population- 3rd through 5th graders. Timeline- April 2017- May 2017 CNA pg. 14
1	5	4	Develop curriculum objectives in health and physical education which provide students the knowledge and skills necessary to develop and maintain optimal lifetime health and fitness levels. Curriculum must be sequential, developmental appropriate, and designed and implemented and evaluated to enable students to develop the motor, self management, and other skills, attitudes and confidence necessary to participate in physical activity throughout life. Target population- PreK3-5th grade students. Timeline- 2016-2017 school year. CNA pg. 14
1	5	5	Use of an update scope and sequence bi-annually for health and physical education and monitor for implementation which also includes necessary improvements indicated by the school health assessment tool. Update campus improvement plan to include necessary improvements indicated by the School Health Index Assessment Tool and comply with legislative updates as they pertain to physical education and health education. Target population- PreK3-5th grade students. Timeline- 2016-2017 school year. CNA pg. 14
1	5	6	Monitor and emphasize the integrated math, reading, and writing academic concepts inherent in the health and physical education curriculum programs. Target population- PreK3-5th grade students. Timeline- 2016-2017 school year.
1	5	7	All schools must identify the manner in which the safety of students in physical education classes is maintained by developing a safety plan of action when the teacher student ratio is greater than 45-1. Target population- PreK3-5th grade students. Timeline- Fall 2016 and Spring 2017 CNA pg. 22
2	1	1	Provide fine arts opportunities for all students through student participation in the following: -UIL music memory, UIL art, cheer Team/drill Team, Chess drum corp, choir, reader's theater, Christmas play, Spring show, community service activities, musical group, ballroom, Easter play, piano lab, parades, among other activities. Target population-all students preK-K 3-5th grade. Timeline- August 2016-June 2017 CNA pg. 6
2	1	2	PK 3-5th grade students will develop concepts about self, human relationships, and the environment using elements of drama and conventions of theater. Pre-K 3-5th grade students will imitate and synthesize life experiences in dramatic play. Pre-K 3-5th grade students will be expected to explain theater as a reflection of life in particular times, places, and cultures. Target population- PreK-K 3-5th grade students. Timeline- August 2016-June 2017 CNA pg. 17
2	1	3	PK-5th grade students will express ideas through original artwork using a variety of media with appropriate skill. PK-5th grade students will be expected to compare artworks from several national periods; identifying similarities and differences. Target population- all students Timeline- 2016-2017 school year CNA pg. 18

Goal	Objective	Strategy	Description
2	1	4	PK3-5th grade students will gain an appreciation and understanding of art history and culture, as records of human achievement. PK3-5th grade students will describe and analyze musical sound and demonstrate musical artistry. Target population- all of Canales students. Timeline- August 2016-June 2017 CNA pg. 18
2	1	5	Pre-K3-5th grade students will identify simply relationships between music and other subjects. Pre-K3-5th grade students are expected to distinguish between beat/rhythm, higher/lower, louder/softer, softer/slower, and same/different in musical performances. Target population- all students Timeline- 2016-2017 School year. CNA pg. 6
3	1	1	Canales Elementary will implement tutorials, the Extended Day Program, and remediation strategies in core area subjects for low-performing students in order to decrease the retention rate and improve student achievement. Workbooks, computers, EIKIS, etc Population: AR, LEP, MI, DYS, TI Timeline- September 2016- May 2017, 2-3 times per week, and as necessary (Saturday Academy & Tutorials). CNA pg. 9 & 15
3	1	2	Campus instructional aides will assist at-risk students with core academic activities in order to improve student performance. Population: AR, MI, T1 Timeline- August 2016-June 2017 CNA pg. 8
3	1	3	Highly qualified teachers will implement the PK program and will use educational resources, manipulatives, and resources. Students will be provided full day instruction in order to build a strong academic foundation. Pre-Kindergarten for 3 year old students will begin to help ease the transition into the educational setting. Training will be provided for teachers. Target population- AR, MI, T1, LEP, Timeline-Daily CNA pg. 9 & 16
3	1	4	The Dean of Instruction will conduct regular research-based professional development workshops on instructional strategies as well as provide faculty & staff opportunities for instructional support in order to train and retrain highly qualified personnel to help provide a high quality education to all students at J.T. Canales Target Population- AR, MI, LEP, T1 Timeline- August 2016-June 2017 CNA pg. 8, 17
3	1	5	The Dyslexia teacher will monitor the academic progress, attendance and provide support services for students, staff, and parents. Targeted population - dyslexia students and at-risk students. Timeline: 2016-2017 school year. CNA pg. 8
3	1	7	The special education teacher will provide small group instruction and hands-on activities to our special education population. Special education teacher will attend necessary professional development. Target population- Special Education students Timeline- December 2016 & May 2017 CNA pg. 13 & 21
3	1	8	The office staff, specifically the data entry clerk, are aware of the policy stating that all students shall be enrolled immediately, even if lacking documentation normally required for enrollment, such as previous school records, medical or immunization records, proof of residency, birth certificate, proof of guardianship, or other documents. As informed by the PEIMS Supervisor, the data entry clerk will be working to correct discrepancies with the special program coding of certain students. She will be working from a list given to her by the PEIMS supervisor. Target population- all at-risk students. Implementation timeline- August 2016-June 2017 school year. CNA pg. 9
4	1	3	Provide career investigation opportunities through the hands-on technology lab and provide a career day for all students. Timeline- August 2016-June 2017 CNA pg. 12

Goal	Objective	Strategy	Description
4	1	4	5th grade students will be encouraged to select middle school courses, at the end of the year, that are geared towards college preparation. Target students- 5th graders Timeline- EOY CNA pg. 12
4	1	5	Provide professional development opportunities to teachers on a variety of topics depending on our students' needs. - RTI/SPED/Dyslexia -Instruction -Turn- Around training -Walkthroughs -Bilingual -Curriculum Target population- all students and teachers Timeline- August 2016-June 2017 CNA pg. 12
4	1	6	Bulldog buddies will be selected for students in need of mentoring. Target population- all students (economically disadvantage,migrant, LEP, special education, at-risk,GT, dyslexia) Timeline- 2016-2017 school year. CNA pg. 8- 9
5	1	1	Our nurse will fully implement the nursing process in the school setting (timely and accurate nursing assessment, intervention that is appropriate , evaluation and referral for our students, their families, and our colleagues) Our nurse will contribute diligently to a safe and healthy school environment for all through- infection control,accident prevention and, health promotion/education. Target Population- All students and nurse Timeline- 2016-2017 school year CNA pg. 22
5	1	2	Provide training for administrators and teachers: a) To effectively handle classroom discipline so that out of school suspensions and discretionary removals are used as a last resort. b) Assure students' rights and due process are afforded in order to have a safe and disciplined environment conducive to student learning. Target population- administration, new teachers, nurse, and any other staff member that needs the training. Timeline- August 2016-May 2017 CNA pg. 11
5	1	3	Provide professional development based on level of expertise and need in the following areas: a) bullying prevention b) violence/conflict resolution c) recent drug use trends d) resiliency/developmental assets e) signs of child abuse f) Response to Intervention (RtI) model for behavior research based interventions to allow staff to recognize and address the issue, as a preventive measure. Target population- campus faculty and staff Timeline- 2016-2017 school year CNA pg. 22
5	1	4	Campus will develop and maintain an Emergency Operations Plan. -Plan will be multi-hazard in nature. -Will be reviewed and updated annually by the campus safety and security committee. -The following drills will be practiced accordingly: lockdown drills (3 times per year), shelter-in-place, reverse evacuation, drop & cover, evacuation. In order to prevent, protect against, respond to, recover from, and mitigate the effects of incidents, regardless of cause, size, location, or complexity, in order to reduce the loss of life and property and harm to the environment. Target population- administration, campus staff and faculty, counselors, safety and BISD police. Timeline- August 2016- June 2017 CNA pg. 22-23
5	1	5	Campus will have an identification security system. -All faculty must obtain and display an identification card while on school grounds. -Visitors must present an identification at sign-in and escorted at all times. Target population- administration, campus staff and faculty, counselors, safety and BISD police. Timeline- August 2016- June 2017 CNA pg. 22- 23
5	1	8	Principal will ensure that campus counselors provide individual and group counseling sessions on a weekly basis in order to ensure that students' needs are addressed. Target population- PreK-K 3-5th grade students who are at-risk. Timeline- August 2016- June 2017 CNA pg. 22

Goal	Objective	Strategy	Description
6	1	1	Parents will participate in the following trainings offered at the campus in order to develop an understanding of the student expectations. -parent orientation sessions for PK/Kinder & head start -transition of preschool children -HAC -technology awareness -ESL classes -5th grade students transition into middle school -early childhood reading strategies -effective teaching strategies -health education- families in training -special population (bilingual, dyslexia, -G.T., migrant, special education -drop out and violence prevention-New Horizons -community agencies/organizations Timeline August 2016-June 2017 school year CNA pg. 21
6	1	2	Provide presentations to the parents on the following policies and programs in an effort to encourage parental participation and awareness. Refreshments will be provided. -various district and community departments/programs/agencies -reading fluency - parent/teacher conferences -parental involvement policy -Campus Improvement Plan -school-parent-student compact -Student Code of Conduct -Title I Part A Program Policy -truancy/attendance -gang/drug/alcohol/tobacco awareness - bullying/fighting/name calling -internet safety -gun safety -suicide prevention and choking game -dropout prevention -Title 1 annual meeting Timeline- September 2016-May 2017 school year CNA pg. 16 & 24
6	1	3	Complete and disseminate our Parental Involvement Policy and our School-Parent-Student Compacts so as to delineate how parents will be actively involved at the district/campus level with the intention to increase participation and to ensure each group's responsibility to ensure student achievement. Target population-parents and community for the entire school year. Timeline- December 2016 & May 2017 CNA pg. 21
6	1	4	As part of the district guidelines, campus shall encourage parent participation in the following committees so that they can be aware of the campus initiatives. -LPAC Committee -campus SBDM Committee -District Parent Advisory Committee - Community Parental Involvement -Advisory Committee -Health Ambassador -Families in Training Program (FIT) -Check for Life Rally Target population - parents and all community stakeholders. Timeline-August 2016-June 2017 CNA pg. 20 & 21
6	1	5	Conduct an annual parent survey to evaluate the effectiveness of Parental Involvement efforts. Survey will be conducted in Spring 2015 and administration will ensure that the section in the Title I parental involvement compliance binder is completed. Timeline: Marh & April 2017 CNA pg. 20-21
6	1	6	Recognize parent volunteers and businesses for supporting a variety of campus activities in order to increase participation and use of the parent center to establish and promote cooperation among home, school, and community. Target population- parents and businesses, community Timeline- December 2016 & May 2017 school year CNA pg. 20-21
7	1	1	The academic progress of migrant PreK-2nd grade migrant students will be monitored to ensure successful grade level completion and ultimately secure promotion. The academic progress of migrant students in 3rd-5th grade will be reviewed to secure accurate placement into the current remediation opportunities during regular and summer school programs. Timeline: Monitoring every 3 wks. August 2016-May 2017 CNA pg. 14-15

Goal	Objective	Strategy	Description
7	1	2	All migrant students will receive grade appropriate school supplies, on an as-needed basis to complete their classroom and homework assignments. All migrant students will be provided with the basic necessities; such as clothing, shoes, etc ; to provide them with the same opportunity to meeting the academic challenges of all students. PFS students will receive supplemental support services before other migrant students. Targeted population PFS and migrant students. Timeline- August 2016- June 2017 CNA pg. 14-15
7	1	3	In order to secure the data needed to accommodate placement into the appropriate supplemental instructional opportunities for Pre-K, Kinder, 1st, and 2nd grade migrant students; pre-test and post-test results will be used by teachers to determine the migrant students performing below grade level. Targeted population- PFS and migrant students. Timeline- August 2016-June 2017 CNA pg. 11 & 12
7	1	4	Elementary migrant students will have an equal opportunity to attend the school districts summer school program to ensure promotion if needed:or, to participate in the enrichment migrant summer program. Identified (K-5) migrant priority for service students will be given in-house and/or after school tutorials. In order to provide scaffold instruction support for student achievement in the core subject areas. Target Population- Migrant students CNA pg. 8 Timeline line- June 2016- August 2017
8	1	1	Students will use technology to complete classroom assignments; promote critical thinking skills, research projects, and take assessments that are part of the campus/district curriculum. Technology: Students will be taught all technology TEKS using a computer and/or internet to complete classroom assignments and participate in classroom activities as appropriate throughout the school year in order to improve technology skills. Target Population- All Students Timeline-August 2016-May 2017 CNA pg. 25
8	1	2	Teachers and librarian will complete an annual school technology and readiness (STAAR) chart. Timeline- August 2016 & April 2017 CNA pg. 25
8	1	3	Teachers will be required to document classroom technology integration in their lesson plans using the technology TEKS, lessons, and instructional activities and by utilizing smartboards, elmos, projectors, digital cameras, cd players, and lap top computers. Technology: Classroom teachers will incorporate the use of technology in classroom instruction using desktops, laptops, external hard drive, printers, scanners, fax machines, laminators, sound system, digital cameras, video cameras, document cameras, projectors, smartboards, TV, channel modulators in a classroom setting to increase student performance in all academic areas. Target Population- All teachers and campus administration Timeline- 2016-2017 school year. CNA pg. 24 & 25
8	1	4	Administration will use technology/ laptop to assess and disaggregate student data to enhance student learning and campus performance according to district curriculum and calendar. The laptop will also be used during grade level meetings to keep teachers updated on district assessments, technology trainings, and curriculum. Target Population- Campus Administration Timeline- 2016-2017 School year CNA pgs.24

Goal	Objective	Strategy	Description
8	1	5	Technology: Evaluate and update computer lab equipment to ensure sufficient resources. (Software, Ink, Desktops, laptops, external hard drive, printers, scanners, fax machines, laminators, sound system, digital Cameras, video cameras, document cameras, projectors, smartboards, t.v., channel modulators, technology equipment.) Timeline- Fall 2016 & Spring 2017 CNA pg. 27
8	1	6	All kinder through 5th grade students will be scheduled for computer lab to increase their knowledge and use of technology skills. Target Population- All students Timeline-September 2016- May 2017 CNA pg. 25
8	1	7	Provide computer-based instruction in the foundation curriculum and adaptive- assisted devices in order to improve at-risk students achieve and attendance. Renewal of existing software and purchases of new software will be required. Population: AR, LEP, MI, T1 Timeline- August 2016-May 2017 CNA pg. 24 & 25

State Compensatory

Budget for Canales Elementary:

<u>Account Code</u>	<u>Account Title</u>	<u>Budget</u>
6100 Payroll Costs		
162-11-6118-00-101-Y-24-SSI-Y	6118 Extra Duty Stipend - Locally Defined	\$8,991.00
162-11-6118-00-101-Y-30-000-Y	6118 Extra Duty Stipend - Locally Defined	\$15,272.00
162-11-6119-00-101-Y-30-054-Y	6119 Salaries or Wages - Teachers and Other Professional Personnel	\$51,844.00
162-11-6119-00-101-Y-34-PKK-Y	6119 Salaries or Wages - Teachers and Other Professional Personnel	\$85,870.00
162-13-6119-31-101-Y-30-000-Y	6119 Salaries or Wages - Teachers and Other Professional Personnel	\$54,771.00
6100 Subtotal:		\$216,748.00

Personnel for Canales Elementary:

<u>Name</u>	<u>Position</u>	<u>Program</u>	<u>FTE</u>
Martha Elva Saenz	Pre-Kindergarten Teacher	State Compensatory	.5
Minerva Ramirez	Dyslexia Teacher	State Compensatory	.5
Nora Robles	Pre-Kindergarten Teacher	State Compensatory	.5
Sandra E. Trevino	Dean of Instruction	State Compensatory	1.0
Yolanda Rangel	Pre-Kindergarten Teacher	State Compensatory	.5

Title I

Schoolwide Program Plan

J. T. Canales Elementary School-wide program plan

Ten Components of the Schoolwide Program Plan

Federal requirements for campus planning mandate that schools develop a school-wide program plan that includes all of the ten required components. The following ten components of a school-wide program are embedded within the campus improvement plan and its activities.

Canales Elementary School uses its Title I, state compensatory and other funds to upgrade the entire instructional program by implementing school-wide programs as authorized under the provisions of public law 107-110, Section 1114.

The Site-Based Decision-Making (SBDM) Committee conducted a comprehensive needs assessment (p. 23-35) (1) over a period of one year to determine the strengths and needs of students, staff, parental & community involvement, and facilities before deciding how to use available local, state, and federal budget allocations. Based on findings of the survey, the committee decided to concentrate on improving the passing rate of all students and student groups including migrant, bilingual, at-risk, dyslexia, GT, title I, and special education on state assessments. The goal is to have 90 percent of all students and all student groups passing all parts of state mandated assessments for the 2014-2015 and to increase the commended performance level in all content areas. In addition, our goal is to increase the ELL AMAOS progress by 50% and meet AMAOS attainment in all grade levels.

To accomplish these objectives, the staff will use the budgeted funds to implement school-wide reform strategies that provide opportunities for all children to meet the State's proficient and advanced levels of academic performance, use effective methods and instructional strategies that are established on scientifically based research that (1) strengthen the core academic program; (2) increase the amount and quality of learning time, including the funding of an after-school tutorial/ summer school/ enrichment program, for students who are t-risk and in need of continuity in their instructional program to be successful in the succeeding school year; (3) include strategies for meeting the educational needs of historically underserved populations; (4) include strategies to address the needs of all children in school, particularly the needs of low-achieving students, at-risk, or not meeting the State student academic achievement standards; (5) address how the school will determine if such needs have been met; and (6) are consistent with and are designed to implement the state and local improvements plans.

Highly-qualified teachers will carry out the instructional program. Only teachers who are certified and who have met state testing requirements to teach the subjects/grade levels to which they are assigned will be hired by the school. In emergency situations, the school will consider teachers who have alternative certification. In addition to appropriate certification, teachers will be sought who are experienced and have been successful in previous assignments. Strategies to attract high-quality teachers to high needs schools (CIP 1.23) will include our school's participation in the District sponsored annual Teacher Fair, selection of teachers from the district's and region I's efforts to recruit teachers from out of valley and state, recruiting teachers from Teach for America Programs, paying stipends for attainment of a Master's Degree, and paying stipends for math, science and social studies. The school will provide access to high-quality ongoing professional development (CIP 1.1, 1.2, 1.21) throughout the school year for all staff including teachers, principals, and paraprofessionals. Professional development activities will be geared to individual teachers' specialties, along with any other identified needs as determined through the staff, student and parent needs assessment surveys, administration classroom observations and evaluations, and/or district identified needs. Professional development will be conducted both at the school and the education service center as well as district conferences and workshops which will be intensive and sustained. All our classroom teachers have access to additional technology, therefore, they will be provided with additional training in the use of smartboards, classroom performance systems, and ELMOS for classroom instruction via our computer technical support teacher. They will be trained not only on the technology software but on how to integrate technology into their daily lessons. Teachers will also receive in depth training on Classroom Management Strategies in order to reduce office referrals and maximize instructional time. They will receive refresher trainings on our district's Review 360 RTI behavior program. This will help our campus establish and maintain a well uniformed discipline plan.

Title I, Part A funds will be used to partially finance strategies to increase parental involvement (CIP 11.4-11.14) at the school including the parent workroom and to purchase special materials used in the parent volunteer program. Parent education will be provided to parents by the campus parent liaison as well as the district's parental involvement center. Parent training on how to help their students be successful at home, learning english, discipline management, and parenting skills will be provided to those parents who want to better meet the rigors of parenting. Parents will also receive training on assisting their children with academic assignments, tutorial participation, assessment information, drop out, college readiness, and nutrition. Parents have participated in campus surveys and have provided feedback in the campus environment and the student dress code.

An orientation for preschool children from head start (CIP 1.24) to assist with the transition to J.T. Canales Elementary will be held annually in the Spring **and** for 5th grade students and their parents to assist with the transition into middle school.

Teachers will be included in decisions regarding the use and selection of academic assessments (CIP 1.16) to measure student performance. Teachers will use data obtained from state assessments as well as other instruments, including but not limited to the SELP, TELPAS, and benchmark tests, to implement new instructional strategies, modify existing strategies and/or discontinue existing strategies to better address student needs as determined by use of these

instruments.

Students experiencing difficulty in mastering the TEKS will be provided effective, timely additional assistance (CIP 1.5). All teachers will closely monitor all students' performance based on daily exercises and periodic tests. Students not mastering the objectives will be provided additional assistance in the after school tutorial program and/or enrichment courses based on his/her individual needs. Students will receive adequate research based interventions, RTI, through the development of an intervention plan as needed. Progress will be monitored biweekly and proper modifications to the intervention plan will take place periodically.

The school will coordinate and integrate federal, state, and local programs and services to maximize the effectiveness of these resources

Several of the strategies being implemented are jointly funded with special services and Title I Funds, e.g., after school tutorial programs. Professional Development activities are also paid for from Title I, parts A and C (migrant students), and local funds. Title I funds along with state compensatory funds are used to purchase supplemental instructional materials, media, and library resources used to improve and enhance the overall instructional program.

In addition to those described above, migrant funds are used to identify and recruit children of migratory workers for supplemental services designed to reduce the educational disruptions and other problems that result from repeated moves. Migrant and PFS students not mastering the objectives will be provided additional assistance in the after school tutorial program and/or enrichment courses based on his/her individual needs. PFS students will receive additional academic and non-academic supplemental support in the form of supplies, clothing, and shoes. Students will receive adequate research based interventions, RTI, through the development of an intervention plan as needed. Progress will be monitored biweekly and proper modifications to the intervention plan will take place periodically. Activity 1.5, Activity 13.1.

Bilingual funds are used to provide supplemental services to help ensure that children who are limited english proficient attain english language proficiency and develop high levels of academic attainment. Students not mastering the objectives will be provided additional assistance in the after school tutorial program and/or enrichment courses based on his/her individual needs. Students will receive adequate research based interventions, RTI, through the development of an intervention plan as needed. Progress will be monitored biweekly and proper modifications to the intervention plan will take place periodically.

-

The campus will also continue to provide the state mandated State Compensatory Education Program through campus as well as District funded initiatives. State compensatory funds will be utilized to fund personnel, purchase supplies and the implementation of the tutorial program.

Special education funding provides supplemental services to eligible students as per Individuals with Disabilities Education Act (IDEA) identification requirements. In order to ensure a free and appropriate public education (FAPE) in a least restrictive environment (LRE), children who qualify for special education must receive services in accordance with a properly developed Individualized Education Program (IEP) as per federal and state special education guidelines. In addition, all Admission, Review, and Dismissal (ARD) committees will adhere to the policies and procedures outlined by the Texas Education Agency (TEA) in the ARD Committee Decision-Making Process for the Texas Assessment Program Manual and A Guide to the Admission, Review and Dismissal Process. Students not mastering the objectives will be provided additional assistance in the after school tutorial program and/or enrichment courses based on his/her individual needs. Students will receive adequate research based interventions, RTI, through the development of an intervention plan as needed. Progress will be monitored biweekly and proper modifications to the intervention plan will take place periodically.

Ten Schoolwide Components

1: Comprehensive Needs Assessment

The Site-Based Decision-Making (SBDM) Committee conducted a comprehensive needs assessment (p. 23-35) (1) over a period of one year to determine the strengths and needs of students, staff, parental & community involvement, and facilities before deciding how to use available local, state, and federal budget allocations. Based on findings of the survey, the committee decided to concentrate on improving the passing rate of all students and student groups including migrant, bilingual, at-risk, dyslexia, GT, title I, and special education on state assessments. The goal is to have 90 percent of all students and all student groups passing all parts of state mandated assessments for the 2014-2015 and to increase the commended performance level in all content areas. In addition, our goal is to increase the ELL AMAOS progress by 50% and meet AMAOS attainment in all grade levels.

2: Schoolwide Reform Strategies

To accomplish these objectives, the staff will use the budgeted funds to implement school-wide reform strategies that provide opportunities for all children to meet the State's proficient and advanced levels of academic performance, use effective methods and instructional strategies that are established on scientifically based research that (1) strengthen the core academic program; (2) increase the amount and quality of learning time, including the funding of an after-school tutorial/ summer school/ enrichment program, for students who are t-risk and in need of continuity in their instructional program to be successful in the succeeding school year; (3) include strategies for meeting the educational needs of historically underserved populations; (4) include strategies to address the needs of all children in school, particularly the needs of low-achieving students, at-risk, or not meeting the State student academic achievement standards; (5) address how the school will determine if such needs have been met; and (6) are consistent with and are designed to implement the state and local improvements plans.

3: Instruction by highly qualified professional teachers

Highly-qualified teachers will carry out the instructional program. Only teachers who are certified and who have met state testing requirements to teach the subjects/grade levels to which they are assigned will be hired by the school. In emergency situations, the school will consider teachers who have alternative certification. In addition to appropriate certification, teachers will be sought who are experienced and have been successful in previous assignments.

4: High-quality and ongoing professional development for teachers, principals, and paraprofessionals and, if appropriate, student services personnel, parents, and other staff

The school will provide access to high-quality ongoing professional development (CIP 1.1, 1.2, 1.21) throughout the school year for all staff including teachers, principals, and paraprofessionals. Professional development activities will be geared to individual teachers' specialties, along with any other identified needs as determined through the staff, student and parent needs assessment surveys, administration classroom observations and evaluations, and/or district identified needs. Professional development will be conducted both at the school and the education service center as well as district conferences and workshops which will be intensive and sustained. All our classroom teachers have access to additional technology, therefore, they will be provided with additional training in the use of smartboards, classroom performance systems, and ELMOS for classroom instruction via our computer technical support teacher. They will be trained not only on the technology software but on how to integrate technology into their daily lessons. Teachers will also receive in depth training on Classroom Management Strategies in order to reduce office referrals and maximize instructional time. They will receive refresher trainings on our district's Review 360 RTI behavior program. This will help our campus establish and maintain a well uniformed discipline plan.

5: Strategies to attract highly qualified teachers

Strategies to attract high-quality teachers to high needs schools will include our school's participation in the District sponsored annual Teacher Fair, selection of teachers from the district's and region I's efforts to recruit teachers from out of valley and state, recruiting teachers from Teach for America Programs, paying stipends for attainment of a Master's Degree, and paying stipends for math, science and social studies.

6: Strategies to increase parental involvement

Title I, Part A funds will be used to partially finance strategies to increase parental involvement at the school including the parent workroom and to purchase special materials used in the parent volunteer program. Parent education will be provided to parents by the campus parent liaison as well as the district's parental involvement center. Parent training on how to help their students be successful at home, learning english, discipline management, and parenting skills will be provided to those parents who want to better meet the rigors of

parenting. Parents will also receive training on assisting their children with academic assignments, tutorial participation, assessment information, drop out, college readiness, and nutrition. Parents have participated in campus surveys and have provided feedback in the campus environment and the student dress code.

7: Plans for assisting preschool children in the transition from early childhood programs to elementary school programs

An orientation for preschool children from head start to assist with the transition to J.T. Canales Elementary will be held annually in the Spring **and** for 5th grade students and their parents to assist with the transition into middle school.

A Pre Kindergarten for 3 year olds will begin September 2014 to assist in the transition into the educational setting.

8: Measures to include teachers in the decisions regarding the use of academic assessments in order to improve the achievement of individual students and the overall instructional program

Teachers will be included in decisions regarding the use and selection of academic assessments to measure student performance. Teachers will use data obtained from state assessments as well as other instruments, including but not limited to the SELP, TELPAS, and benchmark tests, to implement new instructional strategies, modify existing strategies and/or discontinue existing strategies to better address student needs as determined by use of these instruments.

9: Activities to ensure effective timely assistance for students who experience difficulty mastering the proficient or advanced levels of academic achievement standards

Students experiencing difficulty in mastering the TEKS will be provided effective, timely additional assistance. All teachers will closely monitor all students' performance based on daily exercises and periodic tests. Students not mastering the objectives will be provided additional assistance in the after school tutorial program and/or enrichment courses based on his/her individual needs. Students will receive adequate research based interventions, RTI, through the development of an intervention plan as needed. Progress will be monitored biweekly and proper modifications to the intervention plan will take place periodically.

10: Coordination and integration of federal, state and local services and programs

The school will coordinate and integrate federal, state, and local programs and services to maximize the effectiveness of these resources

Several of the strategies being implemented are jointly funded with special services and Title I Funds, e.g., after school tutorial programs. Professional Development activities are also paid for from Title I, parts A and C (migrant students), and local funds. Title I funds along with state compensatory funds are used to purchase supplemental instructional materials, media, and library resources used to improve and enhance the overall instructional program.

In addition to those described above, migrant funds are used to identify and recruit children of migratory workers for supplemental services designed to reduce the educational disruptions and other problems that result from repeated moves. Migrant and PFS students not mastering the objectives will be provided additional assistance in the after school tutorial program and/or enrichment courses based on his/her individual needs. PFS students will receive additional academic and non-academic supplemental support in the form of supplies, clothing, and shoes. Students will receive adequate research based interventions, RTI, through the development of an intervention plan as needed. Progress will be monitored biweekly and proper modifications to the intervention plan will take place periodically.

Bilingual funds are used to provide supplemental services to help ensure that children who are limited english proficient attain english language proficiency and develop high levels of academic attainment. Students not mastering the objectives will be provided additional assistance in the after school tutorial program and/or enrichment courses based on his/her individual needs. Students will receive adequate research based interventions, RTI, through the development of an intervention plan as needed. Progress will be monitored biweekly and proper modifications to the intervention plan will take place periodically.
