

Texas A&M University – Kingsville
Dual Enrollment Program
Recommended Courses as per General Education Core Curriculum
Additional courses may be recommended based on undergraduate degree interest of students.

Non-TSI Courses

Juniors and Seniors that have the required high school GPA or average, may enroll in non-TSI courses with no further qualification requirements, but must have attempted at least one of the approved assessments (those scores must be submitted). A freshman or sophomore that has the required high school GPA or average, may enroll in non-TSI courses, but must provide qualifying test scores in at least one area (Reading, Writing, or Math).
