

Texas Success Initiative (TSI) Blueprint

This blueprint document indicates the number of Texas College and Career Readiness Standards (CCRS) and Texas Essential Knowledge and Skills (TEKS) standards that are addressed within each TSI strand. The blueprint also indicates the number of items per strand that align to the Texas CCRS and to the TEKS.

* The TSI Placement and Diagnostic tests are computer adaptive assessments, and the specific questions that appear on any given test administration varies based on each individual student's performance on each item. Given the nature of the computer adaptive test administration, this blueprint summarizes the total number of items (questions) that map to the Texas CCRS across the full test pool.
