## **Vision**

### **Campus Vision Statement**

**Rigor, Depth and Complexity Leading to Student Success**

## **State Goals and Objectives**

### **THE STATE OF TEXAS PUBLIC EDUCATION MISSION AND ACADEMIC GOALS**

The mission of the public education system of this state is to ensure that all Texas children have access to a quality education that enables them to achieve their potential and fully participate now and the future in the social, economic, and education opportunities of our state and nation. That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of this state and for the preservation of the liberties and rights of citizens.

It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family; and that parental involvement in the school is essential for the maximum educational achievement of a child.

# THE STATE OF TEXAS PUBLIC EDUCATION GOALS

- GOAL #1: The student in the public education system will demonstrate exemplary performance in the reading and writing of the English language.
- GOAL #2: The students in the public education system will demonstrate exemplary performance in the understanding of mathematics.
- GOAL #3: The students in the public education system will demonstrate exemplary performance in the understanding of science.
- GOAL #4: The students in the public education system will demonstrate exemplary performance in the understanding of social studies.

## THE STATE OF TEXAS PUBLIC EDUCATION OBJECTIVES

Objective #1: Parents will be full partners with educators in the education of their children.

Objective #2: Students will be encouraged and challenged to meet their full educational potential.

Objective #3: Through enhanced dropout prevention efforts, all students will remain in school until they obtain a high school diploma.

Objective #4: A well-balanced and appropriate curriculum will be provided to all students.

Objective #5: Qualified and highly effective personnel will be recruited, developed, and retained.

Objective #6: The state's students will demonstrate exemplary performance in the comparison to national and international standards.

Objective #7: School campuses will maintain a safe and disciplined environment conducive to student learning.

Objective #8: Educators will keep abreast of the development of creative and innovative techniques as appropriate to improve student learning.

Objective #9: Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration.

# Comprehensive Needs Assessment

## Demographics

### Demographics Summary

Hudson Elementary School is located in Brownsville, Texas. It is one of thirty-seven elementary schools in Brownsville ISD; it is the home of 831 Kinder through 5<sup>th</sup> grade students. As reported in the 2014-2015 TAPR the campus employed 53.8 teachers, 7 professional support staff, 4 campus administrators, 15 educational aids for a total staff count of 79.8 employees. The student population includes: 98.3% Hispanics, 1.3% White, Asian 0.4%, 88.7% Economically Disadvantage, 11.3% Non-Educationally Disadvantage, 44.3% Limited English Proficient (LEP), 68% At-Risk, 11.1% Gifted and Talented, 8.7% Special Education, 1.6% Bilingual/ESL. The Attendance Rate is 95.9% for all students, 95.8% for Economically Disadvantaged, and 95.9% for at-risk students. The retention rate is 5.42% for all students.

The following information originated from the 2014-2015 TAPR results.

Texas Accountability Inventory System (TAIS)

### Demographics Strengths

84% Of All 4th grade students Met Level II Phase II STAAR Reading.

80% of All 5th grade students Met Level II Phase II STAAR Reading.

84% of All 3rd grade students Met Level II Phase II on STAAR Math.

83% of All 4th grade students Met Level II Phase II on STAAR Math.

85% of All 5th grade students Met Level II Phase II on STAAR Math.

### Demographics Needs

A student group that performed less than or equal to the state average is identified as a priority. Based on the review data, best practices will be used to address the priority areas of need. Objectives of the District Improvement Plan delineate a variety of research-based strategies and are used to address the areas of need.

The student Attendance Rate at Hudson Elementary needs to improve to meet the recommended Attendance Rate of 97.5% for all student groups. Incentives and awards to improve all students (95.9%), economically disadvantaged students (95.8%), and at-risk students (95.9%) attendance rates is a priority to improve academic achievement in the foundation curriculum.

#### Primary Grade Levels

##### Grades: K-2

Non-Special Education Rates of Retention: K (0.0%), Grade 1 (12.3%), Grade 2 (7.3%). Reported grade levels are slightly higher than state percentages with the exception of Kindergarten which has a 1.4% difference.

Special Education Rates of Retention: Kinder (14.3%), Grade 1 (10%), and Grade2 (7.7%).

The above information was originated from the 2014-2015 TAPR report.

##### STAAR Summary of 3<sup>rd</sup>-5<sup>th</sup> Grades Tested

A student group that performed less than or equal to the state average is given STAAR tested content area is identified as a priority.

Reading – 3<sup>rd</sup> grade (campus 67%, district 80%, state 77%) 4<sup>th</sup> grade (campus 70%, district 74%, state 74%), 5<sup>th</sup> grade (campus 86%, district 89%, state 87%) Phase-in I Level II

Writing – 4<sup>th</sup> grade (campus 73%, district 75%, state 70%) Phase-in I Level II

Math 3<sup>rd</sup> grade (campus n/a, district n/a, state n/a), 4<sup>th</sup> grade (campus n/a, district n/a, state n/a), 5<sup>th</sup> grade (campus n/a, district n/a, state n/a) Phase-in I Level II

Science 5<sup>th</sup> grade (campus 59%, district 75%, state 72%) Phase-in I Level II

#### 2014-2015 Texas Academic Performance Report

## Student Achievement

### Student Achievement Summary

Teachers have been trained in how to read and analyze data reports from Aware, Tango, and eSchoolPlus Failure Reports. Teachers meet weekly for grade level meetings and planning. All teachers, including tutorial teachers, have been trained in using supplemental resources and planning for differentiated instruction.

A student group that performed less than or equal to the state average is identified as a priority. Based on the review of the data, best practices will be used to address the priority areas of need. Objectives of the Campus Improvement Plan delineate a variety of research-based strategies and are used to address the areas of need.

Information taken from the 2014-2015 TAPR Report

	State	District	Campus
<b>Grade 3</b>			
Reading	77%	80%	67%
Mathematics	n/a	n/a	n/a
<b>Grade 4</b>			
Reading	74%	74%	70%
Mathematics	n/a	n/a	n/a
Writing	70%	75%	73%
<b>Grade 5</b>			
Reading	87%	89%	86%
Mathematics	n/a	n/a	n/a
Science	72%	75%	59%

### Student Achievement Strengths

Hudson Elementary students Met Standard in State Accountability Rating. We also received the following Distinctions: Academic Achievement in Reading/English Language Arts, Academic Achievement in Mathematics, and Post Secondary Readiness.

## **Student Achievement Needs**

Students at Hudson Elementary need to increase vocabulary development, rigor, depth, and complexity in all subject areas in order for all students including all sub populations to increase their academic achievement and master all aspects of the STAAR exam. In addition, students need supplemental instructional materials in mathematics, science, and reading to address the TEKS and STAAR objectives.

## **School Culture and Climate**

### **School Culture and Climate Summary**

There is a lack of instructional technology in all classrooms. In addition, there is a need for web-based technology in order to provide a safe and welcoming environment for all campus stakeholders. We need to increase participation in our weekly parental involvement meetings. Our campus needs to provide more on-going classroom management and data analysis teacher trainings.

### **School Culture and Climate Strengths**

Administration is visible and available throughout the campus.

Our school provides a clean and safe learning environment for all campus stakeholders.

### **School Culture and Climate Needs**

At Hudson Elementary we will increase classroom instructional supplies and technology in all classrooms through the utilization of grant and local funds. There is a need to increase the parent participation in our parental involvement meetings. This will be accomplished by making phone calls and home visits. We will also have one parent meeting every week to keep open communication with parents. Our school also needs to provide on-going classroom management training for existing and new teachers in order to decrease student discipline referrals and increase student achievement. Address the curriculum needs by providing needed supplemental instructional supplies. There is a need to increase the level of commitment and ownership from all campus stakeholders. Horizontal and vertical curriculum alignments meetings will be set up in order to improve the academic success of all students. Although Hudson Elementary provides a welcoming school climate for students, parents, staff and community members, there is a need for web-based technology to provide a safe environment for students and campus stakeholders.

## **Staff Quality, Recruitment, and Retention**

### **Staff Quality, Recruitment, and Retention Summary**

Teachers at Hudson Elementary are 100% highly qualified. We need to ensure that all teachers are in compliance with GT and Bilingual requirements. We need to ensure that the faculty is involved in the interview and hiring process. Ensure that all teachers attend all the required district professional development. Ensure that GT students are grouped together as allotted by number of students.

### **Staff Quality, Recruitment, and Retention Strengths**

100% of teachers at Hudson Elementary are considered Highly Qualified Teachers by the state of Texas.

### **Staff Quality, Recruitment, and Retention Needs**

All teachers should show compliance with the required GT and Bilingual trainings. All staff members must attend all required district and campus staff development in order to take full advantage of the opportunities provided by the school district. New teachers must attend the “New Teacher” in-services and any other required training, as needed.

## **Curriculum, Instruction, and Assessment**

### **Curriculum, Instruction, and Assessment Summary**

Vertical and Horizontal alignment planning sessions and professional development on specific instructional strategies (i.e. differentiated instruction, technology, and ELL vocabulary development).

#### English Language Arts

- Reading: Close Reading, SIOP Model, MindPlay, TLI Strategies
- Writing: 6+1 Writing Traits, Write for Success

#### Math

- TEKS Pearson Update Training
- Spiriling Math Graphs LoneStar/ Texas Tornado

#### Science

- Stemscope
- 5<sup>th</sup> grade Motivation
- Graphic Readers
- Science Lab on a daily basis

#### Exemplary Labs

### **Curriculum, Instruction, and Assessment Strengths**

The curriculum used at Hudson Elementary is aligned with TEKS, ELP and STAAR. Teachers follow the district provided frameworks as a guide for their teaching. Added instructional and supplemental materials and resources are provided when money is made available. There is a positive collaboration between campus administrators and teachers; teachers at Hudson Elementary are receptive and willing to try different teaching strategies.

### **Curriculum, Instruction, and Assessment Needs**

There is a need to increase vocabulary development in content subject areas for the English Language Learner, Special Education, and other sub-populations. We also need to provide teacher planning time for horizontal and vertical alignment planning. Teacher fidelity is present at our campus. There is also a need to provide training and raise teacher awareness in the curriculum frameworks and other components for classroom instruction. There is an increased need for added instructional supplemental materials in the areas of mathematics, writing, science and reading; as well as other resources such as hygiene and clothing supplemental materials for all sub-populations, including our Migrant students in order to increase student attendance; hence, increase EOY grades, STAAR scores, and increase promotion rates. Provide more professional development on differentiated instruction and RTI strategies. There is an increase technology for all teachers and students in the campus.

## **Family and Community Involvement**

### **Family and Community Involvement Summary**

Although we have very active and supportive parents in our campus, there is a need to increase the number of parents participating and attending in school and community meetings/events in order to increase student attendance, and mastery on all assessments. Our campus will have parent meetings on every Wednesday at 8:30 am.

### **Family and Community Involvement Strengths**

Hudson Elementary parents are very active and positive parents. They participate in many of our activities (academic, extra curricular and athletic). Our campus holds parental involvement meetings on a weekly basis (Title I Parental Educational Presentation) set up by our parent liaison on Wednesday mornings.

### **Family and Community Involvement Needs**

Campus will increase parental involvement meeting attendance on Wednesdays to address campus initiatives, goals, objectives, and other topics such as, Curriculum, Environmental and Health issues in order to increase the level of community ownership and participation.(6.1.1, 6.1.2)

Parent volunteers and business partners will be recognized for supporting a variety of district and/or campus activities in order to increase attendance and participation. (6.1.6)

## **School Context and Organization**

### **School Context and Organization Summary**

Hudson Elementary has a very positive and supportive faculty and staff. Our campus needs to document, monitor, and follow-up students' academic achievement, campus-wide at BOY, MOY and EOY. Our school also keeps a data wall in order to track and monitor students progress as the year goes by. This will allow teachers to adjust instruction and lesson preparation, if needed.

### **School Context and Organization Strengths**

There is a positive and supportive campus faculty and staff. Administrative classroom walkthroughs in all departments are happening on a weekly basis. There is an effective communication between the administrative team, faculty, staff, parents, and community members.

### **School Context and Organization Needs**

Schedule horizontal and vertical alignment for Pre-K-5<sup>th</sup> grade teachers for co-planning every six weeks, including all support staff, in order to share and plan for best practice teaching and relevant strategies in order to support, increase, and reach student academic achievement while facilitating and awarding students' transitions from PK to 5<sup>th</sup> grade.

# **Technology**

## **Technology Summary**

Scheduled computer lab time for Pre-K to 5<sup>th</sup> grade students on a weekly basis. We need to increase technology professional development attendance of teachers. There is also a need for technology in the classrooms. Our school is currently in need of a campus Technology Support Teacher (TST).

## **Technology Strengths**

Technology programs available for instruction, textbook adoptions, and other resources (Brain Pop Jr. /Discovery Education/EduSmart/Mindplay/ Think Trough Math/ Istation).

## **Technology Needs**

There is currently the need of a Technology Support Teacher at our campus in order to meet the demands and provide all the classroom technology needs (such as programs, ink/toner, and equipment). This need will be addressed as soon as money is made available to increase classroom instruction and students' academic achievement, mastery on STAAR, namely in the areas of writing and science. Technology (programs/equipment) for office use will be updated to ensure proper preparation and monitoring of student success through benchmarks, mini-marks, technology pilot program progress and reporting, etc.

# Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

## Improvement Planning Data

- District goals

## Accountability Data

- Texas Academic Performance Report (TAPR) data
- Performance Index Framework Data: Index 1 - Student Achievement
- Performance Index Framework Data: Index 2 - Student Progress
- Performance Index Framework Data: Index 3 - Closing Performance Gaps
- Performance Index Framework Data: Index 4 - Postsecondary Readiness
- System Safeguards and Texas Accountability Intervention System (TAIS) data
- Accountability Distinction Designations
- Federal Report Card Data
- Community and student engagement rating data
- Annual Measurable Achievement Objectives (AMAO) data

## Student Data: Assessments

- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- Texas English Language Proficiency Assessment System (TELPAS) results
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Student Success Initiative (SSI) data for Grades 5 and 8

# Goals

**Goal 1: The students in the public education system will demonstrate exemplary performance in the understanding of reading, writing of the English language, mathematics, science, social studies, while addressing safety, health, nutrition, substance abuse, and violence prevention .**

**Performance Objective 1:** Students at Hudson Elementary will obtain 90% mastery in STAAR in Reading, Math, Writing, and Science and increase performance through the use of high quality teacher instruction, state adopted textbooks and supplementary resources.

**Summative Evaluation:** STAAR Results in Reading, Math, Writing, and Science.

# Title I

## Schoolwide Program Plan

Federal requirements for campus planning mandate that schools develop a schoolwide program plan that includes all of the ten required components. The following ten components of a schoolwide program are embedded within the campus improvement plan and its activities.

Hudson Elementary School uses its Title I, State Compensatory and other funds to upgrade the entire instructional program by implementing school-wide programs as authorized under the provisions of Public Law 107-110, Section 1114.

## Ten Schoolwide Components

### 1: Comprehensive Needs Assessment

**The Site-Based Decision-Making (SBDM) Committee conducted a comprehensive needs assessment (CNA pgs.6-17) over a period of one year to determine the strengths and needs of students, staff, parental & community involvement, and facilities before deciding how to use available local, state, and federal budget allocations. Based on the CNA, the committee decided to concentrate on improving the passing rate of all students and student groups including Migrant, Bilingual, At-Risk, Dyslexia, GT, Title I, and Special Education on state assessments. The goal is to have 90 percent of all students and all student groups passing all parts of state mandated assessments for the 2016-2017 and to increase the Level III percentages in all content areas.**

### 2: Schoolwide Reform Strategies

The Annual Measurement Achievement Objective System (AMAOS) indicators. To accomplish these objectives, the staff will use the budgeted funds to implement school-wide reform strategies that provide opportunities for all children to meet the State's proficient and advanced levels of academic performance, use effective methods and instructional strategies that are established on scientifically based research that (1) strengthen the core academic program; (2) increase the amount and quality of learning time, including the funding of an after-school tutorial/summer school/ enrichment program, for students who are At-Risk and in need of continuity in their instructional program to be successful in the succeeding school year; (3) include strategies for meeting the educational needs of historically underserved populations; (4) include strategies to address the needs of all children in school, particularly the needs of low-achieving students, At-Risk, or not meeting the State student academic achievement standards; (5) address how the school will determine if such needs have been met; and (6) are consistent with

and are designed to implement the State and local improvements plans. Hudson Elementary offers after school tutorials and remediation strategies in core-area subjects to identified low-performing students through 3-Tier Model in order to improve their performance and overall success in the state assessment (1.1.1,1.1.2,1.1.3,1.1.4,1.1.10,1.1.14,3.1.1,3.1.9,3.1.11)

### **3: Instruction by highly qualified professional teachers**

Highly-qualified teachers will carry out the instructional program. Only teachers who are certified and who have met state testing requirements to teach the subjects/grade levels to which they are assigned will be hired by the school. In emergency situations, the school will consider teachers who have alternative certification. In addition to appropriate certification, highly qualified teachers will be provided with training and knowledge of core reading programs. The paying stipends for attainment of a Master's Degree that our district offers, as well as the district's plan for paying stipends for math, science and social studies. Hudson Elementary hiring committee consists of representation from teachers, special programs, specialized area representative, instructional staff and administration. The hiring committee follows standard procedures for scoring interviewees and provides recommendations to the principal for finalists. After Hudson Elementary hires highly qualified personnel, the school provides access to high quality ongoing professional development throughout the school year for all staff including teachers, principals, and paraprofessionals. Professional development activities will be geared to individual teachers' specialties, along with any other identified needs as determined through the staff, student and parent needs assessment surveys, administration classroom observations and evaluations, and/or district identified needs. Professional development will be conducted both at the school and the education service center as well as district conferences, campus webinars and workshops which will be intensive and sustained. (1.1.11,1.1.13,1.1.16, 6.1.2)

### **4: High-quality and ongoing professional development for teachers, principals, and paraprofessionals and, if appropriate, student services personnel, parents, and other staff**

Professional development will concentrate on the following areas: STAAR, TELPAS, TEKS updates, higher order questioning techniques, content area intervention strategies and bully free schools (1.1.1, 1.1.2,1.1.3, 1.1.4, 1.1.5, 1.1.6, 1.1.7, 1.1.8,1.1.19,1.1.10,1.1.12, 1.1.13, 2.1.2, 6.1.2).

### **5: Strategies to attract highly qualified teachers**

Students experiencing difficulty in mastering the TEKS will be provided effective, timely additional assistance. All teachers will closely monitor all students' performance based on daily exercises and periodic tests. Students not mastering the objectives will be provided additional assistance in the after school tutorial program and/or enrichment courses based on his/her individual needs. In addition, Hudson Elementary will collaborate with in-district and out of district campuses to expedite the transfer of current RTI plans to continue supporting students experiencing difficulty in a timely manner. An RTI plan will be requested or forwarded for students receiving Tier II and Tier III interventions. Students having Dyslexia characteristics will be screened and RTI documentation will be submitted to District Dyslexia Office for review and approval to proceed with Dyslexia 504 referral. (1.1.6,1.1,11)

### **6: Strategies to increase parental involvement**

The school will coordinate and integrate federal, state, and local programs and services to maximize the effectiveness of these resources. Several of the strategies being implemented are jointly funded with Special Services and Title I Funds, e.g., after school tutorial programs and extended day activities.

Professional Development sessions are also paid for from Title I, Parts A and C, and Local Funds. Title I Funds along with Local, State Compensatory, State Bilingual, State Special Ed are used to purchase supplemental instructional materials, media, and library resources used to improve and enhance the overall instructional program. Title I, Part A Funds will be used to partially finance strategies to increase parental involvement. Parents will be at the school including the parent workroom and to purchase special materials used in the parent volunteer program. Parent education will be provided to parents by the campus parent liaison as well as the District's Parental involvement Center. Parent training on how to help their children be successful at home, learning English, discipline management, and parenting skills will be provided to those parents who want to better meet the rigors of parenting. Parent training will concentrate on the new assessment requirements, improving reading readiness and increasing parental involvement participation. Parental involvement meetings will be held twice a week to accommodate the needs of parents. (1.1.1, 1.1.3, 1.1.12, 1.1.13, 3.1.16, 3.1.2, 3.1.9, 3.1.11, 6.1.1, 7.1.3, 7.1.4, 8.1.1, 8.1.2,)

#### **7: Plans for assisting preschool children in the transition from early childhood programs to elementary school programs**

An orientation for preschool children from Head Start to assist with the transition to Hudson Elementary will be held annually in the Spring. (1.1.10)

#### **8: Measures to include teachers in the decisions regarding the use of academic assessments in order to improve the achievement of individual students and the overall instructional program**

Teachers will be included in decisions regarding the use and selection of academic assessments to measure student performance. Teachers will use data obtained from state assessments as well as other instruments, including but not limited to the SELP, TELPAS, TPRI/Tejas Lee, C-PM, OWL Monitoring, previous STAAR scores, REACH test results, progress monitoring assessments, and benchmark tests in order to make decisions that directly impact the implementation of new instructional strategies, modify existing strategies and/or discontinue existing strategies to better address student needs as determined by use of these instruments. (1.1.2, 1.1.6, 1.1.9, 1.1.13, 1.1.14, 1.1.16, 3.1.1, 3.1.2, 3.1.11)

#### **9: Activities to ensure effective timely assistance for students who experience difficulty mastering the proficient or advanced levels of academic achievement standards**

Hudson Elementary will provide the state mandated State Compensatory Education Program through funded initiatives including after school tutorials starting September 2016. Tutorials will be after school for 1.5 hours Mondays and Tuesdays. Students will be provided cognitive based strategies as support for Tier I instruction. Hudson Elementary will provide students with the Extended Day Program from 7:30 to 5:30 starting on August 2016 from Monday to Friday. Hudson Elementary will implement the BISD Fluency Initiative and Vocabulary Word of the Week to support this instruction. Interventions, supplemental materials, and support services will be provided using the 3 Tier Model. Tier I universal level of instruction will identify students who may be at risk of reading difficulty. Tier II students will be provided with additional 30 minutes of research based reading interventions and will be monitored every two weeks. Struggling students will be identified and an RTI plan will be developed. Tier III students will be provided explicit, individualized reading instruction. (1.1.3, 1.1.6, 1.1.7, 1.1.12, 3.1.1, 3.1.11, 7.1.10, 8.1.2)

## **10: Coordination and integration of federal, state and local services and programs**

The school will coordinate and integrate federal, state, and local programs and services to maximize the effectiveness of these resources. Several of the strategies being implemented are jointly funded with Title I funds along with Local, State Compensatory Education, State Bilingual, State Special Education are used to provide supplemental instructional services. (1.1.2, 1.1.3, 1.1.9,1.1.13,3.1.1, 3.1.3,3.1.8,3.1.9,3.1.11,8.1.2)

Hudson Elementary School will provide the state mandated State Compensatory Education Program through funded initiatives including afterschool tutorials on Mondays and Tuesdays starting in September 2016, and extended day starting on August 2016 during the school week. In addition, State Compensatory Education funds will be utilized to provide direct instruction via categorical funded personnel and supplemental instructional materials. (3.1.1, 3.1.11)

Special education funding provides supplemental services to eligible students as per Individuals with Disabilities Education Act (IDEA) identification requirements. In order to ensure a free and appropriate public education (FAPE) in a least restrictive environment (LRE), children who qualify for special education must receive services in accordance with a properly developed Individualized Education Program (IEP) as per federal and state special education guidelines. In addition, all Admission, Review, and Dismissal (ARD) committees will adhere to the policies and procedures outlined by the Texas Education Agency (TEA) in the ARD Committee Decision-Making Process for the Texas Assessment Program Manual and A Guide to the Admission, Review and Dismissal Process. (1.1.2,3.1.1,3.1.11,3.1.9,8.1.2)

In addition to those described above, Migrant Funds are used to identify and recruit children of migratory workers for supplemental services designed to reduce the educational disruptions and other problems that result from repeated moves. Reports from the migrant office are used to identify the PFS migrant students upon registration and withdrawal from Hudson Elementary. Support is provided using Migrant office informational flyers as well as support to students and parents regarding academic needs. Hudson migrant students will receive school supplies upon their return from migrant travel to assist migrant students and their families with the financial stress and provide for a smooth transition into the school year. The academic progress of migrant students will be monitored to identify remediation strategies and implement plans. All PFS migrant students will be identified using the Migrant Office report and serve based on individual student needs. Teachers will support PFS students in the classroom and ensure communication with parents of available services/opportunities in the school and or community. Fiction and Non-Fiction Readers will be ordered to support PFS student achievement in the area fluency and comprehension skills. Teachers will monitor progress of PFS migrant students and provide immediate remediation through small group instruction; computer based instruction; counseling's services and or referrals to nurse for needed assistance or services. (1.1.2,3.1.1, 3.1.3,3.1.11,7.1.1,8.1.2)

Bilingual Funds are used to provide supplemental services to help ensure that children who are limited English proficient attain English language proficiency and develop high levels of academic attainment. Bilingual students will have access to ipads to assist instruction. The Language Proficiency Assessment Committee at Hudson Elementary meets periodically to identify bilingual students, monitor student assessment and provide recommendations based on data reviewed. TELPAS progress monitoring is conducted on a six weeks basis and documentation is kept in ELL Portfolios that are found in the students' PRC. (1.1.2, 1.1.6, 1.1.9, 3.1.1, 3.1.3, 8.1.2)

Title I funds along with 162 and 211 funds are used to purchase supplemental instructional materials, media, and library resources used to improve and enhance the overall instructional program. Bilingual 263 funds and Migrant 212 funds are encumbered to help support student instruction at Hudson Elementary. 5th grade students are utilizing the COWS to supplement the core instructional program and improve instructional delivery methods via technology media. Technological resources such as VGA cables, headphones, speakers, projector, projector lamps bulbs will be used to maintain the

proper performance of our existing capital layout and continue the multisensory learning for our students. Resources such as ink cartridges are needed to print report cards, progress reports, record, data, and PRC to maintain appropriate student files and communication with parents.(1.1.2, 1.1.3,1.1.7, 1.1.9, 3.1.1, 3.1.3, 3.1.11,3.1.9,7.1.11, 8.1.2)

## Title I Personnel

<u>Name</u>	<u>Position</u>	<u>Program</u>	<u>FTE</u>
De Los Reyes, Rosa Maria	Pre-Kinder Aide	Title 1-A	1
Doria, Lisa Marie	Dyslexia Aide	Dyslexia	1
Euresti, Victoria	Library Aide	Title 1	1
Garza, Zenaida	Pre-Kinder Aide	Title 1-A	1
Iracheta, Hector	Nurse	Title 1-A	0.40
Laulom, Flora Estela	Pre-Kinder Aide	Title 1-A	1
Loza, Maria	Parent Liaison	Title	1
Lozano, Nancy	Pre-Kinder Aide	Title 1-A	1
Trevino, Adeline	Teacher Aide	Title 1-A	1

## 2016-2017 Site-Based Decision Making Committee

<b>Committee Role</b>	<b>Name</b>	<b>Position</b>
Administrator	Rachel R. Ayala	Principal
Administrator	Ana C. Pena	Dean of Instruction
Classroom Teacher	Dolores Gonzalez	Kinder Lead Teacher
Classroom Teacher	Michael Johnson	P.E. Lead Teacher
Classroom Teacher	Lizzety Lopez	Fourth Grade Lead Teacher
Classroom Teacher	Baleria Magana	First Grade Lead Teacher
Classroom Teacher	Margaret Ramon	Second Grade Teacher
Classroom Teacher	Claudia Salinas	Fifth Grade Lead Teacher
Classroom Teacher	Lorena Vela	Third Grade Lead Teacher
District-level Professional	Martin Luna	State Compensatory
Non-classroom Professional	Cinthia Alvarado	Counselor
Non-classroom Professional	Marvelia Vela	Counselor
Paraprofessional	Maria Loza	Parent Liasion
Parent	Beatriz Gossage	Parent
Student	Regenae Samano	5th Grade Student
