Athletic Department Ticketing Procedures

Brownsville ISD Athletic Department will be making temporary changes to our normal operating procedures to comply with state and local agencies regarding crowds at athletic events. The combination of the Governors order not to exceed 50% capacity at athletic venues and Center of Disease Control recommendations for social distancing, tickets to our athletic events will be sold to a capacity of 20% the allowed capacity for our venues according to the City of Brownsville Fire code. Most varsity contest will be streamed live in order to watch contests safely from home.

Seating will be sold in pods. A pod is a family group of one to four persons. This family pod will be allowed to sit together. Every pod will have at least six feet distance between them. Seating will be allowed on every other row in each of our athletic venues. All fans will be **required** to wear a face covering 100% of the time, unless the fan is eating or drinking. All spectators will be required to answer standard COVID-19 questions before entering the venue as well as a temperature check. Any spectator with a temperature above 100.2 degrees Fahrenheit will not be allowed to enter the venue.

No season tickets will be sold this year at Sams Stadium. All tickets sold will be general admission and seating location will be first come, first serve. Due to the limited seating, all spectators are encouraged to watch the live streamed contest from the safety of home. Every varsity football game played at Sams Stadium will be streamed live on Rio Sports Live on YouTube.

Varsity football games at Sams Stadium will not allow a student section this year to avoid crowding or gathering. Students may sit in pods, socially distanced, with the same standards. Two sections will be blocked out every varsity contest to accommodate the band, drill team, and school personnel.

No District Executive Passes will be accepted for fall sports as per Committee policy.
