Fall Sport Ticketing with exception of Varsity Football

Due to COVID-19 limiting seating capacity as well as controlling the number of possible spectators for sporting events at our schools, our department is making the following limitations:

1. Entrance in all athletic games in BISO with the exception of Varsity Football will be FREE of charge.
2. The only spectators allowed at BISO athletic events will need a BISO spectator card that allows two parents or guardians per athlete into the venue.
3. All approved spectators will have to follow the standard COVID-19 screening process including a temperature check before entrance into the venue.
4. Each sport in BISO will be capped with a total number of participants per team.
5. Each athlete will receive only one BISO Athletic Spectator card per athlete that allows two persons to enter at no charge.
6. No spectators will be allowed entrance into a BISO athletic event without a BISO Spectator Card.
7. Ticket takers at all BISO athletic events, besides Varsity Football, will not handle money. Touch-free.

Sport Participation Caps
